The University of North Alabama
Shared Governance Document
Revised December 1, 2013

A. Overview

This document is a statement of principles regarding shared governance, jointly developed and subscribed to by faculty, staff, and administration at the University of North Alabama. We are committed to a common vision of the mission of the institution. Further, we recognize that the success of the institution and the morale of the faculty, staff, students, and administration are dependent upon the legitimate involvement of these constituencies in the planning and decision-making processes of the University.

Shared Governance is a means of university management in which each chief group in the university community participates in decision making. This participation must be authentic and based on the principles that each group has the largest influence in matters that concern it most and that decisions made by shared governance constituent groups must have actual influence in university decision making. Shared governance includes mutual participation in the development of policy and decisions in the areas of strategic and budget planning, faculty and staff welfare, selection and retention of academic and administrative officers, campus planning and development, and organizational accountability.

These shared governance guidelines are intended to elaborate details in the way that faculty, staff, students, and administration address certain issues. These guidelines express a mutual desire to work together harmoniously and shall be interpreted to be consistent with all applicable laws, regulations, and the Bylaws of the Board of Trustees. They represent a commitment of the parties, not a legal contract.

B. Constituent Roles

1. The Faculty Role in Shared Governance

The faculty is the intellectual core of the University of North Alabama. It delivers instruction, carries out research, performs service for its professions and the community, and participates in the management of the University through shared governance. In the areas of intellectual development and instruction, the interest of the faculty is primary. The faculty will exercise its role in shared governance through and by service in the Faculty Senate, in the academic colleges and departments, and on university strategic and task committees. The faculty’s involvement in shared governance includes, but is not limited to, the areas of curriculum, subject matter and methods of instruction, university budgeting, research, faculty status, faculty employment and welfare, and those aspects of student life which relate to the educational process.

2. The Staff’s Role in Shared Governance

The purpose and role of the staff are to provide effective support structures for the University of North Alabama, provide educational support services, and complement educational programs. The role of the staff is to represent its areas of responsibility in shared governance. The staff will exercise its role in shared governance through and by service on the Staff Senate and on university strategic and task committees. The staff’s involvement in shared governance includes, but is not limited to, the areas of student affairs, financial services, academic support, research, advancement, physical resources, and staff/service employment and welfare.

3. The Student Role in Shared Governance

Students are free, individually and collectively, to express their views on issues of institutional policy and on matters of interest to the student body. The University seeks to ensure that students have appropriate input into the making of major policy, program, procedure, and budget decisions. The Student Government Association Senate (SGA) serves as the collective voice of the student body. The role and responsibilities of the Senate are described in detail in the SGA Senate Constitution and Code of Laws. The President of the University, the Vice President for Student Affairs, and the Director of Student Engagement maintain a close working relationship with the Student Government officers. Many other Recognized Student Organizations (RSOs) and groups provide valuable advice to the university administration on matters that are of particular interest to their membership or to students in general.

Students participate in the deliberations of official decision-making constituent groups at the University. Most important university committees that make or recommend institutional decisions include student members. However, students are not eligible to serve in vice chair and chair positions. The President of the SGA Senate meets regularly with the Board of Trustees to give student viewpoints on issues before the Board.

The university administration uses both formal and informal means in order to maintain an awareness of the needs and view of the students. The opinions of students are sought, heard, and considered in major decisions affecting virtually every facet of the University.

4. The Administration Role in Shared Governance

The responsibility of administrators in shared governance is to form and articulate a vision for the University, to provide strategic leadership, and to manage its resources, finances, external affairs, and operations.

Administrators participate in the shared governance process in a manner designed to foster the smooth, efficient, and effective management of the University, while involving faculty, staff,

2 Definition of staff as outlined in the University of North Alabama Staff Senate Bylaws includes all regular, full- or part-time, exempt and non-exempt employees of the University other than faculty and with at least six months of service with the University – with the exception of the President, Vice Presidents, and deans.

3 Note: In Section C below, the SGA Senate is included in the term “Senates” along with the Faculty Senate and the Staff Senate.
students in decision making. The authority and duties of the President in this process are outlined in the Bylaws of the Board of Trustees and in the job description of the President. The responsibilities and duties of other administrators are described in their respective job descriptions.

C. University Policy Change

1. The Role of Shared Governance in University Policy Change

Any individual or group of the University (the Originator) may recommend changes to university policy. A written proposal is submitted to the Chair of the Shared Governance Executive Committee (SGEC). The role of Shared Governance is to ensure that UNA jointly involves faculty, staff, students, and administration in the development of university policies. Collaboration with all potential stakeholders is expected at every step in the development of change in university policy. The constituent groups are encouraged to consult one another.

