**Degree Works GPA Calculators**

Degree Works has several GPA calculators that may be used.

1. Access Degree Works via the UNA Portal. Click on the Academics tab and select Degree Works under the Degree Planning link.

2. Once you have logged into Degree Works, you will be taken to your Audit Worksheet.

3. Select the GPA Calc tab.

4. You will have access to three GPA calculators.

5. The Graduation Calculator helps you determine academic goals that must be meet to produce a desired GPA. You must input all required information;
   a. Credit Hours Remaining- Enter the remaining credit hours you must complete for your degree program. For example, your program is 120 hours and you have completed 60 hours. You would enter 60 remaining credit hours.
   b. Credit Hours Required- Enter the overall credit hours required for your program. The ‘Credit Hours Required’ hyperlink can help you locate this information on your audit if you are unsure.
   c. Desired Institutional GPA- Enter the GPA you would like to earn.
