The Mane card is valid only for the person to whom it is issued. The Mane card must be carried at all times when the student is on campus; it is strongly recommended that it be

carried whenever the student is off campus as well. It must be presented to any university official or duly constituted authority upon request. Refusal to identify oneself to a University authority upon request or any other misuse of the Mane card (including its use by anyone other than the person to whom it is issued) constitutes grounds for serious disciplinary action against all parties involved.

The Mane Card is the property of the University and must be returned to the Mane Card office if a student withdraws from the University during a semester or summer term. Loss or theft of a Mane Card should be reported immediately to the Mane Card office, located in The Commons by visiting [www.una.edu/manecard](http://www.una.edu/manecard). Replacement cost for lost, damaged, or stolen card is \$10.00. Failure to report a loss, which results in subsequent misuse of the Mane Card, will subject the person to whom the card was issued to disciplinary action.

At the beginning of each semester, Mane Cards belonging to enrolled students automatically become active. Mane Cards have different authorized activities (door access, meal plans, etc.) dependent upon the registration status.

Funds, also known as "Lion Loot," may be added to the card. A minimum deposit of One Dollar (\$1.00) must be applied to activate the debit account, but there is no minimum balance to maintain. This account cannot be overdrawn and there are no fees associated with the use of this account.

If you have an event you wish to advertise on campus, you'll want to let University Events help you spread the word. The University has a limited number of high-visibility spaces to hang banners, which we will be happy to hang for you in high-traffic areas of the GUC. These services are normally restricted to recognized or registered student organizations wishing to advertise events open to the entire campus. Other messages are approved on a case-by-case basis. To have a message advertised, stop by the GUC office, suite 202.

## **Information Technologies**

Effective as of the 1995-96 academic year, the University established a technology fee for "technology renewal and replacement." A major portion of the money is expended each year upgrading and/or replacing personal computers, network infrastructure, and computer laboratory and classroom equipment. The remainder is held in reserve for maintenance of major software applications and hardware.

The University maintains approximately thirty student computer laboratories, ranging from the larger installations found in Collier Library to smaller discipline-specific labs in many academic departments across campus. The equipment and software in labs and classrooms is replaced on a rotational basis under the direction of the Technologies Advisory Committee. Other student services that the technology fee helps maintain include Internet access, online course management, CATV student organizations' Web pages and phone services in the student offices.

### **Meal Plans**

A variety of meal plan options are available to help fit your dining needs. (Plan options and prices are per semester and subject to change.) Up-to-date pricing information may be found in the most current addendum to the university catalog. First-year resident students are required to purchase one of the designated meal plans. All full-time students are required to purchase \$135 per semester in Dining Dollars that may be used at any campus dining location. Dining Dollars left over from the Fall semester will roll over to the Spring semester. Dining Dollars must be used by the end of the Spring semester.

Meal plans offer a variety of important features:

#### **Security**

Meal plans offer a predetermined number of meals either weekly or by semester. A meals-per-week plan means that you will have the same number of meals every week, so you will not run out of weekly meals near the end of the semester. A meals-per-semester plan allows you to use your meals any time during the semester. Meal plans with dining dollars allow you to spend your dining dollars how you see fit throughout the semester. If you have a meal plan, you do not have to carry cash for meals on campus.

#### **Convenience**

Meal plans offer you the freedom not to worry about grocery shopping, cooking, and cleaning. Meal plan participants do not have to waste valuable time leaving campus and trying to get back before their next class or meeting and losing their parking spots.

#### **Value**

You can use a value meal from your weekly or semester plan for full meals at Towers Dining Hall and your dining dollars at the GUC Food Court, Einstein Bros Bagels and WOW. Additional meals at Towers may also be purchased using dining dollars.

#### **Nutrition**

You can choose from a wide variety of food options at the C-Store/Smart Market, the GUC Food Court, Einstein Bros Bagels, WOW, Starbucks and Chick-fil-A. We offer nutritious meals that will help you keep pace with today's active lifestyles.

#### **Flexibility**

Everyone has different eating habits. No matter how you like to eat or what your schedule looks like, a meal plan can be found to suit your situation.

#### **How to choose...**

Here are some questions to consider when selecting a meal plan:

- Will you normally remain on campus during the weekends?

- Do you normally skip breakfast or eat only a light breakfast?
- Are you an athlete or a member of the band?
- How many full meals do you eat each day?
- Do you tend to eat small meals or snacks rather than full meals?

Up-to-date pricing information may be found in the most current addendum to the university catalog. Hours of operation for each dining location are posted at each location. Questions on these or other dining service subjects can be answered by visiting the Dining Services office on the second floor of the Guillot University Center, by calling the office at (256) 765-5667, or by visiting the website at [www.una.edu/diningservices](http://www.una.edu/diningservices).

## **Student's Role and Participation in Institutional Decision-making**

Students are free, individually and collectively, to express their views on issues of institutional policy and on matters of interest to the student body. The University seeks to ensure that students have appropriate input into the making of major policy, program, procedure, and budget decisions.

The Student Government Association (SGA) serves as the collective voice of the student body. The role and responsibilities of the association are described in detail in the SGA Constitution and Code of Laws. The President of the University, the Vice President for Student Affairs, and the Director of Student Engagement maintain a close working relationship with the Student Government Association officers. In addition to the SGA, many other student organizations and groups provide valuable advice to the university administration on matters of particular interest to their membership or to students in general.

Students participate in the deliberations of official decision-making bodies at the University. Most important, university committees that make or recommend institutional decisions include student members. The president of the SGA meets regularly with the Board of Trustees to give student viewpoints on issues before the Board.

The university administration uses both formal and informal means in order to maintain an awareness of the needs and views of students. The opinions of students are sought, heard, and considered in major decisions affecting virtually every facet of the University.

## **Student Organizations**

Recognized Student Organizations (RSOs) play an important role in the University. RSOs provide unique learning experiences outside the classroom and create opportunities for students' personal and professional development. UNA recognizes the positive impact student organizations can have on recruitment and retention of students.

To function on campus and have access to campus resources, including room reservations and posting privileges, a mailbox, and storage space, all student organizations must register with the Office of Student Engagement. Information provided through the registration process enables the University to maintain communication with student leaders and to provide several special services for student organizations.

Any UNA student group recognized by the University is subject to the policies and procedures as outlined in the student handbook and in the RSO handbook.

The Office of Student Engagement is committed to helping student organizations thrive at the University of North Alabama. Services include leadership training, officer resources, organizational consulting, and advice on activities planning and funding. Please feel free to consult the office at 765-4248 or visit GUC 107 for assistance with your organization's needs.

### **Recognition Policy**

Recognized Student Organization (RSO) standing is defined as the certification that grants the student organization official status as part of UNA's educational and/or extracurricular program. All recognized student organizations must register with the UNA Office of Student Engagement to function on campus. For an organization to maintain university recognition, the following criteria must be met:

Submit the RSO Update form at the beginning of each semester, October 1 and February 1, through UNA OrgSync. Any changes in officers or advisors **RSO**

between these reports must immediately be made in OrgSync.

Send a representative to the mandatory RSO retreat each fall on the date set by the Office of Student Engagement. Information and registration for the retreat will be sent to RSOs via UNA OrgSync at the end of the spring semester.

Submit an updated organization constitution by October 1 of each year.

Adhere to all university and RSO policies as listed in the RSO handbook and student handbook.

Organizations that do not maintain up-to-date information may risk the loss of RSO status and will be ineligible to apply for Student Allocation Funding. Recognition of a student organization may be suspended or terminated pending review of the organization by the Office of Student Engagement.

All organizations planning to host activities where alcoholic beverages may be consumed must each year attend a Risk Management Education Program facilitated by the Office of Student Engagement. The president, advisor, and risk management officer (if applicable) are required to attend.

#### **Registering a New Organization**

Students interested in forming a new organization at UNA should first contact the Office of Student Engagement. The RSO handbook may be obtained on the Student Engagement website at [www.una.edu/student-engagement](http://www.una.edu/student-engagement) under the “Files” link. The students should facilitate a meeting to determine whether there is sufficient interest to form a new organization. Once that has been determined, plans should be made to hold an organizational meeting, at which officers should be elected and future activities planned.

The organization must support and enhance the mission and purpose of the institution in one or more of the following ways:

- Develop the personal empowerment of those participating.
- Develop academic/career competency of those involved.
- Develop social/civic responsibility of those involved.
- Continue to improve the effectiveness of the university community.

#### **To register a new organization, these steps should be taken:**

- Submit a list of at least ten (10) full-time enrolled students who wish to be members of the proposed organization. The list should include name, phone number, box number, and student number. The students must have a minimum 2.0 cumulative GPA.
- Obtain agreement of a full-time faculty or staff member to serve as the organization’s advisor.
- Submit a copy of the constitution under which the organization will operate. This constitution should be approved by a majority of the chartering students.
- Prepare and submit a list of proposed activities the organization wants to participate in or sponsor.
- Submit the completed Student Organization Registration form via UNA OrgSync.
- After submitted through OrgSync, the information will be sent to the Office of Student Engagement for review. Once the Office of Student Engagement has approved the new organization, it is entitled to all the rights and privileges of a Recognized Student Organization (RSO). However, new RSOs must wait one semester before the group is eligible for Student Allocation Funding.
- RSO registration applications will be reviewed twice a year. Student groups wanting to begin fall semester must have registration applications in by October 1. Student groups wanting to begin for spring semester must have registration applications submitted by February 1.

#### **Contact Info**

Contact information for Recognized Student Organizations is available from the Office of Student Engagement, 256-765-4248 or [www.una.edu/student-engagement](http://www.una.edu/student-engagement).

[www.una.edu/sga](http://www.una.edu/sga)

The Student Government Association (SGA) at UNA serves two valuable purposes. First, it allows students the chance to represent their fellow students in providing services and making recommendations to the administration for the benefit of the student body. Second, SGA provides students with challenging opportunities for developing organizational and leadership skills. SGA meetings occur every Thursday at 3:30 p.m. in GUC 200.

The University Program Council (UPC) is the programming branch of the SGA. The UPC, composed solely of students, plans and implements a wide array of social, cultural, recreational, and educational activities for the UNA and Shoals communities. UPC provides a challenging opportunity to develop event-planning and organizational skills. As delegates of UPC, students have the power to determine the events they want to sponsor for the campus such as concerts, movies, and other activities.

