With correction of a typographical error in the last paragraph of the resolution (the word “approved” should read “approve”), Mr. Russell advised that the Finance Committee recommends the resolution for adoption and made a motion for approval. There being no questions or further comments, the resolution was approved by unanimous vote.

Mr. Abroms and Mr. Pierce commented on Mr. Long’s decades of service to the University and noted that he is deserving of this honor. There being no questions or further comments, the motion was approved by unanimous vote.

IX. OTHER BUSINESS

A. Resolution in Support of Revisions to Section 16-51-4 of the Code of Alabama, 1975, Concerning Meetings of the UNA Board of Trustees

Dr. Thornell reviewed the proposed revisions to the state statute that would allow for emergency meetings, for the Board President Pro Tempore to call special meetings, and for Trustees to be able to vote and have their remote presence counted toward a quorum if participating in a meeting from a remote location through the use of modern technology (i.e., telephone conference call, video conference, etc.). He noted that these language revisions are being implemented at most other institutions as well. Mr. Pierce expressed that videoconference is preferable so that any Trustee not physically present in the meeting room can be both heard and seen (and conversely, can both hear and see the others in the meeting room). The President’s Office will explore the technology means necessary to allow for videoconference in the event that a Board member cannot physically be present at a meeting. Upon motion by Ms. Ceci and second by Mr. Maples, the resolution was approved unanimously. It was noted that this resolution is simply a show of endorsement of state statute changes (as action by the State Legislature is required to amend the Code of Alabama), and this resolution will be provided to the local legislative delegation with a request that a bill be introduced in the upcoming session that will propose these statutory revisions.

B. Resolution in Support of Amendment of Code of Alabama, 1975, Section 16-51-3

C. Resolution Proposing New Trustee Service Term End Dates in Support of Reduced Length of Service Term on UNA Board of Trustees

Mr. Abroms provided explanatory comments on these resolutions. It was recognized that the proposed amendments to the resolution at IX-B are merely editorial in nature to modernize the state statute language with regard to current Alabama congressional districts. With regard to the resolution at IX-C, Mr. Howard suggested that all proposed
new service term end dates fall on the same day of each given year. Mr. Russell moved approval of the resolutions subject to the amendment that all dates in the column “Proposed New Service Term End Dates to be Assigned by Governor” be September 30 of the year stated for each Trustee. The motion was seconded by Mr. Trapp. In further discussion, it was recommended that all dates in the column “New 6-Year Service Term End Date for Reappointment or Replacement Trustee Thereafter” be September 30 rather than December 31 of the year stated for each Trustee. Mr. Russell revised his previous motion to include adoption of the resolutions subject to both of these amendments. Mr. Trapp seconded, and the motion was approved unanimously. Ms. Jordan noted a clarification needed in the statutory language of Code of Alabama Section 16-51-3 that should be revised to read, “The board of trustees shall consist of a minimum of six members who are residents of the fourth and fifth congressional districts....” Upon motion by Ms. Jordan and second by Ms. Ceci, it was unanimously agreed that this wording be proposed as a further revision to Section 16-51-3 in the University’s request for legislative action to effect all of these proposed amendments in Section 16-51 as set forth in the three resolutions above.

D. Resolution Approving Presidential Employment Contract for Dr. Kenneth Kitts to Serve as the 20th President of the University of North Alabama

Mr. Abroms highlighted some of the general elements of the proposed employment contract in contrast to provisions in the contract for former President Bill Cale. The proposed Kitts contract was endorsed by Finance Committee at its December 10 meeting and is now recommended for approval by the full Board. A minor editorial amendment was proposed at the end of the first sentence in Section 2.4 to insert the word “the” so that the end of the sentence reads, “…the best interest of the Board or the University.” Upon motion by Mr. Russell and second by Mr. Trapp, the resolution was approved unanimously with Section 2.4 of the employment contract so amended.

E. Update on UNA Athletics

Mr. Linder reported that UNA fall sport athletic teams accumulated a win-loss record of 22-2 in a total of 24 home contests this fall. He also commended two student-athletes who received significant honors this fall – Lee Mayhall, who was named a football Academic All-American with a 4.00 GPA, and Chloe Richards, who was named the National Division II Soccer Player of the Year.

F. Selection of March, September, and December, 2015, Meeting Dates

The Board agreed that the President’s Office should determine proposed meeting dates and send that information to the Trustees.

X. MOTION FOR EXECUTIVE SESSION

There were no items to discuss in executive session.
XI. MOTION TO ADJOURN
