Please see your move-in email (sent late July) with specific details regarding your arrival time.

Step 1: GUC Ballroom

(**NOTE: If you did not attend SOAR and need to have your MANE Card photo made then you will stop at The Commons before checking in at the GUC)

We will have volunteers to assist, but please bring dollies/hand trucks if available. Label all personal items with your name/hall. University Residences is not responsible for lost/misplaced items.

Step 3: Unpacking & Moving In

Please place all trash and recycling in the provided areas outside the residence halls. Staff will be available to assist you with directions and information.
