INTRODUCTION

This guide has been prepared for supervisors of work study students under the Federal Work Study (FWS) and University Work Study (UWS) Programs.

The work study program is a need-based, financial aid program which provides eligible students with supplemental income to offset tuition and personal expenses while attending The University of North Alabama. Traditionally, work study positions include any type of clerical duties such as data entry, formatting documents or correspondence, delivering campus mail, reception, cataloguing and shelving materials, ordering supplies, non-clerical etc.

Work study employment at the University of North Alabama has several purposes:

- to give students an opportunity to improve their skills
- to give students an opportunity to gain practical work experience
- to help carry out the daily operations of the University.

The offices of Career Planning and Development, Human Resources and Payroll are available to assist you in clarifying information contained in this guide.

*Stephanie Smith, *Student Employment Coordinator* (ext. 4590)

Kathy Haraway, *Administrative Secretary for Human Resources* (ext. 4291)

Margaret Brown, *Payroll Specialist* (ext. 4465)

Regular office hours are Monday through Friday 8:00 a.m. — 4:30 p.m.

*Please note that *Student Employment Coordinator* in Human Resources is the main point-of-contact for the student employment process. The Student Employment Office is located in Bibb Graves in Room 224.

WHAT DETERMINES WORK STUDY ELIGIBILITY

Students must demonstrate financial need to be eligible to participate in the FWS Program. This process involves completing the *Free Application for Federal Student Aid* (FAFSA).

Funding for the Federal Work Study Program at The University of North Alabama is limited; therefore, we cannot emphasize enough the importance of completing the FAFSA application early.

Priority consideration is given to undergraduate students exhibiting the greatest need who apply before June of each year.

Students who have been awarded FWS will receive an award notification indicating the maximum amount of gross pay to be earned per term. Because of limited funding for FWS, not all eligible students will be offered this assistance. However, UNA funds other jobs each year through University Work Study (UWS).

Type of Positions Available

- **Federal Work Study (FWS)** is a need-based program. Only students who have filed the FAFSA and have unmet need are eligible for Federal Work Study. Students must maintain a 2.0 G.P.A. and be enrolled in at least 6 hours both Fall and Spring semesters to maintain eligibility. Students must be enrolled in at least 3 hours for summer eligibility.
- **University Work Study (UWS)**, also known as institutional work study, is available to all students who are currently enrolled at least half-time each semester. There is not an application to receive UWS funds; students apply for jobs through career.una.edu. Students must maintain a 2.0 G.P.A. and be enrolled in at least 6 hours both Fall and Spring semesters to maintain eligibility. Students are not required to enroll during the summer semester to maintain eligibility.

Traditionally, positions and responsibilities in the FWS and UWS Program include:

Clerical or duties such as data entry, formatting documents or correspondence, delivering campus mail, reception, cataloguing and shelving materials, ordering supplies. Non-clerical positions are also available such as tutoring and working with children in university run programs, etc.

Multiple Work-Study Positions

Students may hold only one work study position at a time. Occasionally, students are approved to work a secondary position. However, only tutoring positions are recommended for secondary positions. Students are not allowed to work more than 20 hours per week between both positions. In the event that students wish to change positions, they must resign from their current position by informing their supervisor.

Changing Work Study Positions

After accepting a work study position, students are expected to assume the responsibilities associated with the position for the contracted time. In some cases, it may be necessary to change positions. Students are encouraged to provide two weeks notice if they intend to leave.

The current supervisor must end the assignment before students can begin a new position. A new Electronic Personnel Action Form must be submitted by the new supervisor and approved by the Student Employment Specialist before working in a new position.

FEDERAL AND INSTITUTIONAL REQUIREMENTS

Due to the specific nature of the Federal Work Study program, there are many federal and institutional requirements that must be followed. If these guidelines are not followed, the Department of Education could choose to terminate the work study program.

In order to hire a work study student, the University and/or the Department must comply with the following requirements:

1. A supervisor must comply with the University's policy on *Equal Opportunity and Sexual Harassment*. Supervisors must also comply with Title I of the *Americans With Disabilities Act*, which prohibits employers from discriminating against a "qualified individual with a disability," in all aspects of employment, including application, hiring, compensation, training, discharge and benefits.
2. The Supervisor must have a vacancy and job description posted with Career Planning and Development before he/she can employ work study students. Job posting instructions can be found at www.career.una.edu
3. Students cannot be required to work during scheduled class hours.
4. Students cannot work more than 8 hours a day, 20 hours per week or 85 hours per month, with the exception of a five-week month.

