APPEAL OF ACADEMIC SUSPENSION/DISMISSAL

Any student placed on academic suspension or dismissal status has the right to file an appeal of that status and to request that the Readmissions Committee hear the case. The Readmissions Committee, upon hearing the case, has the authority to permit readmission of an academically suspended or dismissed student before the expiration of the period of suspension or dismissal. However, the Readmissions Committee exercises that authority only when the appealing student can present substantial evidence of unusual mitigating or extenuating circumstances which led to the student's academic difficulties or when the appealing student can present substantial evidence of changed circumstances supporting the likelihood of the student's future academic success. An academically suspended or dismissed student without such evidence should not appeal his or her suspension or dismissal, since without such evidence, the appeal will be denied.

THIS FORM MUST BE RETURNED TO THE UNA OFFICE OF ADMISSIONS BY: Wednesday, January 2, 2008

THE READMISSIONS COMMITTEE WILL MEET ON MONDAY, JANUARY 7, 2008, AT 8:30 A.M. IN 222 KELLER HALL
