6.D.) To the best of your knowledge, what is the completion rate of students from your COMMUNITY COUNSELING program?

To the best of your ability, please use the following information as a guide to report your program's completion rate: A program's completion rate is defined as the percentage of admitted students who graduate from the program within the expected time period. If you admit both full-time and part-time students into the program, you may have two completion rates based on differences between full-time and part-time students' expected time from admission to graduation. If this is the case, your program's completion rate is the average of the full-time student completion rate and the part-time student completion rate.
