Department Chair Meeting Minutes
College of Arts and Sciences
November 19, 2013

The meeting was called to order at 8:04 a.m. on Tuesday, November 19, 2013. Dr. Vagn K. Hansen, Dean of the College of Arts and Sciences, presided. Department Chairs present: Ms. Chiong-Yiao Chen, Dr. Paul Kittle, Dr. Brent Olive, Dr. Gregory Pitts, Dr. Yaschica Williams, Dr. Larry Adams, Dr. Bob Garfrelick, Dr. Claudia Vance, Dr. Francis Koti, Dr. Christopher Maynard, Dr. Cindy Stenger, LTC Michael Snyder, Dr. David McCullough, Dr. Brenda Webb, Dr. Richard Hudiburg, Dr. Joy Borah, and Dr. Jerri Bullard. Debbie Tubbs took the minutes.

1. Approval of Minutes from October 22, 2013. The minutes were approved by consensus.

2. Curriculum Change Proposals from the Department of Sociology. Dr. Bullard made a motion to change the course title of SO 421 to Cultural Diversity and Social Inequality and the motion was seconded, opened for discussion, and adopted.

Dr. Bullard made a motion to create a new undergraduate certificate program, Certified Child Life Specialist (CCLS) and the motion was seconded, opened for discussion, and adopted.

Dr. Bullard made a motion to create two new courses that will be cross-listed - SO/FS 224 (3) Introduction to Child Life and Family Studies and the motion was seconded, opened for discussion, and adopted.

Dr. Bullard made a motion to change the course description, increase the credit hours from 3 to 4 by adding a lab, and adding a $30 course fee to SO 310W (4) Methods of Social Research. The motion was seconded, opened for discussion, and adopted.

3. Curriculum Change Proposals from the Department of History and Political Science.
Dr. Maynard made a motion to create a new minor and a new certificate in Public History. The motion was seconded, opened for discussion, and adopted.

Dr. Maynard made a motion to add course fees to HI 471, Public History; HI 571, Public History; HI 670, Historic Preservation and Cultural Resource Management; and HI 671 Museum and Archival Management to pay for fieldwork travel, field trips, and project expenses. The motion was seconded, opened for discussion, and adopted.

4. Curriculum Change Proposals from the Department of Social Work. Dr. Borah made a motion to consider as a package the following changes: 1) add two new courses, SW 150 (3) Statistics for Social Services and SW 199-SL1 (3) Volunteer Service and Community Engagement; 2) delete from Prescribed Supporting Courses MA 147 Elementary Statistics, PS 242 Contemporary Issues in United States Politics, and PS 243 State and Local Government and Politics; 3) create a new undergraduate certificate in Child Welfare Practice for both degree and non-degree seeking students; and 4) delete from page 366 of the 2014-2015 Undergraduate Catalog the line “Social Work 230 is the
prerequisite to all other courses in social work” and the motion was seconded. During discussion it was pointed out that UNA would be the first institution in the state of Alabama to offer this certificate program. Dr. Hansen asked if Dr. Borah would accept a friendly amendment to change SW 150 to SW 350 since the intent is for their students to take it at the junior level and to add a prerequisite statement regarding prior mathematics courses needed. Dr. Borah accepted the friendly amendment and the proposal was adopted with the amendment.

Dr. Kittle noted that in all the proposals for today there was no mention of what additional resources would be needed. The following include some of the relevant comments: Dr. Hudiburg agreed and added that it was something that all should think about because it is a collective process and all department chairs are in this together; Dr. Maynard shared that he is on the Strategic Planning and Budget Study Committee and there is a detailed new form that departments will have to include in any budgetary requests for new faculty positions and one of the justifications will be credit hour production; Dr. Bullard asked if they will look at departments with decreasing credit hour production and areas that are overstaffed and Dr. Maynard indicated that discussion is taking place regarding those issues; and Dr. Hansen stated that Dr. Luna’s office provides lots of good information if departments are to do serious budgetary analysis. He stated that our college covers the range from low cost-per-credit-hour to high cost-per-credit-hour produced.

