

Certificate in Sport and Entertainment Management

The Certificate in Sport and Entertainment Management allows undergraduate students to combine the fields of sports management and entertainment management while helping them develop skills necessary to find employment in a wide array of sport and entertainment settings. Many live venues, such as arenas, auditoriums and city facilities, contain both sport and entertainment events and resident constituency organizations. Students have the opportunity to complete an approved internship in a specific area of their related choice. Through the internship requirement, students will gain valuable experience while working in a professional setting.

Requirements for a Certificate in Sport and Entertainment Management
