# Navigating Banner 9 Self-Service 9—General Fund Budgets
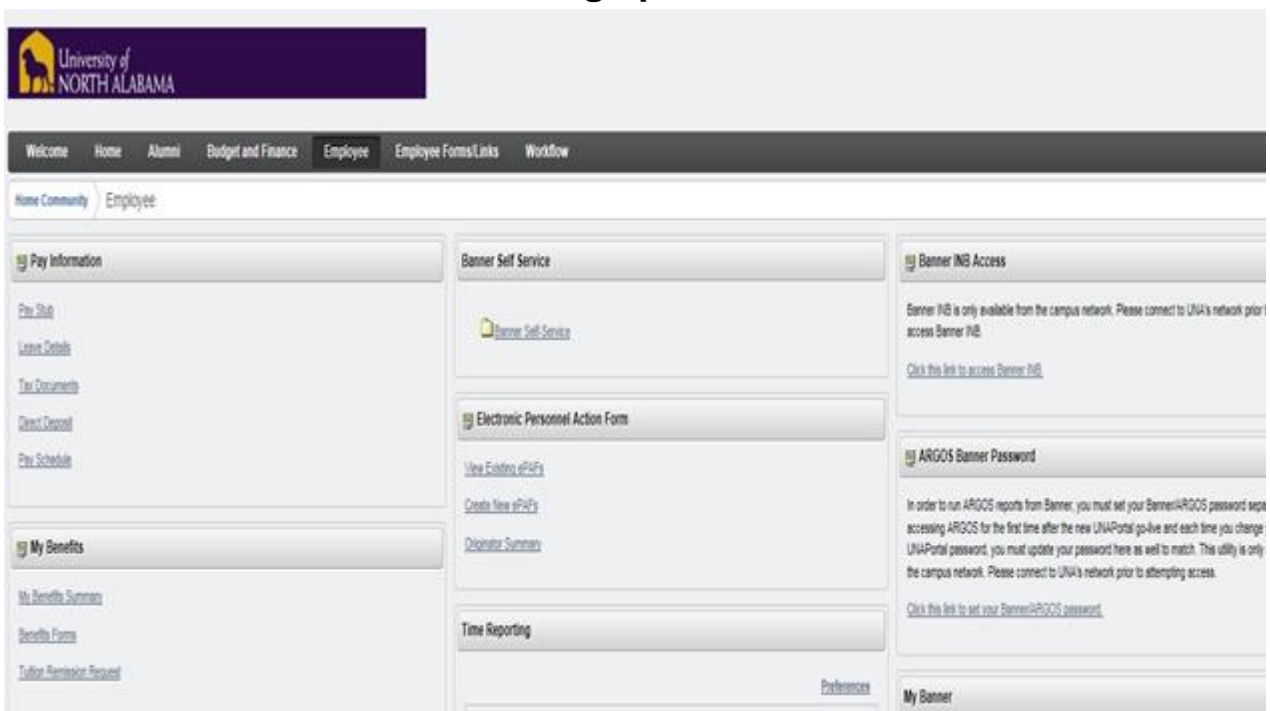

University of North Alabama

Login:

1. **Go to the UNA Website (www.una.edu)**
2. **Log into Portal**
3. **The following tabs should appear across the top of your screen:**

4. **Click the "Employee" tab.**
5. **You should now see the following options:**