5. Summer School Protocol. Dr. Hansen stated he would like this group to decide in advance on a summer school protocol. He feels this should be a group decision and the objective should be producing a written procedure. He asked how the group would like to proceed. Comments were shared that decisions should be deferred to each chair with input from the dean. Dr. Hansen then asked whether their objective was to break even as a college or a department. Comments indicated flexibility was key and again department chairs could make decisions with the dean. Dr. Hansen asked if off-campus courses were to have the same accountability as on-campus courses. Comments included it would be up to the department chair/dean and to consider that off-campus courses (study outside the state/country) often was not just teaching your class and leaving but rather spending twenty-four hours a day with the students and as such, smaller numbers should be measured against the labor-intensive nature of these courses. Dr. Hansen asked how the group wanted to proceed and Dr. Pitts volunteered to draft written procedures with help from Dr. Bullard and Dr. Stenger and submit their draft at the next department chair meeting.

6. Wesleyan Hall Auditorium. Dr. Hansen noted the need for a written policy for the use of Wesleyan Hall Auditorium. Presently, Educational Technology Services schedules the auditorium. If the time of the event includes weekends or times other than when buildings are unlocked, our office has to approve and send information to UNA Police as to when to unlock and lock the building. One of the RSO’s asked to use the auditorium every Sunday night during the fall semester and permission was given. He stated he has again been asked for permission for its use every Sunday night during the spring. Before he gives permission, he wanted to know if any departments have a need to use the auditorium any Sunday nights during spring 2014. He asked the department chairs to notify him by tomorrow if they have or do not have this need. Discussion continued regarding the use of the auditorium for both
classes and plays/performances and the hardships involved and note was made for the
difficulty students’ face in obtaining meeting space after night classes end and/or on
weekends.

7. Academic Affairs Newsletter. Dr. Hansen read from the COAD minutes, “By consensus,
it was determined that the announcement of faculty publications would remain only with
Profiles in Excellence and Campus Communications and not the VPAA Newsletter.”

8. Report from COAD from October 14, October 28, and November 11. Dr. Hansen
reported the continuing topic of discussion has focused on department chair quartiles with
very little progress and no consensus. Dr. Luna has currently been tasked with working
with the Business Office to see if the number of transactions related to the supplies budget
can be tracked.

9. Other.
   -Dr. Hansen announced that there has been a $1,000,000 donation for the new science
   building
   -Dr. McCullough asked if there was a way for departments to give input (evaluation) of
   administration offices such as research, police, maintenance, business office, registrar’s
   office, etc. Dr. Hansen stated that this concern could be taken to either the Shared
   Governance Executive Committee or one of the Shared Governance Committees.

The meeting adjourned at 9:25 a.m.

DEPARTMENT OF SOCIOLOGY AND FAMILY STUDIES

Chair:  Dr. Jeri H. Bullard, 558 Stevens Hall, 256-765-4200
Faculty: Dr. Hunt, Dr. Paulk, Dr. Robertson, Dr. A. Takeuchi, Dr. M. Takeuchi

The Department of Sociology and Family Studies offers an academic major in Sociology leading to a Bachelor of Arts or Bachelor of Science degree. Within the Sociology major, the department offers concentrations in Criminology and Gerontology. The department also offers minor programs in sociology and family studies, coursework leading to certification as a family life educator (CFLE), coursework leading to certification as a Child Life Specialist (CCLS), a Certificate in Gerontology, and courses applicable to the General Education Component.