Students interested in joining the University Program Council should stop by the SGA office or the Office of Student Engagement. UPC meetings occur every Monday at 3:30pm in GUC 200.

### **Greek Life**

There are three Greek councils. The National Panhellenic Council consisting of four sororities, Alpha Delta Pi, Alpha Gamma Delta, Phi Mu, and Zeta Tau Alpha. The Inter-fraternity Council consists of seven fraternities, Alpha Tau Omega, Delta Chi, Kappa Sigma, Phi Gamma Delta, Pi Kappa Alpha, Sigma Alpha Epsilon, and Sigma Chi. UNA's student media staffs produce award-winning publications — a weekly newspaper, a news website, and a yearbook — for the campus community. Students from all majors are encouraged to participate in the production of each publication; those with talent in the areas of journalism, English, business, art, and photography are especially sought. The student press supplies a learning atmosphere and practical experience for student editors, reporters, graphic artists, managers, and photographers.

The Student Media Board interviews applicants and selects paid student editors, photographers, circulation and business staffs in the spring. Students who have volunteered with the staffs and shown dedication and responsibility are considered for scholarship-based positions. Advertising sales representatives are hired and paid through commission.

## Leadership and Volunteerism

Location: Gulliot University Center, Room 107

[www.una.edu/leadership-volunteerism](http://www.una.edu/leadership-volunteerism)

Phone: 256-765-4248

UNA is committed to providing the highest quality of involvement opportunities for students. One of the best ways to get involved and impact the campus and community is by volunteering. Each semester the Office of Student Engagement works to provide information and opportunities for students to volunteer in the surrounding community and on campus. There are also student groups and events that focus on volunteerism such as the Alternative Breaks and Lions Lend a Hand day. By volunteering, students are able to give back to their campus and community while developing additional skills, networking with other students, developing a sense of respect and gaining an active citizen mentality.

All students are encouraged to focus on their leadership skills while at UNA. By providing a Leadership Summit and various opportunities for leadership growth throughout the year, students are able to advance in their strengths and build on skills that they can carry with them after graduation. Students are also encouraged to get involved in Registered Student Organizations to help advance their talents and cultivate them in preparation for their future careers.

## University Awards

### **Keller Key**

A Keller Key is presented at each commencement to the honor graduate(s) who, on the basis of having earned all credits for the bachelor's degree at this University, has made the highest scholastic average. The recipient(s) of the Keller Key will be identified by the registrar's office in accordance with established guidelines. For this purpose, all academic work ever attempted at UNA will be included in the calculation of the GPA. A student may receive the award only once even though more than one degree may be earned.

### **Turriss Fidelis Award**

The Turriss Fidelis Award may be awarded to no more than two graduating seniors at spring commencement. Students who have graduated since the previous spring semester as well as those planning to graduate in the spring will be considered candidates for the award. The award is made on the basis of outstanding service to the University and scholastic achievement. This honor is the highest that can be conferred upon a graduating senior, and recipients are selected by a joint committee of faculty, staff, and students.

### **Distinguished Academic Achievement Award**

The Distinguished Academic Achievement Award is presented to the UNA graduate with the highest grade point average who has completed at least 32

semester hours at UNA and is not eligible for the Keller Key Award. The grade point average is based on all work attempted. This award is presented annually at the Awards Gala.

### **ROTC Awards**

The Department of Military Science makes numerous awards to outstanding military science students. Among these are the Outstanding Basic Cadet and Outstanding MS III and MS IV awards, and the Department of Army Superior Cadet Award. The staff, in cooperation with the Second US Army ROTC Region, also selects Distinguished Military Graduates to be commissioned Second Lieutenants in the Regular Army.

### **Willingham Award**

The Henry J. Willingham Award is conferred upon no more than one member of the senior class at Academic Honors Day for exemplifying the professional spirit and personal qualifications required for leadership in the teaching profession and for high academic achievement in the institution's program of teacher education. This award is in memory of the late Dr. Henry J. Willingham, who served as president of the college from 1913 to 1938.

### **Phi Kappa Phi Awards**

The Honor Society of Phi Kappa Phi invites juniors, seniors, and graduate students into its membership twice a year—for the November and April initiation ceremonies.

To be eligible for membership, Juniors must have completed at least 24 semester hours at UNA, have completed at least 72 hours overall, and rank in the upper 7.5% of their class. Seniors must have completed 24 semester hours at UNA, at least 96 semester hours overall, and rank in the upper 10% of their class. Graduate students must have completed 18 hours of graduate work at UNA and rank in the upper 10% of their class.

For the November initiation ceremony, Phi Kappa Phi also sponsors a competition and awards two sophomore book scholarships. ## **Welcome to Community Living**

The University of North Alabama offers students a unique educational experience through its on-campus living community. There are two basic types of housing available on campus: residence halls and university apartments.

Each residence hall, a modern living facility, is a community designed to enrich and broaden the educational experiences of students. Living in residence halls provides the student an opportunity to develop lasting friendships, well worth remembering. The residence halls are designed to meet the physical needs of the residents, while providing activities and programs that contribute to the "total educational experience." We welcome you to the residence hall community and hope that this experience will be an integral part of your college life.

The university apartments are available to full-time UNA students and to university employees. Apartment living offers the opportunity to develop community and also to enjoy private living. Affordability, convenience, and easy access to campus services are just a few reasons to consider living on campus in university apartments.

Two strategic departments exist to collaborate and coordinate the many aspects of campus residential living: the Department of Housing and the Department of Residence Life. Each area not only pursues its specific functions but also shares common goals such as security and safety. For all matters pertaining to application and assignment to a residence hall, please refer to the Department of Residence Life. For all matters relating to application for and leasing of university apartments, please refer to the Department of Housing.

## **Department of Housing**

Location: Ground floor Rivers Hall (Entrance located to the left of Rivers Hall front doors)

Phone: (256) 765-4124

[www.una.edu/housing](http://www.una.edu/housing)

The Department of Housing's mission is to provide "students with comfortable, diverse, well-maintained, affordable and secure housing options where the academic success and personal growth of residents are encouraged and supported."

The Department of Housing is composed of the director, assistant director, senior administrative assistant, administrative assistant for university apartments, and environmental specialists. The director's office, on the ground floor of Rivers Hall, coordinates all aspects of apartment applications and apartment leases; residence hall and apartment facilities management, renovations and repairs, security, billing, refunds, and budget. Environmental specialists are assigned to each residence hall. The Housing office maintains an open-door policy, so please drop by and meet the staff!

### **Summer of Service**

The Department of Housing offers summer employment to students as part of a work crew designed to perform maintenance and cleaning of the buildings, minor repairs, moving inventory, etc. These students are supervised by the Assistant Director of Housing.

### **Apartments**

Two apartment complexes are conveniently located within walking distance of the entire campus and are offered at economical rates. A third complex, Lion's Gate, is located on North Pine Street just past Rice and Rivers Halls. Grandview Campus Apartments are located on Graham Avenue. All apartments are two-bedroom units and can be rented by upperclassman single adult students, by married

couple, or by siblings. Dependent children are permitted in Lion's Gate, Family Housing (bi-level) and Twin Oaks (single level).

#### **Apartment Application Process**

A \$200 (refundable) deposit must accompany the university apartment application to be placed on the waiting list for an apartment. This deposit will serve as a security deposit for the apartment if the student rents one of the units. Each roommate, if single, should have a \$200 deposit receipted in their name, for a total of \$400 deposit; if married, a total deposit of \$200 is required. Only two single adults are allowed per apartment.

Apartments are leased upon availability and priority date of deposit receipt, first to upperclassmen and then to freshmen. The Department of Housing will notify the applicant when an apartment is available for the requested semester.

#### **Eligibility**

Apartment tenants must be full-time students: undergraduates must maintain twelve semester hours and graduates, nine semester hours. Any student whose class load drops below the required hours must request permission, in writing, to the Director of Housing, to remain in the apartments for the remainder of the semester. No more than two single students are allowed to reside in an apartment. Both must be same gender.

Apartments are leased first to upperclassmen and then to freshmen. Traditional-age new freshmen are encouraged to live in the residence halls for their first academic year.

For married couples, eligibility for occupancy requires enrollment as a full-time student by either husband or wife of married couple. Brother and sister may lease together if each one is enrolled at UNA as a full-time student. Their original birth certificates must be presented for copy at the Housing office.

Single parent must be enrolled at UNA as a full-time student and must provide the birth certificate of each child to provide a file copy at the Housing office.

#### **Lease Agreement**

Each student living in a university apartment is required to have a completed apartment application and receipted apartment deposit for \$200, and must sign the apartment lease. All apartment leases end May 31 of any given year. Leases start the day you sign it and require the signature of each tenant. Parent/guardian signature is required on the lease and for utilities if tenant is not 19 years old or older.

Semester rent will be placed on the student's tuition account. Each roommate, if single, will have separate rent billing in their name.

Detailed terms and conditions of occupancy are included in the lease. Further details of the lease term and conditions not included here can be requested by contacting the Housing office.

#### **Environmental Services**

The Environmental Specialists clean public areas daily. It is the responsibility of residents to dispose of personal trash and food in the outside dumpsters and to keep hallways, bathrooms, and all public areas neat and attractive. Please help us keep our facilities clean and well maintained. Environmental problems should be reported in writing to the Director of Housing.

Residents of Hawthorne, Covington, and Appleby East and West halls shall maintain their private rooms and baths in a neat, clean, safe, and sanitary condition. Residents agree to be responsible for actual cleaning of these areas. The University shall provide Environmental Specialists for cleaning of common areas such as lounge, kitchen, elevator lobby area, laundry room, and public restroom. Residents will, however, be responsible for disposing of food and trash in the outside dumpsters, and for general cleaning of kitchen areas after events and personal

cooking. Residents will be charged the cost of cleaning required beyond normal wear and tear, which includes, but is not limited to, trash not properly disposed of, leaving dirty/used dishes in the sink, food not properly stored, and spills on the floor.

#### **Keys**

Each tenant is required to have a key to his/her apartment. If a key is lost the student will be charged. Unlocking the apartment doors by staff members should not be viewed as an obligation of the staff member. The lockout service is provided purely out of necessity and is greatly discouraged.

