

License Agreement will automatically display upon installation

After the agreement is accepted, the following is displayed. Click on the blue Mitel logo to sign in.

Enter micollab.una.edu in the hostname field then enter your UNA email address and click Next

The screenshot shows a web browser window titled "MiCollab". The page features the Mitel logo and the text "MiCollab". Below this, there are two input fields. The first field contains the text "micollab.una.edu". The second field contains the text "estudent@una.edu", with a purple arrow pointing to it from the right. At the bottom of the form, there are two buttons: "Cancel" and "Next -->".

Enter your UNA password and click Login

The screenshot shows the same web browser window titled "MiCollab". The page features the Mitel logo and the text "MiCollab". Below this, there are three input fields. The first field contains the text "micollab.una.edu". The second field contains the text "estudent@una.edu". The third field contains the text "Password", with a purple arrow pointing to it from the right. At the bottom of the form, there are two buttons: "Cancel" and "Login".
