

# Faculty, Staff & Student Guide for Connecting iOS devices to Campus Wireless

1. In Settings, make sure Wi-Fi is turned ON.
2. Select **UNA Start Here** from the list of available wireless networks.

3. When your device shows connected to UNA Start Here, open a web browser and attempt to browse to a website.

4. Select **Employee/Student**.

The screenshot shows a mobile browser interface. At the top, the status bar displays 'AT&T', signal strength, time '1:19 PM', and battery level. The address bar shows 'auth.impulse.com' with a lock icon and a refresh button. Below the address bar is the University of North Alabama logo, featuring a yellow house shape with a white lion silhouette, followed by the text 'University of NORTH ALABAMA' in purple. The main heading reads 'Welcome to the UNA Wireless Network'. Below this, a message states: 'To set up network and Internet access, please choose your user type and login.' There are two buttons: a blue 'Employee/Student' button and a light blue 'New Guest' button. A red arrow points to the 'Employee/Student' button. Below the 'Employee/Student' button, text explains that users with valid credentials will receive full network access. Below the 'New Guest' button, text explains that guests will receive restricted Internet-only access. At the bottom, there are navigation icons: back, forward, home, and tabs.

## Welcome to the UNA Wireless Network

To set up network and Internet access, please choose  
your user type and login.

**Employee/Student**

Employees/Students with valid credentials will be moved to a secure wireless network and will receive full network access. In order to properly and securely access all necessary resources, all employees and students needing wireless access should utilize this network.

**New Guest**

Guests will receive restricted Internet-only network access as some on campus resources will not be available from the guest wireless network. Also, the guest network's speeds are limited in order to

5. Enter your **UNA Portal User ID and Password** and select **Join Now**.
