

Annual Goals for Residence Life

2011-2012

Goal 1:	Residential Success Center
Description:	Create a residence hall based, success center, partnering with the Center for Academic Retention Services, Career Planning and Development, and Student Counseling Services along with other success based departments.
Budget:	0.00
University Goals Supported:	1,2,3,4
Strategic Goals Supported:	341
Responsibility:	Assistant Director of Residence Life for Success Initiatives
Participation:	Director of Residence Life, Assistant Director of Residence Life
Results:	Location has been secured (Ground Floor Apartment in Rivers Hall - Freshmen Residence). Internet Access has been requested, furniture layout and prices have been gathered from PSI. Office Layout and operating hours have been developed. Will see the center open for Fall 12 semester.
Actions/Improvements:	Center created, will be operational for Fall 12 semester. Still identifying more departments and offices that would be a good fit to have hours in the center.
Future Actions/Improvements:	

Goal 2:	Expansion of Community Advisor Resources
Description:	Renovate and furnish the Community Advisor (CA) Resource Room in LaGrange Hall with supplies and technology to help them further the purpose of their position and provide for a higher level of job performance and student satisfaction.
Budget:	0.00
University Goals Supported:	1,2,3,4

Strategic Goals Supported:	224
Responsibility:	Area Coordinator Rice and Rivers
Participation:	Area Coordinator LaLaHAAC
Results:	This year, the room has been arranged to allow the resources to be easier located. Further resources have been identified as needs by the student staff, and a wish list has been created. These items will be purchased as allowed to expand the value of the room.
Actions/Improvements:	Neater, easier to find supplies and resources. More supplies and resources are on the way. Still have a long way to go.
Future Actions/Improvements:
