

Critical Illness Insurance

For the critical moments in your life

Whether you're stepping into your first job or looking toward retirement, you never know when a critical medical event may happen. That's why Symetra Critical Illness Insurance is designed to provide financial support whenever you're faced with unexpected health challenges.

How it works

If you're diagnosed with a covered condition after the policy is in effect, you'll receive a lump-sum benefit payment based on the terms of your policy and the diagnosis.

Benefits are paid directly to you, regardless of any other insurance coverage you may have.

Why critical illness insurance?

Critical illness insurance can provide some financial relief during a serious medical condition or life event.

Benefits can be used for anything—whether it's transportation, child care or other expenses—so you can focus more on your recovery than your finances.

How Symetra Critical Illness Insurance provides continuous help

Our broad definitions of medical conditions make it easy for you to qualify for benefits. The process for filing claims is simple: either call Symetra and speak to one of our customer service representatives or answer just a few questions on our convenient digital platform, My Group Online (MyGO).

We also understand that you can experience more than one critical event during your lifetime. If you're later diagnosed with a second covered condition, you'll receive the full benefit amount for that condition as shown in the policy.¹

Please refer to your certificate for complete details of the coverage.

You're diagnosed with a covered condition.

Symetra approves your claim.

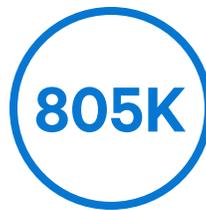

Lump-sum benefit paid directly to you.

Critical events are more common than you may think and can lead to unexpected costs

Financial planning for unexpected medical events is important, especially considering these facts:

In 2021, **32%** of adults in the U.S. said they wouldn't be able to pay a \$400 expense without borrowing money.²

Each year, approximately **805,000** people in the U.S. have a heart attack.³

SPOUSE AND CHILD COVERAGE

Spouse and dependent benefits may be available. Please refer to your enrollment materials for specific details.

Claim examples

Meet Robert and Leah

In addition to their health insurance, Robert and Leah are both enrolled in Symetra Critical Illness Insurance. Their policy includes coverage for heart attacks and end-stage renal failure (kidney failure).

Robert

After Robert suffered a heart attack, he had more than just his medical condition on his mind. With two days spent in the hospital and another three months recovering at home, he welcomed the financial support his critical illness benefit provided to help with a variety of related health costs.

Heart attack

Benefit paid:

100% of benefit amount: **\$10,000**

How Robert used his benefit dollars:

Related medical costs: **\$5,500**

Remaining benefit amount put in savings: **\$4,500**

Leah

Leah struggled with chronic kidney disease for nearly a decade, and in her last doctor appointment, she was unfortunately diagnosed with end-stage renal failure, which meant her kidneys could no longer function on their own.

Since Leah was covered under her company's critical illness policy, she submitted a claim and received a benefit that would help pay for her treatments.

End-stage renal failure

Benefit paid:

100% of benefit amount: **\$10,000**

How Leah used her benefit dollars:

Dialysis treatment copays: **\$5,000**

Follow-up appointments and help around the house: **\$5,000**

These examples are for illustrative purposes only and are meant to provide a general overview of how coverage works. Any resemblance to actual persons is purely coincidental. Refer to your complete set of enrollment materials for your plan's benefit amounts.

Each policy includes coverage for different conditions and life events. Please refer to your certificate for complete details.

Why enroll?

A critical medical event usually leads to unknown and unexpected costs. And many of these—such as additional needs for transportation, child care, help around the house and more—aren't covered by health insurance. Symetra Critical Illness Insurance can help pay for these additional expenses while you focus on your recovery.

Signing up for Symetra Critical Illness Insurance also means:

- **A simple enrollment process without any required medical questions or exams.⁴**
- **An easy and flexible claims process.**
- **Responsive and empathetic customer service representatives at a U.S.-based call center.**

Note: Any critical illness benefits totaling more than the costs incurred for medical care are generally taxable if the employee or employer paid the premium on a pre-tax basis. It's also important to note that critical illness benefits may affect eligibility for public assistance like federal, state or local welfare programs. For specific information, please consult a tax professional and/or your benefits representative.

Don't miss your opportunity to enroll in this valuable coverage. To get started, review your enrollment materials or talk to your benefits representative.

Symetra Life Insurance Company
777 108th Avenue NE, Suite 1200
Bellevue, WA 98004-5135
www.symetra.com

Symetra® is a registered service mark of Symetra Life Insurance Company.

Critical illness policies, insured by Symetra Life Insurance Company, 777 108th Avenue NE, Suite 1200, Bellevue, WA 98004, are not available in all U.S. states or any U.S. territory. They provide benefits at a preselected, fixed dollar amount for covered conditions. They are not a replacement for major medical or other comprehensive coverage, and do not satisfy the minimum essential coverage requirements of the Affordable Care Act. Base certificate form number is SBC-04535 1/21.

Coverage may be subject to exclusions, limitations, reductions and termination of benefit provisions.

¹ There must be a one-day separation between additional diagnoses. If two or more covered critical illnesses are diagnosed on the same day, only the benefit that provides the largest benefit amount will be paid.
