ALABAMA EDUCATOR CODE OF ETHICS

Introduction

The primary goal of every educator in the state of Alabama must, at all times, be to provide an environment in which all students can learn. In order to accomplish that goal, educators must value the worth and dignity of every person, must have a devotion to excellence in all matters, must actively support the pursuit of knowledge, and must fully participate in the nurturance of a democratic citizenry. To do so requires an adherence to a high ethical standard.

The Alabama Educator Code of Ethics defines the professional behavior of educators in Alabama and serves as a guide to ethical conduct. The code protects the health, safety and general welfare of students and educators; outlines objective standards of conduct for professional educators; and clearly defines actions of an unethical nature for which disciplinary sanctions are justified.

Code of Ethics Standards

Standard 1: Professional Conduct

An educator should demonstrate conduct that follows generally recognized professional standards.

Ethical conduct includes, but is not limited to, the following:

- Encouraging and supporting colleagues in the development and maintenance of high standards.
- Respecting fellow educators and participating in the development of a professional and supportive teaching environment.
- Engaging in a variety of individual and collaborative learning experiences essential to developing professionally in order to promote student learning.

Unethical conduct is any conduct that impairs the certificate holder's ability to function in his or her employment position or a pattern of behavior that is detrimental to the health, welfare, discipline, or morals of students.

Unethical conduct includes, but is not limited to, the following:

- Harassment of colleagues.
- Misuse or mismanagement of tests or test materials.

Unethical conduct includes, but is not limited to, the commission or conviction of a felony or of any crime involving moral turpitude. As used herein, conviction includes a finding or verdict of guilty, or a plea of *nolo contendere*, regardless of whether an appeal of the conviction has been sought or a situation where first offender treatment without adjudication of guilt pursuant to the charge was granted.

Standard 4: Teacher/Student Relationship

An educator should always maintain a professional relationship with all students, both in and outside the classroom.

Ethical conduct includes, but is not limited to, the following:

General Information

The Alabama State Board of Education approves all Educator Preparation programs. The Educator Preparation Program in the College of Education and Human Sciences is accredited by the National Council for the Accreditation of Teacher Education (NCATE) now the Council for the Accreditation of Educator Preparation (CAEP), <http://www.caepnet.org/accreditation>. This accreditation covers initial teacher preparation programs and advanced educator preparation programs at the University of North Alabama. However, the accreditation does not include individual education courses that the institution offers to P-12 educators for professional development, re-licensure, or other purposes. **Degree requirements are subject to change in order to comply with state and/or federal guidelines.** Students/candidates should consult with their academic advisor throughout their program to ensure all requirements are met.

The College of Education and Human Sciences has the responsibility to ensure all candidates admitted to the Teacher Education Program (TEP) remain in good standing throughout the program. Educator preparation candidates may be placed on probation, suspended, or removed from TEP by the College for issues including but not limited to grade point average deficiencies, dispositions, academic dishonesty, or institutional sanctions. Educator Preparation candidates must be in good standing in TEP to enroll in restricted courses including the internship.

How do I get admitted to the Teacher Education Program (TEP)?

Candidates should consult with their academic advisor(s) throughout the program to ensure all requirements are met. To be considered a candidate in an educator preparation program, students must be formally admitted to the UNA Educator Preparation Program and meet the following requirements:

The candidate is responsible for the nonrefundable, nontransferable fee. A candidate whose suitability determination precludes admission to a State-approved teacher education program has the right to due process procedures in accordance with Rule 290-3-3-.02(6)(d), Educator Certification Chapter of the Alabama Administrative Code. See Appendix B
4. **TEP Application:** Submission of formal application to TEP. The digital application is available in TK20. The deadline to apply for admission to TEP is posted each semester at the following link: <https://www.una.edu/education/educator-preparation/applying-to-tepgtep.html>

Students may obtain liability insurance through any company of their choice, but documentation (printed receipt) of coverage in the amount of \$1,000,000.00 MUST be obtained in ED 292 prior to any field hours within the P-12 classroom setting. Teacher candidates can also obtain this coverage by becoming members of a professional organization such as National Education Association's Student Program (SAEA), Association of American Educators (AAE), or the Alabama Conference of Educators (ACOE). Teacher candidates interested in joining SAEA, AAE, or ACOE on-line can visit

www.nea.org, www.aetteachers.org/, or www.acoe.us. Teacher candidates must maintain liability coverage throughout the program and should be able to show proof of membership to the University at any time. A final proof of membership will be submitted during the internship orientation meeting prior to the student teaching experience.