STEPS FOR HIRING A STUDENT WORKER

- 1) Review your departmental budget and verify funds are available to employ a student.
- 2) Post your position with Career Planning and Development via LionJobs. You may complete the job posting process at www.career.una.edu.
- 3) Accept and review applications from students; decide which student best fits your departmental needs.

- 4) Once a candidate has been selected, it is the supervisor's responsibility to contact both successful and unsuccessful interview candidates.
- 5) The timesheet approver will complete an Electronic Personnel Action Form (EPAF) and forward it to the Student Employment Coordinator for approval.
- 6) If the student is a new hire or has not worked on campus within the last two years, he/she must complete New Hire Paperwork. The student come visit the office of Student Employment and complete new hire paperwork such as I-9, A4, W4 and Direct Deposit forms before the EPAF is approved.

All work study students are paid by direct deposit. Students must provide a voided check or bank statement including the bank's name, routing number and account number.

- 7) The student must also provide two original federal or state issued documents, one of these must include a photo.

Passport, Driver License, Student ID, Military ID and Social Security Card, Certified Birth Certificate

- 8) Once an EPAF is submitted, the Student Employment Coordinator will approve it within three days. The supervisor may check the status of their student's EPAF for approvals.
- 9) Once a student is approved for a work study position, the student may begin working and the timesheet will be available in his/her UNA Portal within one week of the approval. **A STUDENT MAY NOT BEGIN WORKING UNTIL his/her EPAF has been approved by the Student Employment Coordinator**

STUDENT WORKER PERSONNEL FILE

A supervisor must maintain a personnel file for each student employee. The file should consist of the following records:

- Job Description
- Handbook Receipt and Acknowledgement Form
- Copy of approved EPAF
- Confidentiality Agreement (can be obtained on the CP&D website)
- Student’s class and work schedule
- Change of Pay Rate or Change of End Date forms (*if applicable*)

RESPONSIBILITIES OF THE SUPERVISOR

Supervisors are responsible for clearly explaining position responsibilities, performance expectations, pay rates, and work schedules to prospective work study students. Additionally, if there are special requirements, students should receive enough training and supervision to ensure adequate performance. Important office policies and procedures must be clearly communicated to work study students. Work study students should be treated in the same manner as other employees. They are to be held fully accountable for their actions and are subject to disciplinary action. Students are primarily at the University of North Alabama to learn; therefore, students are responsible for maintaining their class work and not letting their positions interfere with academics. Employers should be conscious of this fact and not place unusual demands on students’ time, which might cause them to neglect their class work.

Work Schedules

Work study students should develop a regular, predictable schedule from the signing of the first day of hire to the end of the semester, taking into consideration mid-term and finals week, scheduled holidays, and university closings. Students may be dismissed by the supervisor for failure to maintain the set schedule.

Expectations

Supervisors are strongly encouraged to provide the student worker with specific information about performance expectations prior to hiring. Providing this information will guide students in their work development.

Discipline

Work study students should be held responsible for duties, responsibilities, and expectations outlined by the supervisor. If a student fails to meet these criteria, the following procedures should be followed:

1. A verbal warning for first-time or minor offenses.
2. A written warning for repeated or more serious offenses. This should be given in a face-to-face meeting, with time for the student to respond.
3. A written notice of termination for on-going problems. This should be given in a face-to-face meeting, with time for the student to respond.

Each warning or notice should be given in private; a copy should be sent to the Student Employment Coordinator. These warnings should be specific, clearly stated, and given in a timely manner.

TERMINATION

- Students are automatically terminated from the work study program at the end of each spring term.
- Students may voluntarily terminate a work study position at any time. They should provide their supervisor with a two-week written notice of their resignation.
- A supervisor has a right to dismiss a student for unsatisfactory performance with progressive discipline documented. This includes, but is not limited to:
 - Repeated failure to comply with the agreed work schedule and tasks
 - Poor performance
 - Insubordination or lack of cooperation which results in disturbing other workers or work progress
- If a student or supervisor chooses to terminate a position early, the supervisor must complete a Request to Change End Date form. This form should indicate the actual last day worked as the New End Date.