2. Shared Governance Procedure for Policy Change Recommendations

The following procedure ensures that all proposals for policy change at UNA jointly involve the faculty, staff, students, and administration in the development of these policies. Because most faculty members are on nine-month contracts, the procedures and time lines described in this section apply to the nine-month academic calendar. Under normal circumstances, policy issues are not to be considered except during the nine-month academic year. Appendix A contains a flow chart briefly outlining this policy change procedure.

A. A written proposal is submitted to the SGEC. Upon receipt of a proposal, the SGEC first determines if the issue is editorial in nature and does not affect current policies. If editorial, the issue is addressed by the SGEC and sent directly to the President for approval. If the issue does affect current policies, the SGEC will determine if it affects only faculty or staff or students. If so, (Case 1) the SGEC sends the proposal to the respective Senate(s) within 15 calendar days of receipt of said proposal, not counting university holidays and breaks as published in the university calendar, to consider. If the SGEC determines that input from a Shared Governance committee or committees is warranted, the proposal will follow Case 2 (below) with the provision that it will only be sent to the affected constituency’s Senate(s). If the issue affects more than one constituency, (Case 2) the SGEC must determine which Shared Governance committee(s) or Senate(s) the proposal will be sent to and distribute the written proposal to that committee(s) and the appropriate Vice President within 15 calendar days of receipt of said proposal, not counting university holidays and breaks as published in the university calendar. If the SGEC does not move on the proposal within the specified time limit, the Originator has the authority to distribute said proposal to the appropriate Shared Governance committee.

B. **CASE 1:** If the SGEC sends the proposal to the Faculty Senate or the Staff Senate or the Student Government Association Senate, that constituent group in consultation with the Council of Academic Deans (in academic matters) and appropriate Vice President(s) considers the proposal and sends resulting recommendation(s) to the SGEC Chair for
referral to the Executive Council and/or President. Where necessary, a group considering a proposal may provide the SGEC and the President with an update of or seek input on its work in progress. In the event the appropriate constituent group fails to act within 45 calendar days of receipt of said proposal, not counting university holidays and breaks as published in the university calendar, the SGEC sends the written proposal within 15 calendar days of the expiration of the review period to the President with its recommendation regarding implementation or returns the proposal to the Originator.

C. CASE 2: Upon receipt of a proposal, a given Shared Governance committee must, within 45 calendar days of receipt of said proposal, not counting university holidays and breaks as published in the university calendar,

1) accept the proposal as is and send it, with written comments/recommendations, to the SGEC Chair for referral to the Faculty Senate and/or the Staff Senate and/or the Student Government Association Senate (as directed by the SGEC) for action,

2) accept the proposal with amendments. Both the original proposal and the amended version with written comments/recommendations are sent to the SGEC Chair for referral to the Faculty Senate and/or the Staff Senate and/or the Student Government Association Senate (as directed by the SGEC) for action, or

3) reject the proposal and return it to the SGEC Chair for referral to the Originator with written comments/recommendations, or

4) notify the SGEC, via the SGEC Chair, that a study requiring additional time is necessary before a recommendation can be made and indicate a timeframe for completion of the study and recommendation.

In the event the appropriate Shared Governance committee fails to do any of the above within 45 calendar days of receipt of said proposal, not counting university holidays and breaks as published in the university calendar, acquiescence is assumed and the SGEC distributes the written proposal within 15 calendar days of the expiration of the review period, not counting university holidays and breaks as published in the university calendar, to the Faculty Senate and/or the Staff Senate and/or the Student Government Association Senate.

The Faculty Senate, the Staff Senate, and the Student Government Association Senate must provide written comments/recommendations to the SGEC within 45 calendars days of receipt of said proposal. No response constitutes acquiescence to the proposal by the constituent group not responding. The Faculty Senate, the Staff Senate, or the Student Government Association Senate may ask the SGEC for an extension of up to 30 days if significant issues are addressed in the written proposal and additional time is deemed warranted. After the SGEC receives responses through the above processes and reconciles the differences, if there are any, the SGEC submits a report with recommendations to the President. If the differences are irreconcilable, the SGEC will send the recommendations to the original Shared Governance committee to which it was assigned and/or the Originator.

1) Once a proposal has been accepted or accepted with modifications by the President, he/she may implement it as policy. The President, or his/her designee on behalf of the President, shall inform the campus community of the new policy/policy change via email.
3. **The Role of the President in University Policy Change**

The President of the University may seek an expedited review should he/she deem that essential. Under normal circumstances, policy issues are not to be considered except during the nine-month academic year. The President may make exceptions and request an expedited review for those times when the health and wellbeing of the University, its faculty, staff, or students would be significantly and negatively impacted by lack of action.

