RELAY RACE
Thursday, September 22 | 9:00pm | Soccer Field

The relay race event is designed for a competition in high spirited physical activity, creativity, and campus pride. Rules and guidelines are listed below.

1. The Pep Rally will begin at 9:00 p.m. at the UNA Soccer Field and the Relay Race will occur in the middle of the event. The race is reserved for the first 15 RSOs who sign up. All teams are asked to be there at 8:00 p.m. to review relays and relay rules. Officials will be placed at each race, please respect and follow all rules.

2. Each team will need 10 members to participate. This relay is a mega relay with six (6) races included. There will be four (4) relays that are individual or duo races with the last two races requiring all 10 team members.

3. Six relays will occur in each heat during the Pep Rally. The next relay can’t precede until the previous activity has been completed. These relays will be in the following order:

   a) Ping Pong Relay: Two players from each team will each have a spoon in their mouth. The player must place a ping pong ball on their spoon, walk around the cone placed in front of them and back to the cup at the original start. The player will then gently place the ping pong ball into a cup WITHOUT using hands. IF a player uses hands, the team will accept a ten second addition. If the ping pong ball falls off of the spoon, the player must restart. The two players must get all four ping pong balls into the cup.

   b) Straws and M&Ms: Two players from each team will use a straw to transport M&Ms from one bowl to the next, without use of hands. Player must restart if M&M falls. Must transport four (4) M&Ms.

   c) Izzy Dizzy Water Balloon Toss: Two players from each team will be 20 yards apart. BOTH players will spin around 10 times with head on a baseball bat that must be on the ground. After 10 spins, one player will throw a water balloon to their teammate. Water balloon toss must be completed before moving on in the relay race.

   d) Feet First Relay: Four players will lay on their backs in a straight line with feet facing the same direction with one player’s feet at the top of the next player’s head etc. A ball will be placed at the feet of the first player. The ball must be passed from one player to the next without the use of hands while staying on their backs throughout the game. To pass the ball, each player will lie on their back and pass the ball with their feet over the top of their head to the next player. The final player will pass the ball with their feet into a hula hoop.

   e) Mystery Game: This game will not be announced until the time of the relay. **HINT: Read the entire activities manual front to back. This will be a puzzle related game.**

   f) Team Hula Hoop: All ten (10) team members will be needed. Each team member will lock hands and navigate a hula hoop through the team. If hands are broken, the hula hoop must restart at the beginning of the line. The first team to sit down wins.

4. The team to accurately accomplish all areas of the relay with the fastest time will be declared the winners.

5. Any cheating and/or roughhousing will result in immediate disqualification. This includes but is not limited to tripping others, stealing equipment, interfering in another’s lane, etc. Cheating and roughhousing will be evaluated by the Student Activities Coordinator and her decision will be final.
Teams will be given creative freedom to design their Homecoming Parade Float. The teams will be graded by creativity, use of theme, and overall spirit. Rules and Guidelines are listed below.

1. The parade will begin on Pine Street at 11:30am. Groups must be lined up by 10:50am on Pine Street.
2. Floats may not be taller than 13 feet from the ground to the highest point.
3. Floats may not be pulled by semi-tractor-trailers.
4. Teams will not be allowed to pair up for this event.
5. Floats may be hand carried or pulled by a motor vehicle.
6. Floats are not necessary but highly recommended. Participating teams may wish to walk, ride in a car (such as a convertible), or participate in any other way provided that participating teams follow all the same guidelines. Points will still be awarded.
7. If the parade gets cancelled on Saturday due to weather, all groups will be informed via email.
8. Groups will be rated on a scale of 1-10, with 30 being the highest possible total. The areas the groups will be judged on are:
   a) Creativity
   b) Use of Theme
   c) Artistic Appeal
9. The winners of this event will be announced during the Homecoming Game on Sept 24 at 6pm at Braly Stadium.
10. Each entry is required to have a parade permit. These permits will be available from Student Engagement on the afternoon of September 20th and must be picked up no later than 4:30pm Friday, September 23rd. (University closes at 4:30pm). It is the organizations responsibility to display the permit on their entry. NO PERMIT = NO ENTRY IN THE PARADE.
11. Organizations may begin working on floats when they choose.
12. All groups must have your group name somewhere on your parade entry. This can be a sign on the car, part of your float, or a sign you hold. This helps the judges know who they are scoring.