9. **Field Experiences:** The purpose of clinical experiences in the teacher education program is to allow candidates to become familiar with and participate in a variety of instructional situations beginning with the first professional education course and extending through the program with the culminating activity of the internship. From one semester to the next, candidates are provided opportunities to become more involved in classroom settings until they assume full internship responsibilities and manage entire classrooms. The comprehensive set of clinical/field experiences in the professional education program enables candidates to make practical applications of knowledge, learning principles, teaching techniques, and instructional materials in a supportive classroom environment with monitoring and specific feedback from school-based personnel and University supervisors. APPENDIX A - ADVISING and GPA Calculation

Advising: You are encouraged to know and work closely with your faculty advisor(s) regarding academic and professional matters. All elementary education, early childhood, and collaborative special education majors will have only one advisor. Candidates can locate the name of their advisor through Portal. Secondary Education candidates are assigned **two** advisors: one from the College of Education and Human Sciences and one from their content area. Candidates can locate the name of their advisor through Portal.

For more information about advising, please see the administrative assistant for your department: Teaching Learning, and Leadership- Savannah Siniard (Stevens Hall #524)

GPA CALCULATION: The University of North Alabama is on a four-point system. Every grade received earns you a number of quality points for that grade. Quality Points are determined using the following 4-point scale:

- A = 4 quality points
- B = 3 quality points
- C = 2 quality points
- D = 1 quality point
- F = 0 quality points

Calculate Quality Points

If you take a 3-hour course, and you earn a grade of B in that course, you have earned a total of nine (9) quality points using the following calculation: **Quality Points * credit hrs taken = quality points earned for course**
 $3 * 3 = 9$

Calculate GPA

After calculating your Quality Points earned for each course, you can now calculate your GPA using the following calculation: **Total Quality Points / Total Hours Taken = GPA**

For example, if you completed 4 courses and you earned the following grades:

Course	Credit Hours	Grade	Quality Points Earned per Course
ED292	1	A (4QP)	4
ED331	3	C (2QP)	6
SOM201	3	B (3QP)	9
EN232	3	B (3QP)	9
Total	10		28

You have taken a total of 10 Credit Hours among all of your courses.
You have earned a total of 28 Quality Points among all of your courses.

Total Quality Points / Total Hours Taken = GPA

$$28 / 10 = 2.80$$

APPENDIX B - FINGERPRINT CLEARANCE

APPENDIX C - Field Experience Guidelines

Participation in field experiences is a privilege; candidates are required to carry out their work in field placements in a professional manner. Candidates are visitors in school settings and must adhere to school policies and guidelines while completing course-related requirements.

Alabama State Teacher Education Code: Field experiences in Class B and Alternative Class A programs:

1. All Class B, Alternative Class A, Class A and Class AA programs shall require extensive field experiences in diverse settings. If permitted by written EPP policy, individuals who are employed in position appropriate to the area of their current program may complete field experiences on the job, but those experiences must be planned with specific purposes and assessment.
2. The majority of field experiences must occur in P-12 schools.
3. At least half of the field experiences shall be in the candidate's teaching field or area of instructional support.
4. For early childhood education and early childhood special education programs, field experiences shall include placements in at least two of the three main types of early education settings [early school grades (K-3), child care centers and homes, and Head Start programs]

University Expectations:

Field experiences are scheduled by the professor or will be your responsibility to acquire. Below are expectations for you to follow:

- **Begin your field experience immediately and attend consistently throughout the semester.** It takes time to make the initial contact and for the cooperating teacher to set up a schedule for your visits, so it is important to get started right away.
 - Send a well-constructed and grammatically correct email to the teacher. Be sure to include the content area, a timeframe for when you would like to start, and give contact information for yourself. Do not tell the teacher when you will be coming. Ask for times you can be in their room. Remember that you are a visitor in schools and must ask to be there.
 - Be on time and call the school if you are late or will be unable to attend.
 - Your tardiness in beginning the field placement should not be a concern to the teacher. It is your responsibility to work it out. Do not ask the teacher to accommodate you.
 - Clinicals should not be scheduled with immediate family members.
- **Professional attire is required.** You are now in the role of a professional and your dress needs to reflect the role. Unprofessional dress will not be tolerated by our public school partners. Principals will ask you to leave the premises if your attire does not meet their dress code. Please take a look at dress codes before entering the schools. Below are some general guidelines to follow:
 - **Hair:** Neat and natural styles. No extreme colors or cuts. No wet hair.
 - **Tops:** Shirt should be clean without wrinkles. Avoid tight fitting blouses, tank tops, hoodies, and t-shirts. Do not expose midriffs, undergarments, or cleavage. No clothing that promotes alcohol, tobacco, or controlled substances or displays profanity or sexual words and symbols.
 - **Pants/Skirts:** Pants should be neatly pressed, clean, and should fit comfortably. Skirts should be no higher than an inch above the knee. Avoid jeans, yoga pants, and pants with rips.
 - **Shoes:** Clean shoes and no stilettos heels. Remember, teaching involves prolonged periods of standing, so take comfort into consideration when choosing footwear.
 - **Accessories:** Make-up should be natural and jewelry kept to a minimum. There should

be no visible body piercings and tattoos should be covered. Keep perfumes to a minimum.

- **Hygiene:** Appropriate grooming and bathing should be reflected in appearance and smell.
-
- **Your professional reputation is being established while in the schools.** Appropriate language and behavior are expected at all times. During field experiences, you are working in the local schools and representing the university. The following must be observed at all times to ensure you are presenting yourself in a professional manner:
 - Grammatically correct speech and writing
 - Adherence to the Alabama Code of Ethics and the university dispositions
 - Appropriate use of technology
 - Monitoring of all your social media
 - No cell phone use (including text messaging) while on school grounds
 - No smoking or tobacco use on school grounds

 - **All lesson plans must be submitted to your cooperating teacher/university professor for approval.** If your requirements include teaching lessons, you must submit lesson plans in a timely manner to the cooperating teacher. This ensures that your lesson will support and fit the curriculum being taught in the classroom.

 - **It is very important that you sign in at the main office as a school visitor and wear your Mane Card.** This way, all school personnel know who you are and why you are there. You must return to the main office before leaving the school to sign out after each visit.

 - **Bring your Field Experience Verification Log to the school so that your teacher can sign and verify your hours/requirements after every visit.** Turn in completed forms to your course instructor once you have completed your field experience requirements.

 - **Closing out a field experience is very important.** Verbally express gratitude for the use of the classroom to your cooperating teacher. A thank you note would be an appropriate gesture. Make sure the area you used each time is left clean and that any work samples are given back to the teacher (ask if you can make a set of copies). Discuss with the teacher what your strengths and weaknesses were during the process. These learning experiences will help you gain valuable information. The changes you make based off feedback will determine your success as a future intern and teacher.

 - **Fire Arms/Medication:** Interns are not permitted to have a firearm, tobacco products, or other restricted items (knives, mace, pepper spray, etc.) on his/her person at any time while on school property. The use of prescription medication must be disclosed to the Director of Clinical Experiences, cooperating teacher, and school administration if consumed on school grounds. The medication must be in the original prescribed bottle with the label. The medication is to be kept in a lock area and away from students at all time.

APPENDIX D - Teacher Candidate Due Process, Referrals, and Appeals

Overview

All University of North Alabama students seeking teacher certification are informed that the College of Education and Human Sciences Education (COEHS) Preparation Program establishes dispositions for prospective teachers. The field and clinical teaching program is a collaborative relationship between UNA, cooperating school districts, mentor teachers, and the teacher candidate. The COEHS routinely monitors the professional dispositions throughout the program for all teacher candidates. Those candidates who are not progressing or adequately meeting the expectations outlined in the disposition referral (Form A) may be required to complete a formal remediation plan. Occasionally, there are circumstances that warrant the candidate's removal from the field or clinical teaching experience and/or Teacher Education Program. The COEHS has prescribed specific steps to be followed for intervention or possible removal of the teacher candidate. Such steps are detailed below. All cases of intervention or possible removal of teacher candidate(s) will be referred to the Professional Ethics Committee (PEC). The PEC will consist of five members as follows: Associate Dean, Director of Teacher Education, and three faculty representatives. A minimum of three members shall constitute a quorum. A quorum must be present at meetings for proceedings to be valid.

Reasons for Intervention or Possible Removal of the Teacher Candidate

1. Mutual consent and agreement for withdrawal by the candidate, cooperating school, and university mentor for reasons of illness, injury, or other unforeseen problems (students may have the opportunity to intern the following semester).
2. Failure by the candidate to establish and maintain a satisfactory performance level in the P-12 classroom setting instruction and management.
3. Failure by the candidate to abide by the policies of the cooperating school and/or UNA.
4. Breach of Alabama Code of Ethics.
5. Other reasons as determined by UNA.

Due Process Procedures for Intervention or Possible Removal of Teacher Candidate

Removal of the field or clinical assignment of a teacher candidate for the reasons previously stated in numbers 2, 3, 4 or 5 should follow these prescribed steps:

1. The teacher candidate shall be informed by the cooperating teacher and university supervisor of any unsatisfactory performance. This shall be done through written evaluations, personal conferences, and/or written documentation (Form A) of any infractions of school district policy, UNA policy, professionalism, or violations of state or federal law.
2. An intervention plan will be crafted through the collaboration of the university supervisor, cooperating teacher, Director of Clinical Experiences, and teacher candidate.
3. If UNA determines that a teacher candidate does not comply with the prescribed verbal and written suggestions for improvement, as documented in their intervention plan or a third referral is issued, the university supervisor and Director of Teacher Education shall initiate a hearing with the Professional Ethics Committee (PEC). The teacher candidate will be removed from the P-12 classroom setting until future notice.