The Department of Sociology and Family Studies aims to prepare students for the many occupations in government, the justice system, health care, personnel management and human services for which preparation in sociology, criminology, family studies, and gerontology are appropriate; or for advanced study in graduate and professional schools leading to teaching and research positions. The gerontology concentration and interdisciplinary certificate program are designed to provide a broad base of knowledge and skills to advance the careers of those who work with our growing elderly population. Students should consult the department chair concerning personal educational objectives, programs, career objectives and options for on-line/distance learning education. Information about sociology, this department and on-line/distance learning education are available at http://www.una.edu/sociology.
SPECIAL PROGRAMS AND ACTIVITIES

Centre for British Studies. The UNA Centre for British Studies promotes research and teaching in all aspects of British life: cultural, political, social, and intellectual. The CBS advocates an interdisciplinary approach to British Studies by bringing together scholars and apprentice scholars in the humanities, fine arts, social sciences, and related fields. The UNA Centre for British Studies seeks to promote greater understanding amongst the university community and academic community both at home and abroad by facilitating contacts amongst all who take an interest in Britain.

Certificate as a Child Life Specialist. The Certified Child Life Specialist (CCLS) credential is the exclusive designation issued by the Child Life Council (CLC), the leading membership association serving child life professionals. After students earn their degree they may apply through the CLC to sit for the certification exam. The certification process is conducted under the auspices of the Child Life Council (CLC).

REQUIREMENTS FOR A CERTIFICATE AS A CHILD LIFE SPECIALIST

The requirements by the CLC to take the examination for certification include the following:
1. Successful completion of a bachelor's degree.
2. Completion of a child-life course taught by a CCLS.
3. Completion of 9 courses in Sociology or a field deemed acceptable by the CLC.
4. Completion of 480 hours of child life clinical experience through an internship or fellowship under the direct supervision of a CCLS.

Certificate in Family Life Education. The Department of Sociology and Family Studies offers a certificate program entitled Certified Family Life Education (CFLE). This certificate is offered to both degree seeking students as well as community persons seeking professional/personal advancement. Non-degree seeking students will be admitted to the University via established admission guidelines. The certificate is designed to prepare students to work in a wide variety of professional fields that promote healthy family functioning, such as community-based social services, early childhood education, faith-based organizations, family intervention, government and public policy, family and consumer resource services, and health care and family wellness. The certificate is comprised of 27 hours of coursework and three hours of field practice.

I. COURSE DESCRIPTION:

This course provides an introduction to social statistics appropriate for use by social service practitioners. The goal is to develop within students an understanding of social work statistical methods to ensure they are able to provide ethical and evidence-based practice as outlined in the Code of Ethics of the National Association of Social Workers (NASW).

Students in this course will develop the knowledge, skills and values essential for becoming critical consumers of social statistics. The course will cover probability as well as descriptive and inferential statistics, with an emphasis on non-parametric tests suitable for use in applied settings in social work, counseling, and other helping professions. The course will combine lecture with hands-on application in a computer lab using SPSS (Statistical Package for the Social Sciences).

II. COURSE OBJECTIVES:

Upon completion of this course students will possess:

1. Knowledge about probability theory, data distributions, various statistical procedures (univariate, bivariate, and multivariate), and statistical inferences (practice behavior 6.2 for competency #6). This will be assessed through in-class exercises, homework assignments, and course exams.

2. The ability to accurately select the appropriate statistical analyses for various questions and data (practice behavior 6.2 for competency #6). This will be assessed through in-class exercises and homework assignments.

3. An understanding of how to correctly interpret the meaning and results of different statistical procedures (practice behavior 6.2 for competency #6). This will be assessed through homework assignments and the final exam.

4. The ability to apply statistics to social work practice, consistent with social work values and ethical principles related to work within agencies (practice behavior 2.2 & 4.1 for competencies #2 & #4). This will be assessed by in-class exercises, and homework assignments.

5. The ability to understand and interpret research and statistics as they apply to diverse populations (practice behavior 2.2 & 4.4 for competencies #2 & #4) and for the pursuit of social and economic justice. This will be assessed by in-class assignments, and course exams.

