

2024-2025 Completers Hired

The following data was pulled from PowerSchool and provided to us by the Alabama State Department of Education. The completer employment information provided to the EPP by the Alabama State Department of Education includes only completers employed by public schools in the state of Alabama. It does not include employment information for completers hired by private, parochial, or out-of-state schools.

NOTE: Spring 2025 completers were not included in this report because, at the time the data was received from ALSDE, certification processing for Spring 2025 completers had not yet been finalized.