#### **Lease Renewal**

It is the tenant's responsibility to request renewal of the lease in the housing office. Apartment leases terminate May 31 but can be renewed each April. A tenant can also lease month by month if the tenant's lease term expires. This decision will be made by the Director of Housing on a person by person basis. Notices will be delivered to tenants before spring break to notify them of the specified dates in April for renewing their leases.

#### **Lease Termination**

The termination date of the lease is May 31. Terminating the lease or vacating the apartment prior to the recognized end of lease period will result in a forfeiture of the deposit. Early termination without prior permission by the Director of Housing could result in a fine of \$150 in addition to loss of deposit. Written notice to terminate does not imply that the tenant will not be held responsible for the remainder of the rent for the lease period. The tenant will need to submit the application for lease release and be approved by the Lease Review Committee. Please refer to <http://www.una.edu/housing> for details and the release application.

If the termination date is May 31, a 30-day written notice prior to vacating the apartment is required. Tenants must schedule an appointment with the Department of Housing for checkout.

#### **Maintenance and Repairs**

Apartment tenants should report needs pertaining to repairs, maintenance upkeep, and pests to the Housing office. Emergency calls after hours and holidays are reported to UNA Police.

If a maintenance problem occurs in your room or in a public area, please report the problem promptly and directly to the Housing staff. Problems should be reported using the online maintenance reporting system, TMA, which is found at <http://maintenancedb.una.edu:81/>. Once you reach the web page, your ID is "student" and your password is "request" (do not include quotation marks for ID or password). Submitting your request with the online TMA system will allow more immediate response to your maintenance problem. TMA is only accessible using Firefox browser on the UNA Internet system.

For emergency maintenance and repair needs, you should call the Residence Life staff on duty.

#### **MicroFridge® Option**

MicroFridge® units are available for use in student rooms. Three units in one, the MicroFridge® has a separate door freezer, auto defrost refrigerator, and a 600-watt microwave oven. A MicroFridge® may be requested before August 1 of each academic year through the Department of Housing. MicroFridges® are rented on a first-come, first-served basis, determined by the application date.

#### **Pest Control**

The potential for pests exists everywhere. Campus housing is no exception. To eliminate pests, all residence halls are treated regularly. If you see evidence of pests, complete a maintenance request as soon as possible. Keep in mind that the pesticides used are only effective when combined with good housekeeping practices. Follow these guidelines: (1) Store all food in sealed containers. (2) Do not leave

food or dirty dishes lying around. (3) Empty liquid contents of cans and bottles into the sink before throwing them in the trash. (4) Empty the trash before leaving for the weekend or holiday.

#### **Refrigerators**

Individually owned refrigerators may be used in residence hall rooms if they are no larger than 4.3 cubic feet. Larger units are prohibited. Refrigerators brought into the residence halls that exceed the set limit will be removed.

#### **Smoking**

All apartments are smoke-free facilities.

#### **Trash**

All residents are responsible for disposing of their personal trash in the outside dumpsters. Environmental Specialists will not remove or collect trash in these buildings except for such common areas as the offices, kitchens, multi-purpose room, etc. All resident trash must be disposed of by the residents on a regular basis.

## **Department of Residence Life**

Location: Rice Hall main floor (entrance near Towers Cafeteria)

Hours: Monday-Friday, 8 a.m.-4:30 p.m.

Phone: (256)765-5558; Fax: (256)765-5840

The Department of Residence Life's mission is to "create a supportive and engaging residential community which enables students to foster their personal development and academic success." Our core values, which guide the overall implementation of our mission, include: Collaboration, Leadership, Engagement, Diversity, and Service.

The Department of Residence Life is composed of professional staff which includes the Director, Assistant Director, Assistant Director for Success Initiatives, Area Coordinators, and Senior Administrative Assistant in addition to paraprofessional student staff which includes Senior Resident Advisors, Resident Advisors, House Managers, and First-Year Resident Educators.

One of the greatest advantages of living in a residence hall is that there always seems to be something happening. Residents will find all sorts of social, recreational, community service, and educational programs designed to supplement educational goals and activities. Intramurals, outings, special entertainment, and events are regularly offered throughout the year. The Residence Hall Association (RHA) is an amazing way to become involved and have an impact on your residential learning experience. Each resident becomes a member of RHA upon move-in and is encouraged to participate in related opportunities, activities, and meetings.

The Department of Residence Life believes in an "open-door" policy and welcomes your ideas, concerns, and recommendations. Please feel free to stop by our office in Rice Hall. We look forward to helping you with your residential needs.

#### **Residence Hall Eligibility**

To be eligible for on-campus housing, a student must first be enrolled at the University of North Alabama. Undergraduate students in the residence halls must maintain nine semester hours and graduate students must maintain six semester hours. If you are planning to drop below the required number of hours you must request permission, in writing, to the appropriate Area Coordinator to remain in the residence halls for the remainder of the semester. Decisions are made on an individual basis. If you fall below the minimum number of hours required to live in the residence halls, without gaining approval from the Director of Residence Life, you will be asked to increase your course load or move out of the residence halls.

#### **Application Process for Returning Students**

If you currently live on campus, there is a priority application time for you to reclaim a room for the following academic year. The residence hall renewal process

is a designated time when current students can choose to stay in their current room or move to a different room, floor, or hall for the next academic year. Publicity for this event will begin at the beginning of spring semester and occurs in late February/early March.

#### **Single-Occupancy Housing**

There are two single occupancy room types in the Residence Halls. In Rice and Rivers Halls there are rooms that are built to be occupied by only one student. The rooms are referred to as "inside single" rooms. The inside single room is located on the inside for cube style floor and has a window facing the floor lounge. These rooms are reserved on a first come first serve basis with an emphasis given to students with a documented need for special accommodations. The cluster style halls (Hawthorne, Appleby East & West, Covington) also have rooms that are built specifically for one occupant.

The other option in single occupancy rooms is using a double room as a single room. This option involves the student buying out the second bed in the double room they are assigned to and ensuring a private room. Students are given the opportunity to buy out the other bed in their room once the consolidation period has passed at the beginning of each semester and are strictly contingent upon availability.

The prices for a built single room or using a double occupancy room as a single are higher than the standard double room rates.

During the consolidation period, students will be given the opportunity to buy a double occupancy room as a single room for the duration of the current semester pending the availability of vacant double rooms.

#### **Changing Rooms or Halls**

Once a room or building assignment has been made, any request for change must be submitted in writing to Residence Life using an official Room Change Request Form. An open room change process is held approximately two weeks after classes begin each semester. Requests are granted based on priority and available spaces. All room and building changes must be coordinated and approved by Residence Life. Any student who makes an unauthorized move will be charged \$150 for conducting an improper room change.

#### **Extended Housing (nine-month halls)**

For residents who need to live on campus in the traditional style buildings (Rice, Rivers, LaGrange & Lafayette Halls) during the times the University is closed (Thanksgiving and Spring Break), extended housing is available. Mailings go out to residents in these residence halls shortly before the break instructing residents how to sign up for extended housing. Even though the college is closed during these academic breaks there are still Residence Life staff members available for students choosing to reside on campus during the break. Students participating in athletics are encouraged to discuss the need for the extended housing option with their coaches.

#### **Summer Housing**

A separate application and contract are required to reserve a space in summer residence halls during June and/or July summer sessions. Students wishing to reside on campus during the summer months must be enrolled in at least one course per summer session.

#### **Contract/Agreement**

All students requesting housing in a residence hall are required to sign a residence hall contract. The term of the contract is for one academic year, consisting of two semesters, from the first day of the fall semester to the last day of the spring semester. Refer to your copy of the housing contract for details.

#### **Contract Cancellation**

With appropriate documentation, a resident may cancel without penalty for the following reasons:

- Marriage, with appropriate documentation.
- Required to move from the area to fulfill academic requirements such as internship, fieldwork, or student teaching; appropriate documentation must be submitted from a supervising faculty at least thirty (30) days before the semester.
- Ineligibility to continue enrollment due to failure to meet academic requirements.
- Graduation if not enrolling in graduate courses during contract period.

Any resident who cancels during the contract period will be subject to full payment according to contract terms and conditions. These conditions are in conjunction with university refund policies stated in the university catalog.

#### **Consolidation**

Students are assigned accommodations assuming double occupancy of rooms unless alternative arrangements are made. If a vacancy occurs in a room due to the withdrawal of one of the residents during the first four weeks of the semester, the remaining residents has the following options:

- Pay the additional charge necessary to occupy the room for the remainder of the semester as a private.
- Request a room change to live with someone who currently has no roommate
- Allow the Area Coordinator to assign a new resident to the room or agree to move to another room that has only one occupant.

#### **Nondiscrimination Policy**

The University of North Alabama is committed to a policy of nondiscrimination. When the names of roommates are not reciprocally expressed, individuals will be assigned without regard to race, religion, creed, or national origin.

#### **Residence Hall Safety**

The Department of Housing and the Department of Residence Life staff desire for your college experience to be educational, fun, and most importantly safe. We view ourselves as a safety-conscious campus, and keeping all community members safe has long been a high priority. Crime still does occur, but most of it is “crime of opportunity.” As a student, your first line of defense is a combination of awareness and prevention. This means that you can take specific action to prevent, or greatly reduce, the likelihood that you will be the victim of a crime.

Relying on your own instincts is an important rule for personal safety. Occasionally, ask yourself what you might do differently in the future. Remember, your personal safety is our primary concern, but we need your help, too. Housing and Residence Life work closely with the University Police to provide for your safety. However, residents must take on responsibility for developing a safe environment in the residence halls for themselves as well.

#### ***Do not prop exterior doors.***

For security reasons, doors in the residence halls are kept locked. A door propped open invites non-residents into the building, some of whom may commit crimes against residents. If you come across a propped door, please close it.

#### ***Always lock your room door***

Locking your door when you are asleep or gone will probably be the most important thing you can do to ensure residence hall safety.

#### ***Escort guests at all times***

Residents are required to escort their guests at all times and are responsible for their actions. If you see an unescorted guest in the residence halls then contact a

member of the Residence Life staff for assistance. Do not let the person continue unescorted. The name of the Resident Advisor (RA) on duty is posted in the lobby of each building.

