Registered Student Organization of the Month

Beta Alpha Psi (BAP) continues to provide some of the best and most engaging programs within the SCOBT and across the UNA campus. Their events are open to all students and consistently see strong attendance, creating opportunities for students to learn, connect, and engage beyond the classroom.

From hosting a Sarbanes-Oxley anniversary event to incorporating accounting-focused opportunities into their meetings and programs, BAP consistently finds creative ways to connect students with their field. BAP actively utilizes the RSO allocation process to support programming and continues to be a great example of how student organizations can make the most of campus resources.