1. Create undergraduate Certificate in Child Welfare Practice for both degree and non-degree seeking students.

2. Rationale: The Certificate in Child Welfare Practice program is a competency-based training curriculum designed to prepare students to provide services to at-risk children and families through a wide range of public and private agencies. As a member of the Alabama Higher Education Child Welfare Consortium, the Department will participate in the Title IV-E Child Welfare Training Funding Program which supports University-Agency training partnerships and provides federal funding for educating and training both current and future child welfare workforce. Eligible Social Work majors will receive a stipend during their field practice through this program. The Certificate is open to all majors and area professionals; the stipend is restricted to Social Work majors. Outcomes: enhanced child welfare curriculum opportunities for students for high quality training and professionalization; stronger University-agency partnerships; opportunity for recruitment and retention of diverse students; facilitating career ladder from BSW to an MSW degree. UNA would be the first institution in the state of Alabama to offer a Child Welfare certificate program for Social Workers. The proposed program makes efficient utilization of existing courses, resources, and personnel while offering the additional benefits of Child Welfare certification to students and area professionals.

Centre for British Studies. The UNA Centre for British Studies promotes research and teaching in all aspects of British life: cultural, political, social, and intellectual. The CBS advocates an interdisciplinary approach to British Studies by bringing together scholars and apprentice scholars in the humanities, fine arts, social sciences, and related fields. The UNA Centre for British Studies seeks to promote greater understanding amongst the university community and academic community both at home and abroad by facilitating contacts amongst all who take an interest in Britain.

Certificate in Child Welfare Practice. The Department of Social Work offers the Certificate in Child Welfare Practice designed to prepare students to provide services to at-risk children and families through a wide range of public and private agencies. The competency-based training curriculum includes content on all areas of child welfare practice including historical issues in child welfare, child welfare policy, assessment, interviewing techniques, intervention planning, and referral processes related to meeting federal goals of safety, permanence, and well-being in addition to foster care and/or adoption. Degree seeking students at University of North Alabama may take required and elective courses leading to the Certificate. Social Work majors may take courses needed to complete the Certificate in Child Welfare within the normal BSW requirements and need not extend the length of the student’s degree program. Eligible Social Work majors will receive a stipend during their field practicum through the Title IV-E Training Program of the Alabama Higher Education Child Welfare Consortium. Credits towards meeting BSW requirements can be double-counted toward earning the Child Welfare certificate. Non-degree seeking students may qualify for a “Professional Certificate,” which does not include the internship, but requires one year of work experience in the field of child welfare practice.

Certificate in Family Life Education. The Department of Sociology and Family Studies offers a certificate program entitled Certified Family Life Education (CFLE). This certificate is offered to both degree seeking students as well as community persons seeking professional/personal advancement. Non-degree seeking students will be admitted to the University via established admission guidelines. The certificate is designed to prepare students to work in a wide variety of professional fields that promote healthy family functioning, such as community-based social services, early childhood education, faith-based organizations, family intervention, government and public policy, family and consumer resource services, and health care and family wellness. The certificate is comprised of 27 hours of coursework and three hours of field practice.
SOCIAL WORK (SW)

SW 220: Social Work 220 is the prerequisite to all other courses in social work.

SW 193. (3) Volunteer Service and Community Engagement. The Service Learning course is designed to provide students with hands-on experiential opportunities. Integrate classroom learning with "real-life" practice experiences in the community, and enable students to gain a better understanding of the social service profession. Students will be required to volunteer 30 hours in a social service agency in the community. (Fall, Spring, Summer)

SW 230. (3) Introduction to Social Work. A comprehensive study of the field of social work including current social problems and related national/state/local issues with emphasis on the historical development of social services, the profession of social work, professional values and ethics, economic and social issues relevant to diverse populations, and employment opportunities in the field. (Fall, Spring, Summer)

SW 305. (3) Social Welfare: Policies and Services. The political, philosophical, and historical perspectives of social welfare policies and services. A study of basic criteria for analysis and formulation of social welfare policies and their implications for diverse populations. Prerequisite: SW 230. (Fall, Spring)

SW 315. (3) Human Behavior and Social Environment I. A study of the life span of the individual from infancy to young adulthood from a systems perspective with emphasis on interactions with families, groups, organizations, and communities. Special attention is given to the biological, social, psychological, and cultural forces that affect human behavior with emphasis on values and ethical issues, and the significance of human diversity on behavior in a pluralistic society.
