

Newsletter May 2009

Boy has this year flown by! I just want to thank all of the second grade parents for all of their help this year: in the computer lab, parties, and field trips. A special thanks to our room mother's for such a wonderful job organizing things. You are so appreciated.

We will top off the year with a field trip to the Amish Country. It should be very interesting and educational. I am looking forward to a great day. Thanks to Sara Huntley for making all the arrangements.

This is a very special class with some very exceptional students. They are so talented and creative. They have all touched my heart in many different ways. I will surly miss them.

Newsletter – Math-A-Thon 2009

Kilby School has raised over \$31,000.00 over the years for *St. Jude's Children's Hospital*. This year alone we raised \$1,558.00. Just think of all the children and families we have helped. Thank you so much for your donations.

Please start saving your drink can pop tops and bringing them to school. There will be a green bucket to put them in just outside the office door. If you could save them over the summer too, that would be great! These will also go to help the children at St. Jude. Thank you very much.

Math-A-Thon Coordinator,
Ms. Wallace
