REQUIREMENTS/ SPECIFICATIONS

The University of North Alabama is requesting bids for Football bus transportation supporting the Fall 2017 season. The successful bidder will be required to provide a bus for the Lions Football team to intercollegiate athletic contests and other miscellaneous travel, including any athletic post-season contests, that may occur during or after the period of the contract. It is expected that the level of service remain consistent throughout the contract period. University of North Alabama Athletic teams have a rich winning tradition and the mode of transportation should reflect this tradition and promote comfortable travel for all athletes. Timeliness is crucial, no team should suffer the stress of not arriving in time to appropriately warm up and prepare for a game.

Quote criteria

Bidders are required to quote the individual trips as outlined in football schedule of the quote section of this bid document. **The University will provide one room for over night trips, but no meals or other expenses will be assumed by UNA.** Also required is a bid for day and mileage rates for travel that may not be known at this time. The University, in its sole discretion, may award this bid based on the best overall benefit to the University. The award may be based on all aspects of the bid requirements to include condition of the buses offered and performance of the bus contractor (timeliness, quality of buses, & overall service abilities). ***If, after bid award, the quality of service drops below an acceptable level UNA reserves the right to cancel the award and discontinue use with that provider.***

Insurance

A responsible bidder must be licensed for interstate and intrastate passenger transportation. Each bus must be equipped with all safety devices and must meet all applicable state and federal requirements. Each bus must have affixed a current DOT inspection sticker. The apparent successful bidder will be required to carry a minimum of \$5,000,000.00 in liability insurance and a Certificate of Insurance must be provided to the University. **Proof of insurance coverage and appropriate licensure must accompany the bid.**

Bus Driver

Each bus must be operated by a professional driver holding a Class B License, with a passenger endorsement Commercial Drivers License. The driver must have at least five years of tour coach operating experience. The successful bidder must have a drug testing program in place and will be required to conduct random drug testing on its drivers. The bidder must prohibit any driver failing such tests to operate buses under this bid. The driver is to wear a uniform. The driver is to remain with the bus during athletic contests, and at other times when passengers personal belongings are on the bus, to guard against theft. The driver(s) will be responsible for securing and paying for their meals.

The University reserves the right to inspect, before bid award, each bus proposed for use under this bid, including all buses to be used as back-up units. The University will reject all buses that, in its opinion, are found to be unsuitable for the proposed travel. The bus model quoted must be the bus made available for the designated travel.

Schedules

All times shown are Central Time unless otherwise noted. Departure times and dates as listed are approximated and subject to change. All trips will be leaving from the University of North Alabama Flowers Hall East entrance or Flowers Hall Annex and returning to the same location(s). Other miscellaneous travel may have other departure and return points on the UNA campus but must be appropriately identified ahead of time.
