Outcomes

5 ○ Don't require Respondus Monitor for this exam
● Require Respondus Monitor for this exam
○ Either Respondus Monitor or a proctored lab can be used to take this exam

Quizzes

Startup Sequence

Modules

The Startup Sequence is the set of optional events that occur before a Monitor webcam session begins. You can choose the items to be included in the Startup Sequence, and can edit the text unless it has been locked by the administrator. The order of most items in the startup sequence can be changed using drag and drop.