**D. Shared Governance Structure**

I. The Shared Governance Structure at UNA shall consist of three levels of committees:

A. The Shared Governance Executive Committee

B. Strategic Committees
   1. Strategic Planning and Budget Study Committee
   2. Academic and Student Affairs Committee
   3. Institutional Effectiveness Committee
   4. Faculty/Staff Welfare Committee
   5. Facilities and Infrastructure Committee

C. Task Committees
   1. Animal Care and Use Committee
   2. Athletic Committee
   3. Food Services Committee
   4. Graphics Standards and Web Communications Committee
   5. Institutional Review Board
   6. International Programs/Offerings Committee
   7. Multicultural Advisory Committee
   8. Parking and Traffic Committee
   9. Undergraduate Readmissions Committee
   10. Research Committee
   11. Safety and Emergency Preparedness Committee
   12. Student Financial Services Committee
   13. Technologies Advisory Committee

II. Reporting Structure:

A. The SGEC reports directly to the President.

B. The five Strategic Committees all report to the President through individual Vice Presidents as follows:

1. The Strategic Planning and Budget Study Committee reports through the Provost and Executive Vice President for Academic Affairs.

2. The Academic and Student Affairs Committee reports through the Provost and Executive Vice President for Academic Affairs.
3. The Institutional Effectiveness Committee reports through the Provost and Executive Vice President for Academic Affairs.

4. The Faculty/Staff Welfare Committee reports through the Vice President for Business and Financial Affairs (VPBFA).

5. The Facilities and Infrastructure Committee reports through the Vice President for Business and Financial Affairs (VPBFA).

C. The Task Committees report to the President through the senior administrator as indicated in the reporting structure portion of the charge of the specific committee for each of these task committees and in the Shared Governance Organizational Structure in Appendix B.

III. All committees are advisory to the President. As provided by the Bylaws of the Board of Trustees, the President and the Board of Trustees retain final decision-making authority on all issues presented via the governance structure.

IV. Membership on all committees, other than membership by position and student members, is for staggered, three (3) year terms, with approximately one-third (1/3) of the members having terms expire each year. An individual may serve a maximum of two (2) consecutive three (3) year terms. After two consecutive terms on a committee, an individual must sit out for at least one (1) year before being eligible for re-appointment to that committee. Student members will serve one (1) year terms and may be reappointed. Adjunct faculty are not eligible to serve on shared governance committees. Newly appointed faculty are not eligible to serve on shared governance committees during their first year of service, unless a request is made in writing to the Faculty Senate President by the faculty member, and is accompanied by support from the faculty member’s department chair. The SGEC will recommend appointments to the President for membership on all committees. Terms expire the day preceding the first day of the fall semester.

New terms begin on the first day of the fall semester. The President shall appoint all committees prior to the first day of each fall semester. Persons appointed to vacated positions will serve until the normal expiration of the term to which they were appointed. Students and non-voting members will not count towards quorums. A quorum at meetings is defined as a majority of the number of appointed members in attendance. If a voting member of a shared governance committee cannot attend a meeting, the member is responsible for selecting a proxy for that meeting. Non-voting and student members may also select proxies as needed. Proxies must represent the same constituency as the shared governance committee member represents and from which the member was appointed. If a committee member is absent and fails to provide a proxy for three consecutive scheduled meetings (within one year beginning the first day of the fall semester), the committee chair can request of the Shared Governance Executive Committee that the position be declared vacant and a replacement be elected to complete the unexpired term. If a shared governance committee member’s university position changes prior to completion of his/her appointed shared governance committee term such that the committee member no longer represents his/her constituency (e.g., faculty or staff accepting full-time administrative positions, staff becoming full-time faculty, or administrators becoming full-time faculty or staff, etc., including interim appointments lasting longer than one semester), that committee member shall forfeit his/her committee appointment. The committee chair shall declare the position vacant to
the Shared Governance Executive Committee and request a replacement be elected from the appropriate constituency to complete the unexpired term.

Where this document calls for members recommended to the SGEC by the Faculty Senate, Staff Senate, or Student Government Association Senate, the Faculty Senate and Staff Senate and Student Government Association Senate should solicit interested candidates for committee membership from the entire faculty or entire staff or entire student body, and submit a slate of candidates at least as large as the number of open positions. The SGEC will review the nominations and submit its recommendations for membership appointments to the President. The SGEC will, to the degree possible, honor individual candidate's committee preferences in its recommendations to the President. The constituent slates, however, are for service at large and as needed.

Nominations for membership on the SGEC require special consideration. Faculty nominated to the SGEC must be full-time tenured faculty with shared governance experience. Staff nominated to the SGEC must be full-time permanent staff with shared governance experience. Students nominated by the SGA Senate should have experience in high school or collegiate student government.

