In addition to these nine hours the initial candidates complete a reading course that focuses on assessment and remediation of reading problems. Throughout the elementary education program, initial candidates are taught strategies to assist them in all core content areas, as well as assessment and assistive technology.

In the undergraduate elementary and secondary education programs, all teacher candidates take courses which have components that focus on working with culturally and linguistically diverse students. These courses have the teacher candidates create activities and lesson plans where the needs of English language learners are met. At the elementary level, the primary course for this is Teaching the Language Arts. At the secondary level, the two primary courses for this are Materials and Methods of High School Teaching and Principles of High School Education.
