I-765, Application For Employment Authorization

Certain foreign nationals who are in the United States may file Form I-765, Application for Employment Authorization, to request employment authorization and an Employment Authorization Document (EAD). Other foreign nationals whose immigration status authorizes them to work in the United States without restrictions may also use Form I-765 to apply for an EAD that shows such authorization.

Foreign nationals may also apply for a Social Security number and card on Form I-765.

If you are a lawful permanent resident, a conditional permanent resident, or a nonimmigrant only authorized for employment with a specific employer under 8 CFR 274a.12(b), do not use Form I-765.

Learn more about employment authorization.

✔ Before You Start Your Application

🪪 Eligibility

Only certain F-1 students seeking optional practical training (OPT) may file Form I-765 online. This includes:

- Pre-completion OPT - (c)(3)(A) eligibility category;
- Post-completion OPT - (c)(3)(B) eligibility category; or
- a 24-month extension for STEM students (students holding a degree in science technology, engineering, or mathematics) - (c)(3)(C) eligibility category.

For all other eligibility categories, you must submit a paper Form I-765.

For all other eligibility categories, you must submit a paper [Form I-765](#).

(c)(3)(A) eligibility category: Submit your application up to 90 days before being enrolled as an F-1 foreign student for one full academic year at an educational institution approved by U.S. Immigration and Customs Enforcement Student and Exchange Visitor Program (ICE SEVP). Your period of employment should not start before you have completed one full academic year. If you completed the one-year requirement while in another valid nonimmigrant status and you are now in valid F-1 status, you are still eligible to apply for OPT.

(c)(3)(B) eligibility category: Submit your application up to 90 days before, but no later than 60 days after your program end date. You must submit your application within 30 days of the date that your designated school official (DSO) enters the recommendation for OPT into your Student and Exchange Visitory Information System (SEVIS) record. If you fail to do so, we will deny your OPT request.

(c)(3)(C) eligibility category: Submit your application up to 90 days before your current OPT expires, but you must submit within 60 days of the DSO's approval of STEM OPT.

Note: If you are an F-1 student filing for initial or extension of OPT, your OPT and your employment authorization will be automatically terminated if you change educational program levels or transfer to another school. Working in the United States without authorization may result in your removal from the United States or denial of re-entry. Consult your DSO for additional details.

💵 Fee

Fee: $410.

Refund Policy: USCIS does not refund fees, regardless of any action we take on your application, petition or request, or how long USCIS takes to reach a decision. By continuing this transaction, you acknowledge that you must submit fees in the exact amount and that you are paying the fees for a government service.

Please refer to the instructions for the form(s) you are filing for additional information or you may call the USCIS Contact Center at 800-375-5283. For TTY (deaf or hard of hearing) 800-767-1833.

- A color passport-style photograph of yourself taken recently.

We will automatically inform you which documents and additional evidence you may need to provide as you fill out your application. These recommendations for additional information will be based on the information you provide in the application, such as your personal history and circumstances.

USCIS may require that you appear for an interview or provide biometrics (fingerprints, photograph, and/or signature) at any time to verify your identity, obtain additional information, and conduct background and security checks, including a check of criminal history records maintained by the Federal Bureau of Investigation (FBI), before making a decision on your application or petition. Respond to requests for information

If we need more information from you, we will send you a Request for Evidence (RFE) or Request for Information (RFI). You can respond to our request and upload your documents through your online account.

Receive your decision

The decision on Form I-765 involves a determination of whether you have established eligibility for the immigration benefit you are seeking. USCIS will notify you of the decision in writing.
