INSTRUCTIONS TO BIDDERS

1. All bidders are to submit bids on proposal forms furnished by the Assistant Vice President of Business Services, University of North Alabama (forms enclosed). All bid forms are to be signed in all designated spaces by an authorized officer or employee of the bidder. Telephone bids will not be accepted. Bids submitted by "fax" machine will not be accepted. All bids are to be mailed or delivered in a sealed envelope.
2. All bidders shall base their proposals on the exact schedule of equipment, material or service specifications herein.
3. Pictures, descriptions, and specifications should accompany all bids when required or desirable. Samples may be required and, if so, shall be furnished free of cost to the Owner.
4. Reference to manufacturers, suppliers, catalog numbers, etc., is intended to set quality standards and does not preclude bids from others as long as quality standards are met. Offers of equal items shall state the brand and number or level of quality. Alternates will not be considered unless they conform to the specifications.
5. All bidders are required to submit unit prices and extended prices, where applicable, for each item bid. Where the unit price and the extended total price do not agree, the unit price shall prevail.
6. The Owner reserves the right to accept any or all items on any bidder's proposal at the unit price submitted. The Owner reserves the right to reject any and all bids and to waive informalities.
7. All prices submitted on the proposal are to be delivered prices to the University of North Alabama and shall not include any state or local sales tax.
8. Bidders should sign & return all pages of the complete bid to imply complete understanding and compliance with all bid requirements.
9. All questions should be directed to the Purchasing Office, University of North Alabama, UNA Box 5025, Florence, AL 35632-0001, phone 256/765-4206.
10. Should a bidder find discrepancies in, or omissions from the bid documents or should he be in doubt as to their meaning, he should at once notify the Owner who will send written instructions to all bidders.
11. Bids received after the bid opening date and time, or any authorized postponement thereof, will not be considered.
12. **If required, a bond may be requested and must be supplied within forty-eight (48) hours after request to protect the University from any risk of loss.**
13. **EQUAL EMPLOYMENT OPPORTUNITY/U.S. FAIR LABOR STANDARDS ACT:** By signing this proposal, bidder certifies that bidder is in compliance with the nondiscrimination clause contained in Section 202, Executive Order 11246, as amended by Executive Order 11375, relative to Equal Employment Opportunity for all persons without regard to race, color, religion, sex, or national origin, and the rules and regulations prescribed by the Secretary of Labor, Veteran's Act 38USC4212, Section 503 - Rehabilitation act of 1973 Title I of the Americans with Disabilities Act of 1990 42USC12101, and that any and all goods were produced in compliance with all applicable requirements of Sections 6, 7, and 12 of the Fair Labor Standards Act, as amended, and of regulations and orders of the United States Department of Labor issued under Section 14 thereof.
14. Verbal communication before or while Bid is open shall have no force or affect whatsoever toward this bid as written, or the entire agreement. All parties represent that no promises, representations, or inducements have been made with respect to the subject matter of the bid nor a contract, except as specifically set forth herein. The bid or final contract, agreement, or order, can only be changed, altered, modified or amended by written agreement from both parties.

REQUIREMENTS/ SPECIFICATIONS

The University of North Alabama is seeking bids for the custom configuration and supply of a high-definition (HD) mobile broadcasting unit to support ESPN3 Network production services at each University home game. The specifications outlined within this document are minimum requirements, any reference to a specific manufacturer or brand name is with intent to set quality standards. However, any bidder offering an alternative must include evidence of performance and quality equal to, or better than, the equipment listed within this bid document. The University reserves the right to reject any proposed alternates they deem unsuitable for the intended use and purpose.

Questions regarding timeline, functionality and/or purpose may be submitted in writing, via email, to Cindy Conlon at chconlon@una.edu no later than close of business Monday September 25, 2017. Any questions received will be answered in writing as an addendum to this bid document and published by September 29, 2017. Any verbal communication shall have no force or effect on terms, conditions, or specifications as outlined within this bid package.

Bond: The winning bidder will be required to provide a bond for faithful performance worth 5% of the awarded amount to support the surety of project completion.

Only qualified bidders will be considered; qualified bidders should provide:

- A complete bid package to include all appropriate signatures;
- At least three (3) references from customers to whom a similarly sized mobile broadcast unit was designed and supplied within the last 5 years;
- Detailed, itemized quote for delivery of finished unit;
- Include full warranty details;
- Include any maintenance options beyond the warranty;
- Commitment to delivery of finished unit by March 2018.

The University will base the award decision on qualifications, delivery and overall cost of project.

Note: All ESPN3 Network productions must have a graphics system capable of supporting the ESPN Network graphics package. *Most reasonable option: Ross Xpression.*

Specification Details – provided 9/27/17

- All aluminum construction with foam insulated walls.
- Able to accommodate 79" or greater main control room display so each source multi-viewer window is approx 9" diagonal for greater QA for Production personnel.
- No composite wood or carpeting used that susceptible to mold, mildew and decay in humid climate environments.
- HVAC to be minimum 2 Ton unit that has two separate climate controlled zones (not roof top RV units) to meet low operating Production noise requirements. Heating mechanism to be industrial grade unit not heat strips method used in RV rooftop units.
- Floor to utilize rubber matting for easy cleaning with muddy weather conditions, improve sound absorption and decrease fatigue on personnel through longer Productions.
- Design to accommodate stability in 75 mph winds (with landing gears to stabilize when in operation).
- Separate Acoustic panels on walls and ceiling of main control room and audio room that can be changed over time relatively easily. Rest of walls to be powder coated white aluminum which can be wiped clean easily.
- Twin Power conditioning and distribution rack panels with a rack mount UPS for core Production equipment. Capable of (2) 30A, 208V single phase twist lock receptacles/plugs for tech power and (1) 40A, 208V single phase twist lock mounted plug for the HVAC connector cable. Trailer is intended for stable University shore power hookups at TV compounds of venues.
- Trailer to have compartments for equipment room, audio operating bay and video control room.
- Entrance/exits to all operations cabin doors to have integrated aluminum steps as part of trailer frame versus after market steps that tend to become unsafe over time with road vibration and use.
- video control room to have ability to comfortably house:
 - GFX Op, Director/Producer, TD
 - AD, (2) replay operators, V1 position with shading controls and separate booth for Audio operator.
 - Double rear doors in rear of trailer
 - (2) Doors to video control room cabin
 - (2) Door access/egress to audio bay
 - (1) Separate door access to equipment room
- Besides 79"+ Commercial grade display for longer life expectancy for primary monitor wall, other displays to include:
 - (3) 27" displays on front row bench
 - (3) 27" displays on middle bench
 - (2) 24" displays for separate Video operator position with Camera RCPs mounted into desk.
 - (1) Separate QC video monitor for XSMN/Rack room capable of displaying embedded audio monitoring.
 - (1) 32"-42" video display for Audio Operator with Multiviewer feed.
 - Separate Audio Speakers for main video cabin and audio cabin.
- Trailer Design to allow for easy load in/out of (5) custom laser cut foam cases that house (4) cameras with lenses and (1) Case for the Announce Booth/table components.
- Pricing of trailer to include "wrap" designed by University Marketing Dept.