#### **RESIDENCE HALL LIVING**

##### ***Damages, Vandalism, and Community Property***

Each resident is responsible for the ongoing condition of his/her room. Residents are responsible for the accommodations of the room and shall reimburse the University for any damages or loss of items. Residents of an individual floor or residence hall share the expense of repairing or replacing property in common spaces, including bathrooms, lounges, hallways and kitchens. Charges for damages will be determined by the University at its discretion and must be paid before the end of the semester in which the damages occur.

##### ***Health & Safety Inspections***

Each resident is responsible for the care and cleaning of his/her room. It is also the responsibility of residents to dispose of trash in the dumpsters outside and to keep hallways, baths, and all public areas neat and attractive. Residence Life staff conduct monthly health & safety inspections in all residence halls. During these health and safety inspections, Residence Life staff verifies that there are no fire safety hazards and that there are no visible health risks in the room.

##### ***Entry/Confiscation***

The University reserves the right of entry to any room at any time for the purpose of inspection, repairs, pest control, in case of emergencies, or for any other valid cause.

The Department of Residence Life also reserves the right to confiscate, discard, hold or surrender to appropriate authorities any item in any room that violates Residence Life or University regulations as stated in this handbook, the university catalog, or any other official university publication.

##### ***Inventory***

A room inventory is prepared for each room/apartment by the Residence Life staff prior to occupancy. Each resident must sign the inventory at the time of check-in, thereby acknowledging the condition of the room/apartment and the presence of specific furnishings. When damages occur within a resident's room or in areas adjacent to it (e.g., windows, doors, lobby/study areas), it is ultimately the responsibility of the occupant to pay the costs to replace or repair the damaged property. The purpose of the room inventory is to establish the condition of the room at occupancy so that residents can be assessed fairly if damages occur. If the student finds damages in the room they are moving into that are not listed on the inventory, they can request that those damages be added to their inventory.

When a resident checks out, Residence Life staff checks the outgoing condition of the room against the check-in status of the room. If there are changes between the check-in and check-out status the resident may be charged, at current repair and/or replacement prices, for any damages and/or missing furniture.

##### ***Keys***

Each resident is given a key to his/her room. If a resident becomes locked out of their room, they can check out a key during business hours at the Department of Residence Life office or through the CA on duty outside of business hours. Residents are permitted 24 hours to return the key or a lock change fee will be imposed. If a student loses their room key there is a charge associated with making new keys for all students in the room.

##### ***Occupancy***

Only those students assigned to a room may occupy that room. If an individual other than those assigned occupies the room, the assigned student may be subject to immediate termination of the housing contract and may forfeit his/her right to

remain in the Residence halls. Residence hall rooms may not be sublet to another person.

### **Entering the Residence Halls**

The residence halls are considered private residence. As such, entrance to the facility is restricted to residents and their invited guests. Proof of residence in any residence hall is provided by a valid Mane Card programmed for entry to that building. A room key alone is not considered proof of residence.

Students who fail to provide appropriate identification upon entering the residence halls will be asked to leave and may be subject to follow-up through student conduct.

### **Card Access to Buildings**

Each entry door to a residence hall is equipped with a card-access swipe. These specialized doors provide security and should never be propped open. Access to the building is granted only to the residents of the hall who have their UNA identification number encoded into the card access system by Department of Residence Life. Any resident who finds his/her access card not working properly or loses an encoded ID card should notify the Department of Residence Life as soon as possible.

### **Hall/Floor Meetings**

Periodically throughout the semester, Residence Life staff will hold hall/floor meetings. Your attendance at these meetings offers you the opportunity to provide feedback and suggestions for Residence Life programs, policies, and procedures. Meetings are held whenever an issue or concern needs to be addressed with the resident population as a whole. Please be aware of posted notice of meeting dates, times, and locations.

### **Parking**

Residence Hall students should purchase residential parking decals. Any questions regarding proper decal can be answered by the UNA Police Department.

### **Pets**

Residents are permitted to have fish contained within desktop aquariums that do not exceed a 5-gallon tank capacity. For health reasons, no other pets are permitted in the halls. Violation of the pet policy may subject residents to disciplinary action. Students with a documented need for a support animal may request accommodations through the Department of Residence Life and Disability Support Services.

### **CHECKING OUT**

All residents must check-out the residence halls within 24 hours of their last final exam or by 12 noon on the last day that the residence halls are open, whichever comes first. See a member of the Residence Life staff for additional checkout information.

### **Abandoned Items**

There is no provision for storage of personal property in the residence halls. Items left in residence hall rooms or in storage after the owner has moved out of the residence hall, or to another room, and items not marked as to ownership will be declared abandoned. When possible, a written notification will be sent to a resident whose items have been left behind. If no action is taken by the resident to remove the items from the residence hall within the timeline indicated in the notification sent to the student, the items will be disposed of by the Department of Housing or Residence Life staff.

### **Possible Charges**

The following lists the charges that may possibly be assessed through the Department of Housing and the Department of Residence Life:

- Unauthorized room change and/or move/ \$150
- Improper checkout/ \$50
- Re-core room lock/key replacement/ \$35-\$100
- Smoking in Room/Building/ \$50

## **RESIDENCE HALL EXPECTATIONS**

### **Disposal of Hazardous Materials**

Students who use syringes for legitimate medical purposes, such as insulin injections, are required to notify Residence Life staff immediately. It is university policy that all sharps used for legitimate medical purposes be disposed of in the proper manner. Syringes and other “sharps” are not to be put in common area trash receptacles in the residence halls unless they are in a sharps container. Any questions should be directed to the Area Coordinator.

### **Personal Property Liability/Loss**

The University of North Alabama and the Departments of Housing and Residence Life assume no responsibility for theft or casualty losses. To protect your possessions, check your parents’ insurance policy or your personal insurance policy to determine coverage. If your possessions are not covered, you should obtain private insurance (brochure of private agency is available from the Housing office).

### **Smoking**

Smoking is prohibited inside all residence hall facilities. Cigarette bins are located outside each building. Discarding cigarette butts on the ground is considered littering and the privilege of smoking outside the building can be taken away. There is a \$50 charge for smoking in the residence halls.

### **Public Areas/Restrooms**

Areas of residence halls where guests are allowed, other than the host’s room, are posted in each individual hall. Restroom facilities for guests are available in the lobby of each building. Restrooms on the floors are off limits to opposite-sex guests.

### **Bomb Threat**

If a bomb threat is announced in your residence hall, follow the directions provided by your hall staff and/or the UNA Police. It is important that you remain calm and that you cooperate fully.

### **Fire Safety and Procedures**

Fire alarm systems are installed in all residence halls. The system includes automatic smoke detectors, alarm signals, and enunciators. The alarm is a continuous buzzing noise. All alarms should be regarded as actual fires. University and state law requires all residents and their guests to adhere to the fire safety regulations of the campus. Failure to evacuate is not only a safety hazard, but it is a violation of University policy and state law. Rendering a false alarm is considered a criminal offense.

It is each resident’s responsibility to be familiar with evacuation procedures. In the case of a fire, residents should do the following:

If there is smoke in the room, keep low to the floor.

Before passing through any door, feel the door knob. If it is hot, do not open the door. Before opening a door, brace yourself against the door and open it slightly. If heat and smoke are present, close the door and stay in the room.

If you cannot leave the room, open the window. If trapped, attract the fire department by hanging an object out the window.

If you can leave the room, close the door behind you.

Go to the nearest exit or stairwell. Do not use the elevator.

If the nearest exit is blocked by fire, heat or smoke, go to an alternate exit.

If all exits are blocked, go back to your room, open the windows, and attract the fire department.

After evacuating the building, move to the designated meeting location (at least x feet from the building). Emergency personnel and equipment will be maneuvering around the building.

Follow the directions of fire, police, and Residence Life staff.

You may reenter the building only after fire and police officials have given their approval.

### **Tornado Safety and Procedures**

During a tornado drill or an actual emergency, residents will be notified to relocate to designated areas by the sounding of the bell alarm. The alarm will consist of three short rings every five seconds. Tornado safety procedures are posted on the backs of residents' doors in each room. Tornado drills will be conducted periodically during the semester. A resident will be subject to disciplinary action for failure to follow procedure during a drill.

"Tornado Watch" means weather conditions are suitable for a tornado.

"Tornado Warning" means a tornado has been indicated on radar or sighted.

The following locations have been identified as shelter areas:

- Appleby East, Appleby West, Covington, Hawthorne
- First floor cluster-suite common areas
- Lafayette Hall
- First floor TV lounge
- LaGrange Hall
- Second Floor Hallway
- Rice Hall, Rivers Hall
- Mezzanine Area

### **RESIDENCE HALL STANDARDS**

In addition to the standards and guidelines set out in this Student Handbook, all other rules and regulations of the University of North Alabama and the laws of the state of Alabama and of the United States of America shall be in effect upon students residing in or visiting the residence halls. Student behavior is governed by the Student Code of Conduct as published in this handbook.

The University Of North Alabama Student Code Of Conduct has the following standard, which encompasses the entirety of the Residence Hall Standards. (US 18: Student Housing)

#### **The Big Six**

Within Residence Life there are six standards listed in the UNA Student Handbook that could immediately terminate your Contract and be cause for removal from the Residence Halls. It is your responsibility to understand each standard and ensure compliance within the provided guidelines. The Big Six are:

#### **Activities Resulting in Disturbance, Distress, or Damage (1)**

Individual or group activities that may result in disturbance or distress to others or that cause, or may reasonably be expected to cause, damage or destruction to self or property are prohibited. When individual responsibility cannot be determined, the residents of a unit or floor may become collectively responsible for restoration costs. Examples of behavior covered by this policy include, but are not limited to, noise, damage to a building, laundry equipment, or furniture; sports in the hallway; smoking; graffiti; publicly spoken or displayed materials that are pornographic, obscene, sexist, racist, or homophobic; vandalism; and disregard for bathroom cleanliness, including the disposal of food or any foreign objects in sinks,

toilets, water fountains, etc.

#### **Fire Safety Equipment (2)**

Fire safety equipment is provided to help ensure everyone's safety. Tampering with alarms, extinguishers, or smoke detectors is a violation of local, state, and federal laws, as well as a violation of university policies. Tampering with fire safety equipment is a criminal offense and if the incident is reported to the Fire Department, a ticket may be issued.

