

# MASTER OF ACCOUNTANCY PROGRAM

The Master of Accountancy Program (MAcc) at the University of North Alabama is a 30-semester hour graduate program designed to provide individuals with the professional skills and business knowledge essential for success in contemporary professional accounting and business careers. Most states, including Alabama, require 150 semester hours of education before one can be licensed as a CPA. For students who have the equivalent of a bachelor's degree in accounting, the UNA MAcc provides the remaining courses needed to become a CPA.

**ALL COURSES CAN BE TAKEN  
100% ONLINE**

MAACC

## PREPARE FOR A PROFESSIONAL CAREER IN ACCOUNTING

Move forward in your career with North Alabama's Master of Accountancy degree. Topics covered include fraud prevention and detection, auditing, taxation and authoritative standards and laws. In this fully online program, you will prepare for and complete the Certified Fraud Examiner (CFE) exam, while gaining an introduction to theoretical research.

- Earn your Master of Accountancy for under \$15,000
- Learn from the same faculty who teach the top-ranked MBA program
- Gain the skills and knowledge needed to take the CPA, CMA & CIA exams