6. Select the "Banner Self-Service" option.

**7. You should now see the following screen:**

8. Select "My Finance Query"

9. You should now see the following screen. Select "New Query" to proceed:
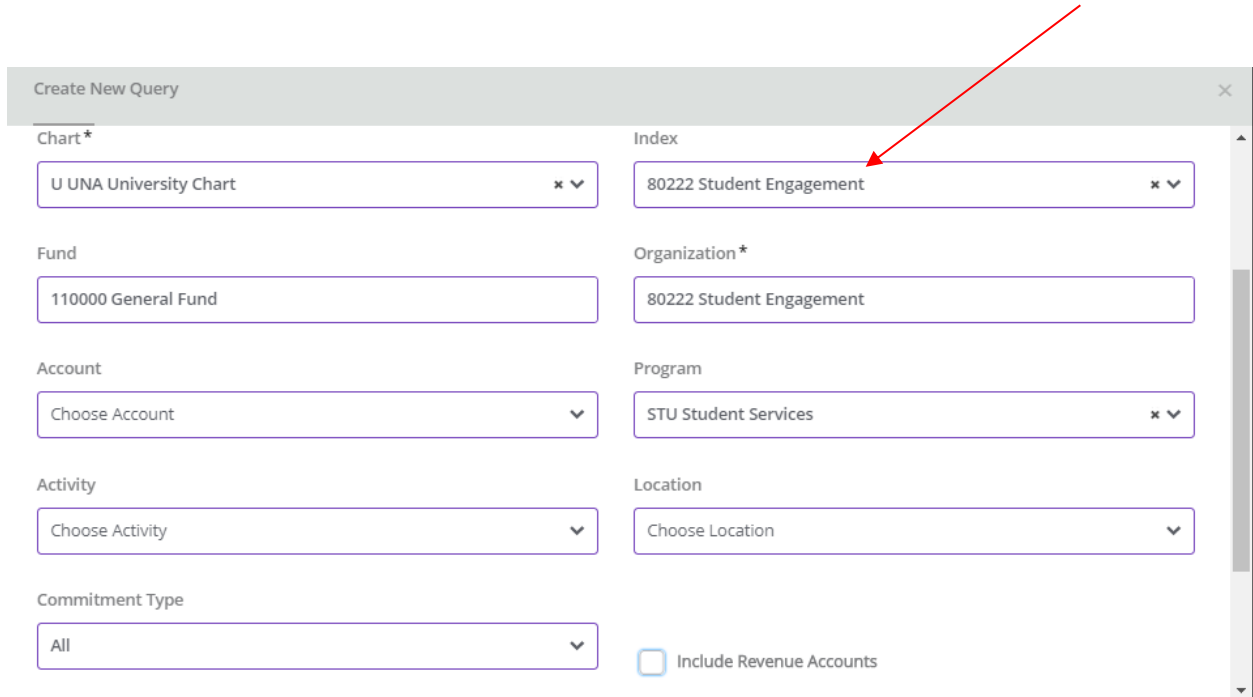

10. The following pop up box should appear:

12. This should now give the option for a "Quick Query". Under the "Index" drop down option, either input your Index code or search for it in the drop down menu. Once this has been completed, the system will default to the correct Fund, Organization, and Program information.

13. Next, scroll down and select the appropriate Fiscal Year. Finally, select "Submit":
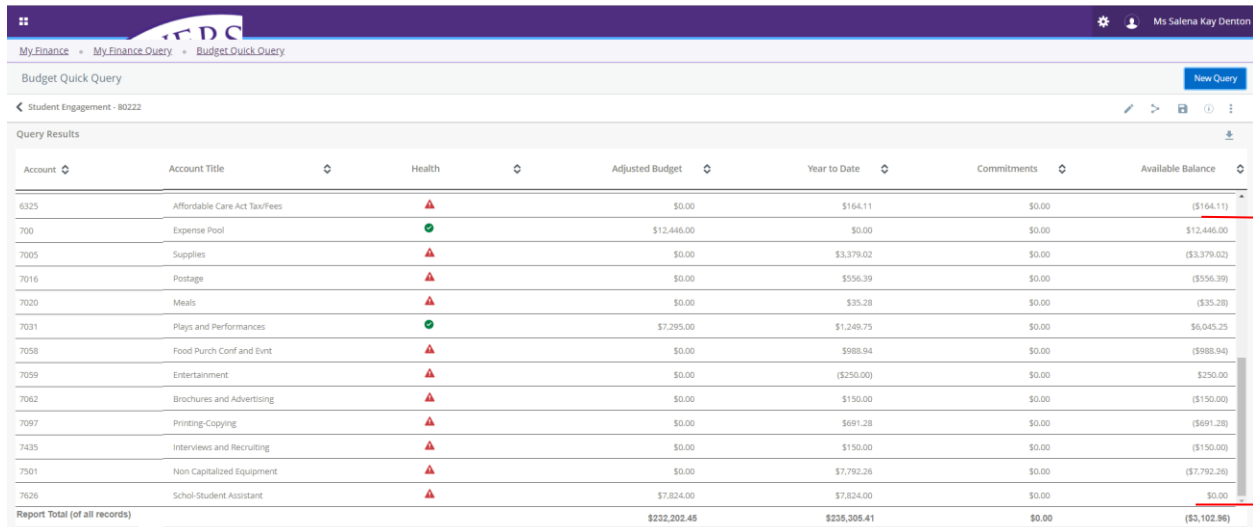

14. The next screen should be a listing of expenditure activity that has occurred for the selected index and fiscal year:

15. In order to determine your current available balance to spend, start with your Expense Pool Amount in the "Available Balance" column (Account 700) and subtract any expenditures below from that total.