The Student Employment Coordinator may terminate a student's work study position, should the following occur:

- Enrollment status drops below half-time
- Student fails to meet Satisfactory Academic Progress (See SFS for details)
- Student worked in excess of allowed Federal Work study Award

- Additional resources, which were not known at time of financial aid award i.e. scholarships, grants, etc. create an over-award
- If Student Employment must terminate a student’s position, the supervisor will be notified in writing.

**TRANSFERRING
FROM
FWS TO UWS**

If a student exhausts his/her FWS eligibility, the student must be transferred from FWS to UWS.

If a student has FWS eligibility and is currently hired as a UWS, the supervisor may transfer the student to FWS, if the hiring supervisor has a FWS funds available in his/her budget.

In order to change a student from FWS to UWS or vice versa, the current position must be terminated by submitting a “Request To Change End Date” form to the Student Employment Coordinator. A new EPAF must also be submitted for the new position.

Please note that a “Request to Change Account Number” form IS NOT adequate to change a student from FWS to UWS, or vice versa. This form allows for account number changes within a FWS or UWS position ONLY.

**TIMESHEETS
AND
PAYROLL**

- Work Study students are paid once a month for worked hours and it recommended that all students participate in Mandatory Direct Deposit.
- Supervisors are prohibited from accepting voluntary services from students employees. Supervisors are required to pay all students under the work study program for all hours worked.
- Work Study students are paid at least minimum wage; \$7.25. Departments will not be allotted additional funds to supplement any minimum wage increase. Supervisors will need to reduced work hours or reduce the number of WS students.
- Students may work 40 hours per week during interim sessions, if the departmental budget allows.
- The student worker is responsible for submitting his/her timesheet before the last day of each month. It is the supervisor’s responsibility to approve hours before the payroll deadline. Timesheets are due at the end of each month by the “Return Date

and Time”. Please refer to Payroll schedule for students on the Payroll webpage www.una.edu/payroll

If a student’s timesheet is submitted late, the paycheck can and will be issued in the next pay period.

MONITORING WORK STUDY STUDENT EARNINGS

Monitoring work study student earnings is a shared responsibility between the student worker and the supervisor. Proper planning of hours within the student’s allotment at the beginning of the semester will help alleviate the problem of running out of funds before the end of the term.

As a supervisor, you are required to monitor the student’s earnings to ensure that your worker does not:

- Earn monies in excess of your departmental budget
- Earn more per semester than the student is eligible for in Federal Work Study
- Work more than 20 hours per week
- Falsify hours worked

Federal work study regulations and Student Financial Services policies do not permit an “overaward” situation. Students may not be allowed to work additional hours over those determined by the work study award on their financial aid package.

When the student has earned the maximum federal work study award, the student must be transferred to UWS or end his/her employment. The Student Employment Coordinator may notify supervisors when a student is close to exhausting his/her funding. However, it is primarily the supervisor’s responsibility to monitor earnings. Additional FWS funding may be available to continue FWS student’s employment beyond the contracted amount, depending upon funding availability. Please contact the Student Employment Coordinator for more information.

INTERNATIONAL STUDENT HIRING

International students are NOT eligible for Federal Work Study, only University Work Study. All International students are eligible for UWS.

Supervisors must verify an international student’s eligibility to work before hiring. To verify a student’s eligibility

1. To verify a student’s eligibility, the supervisor must e-mail a request to Stephanie Smith, Student Employment Coordinator @ srsmith3@una.edu, which includes the student’s first and last name, the last four digits of the SID, and the hiring department’s name.

