Notes:
1. The tuition and fees are based on the minimum required credit hours international students must register per F-1/J-1 visa regulations. The ACADEMIC YEAR tuition and fees total may vary depending on the actual number of credit hours or courses registered.
2. The on-campus living expenses are based on the lowest housing and meal plan options for on-campus housing and dining. Living expenses for students who are eligible to live off-campus will differ by type of accommodation and amenity selections.
3. The GRAND TOTAL for each student may vary depending on his/her registered courses and living expenses per semester.
4. First-time, full-time freshmen (under the age of 20 with zero or fewer than 24 transfer credits) are required to live on-campus and to purchase a meal plan.
5. A student moving into a university residence hall in August will sign a nine-month contract. A student moving into a university residence hall in January will sign a five-month contract. An ESL student moving into a university residence hall in March, June or October will sign a short-term housing contract. These contracts are legal and binding.
6. The new international student health screening fee of $10 and an estimated $1,000 for books and supplies per semester are not included in the above estimates.

An ACADEMIC YEAR (9 months) is typically divided into two semesters, Fall and Spring. Each semester at UNA lasts 16 weeks or four months. Fall semester begins in August and ends in December; Spring semester begins in January and ends in May.

Total credits required for an undergraduate degree: 120-128 credits
