Credit: 12 Semester Hours (Undergraduate)  
Prerequisites: Completion of all courses  
9 Semester Hours (Graduate)

Course Description: Supervised observation and teaching in learning situations from grades P-12 (according to the candidate’s major); the use of materials of instruction and teaching methods. Involvement in all teacher functions. The internship is the culmination experience of the teacher preparation program and is primarily the application of the knowledge and practice of the abilities acquired in the candidate’s program. In order to pass/receive credit for internships the candidate must demonstrate several competencies. These competencies are listed in the Internship Requirements and in the tables aligning (Appendix A) the Conceptual Framework with the Interstate New Teacher Assessment and Support Consortium (INTASC) standards with Alabama Core Teaching Standards (290-3-3.03).

Internship Requirements: (Additional assignments may be assigned by supervisors or cooperating teachers. A complete description of all expectations and requirements are detailed in the internship handbook)

1. Time: The internship in Class B and Alternative Class A programs shall equal at least a full semester, full-time in the teaching field for which certification is sought and may include more than one classroom or grade level, with experiences of the intern progressing to the full responsibilities of the teacher. Prior to program completion, an intern must teach full-time for at least five consecutive days. 290-3-3-.02(6)(f)2

2. Lesson Planning/Collaboration: The candidate will collaborate with the cooperating teacher and supervisor for daily lesson planning and instruction.

3. Teacher Work Sample: The candidate will complete a teacher work sample that will include planning, instruction, and assessment of a unit based off student needs.

4. Notebook: The notebook is used to facilitate the candidate’s day-to-day planning and instruction.
5. **edTPA:** All teacher candidates will complete an edTPA portfolio during the internship experience. Interns are encouraged to stick closely to the edTPA timeline and communicate often with their university supervisor. All portfolios will be locally evaluated by their university supervisor and some will be submitted for national scoring.

**edTPA Financial Responsibility Statement:** Beginning Fall 2018, teacher candidates will be responsible for all fees associated with edTPA. For information regarding submission and associated costs, candidates should access edTPA.com. Pending the Alabama State Board of Education’s approval, the Principles of Learning and Teaching Assessment will no longer be required after August 31, 2018 for certification issuance.

**Attendance Policy:** Attendance during the internship is vital to the success of all interns. Each intern is expected to be in attendance every day throughout the entire period of the internship. Internship is designed as a “no cut” experience; however, serious personal illness of the intern or death of an immediate family member may require an absence from placement. **These absences must be documented through the Director of Clinical Experiences, university supervisor, and cooperating teacher.**

**Tardy Policy:** Interns are expected to be in their assigned classrooms every day at the same designated time as the cooperating teachers. A tardy is considered an absence. If illness or an emergency makes it necessary for you to be tardy from the internship assignment, notify the cooperating teacher, school, and university supervisor prior to the beginning of the school day.

**All absences will require make-up time and must be completed by the grade submission deadline. If the intern is unable to make-up time missed by the final submission of grades, internship credit may be delayed and the intern will not be eligible for graduation during the current term.**

- Interns should arrive early for the beginning of the school day, seminars, and all school functions
- Observe the same school hours as the classroom teachers at their school
- Interns follow the assigned school calendar instead of the UNA calendar
- Must be present at all school-related functions that the classroom teacher is expected to attend, regardless of the time of day. This includes but is not limited to faculty meetings, in-service meetings, PTO/PTA meetings, parent-teacher conferences, and extracurricular activities occurring in the school
- Maintain a daily attendance log that stays in the intern’s notebook at all times (page 19)
- Please notify the Director of Clinical Experiences and the university supervisor if you will not be at the school. (Field trips, meetings off campus, etc…)
- Absences from internship that do not need to be made up:
  - Seminars
  - Career fair sponsored by the College of Education
  - edTPA days
  - Days missed due to natural disasters (tornadoes, ice storms, snow) unless a make-up day is scheduled by the district and falls during the intern’s placement time.
- Classroom time cannot be missed (without prior permission) for coaching duties or other activities not related to the content being taught in that classroom.

Revised August 2018
**Evaluation and Grading Procedures:** Upon completion of the internship, supervising faculty will issue a letter grade for each half of the internship semester. Although all interns are expected to adhere to common expectations set forth by the university, there will be unavoidable differences in context between placements. These unique variances require interns, faculty, and staff to be flexible in their pursuit of learning and performance, while striving for a common standard of excellence. With this in mind, interns will be evaluated on the same criteria to the greatest extent possible. Feedback from cooperating teachers, school personnel, and other stakeholders is factored into an intern’s grade via the dispositions/professionalism category. **Internship grades will be based on the weighting below unless otherwise communicated by the supervising professor.**

<table>
<thead>
<tr>
<th>First Half of Semester</th>
<th>Second Half of Semester</th>
</tr>
</thead>
<tbody>
<tr>
<td>Faculty Evaluations, 50%</td>
<td>Faculty Evaluations, 50%</td>
</tr>

<td>Teacher Work Sample, 30%</td>
</tr>
<tr>
<td>Dispositions/Professionalism, 20%</td>
<td>Dispositions/Professionalism, 20%</td>
</tr>
</tbody>
</table>

Final grades must result from a sound evidence base aligned with the above categories. There should be consistent documentation of performance (resulting from items such as observation feedback, lesson plan quality, edTPA commentaries, Teacher Work Sample artifacts, and disposition referrals) across the semester.

* NOTE: If an intern has not completed all requirements assigned by the Office of Clinical Experiences, they will receive an Incomplete in their Internship until all outstanding requirements are satisfied.
