1. The counts by program include both primary and secondary majors for first and second degree.

2. In Fall 2015, Culinary, Nutrition and Hospitality Management became a unique major, separate from HES, and those previous HES majors with those concentrations migrated to the new major. In Fall 2018 the Connie D. McKinney Department was dissolved and the majors and minors within that department moved to the department of Art, except for the Nutrition concentration students within the Culinary, Nutrition, and Hospitality Management major, which moved to the Anderson College of Nursing and Health Professions. Student counts within the Nutrition Concentration, dating from Fall 2015-Fall 2018, are the counts of those concentrations within the major.

3. Moved from a concentration/track in the EDS program to a unique major in Fall 2018.
