

Department of SOCIAL WORK *at* UNA

Nationally Accredited by the Council on Social Work Education

IS A CAREER IN SOCIAL WORK IN YOUR FUTURE?

According to the Bureau of Labor Statistics, employment for social workers is expected to grow much faster than average for all occupations. With a BSW and MSW, you can be employed in public, private, for-profit, and non-profit agencies in any one of the following settings:

Adoption and foster care

Advocacy

Aging services and programs

Child welfare agencies

Crisis intervention

Community organizing

Corrections

Domestic violence programs

Family service agencies

Global social work

Group home

Hospice

Industry

Juvenile court

Management/administrator

Mental health services

Program development

Program evaluation

Public health agencies

Nursing homes

Hospitals

Home health agencies

School systems

Research

Residential treatment

SOCIAL WORK

MISSION STATEMENT

The mission of the Department of Social Work is to prepare competent and ethical entry-level social workers to apply professional social work values with diverse clients and communities in rural to metropolitan environments within a global context. The Department endeavors to model a commitment to professional practice and research that promotes the advancement of human well-being.
