203 – 217	14	428 – 442	29

A Tier 1 TRS member may convert sick leave to service credit for retirement purposes. This credit can be used to attain minimum service requirements for retirement, or may be added to total service credit if minimum service has been attained. If a member is paid for any sick leave, none can be used for retirement credit. (UNA does not pay for unused sick leave.)

*The chart above was taken directly from the TRS Member Handbook. Please note that the chart above lists accumulated **DAYS**. Your current sick leave balance in Banner is listed as **HOURS**. You will need to take your total sick leave balance and divide by EIGHT to get the number of days that you have that will be reflected in the chart above.