#### **Cooking and Appliances (3)**

Students are not allowed to cook in residence hall rooms. With the exception of the microwave oven, all cooking appliances are prohibited in students' rooms. Other prohibited appliances include space heaters and halogen lamps. All violations will result in confiscation of the appliances(s). The appliance will also be discarded and a fine will be levied against the student.

#### **Flammable Liquids/Explosives (4)**

Possession of containers holding fluids used for igniting fires is prohibited. Prohibited fluids include, but are not limited to, charcoal lighter, gasoline, propane, and cigarette lighter refueling containers.

#### **Smoking (5)**

Smoking is not permitted in any residence hall. Students must confine smoking to designated smoking locations outdoors. Cigarette butts must be properly discarded or the student's privilege of smoking outside may be revoked. All violators will be assessed \$50 plus disciplinary action.

#### **Candles, Incense, and Potpourri (6)**

Candles, decorative or otherwise, incense, potpourri, and/or other items that generate open flame are prohibited in the residence halls. Melted wax, burned wicks, lingering aroma, etc., may be considered evidence of a violation of this policy.

#### **Visitation (7)**

A guest is someone who visits a residence hall at the invitation of the resident registering him/her as a guest. All family members apply to these standards as well. Guests are permitted in a residence hall room only by consent of all occupants of the room. Guests may be accommodated in university housing for no more than three nights in any 30-day period. Guests under the age of 18 are not allowed visitation without permission from the designated Area Coordinator at least 24 hours in advance.

#### **Guests (8)**

Residents are responsible for the actions of their guests and are responsible for making sure their guests adhere to Residence Hall standards.

#### **Escort (9)**

Students and visitors may not enter a residence hall where they do not live without an escort who is a resident of that hall and is the one who actually checked in the guest(s). Allowing unescorted non-residents access to a building or living area is a violation of this policy.

#### **Quiet Hours/Courtesy Hours (10)**

Residents have the right to sleep and study in their rooms at any time. When asked by someone to respect this right, residents are expected to demonstrate courtesy and consideration by complying with the request. Courtesy hours are in effect 24 hours a day, seven days a week. As a general rule, at no time should noise be heard from a resident's room more than two doors away or from another floor. Quiet hours are effective in each resident hall between 10pm-10am daily.

#### **Unauthorized Residence Hall Entry (11)**

The residence halls are a private residence, and thus no student shall gain

access to any residence hall in an unauthorized manner. No resident of a resident hall shall allow another person the use of their MANE Card for the purpose of entering a residence hall.

#### **Advertising/Solicitation (12)**

Flyers and other advertising must have approval through Residence Life for posting in on-campus residential facilities under its jurisdiction or the Office of Student Life for other campus facilities. Once approved, flyers/posters will be posted by Residence Life staff within the residence halls. Solicitation is not allowed in the residence halls or university apartments. Flyers must be approved by the Department of Residence Life the business day prior to posting.

#### **Pets (13)**

Pets are not permitted in the residence halls, with the exception of fish. Fish tanks may be no larger than five gallons total capacity per room. It is not the responsibility of hall staff to feed fish in a student's absence.

#### **Sports in the Halls (14)**

Running, hackey sack, hockey, in-line skating, skateboarding, bouncing balls, riding bikes, wrestling, and other athletic/sport-type activities are prohibited in the residence halls. No remote control toys are to be operated in the hallways. Staff members reserve the right to confiscate equipment used in violation of this policy.

#### **Trash Removal (15)**

Students are responsible for taking out their own trash. Students found to have disposed of any waste inappropriately will face disciplinary action.

#### **Vents and Windows (16)**

Closing or covering vents is prohibited in all residence halls. It is also prohibited to enter or exit a Residence Hall through a window or pass any item in or out of the window.

#### **Public Area Usage (17)**

Area Coordinators must approve any usage of residence hall facilities by residents, students, recognized student organizations, and/or any other person or group. Generally, residence hall spaces are reserved for the exclusive use of the staff and residents of that building.

#### **Public Area Decorations (18)**

Any mode of decoration that contains obscene, profane, pornographic, or otherwise offensive elements, as determined by professional staff, will not be permitted.

#### **Public Property as Decoration (19)**

Students wishing to display public road signs, traffic cones, real-estate signs, etc., in their rooms may be asked to provide proof of ownership by a receipt or some other official means. Possession of stolen property is a violation of state law and university policy. Stolen or unauthorized property is subject to confiscation.

#### **RESIDENT'S RIGHTS AND RESPONSIBILITIES**

As a member of The Association of College and University Housing Officers International (ACUHO-I), The University of North Alabama upholds the Resident's Rights & Responsibilities as defined by ACUHO-I.

Residents in university residence halls possess specific individual and group rights while engaged in activities that are part of university life. With these rights, residents have reciprocal responsibilities to ensure these same rights for other residents. Residence Life personnel should educate residents regarding these rights and responsibilities that are associated with community living and use them as a guide in making decisions concerning resident welfare and behavior. The following statements define minimal expectations regarding these rights and responsibilities.

## Office of Student Conduct

Location: Guillot University Center, Room 209

Phone: 256-765-5012

The Office of Student Conduct strengthens personal responsibility and accountability through investigation and resolution of alleged violations of the University Student Code of Conduct. The Office is committed to providing a fair and educational process that fosters the highest standards of behavior, student learning, and civic responsibility while promoting a safe environment that respects the rights of all students. The Office of Student Conduct strives to adjudicate cases of alleged misconduct in a fair, responsible and timely manner emphasizing respect, trust and integrity. Additionally, the office serves as an advocate for and resource to student victims of crime, illness, harassment, or other crises.

To view the full Code of Conduct procedures, please go to <http://www.una.edu/student-conduct/>

## Jurisdiction Statement

The University reserves the right to initiate conduct proceedings for any student, group of students, or student organization that has allegedly violated a university regulation. Jurisdiction extends not only to violations that occur on university property, but also to off-campus violations when the behavior would constitute a violation of local, state, or federal law and/or when such behavior has an adverse effect upon the university community. Such parties will be afforded all aspects of fairness and due process in all such matters. The student conduct system strives to maintain an educational environment, protecting the rights of others while holding individual students accountable for their actions, in a positive educational manner. Members of the university community may initiate student conduct procedures if they have reason to believe that there has been a violation of university policy or the Student Code of Conduct.

## Sexual Misconduct Policy

The University of North Alabama does not tolerate sexual misconduct in any form. The University community is committed to maintaining an environment in which the rights of all members of the campus community are protected while they pursue their educational objectives.

The University defines sexual misconduct as: obscene, lewd, or indecent behavior; deliberate observation of others for sexual purposes without their consent; taking or posting of photographs/images of a sexual nature without consent; possession or distribution of illegal pornography; viewing or posting pornography in public venues; non-consensual sexual contact or penetration; engaging in coercion or constraint; or engaging in sexual activity with a person who is incapacitated or otherwise unable to give consent.

The presence of consent involves explicit communications and mutual approval for the act in which the parties are/were involved. A sexual encounter is considered consensual when individuals willingly and knowingly engage in sexual activity. The use of coercion in instances of sexual misconduct involves the use of pressure, manipulation, substances, and/or force. The absence of "no" is not a "yes."

Sexual misconduct is a serious problem on college campuses throughout the country. To counteract this problem, the University provides educational and preventive programs, resources for individuals dealing with sexual misconduct, and accessible methods of complaint resolution.

The University encourages students who believe that they have been subjected to non-consensual physical contact of a sexual nature to report these incidents, whether or not they choose to file an official complaint.

To fall within the jurisdiction of the University's administrative procedures, the alleged sexual misconduct must have been committed by a student against a student. The university has jurisdiction whether or not the alleged misconduct took place on or off university property.

A student may file a complaint with the University Police Department or the Office of Student Conduct. The University's Student Conduct procedures include a process established specifically to address allegations of sexual misconduct and ensure that the members of the committee hearing the case will be specially trained in adjudicating cases of sexual misconduct.

A student who has been found to have violated this policy may be subject to sanctions including, but not limited to, reprimand/warning, disciplinary probation, suspension, and expulsion. A student may also be barred from certain University facilities or activities, or required to attend educational programming. Sanctions are imposed by the Office of Student Conduct in accordance with University procedures.

If a student believes he or she has been a victim of sexual misconduct by another student of the University, s/he is advised to contact:

<b>University Police</b>	<b>256.765.4357</b>
<b>Office of Student Conduct</b>	<b>256.765.5012</b>
<b>Student Counseling Services</b>	<b>256.765.5215</b>
<b>University Health Services</b>	<b>256.765.4328</b>

The statute of limitation for filing a sexual misconduct report is 365 days. The university will make every reasonable effort to resolve cases of sexual misconduct within 90 days.

The disciplinary procedures for sexual misconduct can be found on the Code of Conduct website at <http://www.una.edu/student-conduct/>

## Disciplinary Procedure for Sexual Misconduct

The Office of Student Conduct administers the Disciplinary Procedure for Sexual Misconduct as outlined in the Student Conduct Process section of the UNA Student Handbook. Please refer to the [www.una.edu/student-conduct](http://www.una.edu/student-conduct) website for full description.

## Alcohol and Other Drugs

UNA's Student Code of Conduct prohibits the unlawful possession, use, or distribution of alcohol and other drugs by students and student organizations. The regulations also prohibit other alcohol-related misconduct. Students under the age of 21 are prohibited from possession and consumption of alcohol. All students are prohibited from the use and possession of illegal drugs. In addition, student organizations sponsoring events where alcohol is present are subject to the requirements and guidelines outlined in the *University's Statement and Regulations Regarding Alcoholic Beverages at Social Functions*.

Note: See also Parental Notification and Medical Amnesty Policies

### **MEDICAL AMNESTY/GOOD SAMARITAN POLICY**

The health and safety of students is a primary concern at UNA. As such, in cases of severe alcohol/drug intoxication and/or alcohol poisoning, the University encourages individuals to seek medical assistance for themselves or others. If an individual seeks medical attention due to his/her level of intoxication, the Office

of Student Conduct will not pursue conduct sanctions against the student for the sole violation of using or possessing alcohol or drugs. Additionally, those students who assist in obtaining medical attention for individuals who are intoxicated will not receive student conduct sanctions for violations of the Alcohol Policy in the Code of Conduct. In lieu of student conduct sanctions, the intoxicated student (and possibly the referring student) will be required to meet with the Director of Student Conduct who may recommend educational components such as alcohol education, counseling, and/or an alcohol and substance abuse assessment.

Serious or repeated incidents will prompt a higher degree of concern/response which may include referral to the student conduct system. The Medical Amnesty Policy does not preclude student conduct sanctions due to any other violations of the Code of Conduct (not related to the Alcohol Policy). Likewise, the Medical Amnesty Policy does not prevent action by University Police or other law enforcement personnel. In circumstances where an organization is found to be hosting an event where medical assistance is sought for an intoxicated guest, the organization (depending upon the circumstances) may be held responsible for violations of the Alcohol Policy. However, the organization's willingness to seek medical assistance for a member or guest will be viewed as a mitigating factor in determining a sanction for any violations of the Alcohol Policy.

### **PARENTAL NOTIFICATION**

A Family Educational Rights and Privacy Act (FERPA) amendment adopted in the fall of 1998, permits colleges and universities to inform the family of a student under 21 years of age when their student has been found in violation of university alcohol or other drug policies and/or in the case of a health or safety emergency.

The University of North Alabama is concerned about the use of alcohol among minors and recognizes that parents are important partners in student success. As such, Student Conduct procedures include parental notification once a student under the age of 21 has been found in violation of an alcohol or other drug offense.

A letter of notification is sent by certified mail, generally within three business days of the determination that the student violated University alcohol or other drug policies.

## Weapons Statement

Possession of firearms or other dangerous weapons is prohibited while on university owned or controlled property. This includes all parking lots, grounds, and facilities. These weapons include but are not limited to:

- Fixed blade knives on the person or in a vehicle or any folding knife with an overall length greater than eleven inches
- Shotgun, rifle, or other shoulder gun
- Pistol or revolver
- Air gun or spring compression gun
- Bow and arrow
- Crossbows
- Slingshots or other throwing weapons
- Spears
- Swords
- Brass knuckles
- Fireworks or explosive devices
- Tasers
- Paintball guns
- Explosives or other dangerous weapons

This prohibition applies to all members of the university community, visitors, and guests and applies whether or not a person in possession of such weapon has a permit to carry or possess the weapon. This policy does not apply to:

- Law Enforcement Officers of the Federal Government, state, or of any county, city, or town when in the discharge of their official duties.
- Civil officers of the United States in the discharge of their official duties.
- Private police or security personnel when hired by, or under contract with, the University.
- Law Enforcement Officers attending school as students. Their weapons must be concealed unless wearing a uniform.
- Campus food service knives.
- The President's Residence.

Visitors and guests may temporarily store weapons at the University Police Department for no more than 48 hours. The University Police Department and the University are not responsible for lost or damaged items.

Exceptions to this policy may be granted for certain instructional purposes, displays, ceremonies, drills, reenactments, and performances and must be authorized by the Director of Public Safety (University Police Chief) or his/her designee.

For students, unauthorized possession of weapons shall constitute grounds for summary suspension. For faculty and staff, unauthorized possession of a weapon shall constitute a violation of board policy.

### Misuse of Meal Tickets

Meal plans are non-transferable and are for the exclusive use of the purchaser. The user of another student's meal plan will be in violation of the meal plan policy, and will be referred to the Office of Student Conduct for disciplinary action. If it is determined that the owner of the meal plan has permitted use of the plan knowingly and voluntarily, the owner is also in violation of the policy, and will be referred to the Office of Student Conduct for disciplinary action. Lost IDs should be reported immediately to the **Mane card** office, so that the original owner will not be held responsible for misuse of the meal plan or the ID.

Under Title II of the Americans with Disabilities Act (ADA) of 1990, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Amendments Act of 2008, a disability is defined as a physical or mental impairment that substantially limits one or more major life activities as compared to an average person in the population. It is the responsibility of the student to contact Disability Support Services to initiate the accommodation process to develop an accommodation plan. Appropriate, reasonable accommodations will be made to allow each student to meet course requirements, but no fundamental or substantial alteration of academic standards will be made. Students needing assistance should contact Disability Support Services (256-765-4214). Accommodations are not retroactive.

## Harassment and Nondiscrimination Policy

The University of North Alabama is committed to offering an environment for both education and employment free of discrimination and harassment in accordance with all laws, including Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, the Americans with Disabilities Act, and Executive Order 11246. Discrimination and/or harassment, in any form, based on race, color, sex, gender, religion, age, national origin, sexual orientation, or disability is a violation of this policy.

For the purposes of this policy, education and employment opportunities include, but are not limited to: admission to the university, access to and participation in programs, services, and activities as well as terms and conditions of employment and personnel practices.

This policy is intended to include any unlawful harassment of or discrimination against a student by any member of the university faculty or staff, by other students, and by non-employees on university property.

The term harassment includes, but is not limited to, ethnic or racial slurs and other verbal or physical conduct relating to a person's race, gender, color, religion, or national origin constitute harassment when they unreasonably interfere with the person's work performance or create an intimidating work environment.

Harassment is defined as behavior that involves an expressed or implied threat through gestures, mannerisms, and/or body language, to interfere with an individual's personal safety, academic efforts, employment, or participation in university-sponsored extracurricular activities and causes the person to have a reasonable apprehension that such harm is about to occur; or that has the purpose or reasonably foreseeable effect of interfering with an individual's personal safety, academic efforts, employment, or participation in university sponsored extracurricular activities and causes the person to have a reasonable apprehension that such harm is about to occur.

Sexual harassment, like other forms of harassment and discrimination, is illegal and will not be tolerated by the University or at any event or function associated with the University. It is the responsibility of all university students, faculty, staff, and administrators to assure that the university community is free from sexual harassment. Accordingly, all members of the university community must avoid any conduct that is or has the appearance of being sexual harassment. Examples of such behavior include unwelcome sexual advances, requests for sexual favors, and

other verbal or physical conduct of a sexual nature when:

1. submission to such conduct is made either explicitly or implicitly a term or condition of the student's academic success or employment;
2. submission to or rejection of such conduct by an individual may be used as the basis for academic or employment decisions adversely affecting the student and his/her total educational and/or work experience; or
3. such conduct has the purpose or effect of substantially interfering with a student's academic performance or employment or creating an intimidating, hostile, or offensive learning or working environment that is severe, pervasive and objectively offensive.

Students who believe they have been treated in a discriminatory manner based on their race, color, sex, gender, religion, national origin, age, sexual orientation, or disability should incident to the Title IX Coordinator or the University Ombudsman.

Reports of alleged sexual harassment against students should be reported to the Title IX Coordinator. Alleged sexual assault reports may also be made to the University Police, the Director of Student Conduct, or University Health Services. Additionally, all faculty, staff and administrators should assist students in directing any reports of alleged discrimination and/or harassment to the appropriate parties.

Reports will be promptly and thoroughly investigated, and the results will be communicated to the complaining employee or student. Every effort will be made to keep all complaints (and their details) as confidential as possible, but with any investigation, often some disclosure is inevitable. Any university student or employee having knowledge or information of harassment gained through direct, indirect, or informal means should report such harassment as directed above.

If the investigation reveals a violation of this policy, prompt, remedial action will be taken, if necessary. Any student, faculty member, staff member, or administrator who violates this policy is subject to disciplinary action, including possible termination of employment or suspension from the University. All students, faculty, staff, and administrators have an obligation to report harassment, whether as a victim or as an observer.

Any retaliatory action against an employee or student complaining of harassment is illegal and will not be tolerated.

## Campus Speakers Policy

The University of North Alabama is committed to fostering a learning environment where free inquiry and expression are encouraged. The University is a diverse community based on free exchange of ideas and devoted to the use of reason and thought in the resolution of differences. In exercising its responsibility to provide and maintain an atmosphere of free inquiry and expression, the University may establish reasonable time, place and manner restrictions for the purpose of avoiding disruption to or substantial interference with its regular and essential operations and activities. The University will not base decisions regarding time, place and manner upon the content of the message, except as permitted by law.

Lawful and peaceful demonstration as an expression is permitted and protected. On the other hand, the University will not tolerate substantial disruption to its educational mission. Substantial disruption is defined to include any activity which, contrary to law:

- Denies the rights of other students, the faculty or the staff of the University.
- Substantially disrupts or obstructs educational and other essential activities and operations of the University.

- Substantially interferes with the right of peaceful dissent of others.
- Obstructs or restricts free movement of persons on any part of the University campus, including the free entry to or exit from University facilities.
  - Denies or interferes with the use of offices or other facilities to the students, faculty, officers, staff or guests of the University.
  - Threatens or endangers the safety of any person on the University campus. This includes but is not limited to signs on any forms of stakes.
  - Results in damage to or destruction of property.
  - Constitutes “hate violence,” meaning any act of physical intimidation or physical harassment, physical force or physical violence, or the threat of physical force or physical violence, that is directed against any person or group, or the property of any person or group because of the ethnicity, race, national origin, religion, sex, sexual orientation, disability, or political or religious beliefs of that person or group. (Acts shall not be considered “hate violence” based on speech alone, except upon a showing that the speech itself threatens violence against a specific person or group, that the person or group against whom the threat is directed reasonably fears that the violence will be committed because of the speech, and that the person threatening violence had the apparent ability to carry out the threat.)
  - Makes sustained or repeated noise in a manner that substantially interferes with a speaker’s ability to communicate his/her message or the rights of others to listen.

It should be understood that the application of this policy also takes situational factors and context into consideration. For example, conduct appropriate at a political rally might constitute a violation of this policy if it occurred within a classroom.

Any substantial disruption initiated by a visitor or a member of the University community or occurring during any University-sanctioned activity or function may be met by the action of the University that is necessary to restore the order and communication required for the rational solution of problems and free debate. In addition, any substantial disruption by a visitor or a member of the University community may be subject to disciplinary action and/or legal action through local, state or federal courts. Individuals who damage or destroy University property, including but not limited to campus lawns, shrubs, and trees, shall be held responsible for such damage or destruction.

Enforcement and interpretation of the policy shall be the responsibility of the Vice President for Student Affairs through the Office of University Events. Requests for the use of University space for the purpose of free inquiry and expression should be directed to the Director of University Events, 202 University Center.

