Oct. 4, 2018

3-4 pm

In attendance:

Greenway, Kimberly	Linder, Mark	Thornton, Evan
Burkhalter, Carmen	Loeppky, Ian	Waddell, Jimmy
Gautney, Michael	Martin, Jeremy	Wilson, Russ
Golenbiewski, Kyle	Patrick, Gwen	Zwissler, Angela

I. Called to Order at 3:05 p.m. by chairperson Angela Zwissler

II. Approval of minutes from last meeting: Motion to approve made by Dr. Greenway; Seconded by Mr. Wilson. Unanimously passed and approved.

III. Current Projects

- a) Laura Harrison Hall construction-related matters – Mr. Gautney reported that part of the parking lot for Stephens and Math will be taken up during construction. Also reported was the new lot on Cedar St. and the discussion of a long-term plan to provide a sidewalk.
- b) 911 Building Identification – Chairperson Zwissler indicated that signs were printed incorrectly and are being reprinted.
- c) Paintable Lion Paw – As reported by Dr. Greenway in an October 4, 2018 email, the lion paw item was a 2017 SGA initiative that is no longer being pursued, so no follow-up is needed on it.

IV. New business

- a) Energy Efficiency Study – Mr. Gautney reported that Schneider Electric is guaranteeing energy savings when the initiative is completed.
- b) Flowers Hall – accessible door opener – Thorough discussion about doors and wheelchair entrance at graduation. It was agreed that the short-term solution would be to remove the dividing bars in the doors post greeters at the doors.

V. Adjournment – Mr. Wilson motioned and Mr. Waddell seconded at 3:40 p.m.