2. The Student Employment Coordinator will confirm that a student:
 - a. Has successfully completed at least one semester of regular classes
 - b. Is currently enrolled in 6 hours of courses
 - c. Currently holds a GPA of 2.0
 - d. Meets Satisfactory Academic Progress
3. The Student Employment Coordinator will notify Karen Kennedy, SEVIS Coordinator in International Affairs by email of the student's eligibility.
4. The student will visit Karen Kennedy in Powers Hall Room 128 to receive a "Departmental Hiring Letter" and "Verification Letter"
5. The student will take the Departmental Hiring Letter to take to the hiring supervisor to obtain a signature.
6. Once the "Departmental Hiring Letter" is signed by the hiring supervisor, the student will take both letters to the Social Security Administration Office located at 203 S. Walnut to apply for a Social Security Card.
7. If there are no homeland security issues, a Social Security Card is issued and received within two weeks. The student should report to the Student Employment Office to complete all required new hire paperwork and provide a copy of the Social Security Card, Passport, Visa and I-20 Form.
8. A copy of the student's new Social Security Card is sent to the Registrar's Office.
9. The social security number must be entered into Banner by the Registrar's Office before an EPAF can be created or approved.
10. The supervisor will receive an e-mail from the Student Employment Coordinator indicating when an EPAF can be submitted.

HIRING A GRADUATE ASSISTANT

Graduate assistantships provide academically related employment for eligible graduate students. **Graduate Assistants (GAs)** work in a variety of programs and offices throughout the university. Most departments with graduate programs have assistantships available. Graduate Assistantships provides eligible graduate students with supplemental income to offset tuition and personal expenses while attending The University of North Alabama.

There are limited GA positions available. Departmental need and available funding determine the number of GA positions. Graduate Assistantships pay a monthly stipend for the academic year. A full assistantship also carries a tuition scholarship of up to nine graduate credits per semester. Graduate Assistants must enroll in a minimum of six credits per semester. Graduate Assistants with a summer appointment must enroll for at least one

graduate credit.

GRADUATE ASSISTANT REQUIREMENTS

- Enrolled in a Graduate Program
- Enrolled in 6 hours or more
- Maintain a 2.0 GPA
- Receive a Tuition Scholarship & Stipend
- Cannot be an employee of UNA and also work as a Graduate Assistant
**Any Graduate Student that does not receive a tuition scholarship and stipend is classified as a University Work Study Student

GRADUATE ASSISTANT HIRING PROCEDURES

Graduate Assistantships forms are obsolete. Gas are hired by submitting a EPAF

GRADUATE ASSISTANT TIMESHEET AND PAYROLL

- Supervisor must indicate the Total Pay on the Request To Hire Form.
- Total pay will be divided by the number of months the student is approved to work.
 - Example: Begin Date 8/01/14 - End Date 5/31/2014
Total pay \$600 / 10 months = \$600 stipend per month
- Pay will not be prorated.
- If a GA works one week out of a month or 4 weeks out of a month, the pay will be the same.
- **Stipend Checks are no longer generated automatically.** Each student earning a stipend must submit one (1) hour per month via a timesheet through Self-Service Banner. The timesheet approver must approve the one (1) hour in order for the student to receive his/her monthly stipend.

Equal Employment Opportunity Policy

The University of North Alabama recognizes the importance of equal employment opportunities for all. It is, therefore, the policy of the University to afford equal opportunities in education and in employment to qualified persons regardless of age, color, disability, genetic information, national origin, race, religion, gender, sexual orientation, or veteran status in accordance with all applicable federal and state constitutions, laws, and valid regulations. The coordinators for nondiscrimination policies are: for students, Irons Law Firm, 219 North Court Street, Florence, AL 35630; for employees, the Director of Human Resources and Affirmative Action, Bibb Graves Hall or telephone 205-760-4291. Any alleged violations of this policy should be reported immediately to the appropriate coordinator. No student, faculty member, or other university employee will be treated adversely or retaliated against for the use of this policy.

To comply with the declaration set forth above, the University will, in all solicitations and advertisements for employees placed by or on behalf of the University, state its position as an equal opportunity employer. The University will broadly publish and circulate its policy of equal opportunity by inclusion in all correspondence, media communication, and printed matter for employment purposes.

The University will engage the services of only those professional organizations, employment agencies, contractors, or agents whose policies are in accordance with the equal employment opportunity policy of the University.

The University is expressly committed to a program of maintaining and promoting nondiscrimination in all aspects of recruitment and employment of individuals based on qualifications, merit, and professional ability, and in conformance with all current legal requirements. All personnel actions and programs will be administered in accordance with the equal employment opportunity policy, including: recruitment, transfer, termination, layoff and recall; determination of wages; terms, conditions, and benefits of employment; and selection for training or retraining.

