University of North Alabama

### **ATTENDANCE AND REGISTRATION**

As a member, you are allowed to attend any or all courses in which you are interested. However, we would like you to “register” for the classes that you think that you will want to attend so that if there is any change we may contact you. And, some classes have a limited enrollment so we do need an official registration. We do not call roll but we do count attendance so that we may get an idea of how well attendance is sustained throughout the semester. Of course, we do not have any tests, grades or outside homework (except for the Great Books course). Our members like this freedom and ability to come and go as they please!

### **PARKING**

UNA Center For Learning & Professional Development & the Institute for Learning in Retirement are located in the UNA East Campus Building. This building is located at 1640 Tune Ave., Florence, AL 35630. Parking and classroom access is located behind the building. Please arrive early to get a good space. As a member, you will be issued a Temporary Parking Permit if registered for classes on the main campus. This is to be placed in your dashboard when parking on campus. It is good for only one semester.

### **MEMBERSHIP DIRECTORY**

UNA Center For Learning & Professional Development will furnish each member a directory of all ILR members. These copies will be placed with the other literature available for pick-up.

### **EMAIL**

If you would like to be added to the ILR email distribution list, please let the program coordinator know your email address. Periodically, we will send out notices to members via email, including weather announcements.

## Fall 2018 Discussion Group Schedule

### REFRESHMENTS

Members volunteer to provide refreshments for each class meeting. The Social Committee Chairperson organizes this and there will be a sign-up sheet that is circulated. UNA will provide coffee, but if you prefer to have soft drinks, you may volunteer to bring these instead of refreshments. PLEASE bring a serving utensil and remember to take it home with you when the day is over. **Also, volunteers are needed to help with setup and cleanup. If you would be able to volunteer, please see Meghan Fike, Chris Johnson or John Messamore.**

### ILR ORGANIZATION

The UNA ILR is member led and governed with administrative assistance from the UNA Center For Learning & Professional Development. There is a twelve member Council that meets to discuss ILR events and business. Each member serves a term of three years. The Annual Meeting is held every April/May to elect new council members and to amend the by-laws if necessary. ILR officers are elected by the council. The President appoints the Committee Chairpersons such as Travel, Social, and others.

### ILR CURRICULUM

The ILR Council meets before each semester to decide on what courses to offer. If you are interested in volunteering to be a course leader or have some great ideas, please contact the President or any member of the council. We are ALWAYS in need of fresh ideas and fresh energy to put together a dynamic and fulfilling semester! Please volunteer and take an active role in the ILR!

### ROAD SCHOLAR INSTITUTE NETWORK AFFILIATION (FORMERLY ELDERHOSTEL) —

The UNA ILR is affiliated with the internationally recognized Road Scholar Institute Network (formerly Elderhostel Institute). We receive publications that list Lifelong Learning Institutes all over the world and provide information on other ILRs and what they are doing.

### PAST COURSE DVD SESSIONS

Past course DVD sessions are available for checkout. These can be checked out from the UNA office.

## Fall 2018 Discussion Group Schedule

**To make your and everyone's experience at ILR pleasant and fulfilling, may we offer the following:**

1. Please pass on ideas for classes, trips and individual programs to the President, Course Leader, Trip Coordinator or UNA Program Coordinator.
2. Sign up for refreshments once or twice a semester. Please leave them for the next class (we have refrigeration). Wednesdays and Fridays sometime run short. If you have leftovers from a personal event, bring them anytime!

4. Turn cell phones off or on vibrate.
5. If you have hearing problems, please sit near the front.
6. Use trash cans for empty drink cups/bottles, etc. There are one or more in every room. We want to protect our facilities and leave them as clean as we find them.

Ever feel like we don't have enough class time to discuss issues of importance? This class is a forum that will do just that. This class provides the opportunity for all ILR members to address topics of interest like: current events, philosophical issues or, stories you'd like to tell or yarns you'd like to spin. If possible, topics will be identified before class so students can choose to attend discussions of interest. So if you are one of those folks who believes "everyone has a right to hear my opinion", then this class is for you!
