Resource of September

The ROAR Access Center at the University of North Alabama is a vital hub for student enablement and support, housing key services such as the Accessibility Support, University Case Management, Military and Veteran Affairs, and the Jesse Christopher James ROAR Pantry.

These services are designed to ease financial burdens, promote well-being, and ensure that all members of the UNA community have the resources they need to succeed both in and out of the classroom. The ROAR Access Center is more than just a support system—it is a community committed to helping every student thrive.

Committee Spotlight

The Elections and Recruitment Committee, one of six within the Student Government Association, oversees homecoming elections in the fall, as well as SGA elections in the Spring. Beyond conducting elections, the committee serves as an important resource for candidates and the SGA community throughout the election process.

This committee is led by Chairwomen Zaharko, with Senator Barnett and Senator Nagashima. The Elections and Recruitment Committee has been dedicated to planning, organizing, and continuously working to make homecoming elections a success for 2026.

Student Engagement Student Leader of the Month

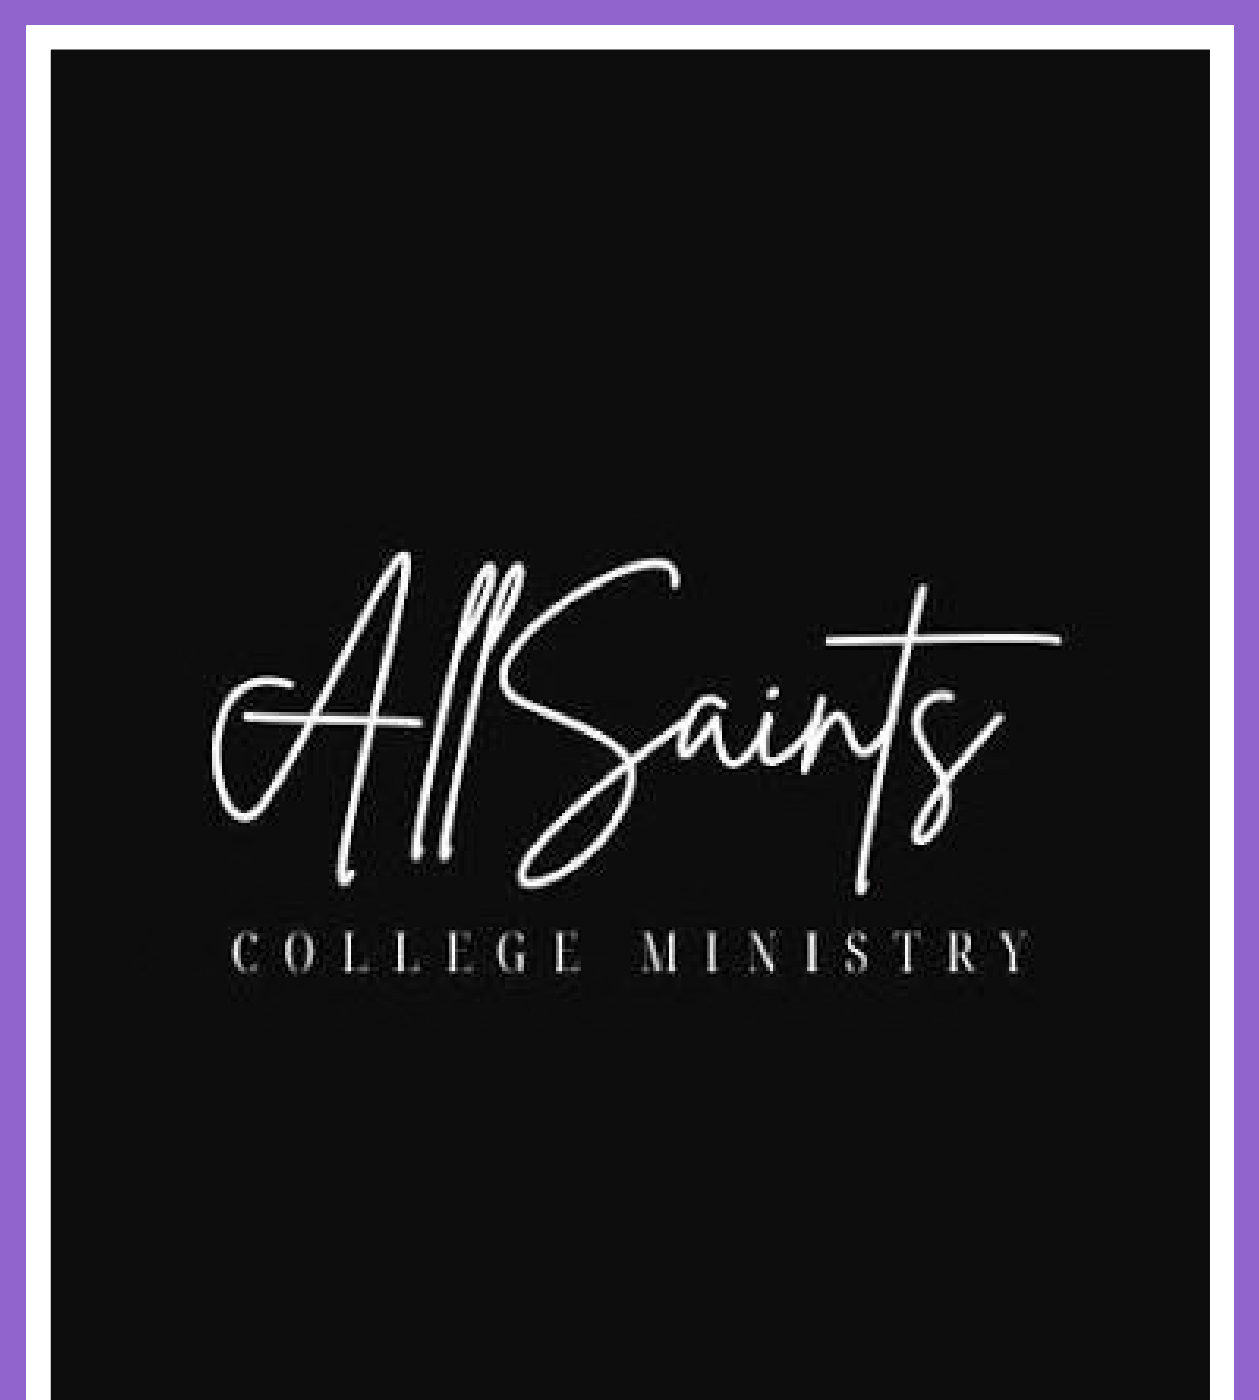

Devin Hill truly embodies the heart of student leadership at UNA. She spent her summer serving as a ROAR Counselor, welcoming the incoming class and helping create a positive first impression of UNA. Once back on campus, Devin continued to shine through her support of ROAR Days, The Big Deal, and her role as CAMP LEO Peer Leader.

Devin thrives in one-on-one connections, genuinely caring about the people around her. Devin's compassion, authenticity, and commitment to others make her standout recipient of September's award.

Registered Student Organization of the Month

All Saints College Ministry has been an incredible partner in creating meaningful experiences for students and supporting large-scale campus events at UNA. Their commitment to showing up for students and collaborating with campus partners makes them a valued part of the UNA community.

This semester, All Saints went above and beyond by hosting 14 Mane Month events, including partnership with the Career Center to collect and provide professional business clothing to students. Their dedication to serving students, fostering connection, and building community makes All Saints Ministry a well-deserving recipient of this RSO of the Month award.
