

## Transfer Credit Equivalency

### *Transferring to the University of North Alabama?*

Follow the instructions below to find out how your work will transfer to UNA.

#### Course Transfer Equivalencies

1. Start by clicking the **Course Transfer Equivalencies** link.
2. Type your **home institution** name in the search box.
3. Click on **your institution**.
4. Check to see which courses taken at your home institution have an **equivalency at UNA**.
5. Any course designated as **1XXX** or **3XXX** do not have an *exact* match to a UNA course. These will count as *general electives*. You may speak to your advisor about a possible course substitution if appropriate.

**NOTE:** *Your search may not produce a complete list of transfer courses. Please contact the Office of the Registrar at [registrar@una.edu](mailto:registrar@una.edu) for any questions regarding your transfer credit.*
