Electronic Course Substitution

These instructions detail the processes required for completing an electronic course substitution. This process is for undergraduate students only. Graduate students’ course substitutions must still be submitted manually. Manual (paper) submissions for undergraduates will no longer be accepted. Advisors should instruct their advisees on their part in this process at the time of advisement.

Review this document as it pertains to your role in this process. For the full process instructions, review the full instruction set. Also, make sure to review the final page(s) for notes and special instructions.
Electronic Course Substitution

The electronic course substitution request should flow as follows:

1. Student meets with advisor regarding request.
2. Student submits request to advisor, electronically.
3. Advisor completes his/her activity, relating to the substitution request.
4. Process flows electronically from advisor to department chair.
5. Department chair completes his/her activity, relating to the substitution request.
6. Process flows electronically from department chair to dean.
Electronic Course Substitution (cont’d)

7. Dean completes his/her activity, relating to the substitution request.
8. Upon approval, process flows to the departmental administrative/executive assistant of the original advisor.
9. Administrative/Executive assistant completes the Banner related work by entering substitution information.
10. Upon completion, an e-mail notification is sent to the student informing him/her of the approval and completion of process of the request with a copy to all approvers and advisors.

Any denial of the request will result in an immediate e-mail to the student regarding the denial with a copy to all advisors and any previous approvers.
Electronic Course Substitution

The following subset of instructions detail how a dean completes his/her portion of an electronic undergraduate student course substitution request.
After the department chair completes his/her activity, you (the dean) will receive an e-mail similar to the above e-mail. Simply follow the instructions to complete your portion of the electronic course substitution process.
Click on the Workflow tab to open your Workflow worklist.
Click on the Course Substitution Request link for the student.
You will see a page similar to this one. It will have all necessary information for you to approve/deny the request (Student Name, ID, Degree, Major, etc.).
Notice the information below. The substitution type and any previous approvers are noted here.

Select either approve or deny for this request. By selecting approve, the request flows to the next approver. By selecting deny, the student is sent a denial e-mail from you with your comments.
Enter appropriate comments in the comments section. Any comments will be passed on to future approvers and may be sent to the student (after final approval or a denial).
After all sections are marked appropriately, click on the “Complete” button. This will save your responses, end your activity and will allow the process to continue to the next person.
Electronic Course Substitution

This ends the dean’s required portion of an electronic course substitution request.
Upon completion and all levels of approval, the student receives an e-mail similar to the one shown here. Note all approvers are listed and notified in this final e-mail.

Notes and Special Instructions

NOTE: If a department chair or dean is also a selected advisor, the process will account for this structure and there will be fewer total steps.

NOTE: If a dean is also a selected advisor, the Banner related activity will be sent to the dean’s assistant instead of the department chair’s assistant.

NOTE: If you have any questions regarding this process, please e-mail registrar@una.edu with your questions.