*Note: The language in this policy is extracted and/or revised from the University of Southern California Public Speech Policy*

## Tobacco Use

It is the policy of the University of North Alabama to provide a “tobacco-free” environment for students, faculty, staff and visitors. The use of “tobacco products” will be prohibited within all university facilities. The use of tobacco products within thirty feet of entrances, exits, open windows, and interconnected breeze-ways is prohibited.

The term “tobacco-free” shall be interpreted to mean all forms of smoking tobacco, such as cigarettes, cigars and pipes, as well as smokeless tobacco products, such as snuff and chewing tobacco.

The term “tobacco product” refers to any form of tobacco consumed by smok-

ing or non-smoking means.

Exceptions to this policy may be made only by special authorization of the Executive Council and only where proper ventilation can be established.

Approved by the Board of Trustees, 06/12/1995

Revisions approved by the Executive Council, 05/10/2010

## University Ombudsman

The University Ombudsman provides an internal avenue for grievances and complaints. The responsibilities of the University Ombudsman include resolving faculty, staff, and student complaints (exclusive of grade appeals) through involvement of all concerned parties; informing all parties of their rights that are established by law; seeking to resolve problems internally; keeping all information confidential whenever appropriate and possible as allowed by law; establishing a relationship of trust with and among all constituencies; providing mediation as an alternative to litigation whenever possible and as necessary and proper; and serving as an advocate for resolving the grievances of individuals who have been treated unfairly or improperly. The University Ombudsman can be reached at (256) 765-5224 or satakeuchi@una.edu.

## Grievance Procedure Policy

**Grievance Defined**—A “grievance” is a complaint directed against another member or organization of the university community or against the university, including the departments, divisions, and schools thereof, alleging improper, arbitrary, or discriminatory application of university rules, regulations, standards, practices and/or procedures relating to conditions of employment or enrollment, or other circumstances giving proper grounds for complaint.

A grievant first must seek resolution or redress of the grievance informally through the established administrative channels. If, after exhausting recourse through established administrative channels, the grievant still believes satisfactory remedy or relief has not been provided, the grievant may request a formal hearing.

**Informal Procedures**—A grievant first must seek resolution or redress of the grievance informally through the established administrative channels. The direction of the informal process is determined by the grievant’s classification (student, faculty or staff) and the nature of the grievance. The process begins with the official at the first or immediate level of authority, and, if required, continues in the chain of authority to the next higher level. For students, a complaint involving services or activities normally will be directed to the appropriate director/coordinator of the service or activity with continuation in line to the Vice President for Student Affairs; on a complaint involving academic or instructional matters, to the academic department head and with continuation in line to the Vice President for Academic Affairs and Provost. Complaint by an applicant who has been denied admission to the University will be directed to the Vice President of Enrollment Management.

**Formal Hearing**—If, after exhausting recourse through established administrative channels, the grievant still feels that a satisfactory remedy or relief has not been provided, the grievant may request a formal hearing. The

request shall be directed to the President of the University in writing and shall bear the grievant's name, current address and telephone number; a clear statement of the nature of the grievance and facts supporting it; the remedy or relief sought; the date; and the grievant's signature.

**Grievance Committees**—On proper request for a hearing, the President of the University shall establish a grievance hearing with an ad hoc committee of three persons. The committees shall be composed of university personnel appointed by the President, according to the classification of the person initiating the request. If a student initiates the request, the committee will be chosen from among members of the university faculty, non-faculty staff and students.

Toward assuring a full and impartial hearing strictly on the merits of the cases, due regard shall be given to appoint committees of persons with appropriate expertise and without bias or direct interest in the outcome, to provision for peer representation where relevant and to adherence to hearing procedures. In making committee appointments, the President may seek nominations from representative organizations such as, respectively, the Faculty Senate, and the Student Government Association. In cases involving a member of the university faculty as grievant or accused, the President shall, if so petitioned by the faculty members in the formal request for a hearing, make the committee appointments from the appropriate list of nominees established for such purposes by the Faculty Senate at the beginning of each academic year, one list to consist of nine nominees for grievance committees. Persons appointed to grievance committees who deem themselves disqualified by reasons of bias or interest may be excused. The grievant or accused shall have the right of challenge of committee appointments for cause and if in the judgment of the President a challenge is supported by adequate grounds, the member so challenged shall be excused. The President shall designate one member of the committee to act as chair or may appoint an additional ex officio non-voting member to act as chair. The committees may adopt, for governance and operation, supplemental rules and regulations not in conflict with this resolution.

**Grievance Hearing Procedures**—A grievance hearing is not an administrative due process hearing and therefore does not include all the procedures provided for in due process hearings; neither do formal rules of evidence apply. The hearing shall be confidential and only those persons concerned should be included in the hearing.

**Functions of the Grievance Committee**—The Committee or Committee Chair may confer with the grievant prior to the hearing to schedule witnesses, provide for the exchange of documents and achieve other appropriate objectives to make the procedures fair, effective, and expeditious. In the hearing, the Committee may question the grievant and the witnesses presented by the grievant, may call such witnesses and examine such documents as it considers necessary, and shall keep a record of the hearing.

The Committee's role is to investigate the complaint as presented to the Committee by the grievant, to obtain all the facts in the dispute, and to

come to a conclusion as to whether or not the grievant has just cause for complaint. In grievances that are contractual in nature, the committee's role is to determine whether or not the grievant has had all the benefits of the procedures afforded by the rules and regulations of the University, and whether or not the decision that forms the basis for the complaint was the result of adequate consideration in terms of the relevant standards of the University, school, and department. The Committee shall be guided in its decisions only by the evidence presented at the hearing.

**Rights and Responsibilities of the Grievant**—It is the responsibility of the grievant to present all the facts and to prove the merits of the grievance. To this end the grievant shall state the grievance with specificity, shall be allowed to present witnesses and documents on the grievant's behalf and to examine any other witnesses and documents presented. The grievant shall not be represented by counsel but may have the assistance of adviser of his/her choice from among personnel of the university community.

**The Committee's Report and Final Action**—Upon conclusion of the hearing, the Grievance Committee shall prepare a report summarizing the evidence and rendering its conclusions. Copies of the report shall be sent to the President and to the grievant. Within 14 days of the receipt of the report, the President, giving due weight to the report of the Committee, shall render a decision and so notify the grievant. Should the President's decision be inconsistent with the report of the Committee, the President shall state his reasons to the grievant and to the Committee. The President's action shall be final, except that a grievant may appeal a reversed or modified decision to a subcommittee of the Board of Trustees.

## Lion Alert

You may log into Lion Alert using your UNA Portal user name and password by clicking on the words Lion Alert at the bottom of the University's main webpage. For general information and technical assistance with logging in, you may contact the Office of the Vice President for Student Affairs at 256-765-4223, or emailing [kmford@una.edu](mailto:kmford@una.edu) or [viallen@una.edu](mailto:viallen@una.edu).

Lion Alert FAQ provides answers to frequently asked questions about your information, how notifications will be sent, and supported features.

### WHAT IS A LION ALERT?

Lion Alert is a mass notification system comprised of e-mail, voice and text messaging, and is designed to send emergency messages to thousands of individuals in minutes. It supplements existing means of emergency communication, including outdoor warning sirens and severe weather alert radios.

Everyone who has a University of North Alabama e-mail address will receive emergency alerts to their campus e-mail address. In order to also receive text and voice message alerts, members of the campus community are asked to provide phone contact information. While participation in the text and voice messaging notification is optional, enrollment is strongly encouraged. The information you supply is considered confidential and will not be shared or used for other purposes. You will only be contacted through the system in the event of an emergency.

UNA students, faculty and staff have the opportunity to provide a primary mobile phone number for receipt of text messages, and up to three other phone numbers (mobile or other) for receipt of voice messages.

Emergency messages will be sent via a system provided by High Ground Solutions/SchoolCast. Lion Alert is used in tandem with other campus communication tools.

### WHY SHOULD I SIGN UP FOR LION ALERT VOICE AND TEXT MESSAGES?

Because students, faculty and staff are constantly on the move, this system provides the flexibility for you to receive emergency messages on multiple devices. Lion Alert is used to distribute important information regarding emergencies that dictate immediate action. It is used along with other tools including outdoor warning sirens, severe weather alert radios, e-mail, the University website, campus media and other methods.

### WHO CAN SIGN UP FOR LION ALERT VOICE AND TEXT MESSAGES?

All UNA students, faculty and staff who have a valid ID are able to sign up to receive text and voice message alerts. You will need to log into Lion Alert by clicking on the Lion Alert icon on the bottom of the front page of the UNA website, using your UNA Portal user name and password.

### WILL I RECEIVE LION ALERT MESSAGES IF I DON'T SIGN UP?

If you do not sign up with Lion Alert, you will still receive emergency messages via your official campus e-mail address. However, you will not receive text or voice messages. UNA strongly recommends that you provide at least one phone number (cell phone is recommended) for Lion Alert to ensure that you receive important messages in a timely manner. Any contact information you provide will only be used for emergency notifications.

### WHO IMPLEMENTS LION ALERT?

Lion Alert is managed jointly through the Offices of the Vice President for Student Affairs and the Director of University Police.

### WHAT KIND OF ALERTS WILL BE SENT?

The system is only used to distribute information regarding emergencies that

dictate immediate action.

Examples of alerts include severe weather, building evacuations, dangers requiring lock-down or shelter-in-place, or other emergencies requiring immediate action. The message will direct you where to go for further information or what action to take. Following a warning, the alert system may be used to provide additional messages or an “all-clear” announcement.

The Lion Alert notification system is tested on a routine basis to ensure that we are able to reach all Lion Alert participants in the event of an emergency.

Less urgent messages will be sent using the campus advisory e-mail system.

#### **HOW DOES LION ALERT WORK?**

Lion Alert is a hosted and managed system. You do not need special hardware or software to receive messages. It is a multi-modal service that can disseminate emergency messages through:

**E-mail:** An alert message will be sent to your official campus e-mail address. You can also specify a secondary e-mail address for receiving these alerts.

**SMS text messages:** Faculty, staff and students may choose to register a cell phone number for receiving SMS text messages through Lion Alert.

