

Food Services Committee

Meeting Notes (No Quorum)

Tuesday, December 3, 2013

GUC 200

Chair Ogun called the meeting to order at approximately 1:35 p.m. Those attending were Chair Ogun, David Shields, Joy Mallard, and Bret Jennings. No quorum was present.

Meeting dates for spring semester 2014 were agreed by all present for second Tuesday at 1:30 p.m. Other members will be polled by email for consensus.

General comments included:

- Sodexo needs to refresh the visual presentation of food, specifically at counter areas which have old looking heat lamps, old model plastic guards, and deep pans where food is not visible until you lean over to look into it.
- It has been observed that the entrée line is longer at Towers. Students seem to find entrée selections more appealing.

Announcements:

- Christmas dinner is tomorrow at Towers.
- Sodexo will start new menu rotation at Towers.

Chair Ogun adjourned the meeting at approximately 1:45 p.m.
