

## **Academic Update**

**August 29, 2016**

### **Council of Academic Deans (COAD) meeting on August 29, 2016**

Scott Infanger, Coordinator of Study Abroad, met with the COAD to outline a strategy for approval and support of faculty-led study abroad courses.

The COAD reviewed the new summer school class schedule for 2017.

The COAD discussed implementation of an On-Campus Internship program.

The COAD discussed further review of a document for promotion and tenure portfolio preparation that can be used by faculty candidates.

The COAD discussed a possible name change for the BIS degree.

The COAD discussed a possible graduate program in mathematics.

Dean Lefort presented a state-wide proposal for a Virtual Fair for graduate education to be held in November.

The COAD continued the discussion of a strategy for moving to online course evaluations.

Dr. Borah reported a healthy increase in graduate enrollment for fall 2016.

Dr. Zhang gave an update on the Keystone recruiting efforts.