V. Membership on some committees (e.g., Strategic Planning and Budget Study Committee) may require a commitment on the part of the appointee to first attend educational sessions designed to prepare the appointee for service on the committee. For example, appointment to the Strategic Planning and Budget Study Committee may require the appointee to attend educational sessions to provide the appointee with the necessary background on budgeting and budget documents to participate in discussions of this committee. Similarly, service on the Faculty/Staff Welfare Committee may require background sessions in insurance and compensation issues.

VI. The Shared Governance Structure at the University of North Alabama is envisioned as a separate but complementary structure on the Organizational Chart of the University as represented by the organizational structure model in Appendix B at the end of this document.

VII. At the beginning of each year, the SGEC and all strategic committees will select a chair and a vice-chair from among the eligible voting committee members. Normally, the previous year’s vice-chair will assume the chair position upon confirmation by the membership. The individual selected to serve as vice-chair should be willing and eligible to serve as chair during the following year. One of the responsibilities of the by-position members of the committees having administrative oversight of the areas within the committee’s charge is to coordinate with the chair of the committee for the smooth operation of the committee and the implementation of approved committee recommendations.

VIII. The rules contained in the current edition of Robert’s Rules of Order Newly Revised shall govern Shared Governance Committees in all cases to which they are applicable and in which they are not inconsistent with the regulations of the Shared Governance document and any special rules of order the Shared Governance Executive Committee may adopt as per RONR § 56, pp. 561-562. However, use of e-business on committees is permitted. All shared governance committees shall refrain from making statements unrelated to their respective charge, and the presidents of the
Faculty Senate, Staff Senate, and SGA Senate shall not sign any statement from a shared governance committee without the express consenting vote of their respective senates.

IX. The SGEC recognizes that some committees may wish to establish subcommittees from time to time. Proposed subcommittees and the proposed charge and structure of their membership should be submitted to the SGEC as information. Membership of such subcommittees must be limited to members of the originating committee.

X. The SGEC recognizes that some committees may wish to establish special work groups from time to time. Proposed work groups and the proposed charge and structure of their membership should be submitted to the SGEC for review and approval prior to their establishment by the committee. Membership of such work groups is not limited to members of the originating committee. The charge to such work groups must include an ending date for the work group’s charge.

XI. Individual units of the University (department level or equivalent) may establish committees intended to work on issues that do not significantly impact other units of the campus directly. The creation of such committees does not require SGEC approval but should be submitted to SGEC as an information item, if the work of the committee has the potential to impact other units on campus. New standing or ad hoc university committees must have prior review and approval by the SGEC. This review should result in a written recommendation to the President regarding the impact of the proposed new committee on the shared governance structure of the University. Requests for new committees that do impact other units of the campus must be presented to SGEC for approval and should contain the proposed structure, charge, membership, and reporting chain. The President retains the authority to establish taskforces, working groups, or committees following consultation with the SGEC.

XII. All committee chairs, except where otherwise noted, will submit a year-end report to the senior administrator as specified in the committee’s reporting structure, and send an electronic copy to the Chair of the SGEC. The year-end report must address the committee’s charge and other matters of interest to the shared governance process, as indicated on the Annual Report template provided by the SGEC. This year-end report will ultimately go to the President and be posted to the Shared Governance Webpage.

XIII. Individuals with administrative responsibility for a given area should not chair a strategic committee, but may chair a task committee. All members of committees who are serving by reference to a specific position are voting members unless otherwise specified.

APPENDIX C

Archives for Official Shared Governance Documents

The Shared Governance Document is a statement of principles regarding shared governance, jointly developed and subscribed to by faculty, staff, and administration at the University of North Alabama. As such, the complete, accurate, and timely placement of changes in the Shared Governance Document is paramount to the cooperative management of the University. Archiving an official copy of the Shared Governance Document is necessary to ensure the accuracy and timeliness of the guidelines to be followed by the constituent groups in the shared governance process of the University.

The Official Shared Governance Document will be kept in the office of the Assistant to the President for Administration, the office of the Academic Affairs Policy Consultant, and the office of the SGEC. Each office will maintain a hard copy and an electronic copy of the Official Shared Governance Document. At the beginning of his/her term, the Chair of the SGEC will obtain both a hard copy and electronic copy of the official document, disseminate this to the members of the SGEC and assure the Shared Governance web site is updated. At the end of his/her term, the Chair of the SGEC will reconcile with the Assistant to the President for Administration and the Academic Affairs Policy Consultant any changes that have been approved during the course of the year and will then pass along the updated hard copy and electronic copy to the new Chair and to the Assistant to the President for Administration and the Academic Affairs Policy Consultant. The SGEC office, the Assistant to the President for Administration, and the Academic Affairs Policy Consultant will also house an official copy of shared governance records including SGEC meeting agenda and minutes.