The University will consider, through appropriate and designated grievance procedures, the complaint of any member of the university community who has reason to believe that he/she has been affected by discrimination because of age, color, disability, genetic information, national origin, race, religion, gender, sexual orientation, veteran status or for any other unlawful reasons.

Harassment of Employees

The University is committed to offering employment opportunity based on ability and performance, in a productive climate free of discrimination. Accordingly, harassment of any kind, by supervisors, co-workers, or non-employees in the workplace, will not be tolerated.

General Harassment: Ethnic or racial slurs and other verbal or physical conduct relating to a person's race, color, religion, or national origin constitutes harassment when they unreasonably interfere with the person's work performance or create an intimidating work environment.

Sexual Harassment: Sexual harassment, like other forms of harassment and discrimination, is illegal and will not be tolerated by the University or at any event or function associated with the University. It is the responsibility of all university students, faculty, staff, and administrators to assure that the university community is free from sexual harassment.

Accordingly, all university employees must avoid any conduct that is or has the appearance of sexual harassment. Included are sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or an individual's status as a student;

Submission to or rejections of such conduct by an individual is used as the basis for employment decisions affecting such individual or for decisions adversely affecting the academic or other status of such individuals as a student; and

Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or with an individual's performance or achievement as a student or has the purpose or effect of creating an intimidating, hostile, or offensive work or learning environment.

Complaints of alleged sexual harassment may be reported in several ways. Such behavior should be reported to the department chair, dean, director, or their direct supervisor; however, if not appropriate, then to the Director of Human Resources and Affirmative Action, to the University Legal Counsel, to the Ombudsman, or to the President. The complaints will be promptly and thoroughly investigated, and the results will be communicated to the complaining employee or student. Every effort will be made to keep all complaints (and their details) as confidential as possible, but with any investigation, often some disclosure is inevitable. Any supervisor having knowledge or information of sexual harassment gained through direct, indirect, or informal means should report such harassment to the next appropriate supervisor or administrative level.

Prompt disciplinary action will be taken, if necessary. Any student, faculty member, staff member, or administrator who violates this policy is subject to disciplinary action, including possible termination of employment or suspension from the University.

All students, faculty, staff, and administrators have an obligation to report harassment, whether as a victim or as an observer. Any retaliatory action against an employee or student complaining of harassment is illegal and will not be tolerated.

Approved by Board of Trustees 06/14/1999, Revised June 12, 2000

The use of tobacco products within thirty feet of entrances, exits, open windows, and interconnected breezeways is prohibited.

The term "tobacco-free" shall be interpreted to mean all forms of smoking tobacco, such as cigarettes, cigars and pipes, as well as smokeless tobacco products, such as snuff and chewing tobacco.

The term "tobacco product" refers to any form of tobacco consumed by smoking or non-smoking means.

Drug and Alcohol Abuse Policy

It is the policy of the University of North Alabama that the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees on its property, or as a part of any of the University's activities, is prohibited.

Students, faculty, staff, and service employees who violate a local, state, or federal drug or alcohol statute may be referred to the appropriate law enforcement officials for prosecution. Additionally, an individual who violates the law or the provisions of this University's drug and alcohol policy will be referred to the appropriate supervisor or student judicial bodies for appropriate disciplinary action. University-imposed sanctions may include suspension or termination. As an alternative to disciplinary action, the University may require an individual to complete successfully a drug or alcohol recovery program in an approved treatment facility.

An individual who has drug, alcohol, or related problems may voluntarily seek counseling and follow prescribed treatment without fear of recrimination. Assistance may be given in referring persons to various community agencies which are trained and equipped to treat persons with drug or alcohol problems. These referral services are available at the University Health Center for students and through the faculty, staff, or service employee's supervisor, department head or Human Resources Director for faculty, staff and service employees.

The provisions of this policy shall apply to all students and to all University employees, full-time or part-time, including professional and nonprofessional employees, as well as persons on the University Campus for any purpose.

The University of North Alabama Board of Trustees empowers the University President, or his administration, to administer this policy. The University President is further empowered to take all actions necessary to comply with the United States Department of Education Drug Free Schools and Campuses Regulations, as currently written, or to be promulgated in the future.

Approved by the Board of Trustees, 11/28/1990
