

Our Title IX Model

Grounded in the social ecological model, UNA's Title IX commitment emphasizes five key areas:

Policy. Our foundation is in the policy and procedures we follow.

Prevention. Our goal is to prevent sexual misconduct, relationship violence, stalking, and retaliation before they happen.

Support and interim measures. Our promise is to provide support and appropriate interim measures to individuals involved in the Title IX process.

Investigation and resolution. Our commitments to due process, campus safety, and encouraging reporting guide how we investigate and resolve reports.

Patterns and trends. Our responsibility is to utilize the best available research, evidence-based practice, and our own campus trends in our prevention and response efforts.
