ACCREDITATION

at the UNIVERSITY OF NORTH ALABAMA

The Community Counseling (M.A.) and the School Counseling (M.A.Ed.) graduate programs in the Department of Counselor Education are accredited by the Council for Accreditation of Counseling and Related Educational Programs (CACREP) under the 2001 Standards and are listed in the International Registry of Counselor Education Programs (IRCEP). The University of North Alabama is accredited by the Southern Association of Colleges & Schools (SACS), and the College of Education and Human Sciences is accredited by the National Council for Accreditation of Teacher Education (NCATE).

COMMUNITY COUNSELING

Master of Arts

The Master of Arts (M.A.) in Community Counseling is a CACREP accredited 48 semester hour program of study. Graduates typically are employed in social service, mental health, and private practice settings. Students complete practicum and internship experiences in settings related to their career goals. The coursework content prepares students for National Counselor Certification and State Counselor Licensure. Effective 2014 Fall Semester, the Department of Counselor Education will initiate a new, 60 semester hour major in Clinical Mental Health Counseling, and begin phasing out the current, 48 semester hour Community Counseling major.

SCHOOL COUNSELING

Master of Arts in Education

The Master of Arts in Education (M.A.Ed.) in School Counseling is a CACREP accredited and Alabama State Department of Education approved 48 semester hour program that results, upon graduation, in eligibility for certification as a school counselor in Alabama. Graduates typically are employed in public or private elementary, middle/junior high, or high schools as professional school counselors. Students complete a practicum and two internships in school settings. The School Counseling program offers two options: Track 1 and Track 2.

TRACK 1: Admission to this track requires that the applicant have a teaching certificate in a teaching field and two years of professional experience in a school. See listing of general and Track 1 School Counseling admission requirements.

TRACK 2: Individuals who do not meet all of the requirements for admission as a Track 1 School Counseling major may be admitted to the Track 2 School Counseling major. Track 2 requires satisfactory performance in the same courses required of students in Track 1. See general and Track 2 School Counseling admission requirements.

GENERAL ADMISSION REQUIREMENTS
Community Counseling & School Counseling

- Bachelor's degree or higher from an institution that meets the general admission requirements for graduate study at UNA
- Official transcripts of all undergraduate and graduate work**
- Official MAT (minimum of 388) or GRE (146 V & 140 Q preferred) score report*
