Where are my Kaltura videos in Canvas Studio?

Go to the Canvas Global Navigation

1. In the Global Navigation, click the Studio link.

Go to the Studio Menu

2. Select the 3 stacked lines menu in the upper left
3. Scroll down, select your **UNA Username** link

### Placing Videos in Your Course

4. Kaltura videos won’t be automatically placed in your courses. You will still need to place them in the appropriate place in the course. Guides for adding Studio videos to a course are available on the [ETS Canvas Studio Page](#)
