

Rebecca Bush – Finalist

Department: Student Engagement

Major(s): Child Development; Minor in Family Studies **GPA:** 3.95

Campus Involvement: Student Leadership Consultant for Office of Student Engagement, Program Council Student Coordinator for the Student Government Association.

Job Duties & Responsibilities: Rebecca is a Student Leadership Consultant for the Office of Student Engagement. Her job duties include managing the student engagement desk, providing customer service over the telephone and in person, and supporting new student leader development. She is also responsible for guiding student leaders through the annual registration process and giving presentations on campus involvement, volunteer opportunities, and leadership opportunities at student orientation. In addition, she helps to manage the food pantry, respond to emails, and keep track of inventory. She is respectful to others and is very passionate about serving the university.

Career Goals: Rebecca has a great attitude and work ethic which is inspiring to others. While working in the Office of Student Engagement, she has developed skills in peer leadership, customer service, and serving others. Helping her fellow students has taught Rebecca to see the potential in each student and align their interests with opportunities throughout the university. She has acquired vital knowledge and skills that she will use in her future career.
