

Research Committee
Meeting, Sept 16 2014
Minutes

Members introduced themselves:

In attendance: Dr. Cameron Gren, Dr. Frank Diaz, Dr. Matt Green, Dr. Craig Christy, Dr. Andrew Luna

Elected vice chair, Dr. Frank Diaz

Reviewed committee charge

Award research funding when available

Advise, when needed, on research-related issues. Work closely with OSP and OIRP

Discussed staff senate request from 2012

The committee agreed that adding a representative from OIRP as a regular member would both benefit the committee and add a permanent staff presence.

Discussed CUR membership

The committee agreed that membership could be beneficial, but also would like to find a way to fund membership for any UNA faculty researchers that would like it.

Dr. Andrew Luna suggested the possibility of non-faculty researchers being considered for funding when it is available.

Dr. Andrew Luna suggested the presence of database for all past and present UNA research projects.

Discussed campus-wide promotion of research
