MACE BEARER

Dr. Lee G. Renfroe – *President, Faculty Senate*

USHERS

Usher services are provided by members of the LaGrange Society, the official host and hostess group of the University. As official student ambassadors, members of the LaGrange Society perform a vital mission for the University of North Alabama. Working closely with the Office of Admissions, they serve as campus tour guides for prospective students and assist with recruiting events. They also provide support at presidential receptions and many other University-sponsored functions. Further, since the organization is a primary sponsor of the Leo III and Una Fund, its members work to raise support for UNA's mascots by collecting donations at all UNA home football games.

TURRIS FIDELIS AWARD

The Turris Fidelis key may be awarded to not more than two graduating seniors at spring commencement. Students who have graduated since the previous spring semester as well as those planning to graduate in the spring will be considered candidates for the award. The award is made on the basis of outstanding service to the University and scholastic achievement. This honor is the highest that can be conferred upon a graduating senior, and recipients are selected by a joint committee of faculty and students.

KELLER KEY

The Keller Key award was established as a memorial to the late President James Albert and Mrs. Mariglen Keller. A Keller Key is presented at each commencement to the honor graduate who, on the basis of having earned all credits for the bachelor's degree at this University, has made the highest grade point average. The recipient is identified by the Registrar's Office in accordance with established guidelines. For this purpose, all academic work ever attempted at UNA will be included in the calculation of the GPA. A student may receive the award only once even though more than one degree may be earned. *There may be more than one recipient of this award in any given semester.*

THIS PROGRAM IS NOT AN OFFICIAL GRADUATION LIST

This program is not an official graduation list. This printed program lists students who held the status of degree candidates during the Fall term and may, pending the outcome of final examinations and final grades, become graduates. Therefore, it should not be used to determine a student’s final academic (*Latin Honors or Honors College designation*) or degree status. The University’s official registry for conferral of degrees is the student’s permanent academic record kept by the Office of the Registrar, 119 Bibb Graves, UNA Box 5044, Florence, AL 35632.

(The medallion worn around the neck of the candidates denotes membership in The Honor Society of Phi Kappa Phi.)

DEGREES WITH HONOR

Degrees with honors are conferred in accordance with the following index numbers which represent the scholastic ratio for all work (based on a 4.0 scale) — but not less than 44 semester hours — completed in residence at this institution. Honor stoles are denoted below:

- Cum Laude3.50-3.69 (white)
- Magna Cum Laude3.70-3.89 (silver)
- Summa Cum Laude3.90-4.00 (gold)

The **CEREMONIAL MACE**

The ceremonial mace, representing the authority of the president and trustees of the University, is carried at the head of academic processions. Since the Middle Ages, maces have been regarded as symbols of authority, and their use in academic ceremonies goes back to the founding of universities many centuries ago.

The ceremonial mace of the University of North Alabama was created in 1992 by Mr. Thomas Murray, who turned the shaft on a lathe, and Emeritus Professor of Art, Mr. Al C. Hausmann, who carved the head and the seal. The shaft and head of the mace are solid walnut, and the seal of the University is a hand-carved mahogany disk set into the head. The leaves encircling the seal are symbolic of the laurel wreath of learning. The ceremonial mace was a gift to the University from the late Dr. Frank B. Mallonee, Professor of Political Science, in September 1992.

The **COLLEGE BANNERS**

Universities in Europe and America have long used flags and banners in their academic ceremonies. Each banner is made of purple satin fabric and carries the university seal superimposed on it along with the name of each college.

The **PRESIDENTIAL MEDALLION**

The presidential medallion is an ancient symbol of authority, the chain of office worn by the head of a university which signifies the institution's charter and right to confer honors.

The University of North Alabama commissioned the creation of a presidential medallion in 2005 as a symbol of office. The medallion itself bears the seal of the institution, and the links on the adjoining chain are engraved individually with the names of the nineteen presidents of this institution (dating back to 1830) and the names of the four academic colleges within the University. The medallion is worn on academic and ceremonial occasions by those who serve the University of North Alabama as president, and will be passed on to each new president to symbolize the transfer of office.