### **Campus Security Report**

The University Police Department provides a Campus Security Report for students to review. The Security report can be accessed on the UNA Police Department website located at <http://www.una.edu/police>, and click on the “Crime Statistics” tab on the left side of the home page. You will also find other valuable tools like the Campus Security Guide, Emergency Management Website and C.A.R.E. Team information. Please take the time to review the University Police Department’s website for valuable safety and security information.

### **Mail Room Regulations**

The University Mail Room, located on the first floor of the Robert M. Guillot University Center, provides mailboxes for faculty and students. Undergraduate students are entitled to a mailbox, provided one is available. Preference will be given to students enrolled in seven or more hours. The University Mail Room is not part of the U.S. Postal Service. The purpose of the University Mail Room is solely to serve the communication needs of the campus community; it is not intended as a full-service post office. Although stamps may be purchased at the mail room, specialized postal services such as money orders, packages, or certified mail can only be obtained at the U.S. Post Offices in Florence.

All university mail will be sent directly to assigned boxes in the University Mail Room and will not be sent to residence halls, apartments, home addresses, or any other place of domicile. Students and university employees will be responsible for checking their boxes regularly for mail, particularly for official university mail. Students can receive their mailbox combination when the assignment is made. The box assignment will remain the same for as long as the student is continuously enrolled.

To ensure the proper flow of communications, the following regulations will govern the usage of mailboxes and university mail services:

Only students who are campus housing residents may use the university mail service to receive personal mail and packages; if not living on campus, all personal mail should be addressed to the student’s home or apartment. University employees may not use the university mail service on a regular basis for non-university-related personal mail.

Campus mail shall be addressed to an office or individual with the first and last name and box number. Mail without a box number will not be delivered. Mail with a box number will be placed in the box number indicated. The University assumes no responsibility for improperly or incorrectly addressed mail. All campus mail should have a return box number listed.

All campus mail must be at least 3 1/2 inches by 5 inches. Mail deposited in the campus mail that does not meet these minimum requirements will be destroyed.

Correspondence containing candy, gum, etc., must be enclosed inside an envelope no smaller than 3 1/2”x 5”.

Bulk mail or large mailings should be placed in numerical order by box num-

ber. If a large mailing is expected, expedited handling can occur if the mailroom is notified two days in advance.

Official university memoranda addressed to all faculty, administration, and staff do not require names and box numbers but must indicate the source of the memorandum.

Listings of mail box assignments will be available at the mail room.

Campus mail that cannot be delivered will be returned to the sender provided the sender's complete name and box number are shown. Mail that cannot be returned will be destroyed.

The University will not assume responsibility for money or other valuables distributed through the University Mail Room, nor does the University guarantee delivery.

Certificates and other delicate or fragile materials are not to be processed through the mail room. Suggestion: Instead, send the student(s) a 3 1/2 x 5 postcard, indicating where the items may be picked up.

Upon application and approval, a fee of \$500 will be charged for distribution (one per box) of noncampus-wide events notices. It should be anticipated that general solicitation will not be permitted through university mail service facilities.

In order to have first class mail forwarded, a student or employee who leaves the University must complete a "Change of Address" online at usps.com. Mail will be forwarded for one semester for graduates to the address filed with the UNA mailroom.

Boxes that are assigned to employees and students currently enrolled must be checked regularly to prevent buildup of mail.

An individual who misplaces or cannot remember the box combination can get the information at the mail room window computer 24/7 by signing on with his/her Portal ID.

The University of North Alabama Mail Room, maintained solely for the convenience of students, faculty, and staff, is not a United States Post Office. The mail room lacks sufficient staff to process commercial mass mailing by advertisers or others. Therefore, the University of North Alabama reserves the right to refuse to deliver, and to destroy, commercial mass mailing that utilizes the addresses of students, faculty, or staff contained herein.

## Involuntary Withdrawal Policy

The University of North Alabama may at times find itself faced with a situation in which a student's behavior inside and/or outside the classroom demonstrates that he or she poses a potential threat of harm to him/herself or others, or creates a pattern of extreme disruption. In these situations it may be appropriate and necessary to initiate an involuntary withdrawal from the University.

If such behavior constitutes a violation of University Code of Conduct, the case may first be referred to the Office of Student Conduct for initial investigation. Based on the Student Conduct inquiry the student may then be referred to the Vice President for Student Affairs for further intervention. If the student's behavior occurs in the absence of any violation of Code of Conduct, the Vice President for Student Affairs will investigate the situation and the effect of behavior(s) on the student and the University community.

The Vice President may choose to conduct a personal interview with the student or to assemble the Campus Assistance Referral and Evaluation (CARE) Team in order to gather more information. The CARE Team will consist of the Vice President for Student Affairs, as Chair; the University Counselor; the Director of University Police; the Director of Student Conduct; Executive Director of the Health and Wellness Center; Director of Residence Life, and other concerned constituents as identified by the Vice President. The CARE Team will recommend to the Vice President for Student Affairs a course of action to address the individual student's behavior. The CARE Team action plan may include the student's signing an agreement to a specific success plan, or the immediate involuntary withdrawal of the student from the University, along with conditions for readmission.

Permission for readmission will typically be based on the student's demonstration of a period (at least one semester) of stable behavior outside the University and shall require a statement from a physician, psychologist, and/or other qualified professionals external to the campus who can render an opinion that the student is ready to return and cope with university life. Conditions for follow-up services may be required as part of the readmission decision.

It is understood that involuntary withdrawal for a student from the campus will be undertaken as a last resort. Every effort will be made to help the student understand the consequences of his/her behavior, make responsible decisions, and develop skills that will allow him or her to function within the University community.

## Pre-Admission Review and Re-enrollment for Applicants with Known Behavior Problems

### STUDENTS WITH KNOWN BEHAVIOR PROBLEMS

Members of the University of North Alabama accept their obligation to provide for its students an atmosphere which protects and promotes an educational mission and which guarantees an orderly and effective operation. To protect the educational process and to provide for the safety of members of the University community and the institution's property, the University has the responsibility to set and maintain standards of conduct for members of that community and for those seeking admission into that community. Therefore, a pre-admission review is required when known facts suggest that an applicant's behavior may, as a student, endanger the health and safety of University community members, jeopardize property of the University or its members and visitors or adversely affect the educational mission of the University.

If the University learns that an applicant for admission or reenrollment has been involved in prior misconduct, incarcerated or has been involved in other illegal activities, the University reserves the rights to determine the acceptability of the applicant or enrollee as a student. Such identified applicants are subject to review procedures administered by the appropriate office, such as Student Conduct, Office of Admissions, or University Health and Wellness Services.

The review procedures may be used in considering requests for non-degree, condition, or degree admission, reenrollment and changes from non-degree to degree status. The following guidelines apply to the circumstances identified:

1. The applicants for admission and reenrollment will not be considered for enrollment on University campuses or property while incarcerated in any federal, state, county or city prison, or jail, including youth detention centers.
2. Applicants on **parole, probation** or any type of **intermediate punishment** or house arrest program are subject to review procedures prior to consideration for admission, continued enrollment or reenrollment.
3. Applicants with past disciplinary history or any type of disciplinary sanctions are subject to review procedures prior to consideration for admission, continued enrollment, or reenrollment.
4. Incarcerated individuals enrolled in University programs or courses conducted off-campus or off University property are subject to review procedures prior to consideration for a change from non-degree/provisional status to degree status.
5. Applicants with known emotional and/or psychological problems who have engaged in violations of the law, or past misconduct related to a prior university's rules or policies that was disruptive or threatening to the functioning and well-being of self or others are subject to review procedures prior to an admission, continued enrollment or readmission final decision.
  - A. No inquiries shall be made regarding an applicant's background prior to the submission of an application.
  - B. When an application for admission is submitted, no pre-admission background inquiries shall be made regarding an applicant. However, if the University has a specific factual basis regarding an individual, which indicates the applicant may pose a substantial risk of harm or disruption to the University community, then exclusion may be warranted.[WU1]

To be considered for admission, continued enrollment or reenrollment, consistent with these guidelines, the following review procedures will be required of those described by Circumstances 1, 2, 3, and 4.

1. Release of information from previous educational institutions attended, parole officers, prison officials, psychiatrists, psychiatric social workers, pre-college or college administrators, and other professionals will be requested when the information has a direct bearing on the applicant's behavior and suitability for enrollment at the University.
2. Personal meeting with the Director of Student Conduct, the Vice President for Student Affairs, or his or her designee to address the following:
  - A. In detail, the nature of the individual's activities since incarceration, commitment, treatment, or applied sanctions.
  - B. The reasons why the applicant feels he/she should be admitted or reenrolled to the University.

- C. The reasons why the individual believes he/she would be able to abide by the rules and regulations of the University if permitted to enroll, and;
3. Depending upon the nature of the facts with respect to the applicant's history, special requirements may be stipulated such as, but not limited to, a personal review, a psychiatric or psychological evaluation by University counseling staff or a comprehensive diagnostic/treatment report from a duly recognized mental health practitioner of the University's choice.

## Reenrollment Procedures from Suspension

Suspension from the University is assigned for a specified period of time and excludes the student from registration, class attendance, residence on campus, being on any property owned operated or controlled by the university, and attendance at any event sponsored by the University. A student is not permitted on any campus of the University during the period of suspension unless specific permission is obtained from the Director of Student Conduct, the Vice President for Student Affairs, or his or her designee. Disciplinary suspension is recorded on the student's electronic educational record during the period of suspension. Students may apply for reenrollment through the Office of Student Conduct no later than four weeks prior to the semester in which they wish to enroll.

## Transfer Student Disciplinary Waiver Policy

Applicants who have attended other colleges or universities will be considered as transfer students. Transfer student applicants must sign a disciplinary waiver form and have it sent to UNA from all institutions previously attended within the last five years. It is recommended that the disciplinary waiver forms be requested at the same time as transcripts from those institutions. However, the waivers must be received by the below-indicated deadline dates. Failure to meet the deadline dates will result in the student being dis-enrolled from the university.

<b>Fall Term</b>	<b>October 1</b>
<b>Spring Term</b>	<b>February 15</b>
<b>Summer Terms</b>	<b>July 20</b>

Transfer Students who are currently enrolled exclusively in UNA Distance Learning Programs and/or are currently enrolled entirely online are exempt from the policy.
