

The success of the University of North Alabama is dependent upon the participation of many, including our valued faculty and staff across our picturesque campus. As part of the UNA family, we know that you already support the University's initiatives and programs through your daily contribution of time and talent.

We hope that you'll join with our alumni, friends and colleagues and support UNA with a monetary donation. What is truly important is participation, every gift makes a difference!

## Thank you for your dedication to help UNA and for all that we will accomplish together! Roar Lions!
