

Academic & Student Affairs Committee
Meeting Minutes
February 23, 2021 via e-business

The Academic & Student Affairs Committee conducted its February 23, 2021, meeting by e-business as there was only one item to consider – the proposal to revise the existing portions of the current Medical Withdrawal and current Retroactive Withdrawal and Retroactive Medical Withdrawal policies to include the option of these withdrawals only applying to an 8-week session rather than the entire term.

After discussion, the committee voted to approve the proposal with the addition of the section in italics below to the Retroactive Withdrawal and Retroactive Medical Withdrawal sections:

“Before an extension can be granted, it must be verified that the student has not attended any other institutions since leaving UNA and/or is currently attending or has applied for readmission to UNA.”

The Shared Governance Executive Committee was informed of the committee’s decision.