4. The teacher candidate will receive notice (Form B) of the scheduled hearing through university email within three (3) business days of removal from the P-12 classroom setting. The notice will also include the date, time and location of the scheduled hearing. The teacher candidate is permitted to have a university advisor of their choosing present at the hearing (as defined in UNA Student's Procedural Rights).

During the hearing, the Director of Teacher Education or designee will present information concerning the teacher candidate's unsatisfactory performance and removal from the classroom. The teacher candidate will also have the opportunity to present information about their performance and removal as well. During the hearing, the PEC may ask questions at any time.

After the hearing concludes, the PEC will review and discuss the information presented. The decision concerning the teacher candidate's standing in the program will be made by the Associate Dean, using a preponderance of evidence standard. The decision will be communicated to the student teacher via university email within five (5) business days, preceding the hearing. The teacher candidate has three (3) business days to appeal the Associate Dean's decision to the Dean of the COEHS.

If the teacher candidate fails to appear at the hearing, the hearing may be held without their presence or statements.

5. A situation in which the teacher candidate places classroom students in danger or shows severe behavioral misconduct (refer to the Alabama Code of Ethics) toward a student(s), their family, school staff, university staff, or other university student(s), or violates state or federal law, will be cause for immediate removal from the classroom setting. Such behavior may result in suspension or dismissal from the COEHS Teacher Education Program. The Dean shall have final authority to remove a teacher candidate including, but not limited to reasons previously described.

Appeals Procedure

If the teacher candidate wishes to appeal the decision of removal from field experiences, internship, or the teacher education program, they should follow these prescribed steps:

1. Within three (3) business days from the date of the decision by the Associate Dean, the teacher candidate must submit a written appeal through their university email to the Dean explaining why the decision of the Associate Dean should be reconsidered.
2. The Dean will review the appeal.
3. If the Dean accepts the appeal, the Associate Dean will provide a letter via university email within three (3) business days explaining to the teacher candidate further steps recommended.
4. If the Dean denies the appeal, the Associate Dean's decision is final and such notification will be delivered via university email within three (3) business days to the teacher candidate.

Dismissal from the Teacher Education Program

When a field or clinical teaching placement is withdrawn, a determination will be made regarding the standing of the candidate in the teacher education program (TEP). Withdrawal may happen with or without continued

good standing in the program, depending on the circumstances. Status shall be established in writing at the time of the withdrawal. When withdrawal of a field or clinical placement occurs coupled with withdrawal of full admission status from the university, the College of Education and Human Sciences will not thereafter support a candidate's application to the Education Preparation Program.

APPENDIX F - FREQUENTLY ASKED QUESTIONS (FAQs)

❖ **If I attended another institution prior to UNA, can I transfer in the education courses I took at the other institution?**

Education courses taken at other institutions will automatically transfer in to UNA as electives. If you think a course you took at another institution would be equivalent to a course we require at UNA, you can request a course substitution for that particular course.

❖ **Course Substitution Instructions**

*Transferred courses and/or credits used to meet approved program requirements in professional studies, instructional support, or other approved program requirements (courses other than general studies and Arts and Sciences type courses used to meet academic major requirements) must have been completed at a regionally accredited institution that prepares teachers on the same degree level of certification. Also, the candidate must meet all current ALSDE requirements.

❖ **After I have been admitted to UNA's Educator Preparation Program, can I take a transient course at another institution and then transfer it back in to UNA?**

Candidates who wish to take coursework at another institution and transfer those credits back in to UNA must secure pre-approval from the Dean of the college in which the course(s) are taught for both the enrollment and the specific courses to be taken. Candidates on academic probation, academic warning, or conditional admission cannot be approved for transient work. Candidates may not receive transient approval for courses failed in residence at UNA. Candidates seeking transient approval for work at a junior or community college should be aware that a minimum of 64 semester hours must be earned from UNA or other senior institutions to fulfill graduation requirements.

❖ **Transient Approval Form**

*Transferred courses and/or credits used to meet approved program requirements in professional studies, instructional support, or other approved program requirements (courses other than general studies and Arts and Sciences type courses used to meet academic major requirements) must have been completed at a regionally accredited institution that prepares teachers on the same degree level of certification.

❖ **Can I complete the Educator Preparation Program at UNA and use it to become certified in another state?**

Candidates who wish to complete the educator preparation program at UNA and apply for teacher certification in another state are responsible for contacting the Department of Education of that state to determine specific requirements for licensure in that state.

❖ **Can I take online courses in the Educator Preparation Program?**

Some courses are offered online but some courses require presence on campus. If you wish to see which courses are offered online, please review the Class Schedule.