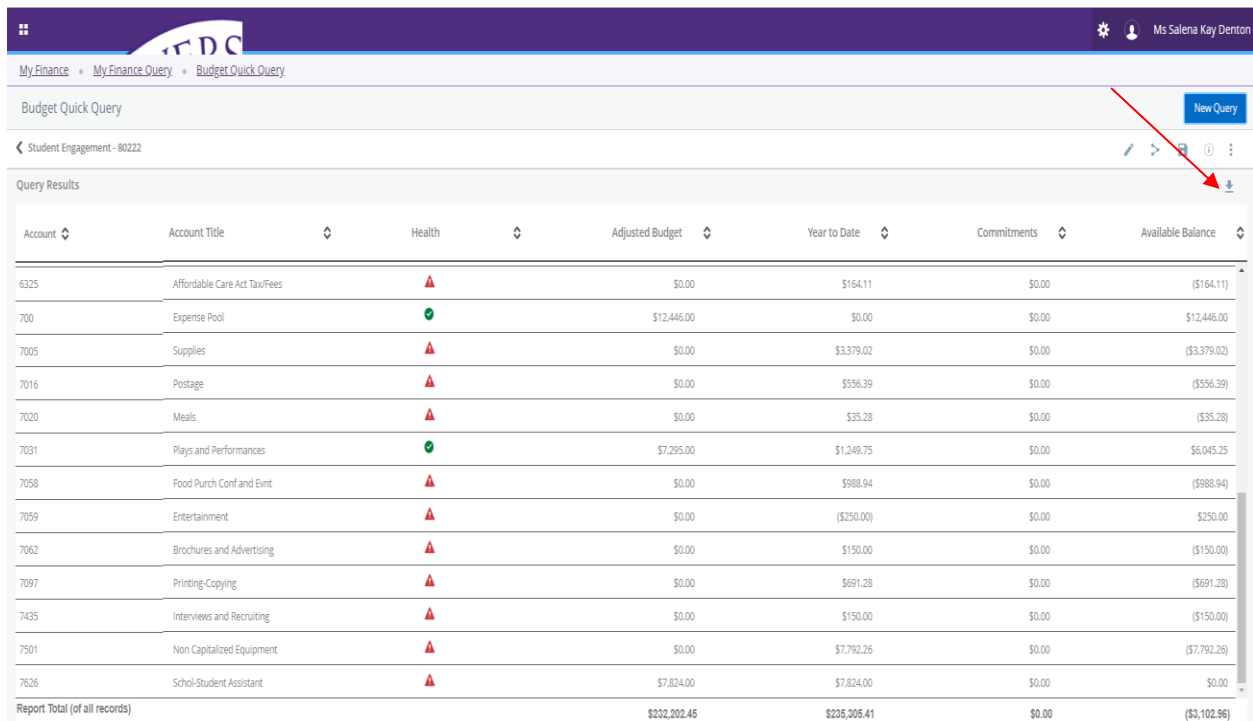

13. You may also export this information to an Excel spreadsheet by clicking this button:

14. This will then create a spreadsheet of the information as follows:

ORGANIZATIONAL HIERARCHY QUERY

**Another type of Budget Query is an Organizational Hierarchy Query. This type of query is the easiest and quickest means of answering the "how much is available to spend" question. You would begin by first logging into portal as you normally would and selecting the Banner Self-Service Option for Finance. You should get the following screen:
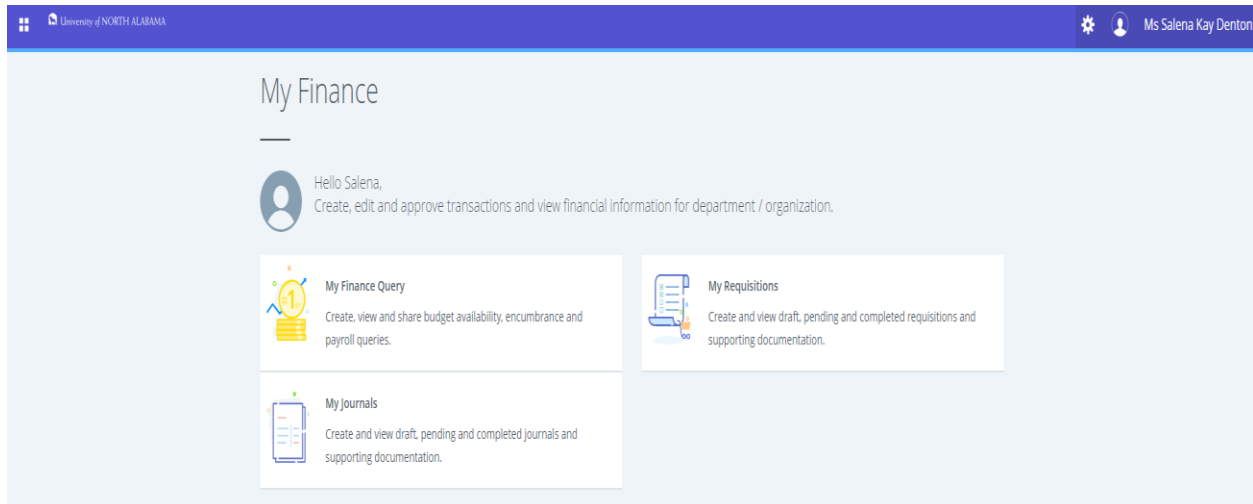

Once here, you will select, "My Finance Query" which will take you to this screen where you will click on the "New Query" button:

You should now be able to see the "Organizational Hierarchy" option. Select this option and input your "Index"

Now, scroll to the bottom and be certain that the "Include Revenue Accounts" field is <u>NOT</u> selected. Input the Fiscal Year and either input or select Fiscal Period "14". <u>THE FISCAL PERIOD should always be 14 in order to view all activity for the current fiscal year.</u>

Scroll further and select the following Operating Ledger fields and select "Submit":

You will now see a "roll up" view of your budget:

Click on the "Organization Code" to expand the budget activity as needed:

You can now view the budget by account type categories such as Labor and Expense. The amount in the "Available Balance" column is the current amount that can be spent per Account Type. For instance, in this example, the amount available for expenses is $4,998.08.

If you have further questions as to how this total was derived, you can drill down further by clicking on the Account Type of your choosing:
