UNA Nondiscrimination Statement

UNA adheres to all federal and state civil rights laws prohibiting discrimination in public institutions of higher education. UNA will not discriminate against any employee, applicant for employment, student or applicant for admission on the basis of race, color, sex, pregnancy, religion, creed, ethnicity, national origin, disability, age, sexual orientation, gender identity, veteran or military status, predisposing genetic characteristics, domestic

violence victim status or any other protected category under applicable local, state or federal law, including protections for those opposing discrimination or participating in any resolution process on campus or within the Equal Employment Opportunity Commission or other human rights agencies. UNA policies specifically prohibit the discrimination on the basis of sex under Title IX of the Education Amendment Act of 1972, Title IX regulations including C.F.R. 106. Inquiries related to the application of Title IX may be made to the UNA Title IX Coordinator and Compliance Administrator or the Assistant Secretary of Education in the Office for Civil Rights.

UNA policies cover nondiscrimination in employment and in access to educational opportunities. Therefore, any member of the campus community who acts to deny, deprive or limit the educational, employment, residential and/or social access, benefits and/or opportunities of any member of the campus community, guest or visitor on the basis of their actual or perceived membership in the protected classes listed above is in violation of this UNA statement on nondiscrimination. The University will consider, through appropriate and designated procedures, the report of any member of the university community who has reason to believe he/she has been affected by discrimination as listed above. Non-members of the campus community who engage in discriminatory actions within university programs or on university property are not under the jurisdiction of this policy, but can be subject to actions that limit their access and/or involvement with university programs as the result of their misconduct. All vendors serving the university through third-party contracts are subject by those contracts to the policies and procedures of their employers.

Reports of sex- or gender-based discrimination may be made to the UNA Title IX Coordinator and Compliance Administrator, Ms. Kayleigh Baker, UNA Box 5023, 202 Guillot University Center, Florence, AL 35632, 256-765-4223, kbaker5@una.edu.

Reports of other forms of discrimination may be reported to the following areas:

Human Resources 256-765-4291 or humanresources@una.edu

Student Conduct 256-765-5012 or studentconduct@una.edu

University Ombudsman 256-765-5224 or ombudsman@una.edu

Reports may also be submitted through the Student Complaint Process available at <https://www.una.edu/policies/appeals/student-complaint-form.html>.

UNA Policy on Discriminatory Harassment

Students, staff, administrators, and faculty are entitled to a working environment and educational environment free of discriminatory harassment. University of North Alabama is committed to offering an environment free of discrimination and harassment in accordance with all laws, including but not limited to Titles VI and VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, the Vietnam Era Veterans' Adjustment Assistance Act, as amended by the Jobs for Veterans Act of 2002 (VEVRAA), the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA), the Age Discrimination Act of 1975, the Americans with Disabilities Act (ADA) of 1990, the ADA Amendments Act of 2008, and the Genetic Information Nondiscrimination Act of 2008. General Information

Official UNA Correspondence and Response to Administrative Notices

The University of North Alabama's official communication vehicle is UNA Portal accessed through the homepage (una.edu). This communication includes email, student billing, financial aid notification, viewing grades, campus wide notifications including emergencies, and administrative notices. Notices or requests for students to report to an administrative office must be responded to immediately. Such notices are sent only when matters of urgent business or necessary information are involved. A delay in contacting the office concerned may result in a Code of Student Conduct violation for Failure to Comply.

Student Account Information

Electronic Billing (e-bill) is the official means of providing student account statements to all UNA students. A notification of statement availability will be sent to your UNA Portal email account and to the email address of each of the authorized users the student has identified. Students and authorized users can access the student account by going to the UNA homepage and selecting UNA PORTAL.

Students are expected to meet all financial obligations when due. It is each student's responsibility to be informed of all payment due dates, deadlines and other requirements by referring to official sources of University information such as the catalog, official schedule of classes, or that are disseminated by other means from time to time.

Delinquent accounts are subject to a \$50.00 late charge. Students with delinquent balances are subject to having their registration schedules cancelled for failure to pay their accounts in full. Reinstatement of their schedule will require that the balance be paid in full, and a reinstatement fee will apply.

Students owing charges for prior terms will not be allowed to register for future terms, receive a transcript, or receive any other services until all charges have been paid. Collection costs, including all attorney fees necessary for the collection of debt to the University, is paid by the debtor.

Any Federal Title IV financial aid recipient who withdraws on or after the official first day of the term will be liable for any funds the University of North Alabama repays to the applicable federal program as a result of the withdrawal. These amounts will be charged back to the student's financial account. University collection procedures will apply to recover these funds.

Off-Campus Residence

All students living off campus must keep the University informed at all times of their current local (or commuting) addresses and telephone numbers. The need to reach students in the event of emergencies or urgent administrative matters makes it essential that any change of address from that given at registration be promptly reported to the registrar's office. Please send an email from your UNA Portal account to registrar@una.edu.

The Mane Card

LOCATION: The Wendell W. Gunn University Commons Building, Room 110
PHONE: 256.765.4924 • **WEBSITE:** una.edu/manecard • **EMAIL:** manecard@una.edu

The Mane Card serves as the UNA identification card (mandatory), campus debit card, meal card, library card,

and residence hall access card. The Mane Card is valid only for the person to whom it is issued. The Mane Card must be carried at all times when the student is on campus; it is strongly recommended that it be carried whenever the student is off campus as well. It must be presented to any university official or duly constituted authority upon request. Refusal to identify oneself to a university authority upon request or any other misuse of the Mane Card (including its use by anyone other than the person to whom it is issued) constitutes grounds for serious disciplinary action against all parties involved.

The Mane Card is the property of the University and must be returned to the Mane Card office if a student withdraws from the university during a semester or summer term. Loss or theft of a Mane Card should be reported immediately to the Mane Card office, located in The Commons, or by visiting una.edu/manecard. Replacement cost for lost or stolen card is \$15.00.

At the beginning of each semester, Mane Cards belonging to enrolled students automatically become active. Mane Cards have different authorized activities (door access, meal plans, etc.) dependent upon the registration status.

Funds, also known as “Lion Loot,” may be added to the card. A minimum deposit of One Dollar (\$1.00) must be applied to activate the debit account, but there is no minimum balance to maintain. This account cannot be overdrawn and there are no fees associated with the use of this account.

For more information, please visit una.edu/manecard.

Academic Calendar

[UNA Academic Calendar and Schedule of Classes](#)

Study Day

The intent of Study Day is to provide students with a period of time to study before final exams. Consequently, classes that begin before 5 p.m. during the term are not to meet on Study Day, and faculty are requested not to schedule this day as a deadline for papers, projects, or tests. Student organizations are likewise requested not to schedule mandatory events or activities for this day. Final exams may be given on Study Day in classes that begin at or after 5 p.m. on that day, or the final exam in these classes may be scheduled for the last class meeting prior to Study Day. Academic departments requesting exceptions to this policy should consult with the appropriate college dean.

Campus Sustainability

The University of North Alabama is a beautiful place for photographing moments of your special occasions; throughout the year, graduates and others are on campus to capture images at some of our most iconic locations, including the Harrison Fountain, the President’s Home, and the George H. Carroll Lion Habitat. We ask that you use:

- Flower Petals
- Plant or bird seed
- Vanishing Confetti
- Ribbon wands
- Bubbles

Avoid paper, plastic, and/or foil confetti as part of your Instagram-worthy shots. This kind of confetti takes a toll on our environmental footprint, clogging our drains and pumps and getting scattered throughout flowerbeds and walkways. It also can be mistaken for food by birds and other wildlife. Quite simply: Throwing confetti and leaving it behind is littering. We take pride in the appearance of our campus, and we ask that you please help us keep the UNA campus beautiful and environmentally sustainable as well as safe for birds and other wildlife.

Information Center and UC Banners

If you have an event you wish to advertise on campus, you'll want to let University Center Operations and Event Management help you spread the word. The University has a limited number of high-visibility spaces to hang banners, which we will be happy to hang for you in high-traffic areas of the GUC. These services are normally restricted to recognized or registered student organizations wishing to advertise events open to the entire campus. Other messages are approved on a case-by-case basis. To have a message advertised, stop by GUC 107.

Mail Room

The University Mail Room, located on the first floor of the Guillot University Center, provides mailboxes for faculty and students. Undergraduate students are entitled to a mailbox, provided one is available. Preference will be given to students enrolled in seven or more hours. Only students living in residence halls will be automatically assigned mailboxes. The University Mail Room is not part of the U.S. Postal Service. The purpose of the University Mail Room is solely to serve the communication needs of the campus community; it is not intended as a full-service post office. Although stamps may be purchased at the mail room, specialized postal services such as money orders, packages, or certified mail can only be obtained at the U.S. Post Offices in Florence.

All university mail will be sent directly to assigned boxes in the University Mail Room and will not be sent to residence halls, apartments, home addresses, or any other place of domicile. Students and university employees will be responsible for checking their boxes regularly for mail, particularly for official university mail.

Students can receive their mailbox combination when the assignment is made. The box assignment will remain the same for as long as the student is continuously enrolled.

Regulations

To ensure the proper flow of communications, the following regulations will govern the usage of mailboxes and university mail services:

- Only students who are campus housing residents may use the university mail service to receive personal mail and packages; if not living on campus, all personal mail should be addressed to the student's home or apartment.

University employees may not use the university mail service on a regular basis for non- university-related personal mail.

- Campus mail shall be addressed to an office or individual with the first and last name and box number. Mail without a box number will not be delivered. Mail with a box number will be placed in the box number indicated. The University assumes no responsibility for improperly or incorrectly addressed mail. All campus mail should have a return box number listed.
- All campus mail must be at least 3½ inches by 5 inches (3½” x 5”). Mail deposited in the campus mail that does not meet these minimum requirements will be destroyed.
- Correspondence containing candy, gum, etc. must be enclosed inside an envelope no smaller than 3½” x 5”.
- Bulk mail or large mailings should be placed in numerical order by box number.
- If a large mailing is expected, expedited handling can occur if the mailroom is notified two days in advance.
- Official university memoranda addressed to all faculty, administration, and staff do not require names and box numbers but must indicate the source of the memorandum.
- Listings of mail box assignments will be available at the mail room.
- Campus mail that cannot be delivered will be returned to the sender provided the sender’s complete name and box number are shown. Mail that cannot be returned will be destroyed.
- The University will not assume responsibility for money or other valuables distributed through the University Mail Room, nor does the University guarantee delivery.
- Certificates and other delicate or fragile materials are not to be processed through the mail room. Suggestion: Instead, send the student(s) a 3½” x 5” postcard, indicating where the items may be picked up.
- Upon application and approval, a fee of \$500 will be charged for distribution (one per box) of non- campus wide events notices. It should be anticipated that general solicitation will not be permitted through university mail service facilities.
- In order to have first class mail forwarded, a student or employee who leaves the University must complete a “Change of Address” online at usps.com. Mail will be forwarded for one semester for graduates to the address filed with the UNA mailroom.
- Boxes that are assigned to employees and students currently enrolled must be checked regularly to prevent buildup of mail.

An individual who misplaces or cannot remember the box combination can get the information at the mail room window computer, when the building is open, by signing on with his/her UNA Portal ID. The University of North Alabama Mail Room, maintained solely for the convenience of students, faculty and staff, is not a United States Post Office. The mail room lacks sufficient staff to process commercial mass mailing by advertisers or others. Therefore, the University of North Alabama reserves the right to refuse to deliver, and to destroy, commercial mass mailing that utilizes the addresses of students, faculty, or staff contained herein.

Student Life

Student's Role and Participation in Institutional Decision-Making

Students are free, individually and collectively, to express their views on issues of institutional policy and on matters of interest to the student body. The University seeks to ensure that students have appropriate input into the making of major policy, program, procedure, and budget decisions.

The Student Government Association (SGA) serves as the collective voice of the student body. The role and responsibilities of the association are described in detail in the SGA Constitution and Code of Laws. The President of the University, the Vice President for Student Affairs, the Assistant Vice President for Student Affairs, and the Director of Student Engagement maintain a close working relationship with the Student Government Association officers. In addition to the SGA, many other student organizations and groups provide valuable advice to the university administration on matters of particular interest to their membership or to students in general.

Students participate in the deliberations of official decision-making bodies at the University. Most importantly, university committees responsible for making or recommending institutional decisions include student members. The president of the SGA meets regularly with the Board of Trustees to give student viewpoints on issues before the Board.

The university administration uses both formal and informal means in order to maintain an awareness of the needs and views of students. The opinions of students are sought, heard, and considered in major decisions affecting virtually every facet of the University.

Student Engagement Center

LOCATION: Guillot University Center, first floor, Suite 163

PHONE: 256.765.4248 • **FAX:** 765.4904 • **WEBSITE:** una.edu/students **EMAIL:** studentengagement@una.edu

The Student Engagement Center supports a wide variety of student-led programs designed to provide opportunities for students to become involved with campus. This includes opportunities for students to serve in leadership roles where they may practice skills learned in course work, collaborate with people different from themselves, and better understand concepts studied in coursework. These programs should facilitate personal growth, increase self-awareness, and enhance the perceived value of their experience at UNA. Support programs include student organization registration and support, student government, student events and activities (University Program Council, Student Allocation Funding, Homecoming, Miss UNA Program, Step Sing, Mane Month), community service and outreach, Campus Food Pantry, Alternative Breaks, Fraternity and Sorority Life, Hazing Prevention, Advisor Workshops and Advisory Boards, Leadership Development Institute, and Student Leader Development Workshops. Our purpose is to develop leaders and inspire success by supporting co-curricular student experiences.

Student Engagement Center Primary Service Areas Include:

- Student Activities and Organizations
- Fraternity and Sorority Life
- Community Service and Outreach

Student Activities and Organizations

Student Activities

LOCATION: Guillot University Center, Room 163 **PHONE:** 256.765.4248 • **WEBSITE:** una.edu/students

The University of North Alabama provides significant financial resources for students to plan activities. For student event planning guidelines, policies and resources, read the Student Organization Handbook or visit una.edu/students.

Mane Month

Student Engagement collaborates with campus partners to create a master calendar of campus activities for the first few weeks of the fall semester known as Mane Month. Almost every day is packed with multiple activities to get students involved on campus. For information visit una.edu/manemonth.

University Program Council

The University Program Council is a student team selected to plan some of the largest student events on campus. These include movie nights, tailgates, Homecoming activities, Step Sing, formals, concerts, comedy shows, cultural events, and service events. Because there are several great venues for entertainment around the Shoals Area, sometimes the Program Council will purchase tickets or rent out a venue just for students to enjoy some of the fun places in the area. The Student Engagement Center provides advising and administrative support to the University Program Council.

Student Allocation Funding

Student organization leaders also have the opportunity to plan events for campus. They may apply for student allocation funding each semester to cover the costs of events, so long as they are open to all students. The Student Allocation Committee consists of members of student government and faculty and is advised and supported administratively by Student Engagement staff. For more information about student allocation funding, reference the Student Allocation Manual located at una.edu/students.

Executive Branch

The SGA executive branch oversees the operation of all branches of SGA including communication, goals, training, finances, and record keeping. The executive branch maintains office hours in the Student Engagement Center.

Legislative Branch

The Student Senate and Freshman Forum make up the legislative branch of SGA. The purpose of the legislative branch is to discuss issues relevant to students, prepare legislation, and debate policy resolutions or initiatives related to the issues before casting a vote. Senate meetings occur every Thursday at 3:30 p.m. in the Student Engagement Center.

Judicial Branch

The student court makes up the judicial branch of SGA. It is available to settle conflicts within the student government association, and interprets the constitution and code of laws. The judicial branch meets as needed in the Student Engagement Center.

Student Organizations

Student Organizations play an important role at the University of North Alabama. Recognized Student Organizations provide unique learning experiences outside of the classroom and create opportunities for students' personal and professional development. UNA also recognizes the positive impact that student organizations can have on recruitment and retention of students.

All student organizations must register with the Office of Student Engagement in order to be function on campus, have access to student allocation funding, and utilize other campus resources. The registration protocols enable the university to maintain communication with student leaders, promote organizations and their activities to other students, and to provide several special services for student organizations.

Any university student group that is certified by the University is subject to the policies and procedures as outlined in the student handbook and in the Student Organization and Student Activities Handbook. This handbook is published annually by August 1 and can be obtained at the Student Engagement Center or found at www.una.edu/students.

The Student Engagement Center is committed to helping student organizations thrive at the University of North Alabama. Services include leadership training, officer resources, organizational consulting, advisor workshops and advice on activities planning and funding. Student Leadership Consultants (SLC) are trained and available for peer-to-peer consultation and advisement for all RSOs and students looking to get involved in a campus organization. To schedule an appointment with a SLC or get additional assistance with your organization's needs, please consult the office at 256.765.4248 or visit the first floor of the Guillot University Center.

Good Standing

Student Organizations must be in Good Standing with the university to be eligible to use resources including: the RSO Resource Center, booking spaces on-campus, setting up promotional tables, team participation in University Events, and applying for Student Allocation Funding*. To be granted good standing status:

- The organization must maintain at least three active student officers who are currently enrolled in classes at UNA (except during summer semesters).
- The organization must have no outstanding balance beyond 30 days with the university.
- The organization must have at least one representative attend/complete all mandatory RSO meetings/trainings hosted by Student Engagement.
- The organization must have an active advisor at all times.
- The organization must have fully completed the annual renewal process by the deadline.
- The organization must have fully transitioned their Presence portal.
- All officers/leadership positions in the organization must be held by enrolled students.
- The Director of Student Engagement may revoke good standing status if an organization is violating university policies, the student handbook, the RSO and Student Activity Handbook, or violates any conditions of registration or recognition.
- Organizations suspended from campus automatically lose good standing status.

Annual Renewal Requirement

Annual Renewal

Annual renewal takes place between the first day of fall classes and October 1.

Organizations in good standing can maintain this status by renewing their registration with the Student Engagement Center each year during the annual renewal period. This is the only time when staff are scheduled to assist organizations in the process. Procedures can be found in the Student Organization and Student Activity Handbook.

Student Organizations that do not meet these requirements by October 1 will lose their good standing status and all resource privileges for the remainder of the fall semester. These organizations may redeem their good-standing status for the spring semester if they update their online portal, attend a student organization leader workshop, and schedule a meeting with a Student Leadership Consultant between the first day of class in the spring semester and February 15. Any organizations that do not meet the February 15 requirements will lose their certification as a registered student organization, become inactive, and assumed to no longer function as a student organization.

Fraternities and Sororities

UNA defines a fraternity/sorority as an organization that exists to promote fraternal relationships and personal development; requirement for membership is subjective and is not limited to a specific field of study, class, year, etc; and members are not typically permitted to hold membership in other identified fraternities/sororities at the University. Organizations that engage in new member education, ceremonies of initiation, ritual and/or other Fraternity and Sorority Life artifacts (e.g., bigs/littles, wearing letters, etc.) will be considered a fraternity/sorority.

The University of North Alabama requires that all fraternities/sororities, as defined above, uphold the requirements of the Office of Fraternity and Sorority Life in order to maintain good standing. Most requirements and chapter status definitions can be found in the FSL Handbook at www.una.edu/fsl. Fraternities and Sororities may be exempt from certain renewal and registration requirements when approved by the Office of Fraternity and Sorority Life.

Unregistered Student Organizations

Groups that fail to register with the Student Engagement Center or that have lost active status from the University do not receive advice, support, or oversight from the university. Any unregistered group claiming affiliation is operating in violation of university policy. Involvement with any unregistered organization can pose a significant risk and students are strongly advised to avoid engagement with these groups as the University is unable to monitor activities. Individuals who affiliate with unregistered organizations may be susceptible to participation in activities that violate university policy and should understand that they will be held individually accountable for their actions.

Starting a New Organization

Students interested in forming a new organization at UNA may contact the Student Engagement Center to obtain a copy of the Student Organization and Student Activities Handbook and the Starting a New Student Organization packet. Both are available on the Student Engagement Center's Student Activities and Organizations webpage www.una.edu/students. To register a new organization, students must complete the steps outlined in the Recognized Student Organization and Student Activity Handbook published each August. Proposals to register New or Inactive Organizations are only reviewed at specific times in the year. Reviews take place within the 2 weeks following each deadline.

Proposal Submission Deadlines:

Organizations seeking certification before the end of the fall semester: September 15th

Organizations seeking certification before the end of the spring semester: January 31st

Organizations seeking certification before the end of the summer semester: June 15th

Contact information for Student Organizations is available from the Student Engagement Center, 256.765.4248 or una.edu/students.

Fraternity and Sorority Life

LOCATION: Guillot University Center, Student Engagement Center, Suite 163

PHONE: 256.765.4248 • **WEBSITE:** una.edu/fsl

The University of North Alabama's Fraternity and Sorority Life is dedicated to enhancing the undergraduate fraternity and sorority experience by fostering an inclusive community, providing academic, personal, social, service, and leadership opportunities, and promoting a strong values-based fraternity and sorority community.

There are four governing councils which consist of over twenty active organizations: the College Panhellenic Council (CPH), the Independent Greek Council (IGC), the Interfraternity Council (IFC), and the National Pan-Hellenic Council (NPHC).

Community Service and Outreach

LOCATION: Guillot University Center, Student Engagement Center

WEBSITE: una.edu/communityservice • **PHONE:** 256.765.4248

The act of service is not only good for the people and places that are being helped, but it is also a great way for students to connect with other peers on campus, develop leadership skills, and become a catalyst for social change. There are a variety of opportunities offered through the Student Engagement Center that encourage volunteerism and community service.

Alternative Breaks

Every academic year, the Alternative Breaks program utilizes university breaks (i.e., Winter Break and Spring Break) in order to make an impact on communities across the United States and the world based on various social justice topics. Participants engage in pre-trip meetings to prepare for the break and spend their time in direct, hands-on service during the breaks. Upon return, students participate in a re-orientation process that

connects their experiences back to their own communities in hopes of continuing a lifestyle of mindful service. The AB program has worked with a variety of topics including, but not limited to, homelessness, poverty, education, disaster relief, animal welfare, women's advocacy, financial literacy, and much more!

The AB program allows students to take the lead in planning and executing the breaks, creating one of the most unique leadership opportunities on campus. Site Leaders are responsible for selecting the community and social justice topic of focus, organizing logistics, leading pre-trip meetings, and facilitating reflections during the break. Site Leaders are provided with extensive training to prepare for leading a break and on-going support from the Alternative Breaks staff advisor.

Community Service

Large-scale community service projects such as the National Day of Service and MLK Day of Service provide opportunities for students across campus to participate in serving the local community together. These events allow students to jump-start each semester by volunteering and building relationships with others. Additional events such as the Lions Lend a Hand volunteer fair and National Volunteer Week also provide students with a connection to the local community through volunteerism.

UServe and Action Groups are service programs created through a partnership with Community Service and Outreach and the Mitchell-West Center for Social Inclusion. UServe is an interactive, monthly program that incorporates education, training, service, and reflection to create dynamic social change. Each month focuses on the social challenges that exist today and connects with local agencies and organizations that work with those specific topics to help provide a better understanding and experience. Action Groups are collective volunteer efforts that are focused on social topics. Students can sign up for the topics of their choice and receive monthly opportunities of how they can learn about and contribute to efforts supporting those causes.

Aside from organized events and programs, there are always opportunities for students to connect with community organizations for volunteer purposes on their own time. Student Engagement focuses on connecting students with meaningful and intentional service experiences and opportunities.

The Pantry

The mission of The Pantry is to support the basic needs of the UNA community and raise awareness about the growing issue of food insecurity across campus. The Pantry consists of non-perishable food items as well as toiletries and other basic needs items that can be picked up from one of the two pantry locations on campus. Requests are submitted via an online form and students are notified through their UNA email account when their order is ready. The Pantry accepts and receives donations from community and campus individuals and organizations and is available seven days a week, including holidays, and during the academic school year. Further details are given at <https://www.una.edu/foodpantry>.

The Keller Key award was established as a memorial to the late President James Albert and Mrs. Mariglen Keller. A Keller Key is presented at each commencement to the honor graduate(s) who, on the basis of having earned all credits for the bachelor's degree at this university, has made the highest grade point average. The recipient(s) of the Keller Key will be identified by the Registrar's Office in accordance with established guidelines. For this purpose, all academic work ever attempted at UNA will be included in the calculation of the GPA. A student may receive the award only once even though more than one degree may be earned.

The Turris Fidelis Award may be awarded to no more than two graduating seniors at spring commencement. Students who have graduated since the previous spring semester as well as those planning to graduate in the spring will be considered candidates for the award. Individuals are nominated by student organizations and the winner is selected by a student committee.

Outstanding Volunteerism, Group/RSO

The Outstanding Volunteerism Award for a Group/RSO is presented to a student organization who has contributed their time to bettering the UNA and surrounding communities. The recipient is selected based on the quality of the service they have provided to the community. Lion's Gate Apartments are located less than one mile from campus on North Pine Street. Our newest apartment complex, Grandview Campus Place, is located on Graham Avenue about one mile from the campus off of North Pine Street.

Policies and Community Living Standards

In addition to the University Student Conduct Policies (found [here](#)), Housing & Residence Life has residential policies that all students and guests are expected to abide by. These policies apply to university apartments and

residence halls. Please review the [Guide To Campus Living](#) for additional information.

University of North Alabama Code of Student Conduct

Students Rights and Responsibilities

UNA students are responsible for knowing the information, policies and procedures outlined in this document and posted on the University website. The University reserves the right to make changes to this code as necessary and once those changes are posted online, they are in effect. Students are encouraged to check online at una.edu/student-conduct/index.html for the updated versions of all policies and procedures.

The University of North Alabama Code of Student Conduct is adapted from The NCHERM Group Model Developmental Code of Student Conduct and is used with permission.

Philosophy

The University community is committed to fostering a campus environment that is conducive to academic inquiry, a productive campus life and thoughtful study and discourse. The student conduct program within the Office of Student Conduct is committed to an educational and developmental process that balances the interests of individual students with the interests of the University community.

A community exists on the basis of shared values and principles. At UNA, student members of the community are expected to uphold and abide by certain standards of conduct that form the basis of the Code of Student Conduct. These standards are embodied within a set of core values that include integrity, community, social justice, and respect.

Each member of the University community bears responsibility for their conduct and to assume reasonable responsibility for the behavior of others. When members of the community fail to exemplify these values by engaging in violation of the rules below, campus conduct proceedings are used to assert and uphold the Code of Student Conduct.

The student conduct process at the University is not intended to punish students; rather, it exists to protect the interests of the community and to challenge those whose behavior is not in accordance with our policies. Sanctions are intended to challenge students' moral and ethical decision-making and to help them bring their behavior into accord with our community expectations. When a student is unable to conform their behavior to community expectations, the student conduct process may determine that the student should no longer share in the privilege of participating in this community.

Students should be aware that the student conduct process is quite different from criminal and civil court proceedings. Procedures and rights in student conduct procedures are conducted with fairness to all, but do not include the same protections of due process afforded by the courts. Due process, as defined within these procedures, assures written notice and a hearing before an objective decision-maker. No student will be found in violation of UNA policy without information showing that it is more likely than not that a policy violation occurred and any sanctions will be proportionate to the severity of the violation and to the cumulative conduct history of the student.

Jurisdiction

The Code of Student Conduct and the student conduct process apply to the conduct of individual students, both undergraduate and graduate, including all UNA-affiliated student organizations. For the purposes of student conduct, the University considers an individual to be a student when an offer of admission has been extended and thereafter as long as the student has a continuing educational interest in the University.

The University retains conduct jurisdiction over students who choose to take a leave of absence, withdraw or have graduated for any misconduct that occurred prior to the leave, withdrawal or graduation. If sanctioned, a hold may be placed on the student's ability to re-enroll [and/or obtain official transcripts and/or graduate] and all sanctions must be satisfied prior to re-enrollment eligibility.

The Code of Student Conduct applies to behaviors that take place on the campus, at UNA-sponsored events and may also apply off-campus when the Director of Student Conduct or designee determines that the off-campus conduct affects a substantial UNA interest. A substantial UNA interest is defined to include:

- Any situation where it appears that the student's conduct may present a danger or threat to the health or safety of him/herself or others; and/or
- Any situation that significantly impinges upon the rights, property or achievements of self or others or significantly breaches the peace and/or causes social disorder; and/or
- Any situation that is detrimental to the educational mission and/or interests of the University.

The Code of Student Conduct may be applied to behavior conducted online, via email or other electronic medium. Students should also be aware that online postings such as blogs, web postings, chats and social networking sites are in the public sphere and are not private. These postings can subject a student to allegations of conduct violations if evidence of policy violations is posted online. The University does not regularly search for this information but may take action if and when such information is brought to the attention of UNA officials.

The Code of Student Conduct applies to guests of community members whose hosts may be held accountable for the misconduct of their guests. Visitors to and guests of UNA may seek resolution of violations of the Code of Student Conduct committed against them by members of UNA community.

Core Values of Student Conduct

- **Integrity:** UNA students adhere to personal, academic, and intellectual integrity.
- **Community:** UNA students embrace the diversity of cultural backgrounds, personal characteristics, and life situations represented in this community.
- **Social Justice:** UNA students value an environment for the free expression of ideas, opinions, thoughts, and differences in people. They understand and appreciate how their decisions and actions impact others and are just and equitable in their treatment of all members of the community. They act to discourage and challenge those whose actions may be harmful to and/or diminish the worth of others.
- **Respect:** UNA students respect the rights, dignity and property of all.
- **Responsibility:** UNA students are given and accept a high level of responsibility to self, to others and to the community.

Overview of the Conduct Process

Possible violations of University policy and/or the Code of Student Conduct may be reported by any member of the University community. Once a Referral Form/report is submitted, the following procedures will be followed:

- Based on the information in the report, the Director of Student Conduct or his/ her designee, does an initial inquiry to determine whether the alleged behavior may be a violation of the Code of Student Conduct or other university policy.
- If determination is made in the affirmative, the Responding Party is notified in writing of the possible violation and the date, time, and place of the student conduct conference. The conference is an informal, non-adversarial meeting between a student and a University Conduct Officer.
- During the conference, the Conduct Officer presents the information in the report, listens to the student, discusses circumstances regarding the incident, and hears student concerns.
- If the responding party admits responsibility, the Conduct Officer will render a finding that the individual is in violation of the Code of Student Conduct and will implement sanctions.
- If the Responding Party denies responsibility, a full investigation begins and, where applicable, written statements and/or interviews will be requested from witnesses, and involved parties.
- Based upon the investigation and the preponderance of evidence, the conference will ultimately result in a finding of responsible or not responsible.
- If the finding is responsible, the Responding Party may choose to either accept the assigned sanction(s) or submit a written appeal to the Conduct Officer within three (3) business days from the date of receipt of the decision. A student may only appeal a sanction of Removal from University Housing or Suspension to Permanent Expulsion from the University.
- In cases of accusation of violations of the Code of Student Conduct that could result in suspension from the University or removal from the residence halls, the Director of Student Conduct or his/her designee may appoint two Conduct Officers to investigate the student conduct case. All investigations will be thorough, reliable, impartial, prompt and fair. Investigations entail interviews with all relevant parties and witnesses, obtaining available evidence and identifying sources of expert information, as necessary.
- If a student respondent fails to appear for the conference the meeting may be held without his/her presence or statements and/or the student may be charged with failing to comply and may be suspended until they do appear.
- At any point during the investigation, if it is determined there is no reasonable cause to believe that UNA policy has been violated, the Director of Student Conduct has authority to terminate the investigation and end

resolution proceedings. All investigations are conducted so as to provide the responding party with appropriate due process, including written notice of the allegations. The investigators will fully inform the responding party of all evidence obtained in the course of the investigation, and will offer the responding party a full fair opportunity to respond to and rebut the allegations of misconduct. In this sense, interviews during the course of the investigation conducted as administrative hearings.

- Witnesses (as distinguished from the parties) are expected to cooperate with and participate in UNA's investigation. Failure of a witness to cooperate with and/or participate in the investigation constitutes a violation of policy and may be subject to discipline. Witnesses may provide written statements in lieu of interviews during the investigation and may be interviewed remotely by phone, Skype (or similar technology), if they cannot be interviewed in person or if the investigators determine that timeliness or efficiency dictate a need for remote interviewing.
- In cases of sexual misconduct and/or other violations that fall under Title IX (sexual harassment, sexual assault, stalking, intimate partner violence), the Title IX Coordinator or his/her designee does the initial inquiry and assigns investigators if the case moves forward. For more information on Title IX investigations, see una.edu/titleix/policies-and-procedures.html.
- If during a Title IX investigation it is determined that there is not a Title IX violation, there may still be a violation according to the University Student Code of Conduct or other University Policies and the individual may be sanctioned accordingly.

Student's Procedural Rights

When a student or student organization representative appears for a student conduct conference before the Director of Student Conduct or before a University Student Conduct Officer(s), the following procedural rights will be accorded:

- To receive a letter of notification with the date, time, and place of the student conduct conference.
- To have an advisor present during the student conduct conference; however, the advisor may not participate in presenting the case, question witnesses, or make statements during the conference. The advisor may not act as legal counsel. An attorney may be present only if the student has been charged with a felony offense and/or the case is related to possible Title IX violations.
- To receive written notification of the decision of the student conduct conference within ten (10) business days, barring unforeseen circumstances.
- To either accept responsibility for the violation(s) and the assigned sanction(s) or submit a written appeal to the Conduct Officer within three (3) business days from the date of receipt of the decision. A student may only appeal a sanction of Removal from University Housing or Suspension to Permanent Expulsion from the University.

In cases of alleged sexual misconduct, and/or other possible Title IX violations, both the Reporting Party and Responding Party may appeal the finding of an investigation. Title IX appeals are heard by the Equity Resolution Panel. (See una.edu/titleix/policies-and-procedures.html)

Appeals

A student found responsible for a Code of Student Conduct violation may only appeal a sanction of Removal from University Housing or Suspension to Permanent Expulsion from the University, with the exception of cases involving allegation of sexual misconduct. Appeals requests are limited to the following grounds:

- 1) A procedural error occurred that significantly impacted the outcome of the hearing (e.g., substantiated bias, material deviation from established procedures, etc.);
- 2) To consider new evidence, unavailable during the original hearing or investigation, that could substantially impact the original finding or sanction.⁴ A summary of this new evidence and its potential impact must be included;
- 3) The sanctions imposed are substantially outside the parameters or guidelines set by the University for this type of offense or the cumulative conduct record of the responding student.

Appeals shall be heard by the Assistant Vice President for Student Affairs or his/her designed Appeal Review Officer, or in cases of alleged sexual misconduct and/or other Title IX violations, an Equity Resolution Panel.

A written request for an appeal by the student must be submitted to the Office of Student Conduct within three

(3) business days of notification of results of the original hearing or conference. The Office of Student Conduct may administer the notification of hearing results via students' official University email address.

The Appeal Review Officer or Equity Resolution Panel may sustain or modify the sanction set by the Office of Student Conduct when he/she determines that the sanction recommended was outside the University's sanction range for such violations and/or not justified by the nature of the offense. The person conducting the appeal will forward a written decision and rationale to the Director of Student Conduct and/or Title IX Coordinator within ten (10) business days of receiving the sanction review request.

Sanctions

One or more of following sanctions may be imposed upon any student for any single violation of the Code of Student Conduct:

- 1) **Warning:** An official written notice that the student has violated UNA policies and/or rules and that more severe conduct action will result should the student be involved in other violations while the student is enrolled at the University.
- 2) **Restitution:** Compensation for damage caused to the University or any person's property. This could also include situations such as failure to return a reserved space to proper condition – labor costs and expenses. This is not a fine but, rather, a repayment for labor costs and/or the value of property destroyed, damaged, consumed, or stolen.
- 3) **Fines:** Reasonable fines may be imposed.
- 4) **Community/UNA Service Requirements:** For a student or organization to complete a specific supervised UNA service.

Audience may be restricted.
- 9) **Restriction of Visitation Privileges:** May be imposed on a resident or non-resident student. The parameters of the restriction will be specified.
- 10) **UNA Housing Probation:** Official notice that, should further violations of Housing and Residence Life or UNA policies occur during a specified probationary period, the student may immediately be removed from UNA housing. Regular probationary meetings may also be imposed.
- 11) **UNA Housing Reassignment:** Reassignment to another UNA housing facility. Housing and Residence Life personnel will decide on the reassignment details.
- 12) **UNA Housing Suspension:** Removal from UNA housing for a specified period of time after which the student is eligible to return. Conditions for re-admission to UNA housing may be specified. Under this sanction, a student is required to vacate UNA housing within 24 hours of notification of the action, though this deadline may be extended upon application to, and at the discretion of, Housing and Residence Life personnel. This sanction may be enforced with a trespass action if deemed necessary. Prior to reapplication for UNA housing, the student must request a Housing Readmission Review with the Department of Housing and Residence Life to determine whether or not the student may return to University Housing, if so, whether any restrictions apply.
- 13) **UNA Housing Expulsion:** The student's privilege to live in, or visit, any UNA housing structure is revoked indefinitely. This sanction may be enforced with a trespass action if deemed necessary.
- 14) **UNA Probation:** The student is put on official notice that, should further violations of UNA policies occur

during a specified probationary period, the student may face suspension or expulsion. Regular probationary meetings may also be imposed.

15) Eligibility Restriction: The student is deemed “not in good standing” with the University for a specified period of time. Specific limitations or exceptions may be granted by the Director of Student Conduct or his/ her designee and terms of this conduct sanction may include, but are not limited to, the following:

- a) Ineligibility to hold any office in any student organization recognized by the University or hold anelected or appointed office at the University; or
- b) Ineligibility to represent the University to anyone outside the University community in any way including: participating in the study abroad program, attending conferences, or representing the University at an official function, event or intercollegiate competition as a player, manager or student coach, etc.

16) UNA Suspension: Separation from the University for a specified minimum period of time, after which the student is eligible to return. Eligibility may be contingent upon satisfaction of specific conditions noted at the time of suspension. The student is required to vacate the campus within 24 hours of notification of the action, though this deadline may be extended upon application to, and at the discretion of, the Director of Student Conduct or his/her designee. During the suspension period, the student is banned from university property, functions, events and activities without prior written approval from the Director of Student Conduct or his/her designee. This sanction may be enforced with a trespass action as necessary.

17) UNA Expulsion: Permanent separation from the University. The student is banned from university property and the student’s presence at any UNA-sponsored activity or event is prohibited. This action may be enforced with a trespass action as necessary.

18) Other Sanctions: Additional or alternate sanctions may be created and designed as deemed appropriate to the offense with the approval of the Director of Student Conduct or designee.

The following sanctions may be imposed upon groups or organizations found to have violated the Code of Student Conduct:

- 1) One or more of the sanctions listed above, specifically 1 through 18.

- 10) University Police** - The University Police Department functions to ensure the safety and security of the University of North Alabama campus, its faculty, staff, students, guests, and visitors. Police officers are on duty at all times and have the authority to enforce federal, state, and municipal laws, as well as university rules and regulations. Some of their duties include enforcement of applicable university parking regulations, traffic management, overall safety of persons, and security of property. The officers are certified, upon completion of a police academy program administered by the Alabama Peace Officers Standards and Training Commission in accordance with Section 7, Subsection C. Legislative Act 1981, Amending Act 156 of the Code of Alabama. The officers have authority in university-related matters throughout the state of Alabama and cooperate with other law enforcement agencies.

Family Educational Rights and Privacy Act (FERPA)

FERPA is a Federal law that regulates how students' educational records are maintained and under what provisions certain student records can/should be released. Throughout primary and secondary education, rights related to students' educational records belong to parents or legal guardians of the student. When a student becomes 18 years of age or enters postsecondary education, these rights transfer to the student.

In accordance with the Family Educational Rights and Privacy Act (See 513 or PL93-380, education amendments of 1974, which amends the General Education Provisions Act, Sec. 438) students of the University of North Alabama are hereby informed of their right to access their official records as described in the act. Students who wish to withhold directory information should file this request in the Office of the Registrar prior to the end of the registration period for any given term - a student may examine his/her official academic record during working hours in the Registrar's Office upon presentation of appropriate picture identification.

The following is a list of directory information which may be made available regarding students of the University without their prior consent and is considered part of the public record of their attendance:

- Name
- Permanent and Local Addresses
- Telephone Listing
- Email Addresses
- Degree Program(s)/Major(s)
- Dates of Attendance
- Enrollment Status
- Degree(s)/Honor(s)/Award(s) Received and Date(s)
- High School(s) and Other Colleges and Universities Attended
- Participation in Officially Recognized Organizations, Activities and Sports
- Weight and Height of Members of Athletic Teams
- Photographs and Digital Imaging

FERPA also provides exceptions for release of information under certain circumstances. As provided for under FERPA, UNA notifies parents/guardians when certain violations of the Code of Student Conduct occur (see "UNA Parental Notification Policy" below). A more complete statement of student rights under FERPA is available on the Department of Education website www2.ed.gov/policy/gen/guid/fpco/ferpa.

Academic Honesty

Students are expected to be honorable and observe standards of conduct appropriate to a community of scholars. Additionally, students are expected to behave in an ethical manner. Individuals who disregard the core values of truth and honesty bring disrespect to themselves and the University. A university community that allows academic dishonesty will suffer harm to the reputation of students, faculty and graduates.

It is in the best interest of the entire university community to sanction any individual who chooses not to accept

the principles of academic honesty by committing acts such as cheating, plagiarism, or misrepresentation. Offenses are reported to the Vice President for Academic Affairs and Provost for referral to the University Student Conduct System for disposition.

Students of the university academic community are expected to adhere to commonly accepted standards of academic honesty. Allegations of academic dishonesty can reflect poorly on the scholarly reputation of the University including students, faculty and graduates. Individuals who elect to commit acts of academic dishonesty such as cheating, plagiarism, or misrepresentation will be subject to appropriate disciplinary action in accordance with university policy.

Incidents of possible student academic dishonesty will be addressed in accordance with the following guidelines:

1. The instructor is responsible for investigating and documenting any incident of alleged academic dishonesty that occurs under the instructor's purview.
2. If the instructor finds the allegation of academic dishonesty to have merit, then the instructor, after a documented conference with the student, will develop a plan for disciplinary action. If the student agrees to this plan, then both instructor and student will sign the agreement. The faculty member will forward a copy of the signed agreement to the Office of Student Conduct for record-keeping purposes.
3. If the student disagrees with the instructor's proposed plan for disciplinary action and wishes to take further action, he/she is responsible for scheduling a meeting with the chair of the department where the course is housed to appeal the proposed disciplinary plan. The department chair shall mediate the matter and seek a satisfactory judgment acceptable to the faculty member based on meetings with all parties. If a resolution is reached, the disposition of the case will be forwarded to the Office of Student Conduct. If a resolution at the departmental level is not reached and the student wishes to take further action, he/she is responsible for scheduling a meeting with the dean of the college where the course is housed to appeal the proposed disciplinary plan. The college dean shall mediate the matter and seek a satisfactory judgment acceptable to the faculty member based on meetings with all parties. If a resolution is reached, the disposition of the case will be forwarded to the Office of Student Conduct. If a resolution at the college level is not reached and the student wishes to take further action, he/she is responsible for scheduling a meeting with the Vice President for Academic Affairs and Provost (VPAA/P) to appeal the proposed disciplinary plan. The VPAA/P shall mediate the matter and seek a satisfactory judgment acceptable to the faculty member based on meetings with all parties. After reviewing all documentation, the VPAA/P may, at his/her discretion, choose either to affirm the proposed action, to refer the case to the Office of Student Conduct for further review, or to dismiss the matter depending on the merits of the case. The final disposition of the case will be disseminated to appropriate parties, including the Office of Student Conduct.
4. If a student is allowed academic progression but demonstrates a repeated pattern of academic dishonesty, the VPAA/P may, after consultation with the Office of Student Conduct, assign additional penalties to the student, including removal from the University.

Alcohol and Other Drugs

UNA's Code of Student Conduct prohibits the unlawful possession, use, or distribution of alcohol and other drugs by students and student organizations. The regulations also prohibit other alcohol-related misconduct. Students under the age of 21 are prohibited from possession and consumption of alcohol. All students are prohibited from the use and possession of illegal drugs. In addition, student organizations sponsoring events where alcohol is present are subject to the requirements and guidelines outlined in the [*University's Statement and Regulations Regarding Alcoholic Beverages at Social Functions*](#). See also Parental Notification and Medical Amnesty policies.

Parental Notification

A Family Educational Rights and Privacy Act (FERPA) amendment, adopted in the fall of 1998, permits colleges and universities to inform the family of a student under 21 years of age when their student has been found in violation of university alcohol or other drug policies and/or in the case of a health or safety emergency.

The University of North Alabama is concerned about the use of alcohol among minors and recognizes that parents are important partners in student success. As such, Student Conduct procedures include parental notification once a student under the age of 21 has been found in violation of an alcohol or other drug offense.

A letter of notification is sent by certified mail, generally within three business days of the determination that the student violated University alcohol or other drug policies.

Medical Amnesty/Good Samaritan Policy

The health and safety of students is a primary concern at UNA. As such, in cases of severe alcohol/drug intoxication and/or alcohol poisoning, the University encourages individuals to seek medical assistance for themselves or others. If an individual seeks medical attention due to his/her level of intoxication, the Office of Student Conduct will not pursue conduct sanctions against the student for the sole violation of using or possessing alcohol or drugs. Additionally, those students who assist in obtaining medical attention for individuals who are intoxicated will not receive student conduct sanctions for violations of the Alcohol Policy in the Code of Student Conduct. In lieu of student conduct sanctions, the intoxicated student (and possibly the referring student) will be required to meet with the Director of Student Conduct or his/ her designee who may recommend educational components such as alcohol education, counseling, and/or an alcohol and substance abuse assessment.

Serious or repeated incidents will prompt a higher degree of concern/response which may include referral to the student conduct system. The Medical Amnesty Policy does not preclude student conduct sanctions due to any other violations of the Code of Student Conduct (not related to the Alcohol Policy). Likewise, the Medical Amnesty Policy does not prevent action by University Police or other law enforcement personnel. In circumstances where an organization is found to be hosting an event where medical assistance is sought for an intoxicated guest, the organization (depending upon the circumstances) may be held responsible for violations of the Alcohol Policy. However, the organization's willingness to seek medical assistance for a member or guest will be viewed as a mitigating factor in determining a sanction for any violations of the Alcohol Policy.

² Subject, of course, to statutorily conveyed rights to carry/possess weapons on campus and/or in locked vehicles on campus.

³ This policy attempts to balance the need of the community to create a civil climate while also embracing the 1st Amendment protection that attaches to most harassing speech that is simply offensive.

⁴ Failure to provide information during or participate in an investigation or a hearing, even resulting from concern over pending criminal or civil proceedings, does not make evidence "unavailable" at the time of the hearing.

⁵ Computation of time: When any period of time is referred to, such period in all cases are computed to exclude the first and include the last day of such period. Business days include normal University operating days and exclude holidays and weekends. The last business day ends at 4 p.m.

Pre-admission Review and Re-enrollment for Applicants with Known Behavior Problems

Students with Known Behavior Problems

Members of the University of North Alabama accept their obligation to provide for its students an atmosphere which protects and promotes an educational mission and which guarantees an orderly and effective operation. To protect the educational process and to provide for the safety of members of the University community and the institution's property, the University has the responsibility to set and maintain standards of conduct for members of that community and for those seeking admission into that community. Therefore, a pre-admission review is required when known facts suggest that an applicant's behavior may, as a student, endanger the health and safety of University community members, jeopardize property of the University or its members and visitors or adversely affect the educational mission of the University.

If the University learns that an applicant for admission or re-enrollment has been involved in prior misconduct, incarcerated or has been involved in other illegal activities, the University reserves the rights to determine the acceptability of the applicant or enrollee as a student. Such identified applicants are subject to review procedures administered by the appropriate office, such as Student Conduct, Office of Admissions, or University Health Services.

The review procedures may be used in considering requests for non-degree, condition, or degree admission, re-enrollment and changes from non-degree to degree status. The following guidelines apply to the circumstances identified:

1. The applicants for admission and re-enrollment will not be considered for enrollment on University campuses or property while incarcerated in any federal, state, county or city prison, or jail, including youth detention centers.
2. Applicants on **parole, probation** or any type of **intermediate punishment** or house arrest program are subject to review procedures prior to consideration for admission, continued enrollment or re-enrollment.
3. Applicants with past disciplinary history or any type of disciplinary sanctions are subject to review procedures prior to consideration for admission, continued enrollment, or re-enrollment.
4. Incarcerated individuals enrolled in University programs or courses conducted off-campus or off University property are subject to review procedures prior to consideration for a change from non-degree/provisional status to degree status.
5. Applicants with known emotional and/or psychological problems who have engaged in violations of the law or past misconduct related to a prior university's rules or policies that was disruptive or threatening to the functioning and well-being of self or others are subject to review procedures prior to an admission, continued enrollment or readmission final decision.
 - a. No inquiries shall be made regarding an applicant's background prior to the submission of an application.
 - b. When an application for admission is submitted, no pre-admission background inquiries shall be made regarding an applicant. However, if the University has a specific factual basis regarding an individual, which indicates the applicant may pose a substantial risk of harm or disruption to the University community, then exclusion may be warranted.

To be considered for admission, continued enrollment or re-enrollment, consistent with these guidelines, the following review procedures will be required of those described by Circumstances 1, 2, 3, and 4 above:

1. Release of information from previous educational institutions attended, parole officers, prison officials, psychiatrists, psychiatric social workers, pre-college or college administrators, and other professionals will be requested when the information has a direct bearing on the applicant's behavior and suitability for enrollment at the University.
2. Personal meeting with the Director of Student Conduct, the Vice President for Student Affairs, or his/her designee to address the following:
3. In detail, the nature of the individual's activities since incarceration, commitment, treatment, or applied sanctions.

4. The reasons why the applicant feels he/she should be admitted or re-enrolled to the University.
5. The reasons why the individual believes he/she would be able to abide by the rules and regulations of the University if permitted to enroll, and;
6. Depending upon the nature of the facts with respect to the applicant’s history, special requirements may be stipulated such as, but not limited to, a personal review, a psychiatric or psychological evaluation by University counseling staff or a comprehensive diagnostic/treatment report from a duly recognized mental health practitioner of the University’s choice.

Re-enrollment Procedures from Suspension

Suspension from the University is assigned for a specified period of time and excludes the student from registration, class attendance, residence on campus, and use of university facilities. A student is not permitted on any campus of the University during the period of suspension unless specific permission is obtained from the Director of Student Conduct, the Vice President for Student Affairs, or his or her designee. Disciplinary suspension is recorded on the student’s electronic educational record during the period of suspension. Students may apply for readmission through the Office of Student Conduct when the period of suspension is terminated.

Education

UNA has chosen to use Get Inclusive as an online educational tool to educate students on various topics to prepare you for student life. All incoming freshmen and first-year transfer students attending UNA must complete Voices for Change through Canvas. Failure to successfully complete this mandatory course may result in additional educational information and/or a meeting with the Office of Title IX and/or the Office of Student Conduct.

You will receive information to your UNA email about logging in with your UNA credentials through Canvas.

Being an Active Bystander

As a member of the UNA community, students have the ability to act to prevent or intervene in a potentially harmful situation. A bystander is any person who notices a behavior or situation that could lead to something bad and are faced with the choice to help, do nothing, or contribute to the negative behavior. An active bystander is any person who does something to decrease the likelihood that something bad will occur or get worse. As an active bystander, there are positive and safe ways to prevent or intervene when there is a risk of behaviors such as discrimination, bullying, sexual harassment, sexual violence, intimate partner violence, or any other type of sexual misconduct that could occur on a college campus.

UNA wants to be on the forefront when it comes to educating our students on what it means to be an active bystander. Bystander intervention education is provided throughout the academic year. In the meantime, students are encouraged to:

1. Recognize behaviors that might be high risk for violence or harm.
2. Attempt to help, but keep yourself safe. Methods of intervention may include:
 - a. Checking in with the person to see if he/she is OK or needs help,
 - b. Creating a distraction,
 - c. Delegating or reporting to someone else who can help, and/or,
 - d. Checking up on the person later, even after a delay.

University Policies and Protocols

Accommodations for Disability

In accordance with the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973, the University offers reasonable accommodations to students with eligible documented learning, physical and/or psychological disabilities. Under Title II of the Americans with Disabilities Act (ADA) of 1990, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Amendments Act of 2008, a disability is defined as a physical or mental impairment that substantially limits one or more major life activities as compared to an average person in the population. It is the responsibility of the student to contact Disability Support Services to initiate the accommodation process to develop an accommodation plan. Appropriate, reasonable accommodations will be made to allow each student to meet course requirements, but no fundamental or substantial alteration of academic standards will be made. Students needing assistance should contact Disability Support Services (256.765.4214). Accommodations are not retroactive.

UNA Sexual Misconduct Policy

The UNA Policy against Sexual Harassment and other Sexual Misconduct (Sexual Misconduct Policy) document was vetted through the Shared Governance process in Fall 2020. It was approved by Shared Governance on January 5, 2021, approved by the Board of Trustees on March 5, 2021, and is implemented as of April 1, 2019:

[UNA Sexual Misconduct Policy and Procedures](#)

Free Speech and Assembly

The University of North Alabama recognizes that in the community of scholars there are certain indisputable rights to freedom of inquiry, freedom of thought, and freedom of expression. The university encourages the search for truth and knowledge and does not abridge searchers' rights to reveal their findings, by both spoken and written word, even if in so doing they might find themselves at variance with their peers as well as the lay community. Consistent with the mission of the University and in the spirit of academic inquiry, to dissent, to disagree with generally accepted truth and knowledge is acceptable. The university also stands for the right of all the university community to pursue their legitimate activities without interference, intimidation, coercion, or disruption. The university will protect the rights of freedom of speech, expression, petition, and peaceful assembly and affirms all rights and freedoms guaranteed under the Constitution of the United States.

Procedure

Reasonable time, place, and manner restrictions will be enforced. However, the enforcement will not depend, in any way, on the subject matter involved in an expressive activity. It is strongly suggested that all activities be registered with the appropriate office based on the building you are intending to reserve in advance in order to make adequate arrangements for safety and security and to insure the space desired is available. Information can be found at Office of University Center Operations and Event Management located in GUC 107.

The University of North Alabama provides forums for the expression of ideas and opinions, such as the following:

1. Traditional public forums include the university's public streets, sidewalks, parks, and similar common areas such as the grass and sidewalk around the Amphitheater. These areas are generally available for non-amplified expressive activity, planned or spontaneous, for the individual or small group at any time

- without the need for reservation or prior approval, unless the space is already scheduled.
2. Designated public forums include other parts of the campus that may become temporarily available for non-amplified expressive activity as designated by the university. Examples of designated forums include parking lots and athletic fields.
 3. Non-public forums are areas that are not traditional public forums or designated public forums. These locations will be restricted to use for their intended purpose and are typically not available for public expressive activity. Examples include, but are not limited to, classrooms, residence halls, faculty and staff offices, academic buildings, administration buildings, medical treatment facilities, libraries, research and computer labs, and private residential housing on campus.
 4. Additionally, security considerations may affect the availability of spaces that would otherwise be available.

Disruptive activities will not be allowed. The university has defined a disruptive activity as any action by an individual, group, or organization to impede, interrupt, interfere with or disturb the holding of classes, the conduct of the university business, or the authorized scheduled events and activities of any and all segments of the university. Furthermore, any activity that incites imminent lawless action or that triggers an automatic violent response will be considered disruptive. In addition to any potential criminal penalties, students engaging in disruptive activities will be referred to the Office of Student Conduct, and employees will be referred to Human Resources.

Guidelines

1. Registered university organizations and university departments may display signs and banners at designated locations on campus. For information regarding these designated locations, contact the Office of University Center Operations and Event Management located in GUC 107.
2. Literature can be distributed in public forums. However, the party distributing the literature is responsible for cleaning up any discarded paper and restoring the campus to its previous condition. Literature may not be distributed in non-public forums.
3. No amplification equipment may be used.
4. Use of campus land is on a temporary basis.
5. Flyers may be placed on open bulletin boards inside or outside university buildings.
6. No activity will be permitted that blocks access to university buildings, streets, sidewalks, or facilities, defaces property, injures individuals, unreasonably interferes with regular or authorized university activities or functions, or disrupts the free flow of pedestrian or vehicular traffic.

Review

The Vice President for Student Affairs is responsible for the review of this operating policy every four years or as needed.

Approved by Shared Governance Executive Committee and President Kenneth Kitts, May 9, 2019

Withdrawal Procedures

Withdrawal from the University

Students who wish to withdraw from the University with up to 75% completion must first notify the Office of the Registrar and follow official procedures. The grade of **W** will be recorded for each registered course.

Withdrawal from the University after 75% completion date requires consultation with the Office of the Registrar and possible referral to University Case Manager. In cases where withdrawal from the University is unavoidable, such as a medical emergency (see UNA Medical Withdrawal Policy), the grade of **W** will be uniformly recorded. In cases where withdrawal from the University is optional, the student will receive the grades earned in each course.

Medical Withdrawal Procedures

Request for a medical withdrawal (serious physical and/or psychological illness of the student) is voluntary and limited to students who have not taken a final exam or otherwise completed coursework for a final grade.

A medical withdrawal is appropriate when, by recommendation of a licensed health care provider (physician, nurse practitioner or licensed mental health professional), a student cannot continue enrollment in his/her courses because of a serious physical and/or psychological condition. Because serious health conditions usually impact all courses, requests for a medical withdrawal result in a withdrawal from all classes and the University. Students are encouraged to contact their advisors, their academic deans and financial services before withdrawing from the University. Withdrawal can impact financial aid, veteran's benefits, international student standing, and eligibility for athletes and on-campus housing.

A student requesting withdrawal based on medical circumstances should complete the [Student Request for Medical Withdrawal Form](#) and submit it, along with accompanying documentation by fax or time permitting by mail to the University Case Manager. The [Licensed Provider Recommendation for Medical Withdrawal form](#) should be faxed (256-765-4235) or with time permitting mailed (University Case Manager, 1 Harrison Plaza, UNA Box 5023, Florence, AL 35632), by the provider. The student will be expected to sign a release to the provider so documentation can be verified by the University Case Manager; failure to do so will result in denial of request.

Documentation will be reviewed by a committee of three persons, from the Office of Disability Support Services, University Health Services and the University Case Manager. The committee will be appointed by the Assistant Vice President for Student Affairs. The committee may approve, deny or request further documentation upon review. If further documentation is requested by the committee, the student will have three (3) business days from the date of notification via university email to provide requested documentation.

If the medical withdrawal is approved, documentation will be submitted to the Office of the Registrar regarding the student's medical withdrawal, and the student will receive grades of **W** on transcripts. If the medical withdrawal is denied, the student will meet with the University Case Manager to discuss further options. The student will be notified of the committee's decision by official university email within five (5) business days of submission of a completed application. A hold will be placed on the student's record until they have been approved for re-enrollment; see Enrollment Following a Medical Withdrawal.

Falsely attesting to the eligibility on the Student Request for Medical Withdrawal form is a violation of the Code of Student Conduct and may result in the revocation of a Medical Withdrawal and/or referral to the Office of Student Conduct.

If the student's medical condition so incapacitates the student that he/she cannot act on their own behalf, the student's parent, legal guardian or representative should contact the University Case Manager, 256-765-4531, for assistance.

Enrollment Following A Medical Withdrawal

Students with plans to enroll in subsequent semesters or summer terms following a medical withdrawal will be required to submit medical documentation from a licensed health care provider, [Licensed Provider Recommendation for Return to Campus \(Medical Clearance\)](#), which indicates readiness to return to an academic environment. The student will be expected to sign a release for the treating physician/facility to the University Case Manager for verification purposes; failure to do so will result in denial of request. Additionally, academic units reserve the right to request further documentation and/or other requirements specific to the student. All documentation will be submitted to the University Case Manager, reviewed by the committee and kept confidential. This information should be submitted ten (10) business days prior to the start of the semester in which the student wishes to enroll. A hold will be placed on the student's registration until this documentation is submitted. If the student has already registered for the following semester, the schedule will be dropped if

documentation is not submitted by a specified date and/or the student has not contacted the University Case Manager.

The student may be required to fulfill additional requirements set forth by the committee and/or the University CARE Team to promote the student's success and continued community safety. Falsely attesting to the eligibility on the Student Request for Medical Withdrawal form is a violation of the Code of Student Conduct and may result in the revocation of a medical withdrawal and/or referral to the Office of Student Conduct.

Notes and Exceptions

1. In determining the scholastic standing of a student who has officially withdrawn from the University or from one or more courses, grades of W are not charged as work attempted and are not awarded quality point credit. Incomplete work must be made up in the following semester (fall, spring). A grade of I (Incomplete) which has not been removed within the period prescribed automatically becomes an F.
2. Students should be aware that withdrawing from one or more courses may have substantial adverse effects on, including but not limited to, financial aid, scholarship award, health insurance, and athletic eligibility.
3. The policy does not apply to clinical courses taken in the Anderson College of Nursing. Students who are failing clinical in the Anderson College of Nursing and Health Professions at the time they withdraw from the class will receive an F for that class.
4. The policy does not apply to students who have committed academic dishonesty in the course in question. A student will not be allowed to withdraw from a course in which he or she has committed academic dishonesty. If a student is accused of academic dishonesty, he or she will not be allowed to withdraw from the course while the case is pending.
5. A student may not withdraw from a class if he or she has exceeded the allowed number of absences for a particular course without consent from the instructor. After the withdrawal deadline per the Academic Calendar, a faculty member's attendance policy as stated in the course syllabus may supersede the student's withdrawal request.
6. Students who are called to active military service during an academic term may choose one of the following options:
 1. The student may request a retroactive drop of their courses to the beginning of the semester with a full refund of tuition and fees.
 2. If at least 75% of the term has been completed, the student may request that the faculty member assign a grade for the course based on the work completed, with the final grade assignment to be determined by the faculty member.
 3. A student may be assigned grade(s) of I (Incomplete) and will be subject to the University's Incomplete grade policy.

Retroactive Medical Withdrawal

In special and unusual circumstances beyond the student's control, a student may, with documented evidence, petition for a Retroactive Medical Withdrawal from the University. The student should complete the Student Request for Retroactive Medical Withdrawal form and submit it, along with accompanying documentation by fax (256-765-4235) or, time permitting, by mail (University Case Manager, 1 Harrison Plaza, UNA Box 5023, Florence AL 35632) to the University Case Manager. The student will be expected to sign a release to the provider so documentation can be verified by the University Case Manager; failure to do so will result in denial of request.

Documentation will be reviewed by a committee of three persons from the Office of Disability Support Services, University Health Services and University Case Manager. The committee will be appointed by the Assistant Vice President for Student Affairs. The committee may support, deny or request further documentation upon review. If further documentation is requested by the committee, the student will have three (3) business days from the date of the notification via university email to provide requested documentation. The student will be notified by university email of the committee's decision.

If the documentation supports a Retroactive Medical Withdrawal, the office of the Registrar will be notified by the University Case Manager. The instructor(s) of record and the dean(s) of the college where the courses are housed will be notified of the request by the Registrar.

If the instructor(s) of record and/or the dean(s) have an objection to the retroactive medical withdrawal, they must contact the Registrar's Office up to thirty (30) business days after notification of the withdrawal request. If the recommendations of the instructor(s) and college dean(s) are in conflict, the Vice President for Academic Affairs and Provost will review all relevant documentation and make a final decision. If approved, all grades awarded during the withdrawal semester must be changed to a grade of **W**. If the instructor(s) are no longer employed by the University, the department chair where each course is housed submits the recommendation.

Since the deadline for the Registrar's Office to receive a supported Retroactive Withdrawal is **sixty (60) days of the last day of classes for the semester in which the withdrawal is requested (in extraordinary circumstance an extension may be granted by the Provost or President of the University)**. The student must submit the request and documentation to the University Case Manager within **45 days of the end of the semester of request**, thus allowing 15 days for committee review and submit to the Registrar's office.

Note: Failure to comply with these requirements seriously affects the student's academic standing as well as future readmission. (See notes and exceptions as outlined in the Retroactive Withdrawal Policy.)

Procedure Approved by Shared Governance Executive Committee on March 20, 2019

Procedure Implemented on August 1, 2019

No Smoking Policy

The University of North Alabama is dedicated to providing a healthy, comfortable and educationally productive learning environment for faculty, staff, students and visitors. The University of North Alabama recognizes that smoking any substance presents a public health hazard. As such, it shall be the policy of the University of North Alabama that smoking shall be prohibited on all university owned and operated property both indoors and outdoors.

“Smoking,” as used in this policy, refers to inhaling, exhaling, burning, or carrying any lighted or heated smoking product and to the use of any such other electronic or other device that is used as an alternative to traditional tobacco products and that produces a smoke or vapor when in use. “Smoking products” include, but are not limited to, all cigarette products (cigarettes, bidis, kreteks, e-cigarettes, etc.) and all smoke-producing products (cigars, pipes, hookahs, vaporizers, etc.). “University-owned and operated property” includes, but is not limited to: all outdoor common and educational areas; all university buildings; university-owned/operated housing facilities; campus sidewalks; recreational areas; outdoor stadiums; and university-owned and leased vehicles (regardless of location). Littering campus with the remains of smoking products is also prohibited.

This policy applies to all employees, students, visitors, contractors, and externally affiliated individuals or companies renting university-owned space on university- owned and operated property campus grounds.

Education will be the preferred enforcement method to ensure individuals adhere to the new policy. Individuals that violate this policy will be provided educational information on the new policy and offered a referral for smoking cessation. However, disciplinary action may also be used for repeat violations as indicated below.

- Students will be referred to the student conduct office. Violation of this policy is a violation of the Student Code of Conduct.
- Employees will be referred to their supervisor and/or appointing authority for appropriate action.
- Contractors will be referred to their respective employers for appropriate action.
- Visitors may be required to leave the campus if they fail to conform to the policy when advised.

Additional Resources and Support

The University recognizes that quitting smoking can be a significant personal challenge. As such, the University will provide ongoing information, education, and support to faculty, staff, and students on a variety of wellness initiatives including cessation aids and programs.

Student Complaint Process

UNA is committed to reviewing and responding to student complaints appropriately. A complaint is an expression of discontent based on the result of behavior or circumstances that the student believes are unjust, unsafe, inequitable, or create an unnecessary hardship.

This Complaint Procedure applies to student complaints that are not addressed in other university procedures which have established processes for resolution, such as Final Grade Appeal, Academic Dishonestly Appeal, Dismissal from Academic Programs, Student Conduct, or Title IX, unless the complaint is based on discrimination or other forms of inequity, or failure to follow established procedures.

If a complaint does not fall within established procedures, a student may submit a complaint via following procedures.

A. Informal Complaint Resolution Process

Prior to initiating the formal complaint process, a student complainant should first request to meet with the individual(s) with whom he/she has a concern. The informal complaint procedure is intended to encourage communication between the parties involved in order to facilitate a mutual understanding of different perspectives regarding the complaint.

There are times when it is not possible to initially address the individual(s) of concern directly. At that point, the student should consider meeting with the Department Chair, Supervisor, or Dean as the first step. If a satisfactory resolution cannot be reached with the individual(s) involved, the student complainant may then request a meeting with the Department Chair, Supervisor, or Dean who shall assist in finding a resolution. At any point during the informal process, a student may seek resolution with the University Ombudsman.

B. Formal Complaint Resolution Process

If a satisfactory resolution cannot be reached informally, a student complainant may initiate the formal complaint procedures by submitting the [Student Complaint Form](#) (online, via email, mail, or hand-delivered) to the appropriate Vice President's Office – the Vice President for Student Affairs, the Vice President for Academic Affairs and Provost, or the Vice President for Business and Finance, depending on the area of concern. All formal complaints must be in writing and must be signed by the student. Electronic or digital signatures clearly attributable to the student (i.e., the student's name in an email message received from his or her UNA email account) are acceptable.

Upon receipt of a formal complaint, the Vice President to whom the complaint was submitted will 1) respond to acknowledge receipt of the complaint and to inform the complainant on the next steps, 2) forward the matter to the proper university office for a response, or 3) initiate an investigation as outlined in the following paragraph.

If the complaint can be resolved with a direct response from the appropriate Vice President or by another administrative office, the complaining party will receive a written response within 10 business days of the receipt of the written complaint. If the Vice President feels an investigation is warranted, the complaining party will be informed of the initiation of an investigation, the name of the investigating party, and of the date he/she should receive a report of its outcome. The investigation should be carried out by the senior administrator of the office/department from which the complaint arose, unless that individual is named in the

complaint, and should conclude within 30 (thirty) business days of the formal complaint, unless extenuating circumstances occur. Once the investigation has been completed, it is the responsibility of the office/department investigating the complaint to recommend resolution to the appropriate Vice President's office, who will determine the resolution.

Following the investigation process and resolution determination outlined above, the Vice President that supervises the area or individual(s) involved in the complaint will provide a written response to the student complainant that will address the appropriate action(s) taken by the University. Once this response has been sent to the student, the matter will be considered closed, and the Vice President's decision is final.

Complaint Tracking

The Vice President for Student Affairs and the Vice President for Academic Affairs and Provost offices will track each formal student complaint and will maintain a record that includes, at a minimum, the following information:

- The names of the student(s) initiating the complaint and the individual(s) named in the complaint
- The date that the Student Complaint was received
- The student(s) identified with the complaint;
- The nature of the complaint, including a copy of the Student Complaint, to be retained for not less than two (2) years after its final disposition;
- The university official(s) assigned to investigate the complaint and the steps taken to resolve it;
- The date and final resolution or disposition of the complaint;
- Any external actions taken by the complainant, if any, of which Vice President becomes aware.

Tracking of student complaints helps the University identify any serious or systemic problems affecting the quality of the student life and assists in identifying patterns of conduct that raise a legitimate concern with respect to the university's academic or co-curricular programs, and to comply with obligations imposed by federal regulations for receiving, responding to and tracking student complaints.

The information tracked will be made available to regulatory agencies and accrediting bodies, including the Southern Association of Colleges and Schools Commission on Colleges, as required in accordance with applicable laws, regulations and policies.

Adopted February 2019

University Ombudsman

The University Ombudsman is an advocate of collegial relationships and a confidential and informal resource for anyone with a complaint or grievance against the university, its division/unit, employee or student. Acting as a neutral party with independent authority free of conflicts of interests, the University Ombudsman provides an internal and informal avenue toward resolving complaints, conflicts and grievances through involvement of concerned parties, facilitating communications between them, and assisting them to develop and rebuild a collegial relationship of trust.

The Office of the University Ombudsman is located in Room 230 of GUC. To make an appointment with the University Ombudsman, send email to: satakeuchi@una.edu

Grievance Procedures

Grievance procedures are available to all members of the university community for resolution of disputes that do not fall within the jurisdiction of the University student conduct system. A grievance is a complaint directed against another member or organization of the University community or against the University. The [University Ombudsman](#) provides an informal avenue for grievances and complaints (excluding academic appeals and

grade disputes). Students may also use the Student Complaint Form Process if the complaint does not fall within other established procedures, <https://www.una.edu/policies/>.

Grievance Defined

A “grievance” is a complaint directed against another member or organization of the university community or against the University, including the departments, divisions, and schools thereof, alleging improper, arbitrary, or discriminatory application of university rules, regulations, standards, practices and/or procedures relating to conditions of employment or enrollment, or other circumstances giving proper grounds for complaint.

A grievant first must seek resolution or redress of the grievance informally through the established administrative channels. If, after exhausting recourse through established administrative channels, the grievant still believes satisfactory remedy or relief has not been provided, the grievant may request a formal hearing.

Informal Procedures

A grievant first must seek resolution or redress of the grievance informally through the established administrative channels. The direction of the informal process is determined by the grievant’s classification (student, faculty or staff) and the nature of the grievance. The process begins with the official at the first or immediate level of authority, and, if required, continues in the chain of authority to the next higher level. For students, a complaint involving services or activities normally will be directed to the appropriate director/coordinator of the service or activity with continuation in line to the Vice President for Student Affairs; on a complaint involving academic or instructional matters, to the academic department head and with continuation in line to the Vice President for Academic Affairs and Provost. Complaint by an applicant who has been denied admission to the University will be directed to the Chief Enrollment Officer.

Formal Hearing

If, after exhausting recourse through established administrative channels, the grievant still feels that a satisfactory remedy or relief has not been provided, the grievant may request a formal hearing. The request shall be directed to the President of the University in writing and shall bear the grievant’s name, current address and telephone number; a clear statement of the nature of the grievance and facts supporting it; the remedy or relief sought; the date; and the grievant’s signature.

Grievance Committees

On proper request for a hearing, the President of the University shall establish a grievance hearing with an ad hoc committee of three persons. The committees shall be composed of university personnel appointed by the President, according to the classification of the person initiating the request. If a student initiates the request, the committee will be chosen from among members of the university faculty, non-faculty staff and students.

Toward assuring a full and impartial hearing strictly on the merits of the cases, due regard shall be given to appoint committees of persons with appropriate expertise and without bias or direct interest in the outcome, to provision for peer representation where relevant and to adherence to hearing procedures. In making committee appointments, the President may seek nominations from representative organizations such as, respectively, the Faculty Senate, and the Student Government Association. In cases involving a member of the university faculty as grievant or accused, the President shall, if so petitioned by the faculty members in the formal request for a hearing, make the committee appointments from the appropriate list of nominees established for such purposes by the Faculty Senate at the beginning of each academic year, one list to consist of nine nominees for grievance committees.

Persons appointed to grievance committees who deem themselves disqualified by reasons of bias or interest may be excused. The grievant or accused shall have the right of challenge of committee appointments for cause and if in the judgment of the President a challenge is supported by adequate grounds, the member so challenged

shall be excused. The President shall designate one member of the committee to act as chair or may appoint an additional ex officio non-voting member to act as chair. The committees may adopt, for governance and operation, supplemental rules and regulations not in conflict with this resolution.

Grievance Hearing Procedures

A grievance hearing is not an administrative due process hearing and therefore does not include all the procedures provided for in due process hearings; neither do formal rules of evidence apply. The hearing shall be confidential and only those persons concerned should be included in the hearing.

Functions of the Grievance Committee

The Committee or Committee Chair may confer with the grievant prior to the hearing to schedule witnesses, provide for the exchange of documents and achieve other appropriate objectives to make the procedures fair, effective, and expeditious. In the hearing, the Committee may question the grievant and the witnesses presented by the grievant, may call such witnesses and examine such documents as it considers necessary, and shall keep a record of the hearing.

The Committee's role is to investigate the complaint as presented to the Committee by the grievant, to obtain all the facts in the dispute, and to come to a conclusion as to whether or not the grievant has just cause for complaint. In grievances that are contractual in nature, the committee's role is to determine whether or not the grievant has had all the benefits of the procedures afforded by the rules and regulations of the University, and whether or not the decision that forms the basis for the complaint was the result of adequate consideration in terms of the relevant standards of the University, school, and department. The Committee shall be guided in its decisions only by the evidence presented at the hearing.

Rights and Responsibilities of the Grievant

It is the responsibility of the grievant to present all the facts and to prove the merits of the grievance. To this end the grievant shall state the grievance with specificity, shall be allowed to present witnesses and documents on the grievant's behalf and to examine any other witnesses and documents presented. The grievant shall not be represented by counsel but may have the assistance of adviser of his/her choice from among personnel of the university community.

The Committee's Report and Final Action

Upon conclusion of the hearing, the Grievance Committee shall prepare a report summarizing the evidence and rendering its conclusions. Copies of the report shall be sent to the President and to the grievant. Within 14 days of the receipt of the report, the President, giving due weight to the report of the Committee, shall render a decision and so notify the grievant. Should the President's decision be inconsistent with the report of the Committee, the President shall state his reasons to the grievant and to the Committee. The President's action shall be final, except that a grievant may appeal a reversed or modified decision to a subcommittee of the Board of Trustees.

Notices, Posters, and Banners

The placement of flyers is restricted to public bulletin boards and are limited to one flyer per bulletin board. Flyers shall be no larger than 11"x17". Flyers are NOT to be taped to windows, walls, doors or any painted surface. Signs, posters, banners, or flyers advertising the sale of alcoholic beverages are prohibited and shall be removed. We reserve the right to remove advertisement containing subject matter considered to be offensive or in poor taste.

Banners to be hung in the GUC should be delivered to the University Center Operations and Event Management Office to be hung by the Events staff. Banners can be no larger than 3' tall and 6' wide. Holes for hanging must be cut and reinforced to prevent the banner from tearing. Placement of banners is made on a

first come, first served basis. Space cannot be reserved. Banners shall not be stored by the University Center Operations and Event Management Office staff before or after they are displayed, unless arrangements have been made in advance. Larger banners needing to be hung from anywhere but the ceiling must be hung by campus Maintenance. A work order must be submitted and approved prior to their display.

Candidates for campus elections are limited to one banner per candidate and are restricted to the first-floor area.

No notices of any kind may be displayed on glass doors of 601 Cramer Way or the Guillot University Center, or on walls of campus buildings. Prior permission from the office concerned must be obtained before notices may be placed on the bulletin boards of the administrative offices or academic departments.

Anyone wishing to use chalk to advertise on campus sidewalks must obtain approval from the Student Engagement Center at least five days prior to the event. Publicity materials with adhesive or gummed surfaces are prohibited in all locations.

Anyone wishing to hang a banner anywhere on campus besides the Guillot University Center must secure approval from the Director of Student Engagement, GUC Student Engagement Center.

Public Address System and Amplifiers

Permission to use public address systems in any outdoor area of the campus must be secured well in advance from the Office of the President or the Office of University Center Operations and Event Management. No sound truck is to be operated anywhere on campus at any time without permission. Amplified music in the Amphitheater or any other outside area must be approved in advance by the Office of University Center Operations and Event Management.

Weapons Statement

Possession of firearms or other dangerous weapons is prohibited while on University owned or controlled property. This includes all parking lots, grounds, and facilities. This prohibition applies to all members of the University community, visitors, and guests and applies whether or not a person in possession of such weapon has a permit to carry or possess the weapon. This policy does not apply to:

- Law enforcement officers of the federal government, state, or of any county, city, or town when in the discharge of their official duties.
- Civil officers of the United States in the discharge of their official duties.
- Private police or security personnel when hired by, or under contract with, the University.
- Law enforcement officers attending school as students. Their weapons must be concealed unless wearing a uniform.
- Campus food service knives.
- The President's residence.

Visitors and guests may temporarily store weapons at the University Police Department for no more than 48 hours. The University Police Department and the University are not responsible for lost or damaged items.

Exceptions to this policy may be granted for certain instructional purposes, displays, ceremonies, drills, reenactments, and performances and must be authorized by the Director of Public Safety (University Police Chief) or their designee.

For students, unauthorized possession of weapons shall constitute grounds for summary suspension. For faculty and staff, unauthorized possession of a weapon shall constitute a violation of board policy.

For applicable enforcement procedures by UNA Police Department, refer to <https://www.una.edu/police>.

Regulations and Procedures

University of North Alabama Police Department

The mission of the University of North Alabama Police Department is to protect life and property of the University Community. University Police Officers are on duty 24 hours a day, 7 days a week enforcing federal, state, and municipal laws, as well as university rules and regulations.

University of North Alabama Police Officers are certified law enforcement officers in the State of Alabama, accredited by the Alabama Peace Officers Standards and Training Commission in accordance with Section 7, Subsection C. Legislative Act 1981, amending Act 156 of the Code of Alabama.

The University of North Alabama Police Department is vested with full police power to serve the University Community, have authority in University related matters throughout the State of Alabama, and have cooperative agreements with other law enforcement agencies throughout the State. All traffic regulations that apply anywhere in the State, apply while on the University Campus. We encourage you to follow the traffic laws, and watch for pedestrian traffic while on campus.

University Police office hours are 8:00 a.m. - 4:30 p.m., Monday through Friday.

Reporting On-Campus Crimes and Other Emergencies

To maximize safety on campus, the University Police Department strongly encourages anyone with knowledge about any crime, suspicious activity, or unsafe actions or conditions on campus (either as a witness or as a victim) to make an immediate report to the University Police in person or by telephone.

Reporting does not mean you must take legal action -- it may, however, help police officers stop further incidents as well as help them keep the community informed about criminal activity.

To make a report in person, go to the University Police Department, which is located in the basement of Keller Hall, adjacent to Bibb Graves Hall. To make a report by phone, call 256.765.4357 and describe the situation to the communications operator. **In emergency situations, including fires and medical emergencies, call 911.** All 911 calls are routed to Florence Police Department through the Lauderdale County 911 center.

UNA students requiring non-emergency medical care may contact the UNA Health Services at 256.765.4328. Students seeking counseling services may contact the Student Counseling Services at 256.765.5215, or the Center for Women's Studies at 256.765.6198.

UNA employees requiring non-emergency medical care may contact the UNA Health Services at 256.765.4328. UNA employees who are victims of interpersonal relationship violence may also contact the Center for Women's Studies for counseling and advocacy.

All employees, staff or faculty who become aware of an allegation of violation of university policy, Code of Student Conduct, civil or criminal law should report the allegation to their supervisor or senior campus administrator. The following people with "significant responsibility" for student and campus activities, known as Campus Security Authorities, must report potential criminal activity of which they are aware: academic deans, directors of admissions, career services, deans, program chairs, financial aid director, student accounts director, housing director, provost, human resources director, president, registrar, private security guards, associate provosts, as well as any assistants and associates.

These individuals should not attempt to investigate, but should instead report and allow the police to investigate. Licensed and pastoral counselors are exempted from these reporting procedures. The function of these administrators (significant responsibility) is not to determine whether a crime took place. That is the function of the law enforcement professionals working within the criminal justice system.

All persons in the UNA community are encouraged to assist anyone in reporting alleged criminal activity by

contacting a campus security authority at the campus where the criminal activity occurred and/or the UNA Police Department, as well as providing assistance in making the incident report. Failure to report criminal activity to the campus security authority in a timely manner may result in disciplinary action by the university. University employees and students, who are not members of the campus security authority, are encouraged to assist anyone reporting alleged criminal activity in contacting the campus security authority and/or the local police department in order to file a criminal report. Criminal activity may be reported voluntarily and confidentially to the campus security authority. Counselors are required to provide statistical information relating to crimes on campus but may continue to honor the confidentiality of victims.

Policy Statement: Voluntary Confidential Reporting

If you are the victim of a crime and do not want to pursue action within the University System or the criminal justice system, you may still want to consider making a confidential report. With your permission, the Chief or a designee of University Police Department can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the University can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger.

Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution.

UNA Police Response to a Crime Report

When you report a crime to the UNA Police Department, a UNA police officer will meet with you, listen to what happened, and, if necessary, make a preliminary report. Next, investigators will review the report and conduct a follow-up investigation. If a suspect is found and you decide to press charges, information will be presented to a warrant magistrate, who decides if there is legal reason to arrest the suspect. If there is, you'll be asked to sign the arrest warrant, which UNA Police officers will serve. A court date will be set; you may have to be present to testify. See also Crime Alerts/UPD Advisories.

If You Don't Want to Make a UNA Police Report and/or Take Legal Action

The University of North Alabama Police encourages you to report criminal activity even if you don't want to take legal action in order to help us maintain accurate statistical records. The University Police is responsible for preparing the University's Annual Campus Security Report and for compiling the crime statistics included in the report. We would like to keep the community as informed as possible. The information you report may require the UPD to issue a Crime Alert/ UPD Advisory/Lion Alert if they determine that the circumstances warrant such action. Also, see information below regarding another way in which to make a voluntary, confidential reporting of forcible and non-forcible sexual offenses.

Reporting Off-Campus Crimes and Other Emergencies

Victims or witnesses to criminal activity occurring off campus should contact the agency that has jurisdiction:

- Florence Police Department..... 256.760.6500
- Muscle Shoals Police Department 256.383.6746
- Sheffield Police Department.....256.386.5630
- Tusculmbia Police Department..... 256.383.3121
- Lauderdale County Sheriff's Office 256.760.5757
- Alabama State Troopers..... 256.383.9212

University Police officers can assist in notifying other law enforcement agencies.

Off-Campus Housing

The UNA Police routinely patrol off-campus apartments and respond to calls for the purpose of reporting statistics and for prevention efforts through the Community Oriented Policing (COP) program. If you believe a crime has occurred at the off-campus apartments, contact the UNA Police, 256.765.4357.

Fringe Areas of Campus: While the City of Florence Police have primary jurisdiction and responsibility in all areas off-campus, UNA Police can and do respond to most incidents that occur in close proximity to campus. UNA Police have fringe patrol duties dedicated to providing additional law enforcement presence around the perimeter of campus. UNA Police regularly meet with and communicate with local law enforcement regarding the occurrence of crimes in the fringe areas.

If you believe a crime has occurred in close proximity to campus, please report the crime to the City of Florence Police Department at 256.760.6500.

Daily Crime Logs/Summary of Criminal Incidents

The University of North Alabama Police compiles statistical information from the contents of the UPD daily crime log, which contains summaries of each day's crime reports made to the UNA Police Department. The crime log summaries include each incident's location, type, date, time, and disposition of the complaint. UPD crime logs are available for public viewing, 24 hours a day, on the police department website at una.edu/police/crimelog.html.

Tornado Emergency Procedures

Every attempt will be made to announce imminent inclement weather conditions with enough advance notice to facilitate a safe evacuation and closing of the campus and to ensure the safety of staff and students residing on campus. However, should that not be possible, the following information is provided to assist campus community members and visitors in seeking appropriate shelter on campus. During a tornado, stay calm and quickly move to safe areas as noted below:

If indoors, seek shelter in lowest level of the building. Interior hallways or rooms are preferable. Keep away from windows.

If outdoors, take cover in the nearest ditch or depression, away from power lines, buildings and trees. Do not stay in car or attempt to outrun tornado.

After the tornado passes, evaluate the situation and if emergency help is needed, call the University Police Department at extension 4357 (HELP) or 256.765.4357. Be aware at all times of dangerous structural conditions around you.

Damaged facilities should be reported to the University Police Department at 256.765.4357. Note: Gas leaks and power failure create special hazards.

Assist the disabled in evacuating the building. Do not use elevators.

Once outside, move to a clear area away from the affected buildings. Keep streets and walkways clear for emergency vehicles and personnel.

If requested, assist the University Police Department and/or other responsible party.

Do not return to evacuated building unless directed to do so by the University Police Department and/or other responsible party. **Stay calm.** All emergency response efforts will require clear thinking and cooperation from all members of the campus community. After the tornado has passed, evaluate the situation, and, if emergency help is necessary, contact 911. Be aware at all times of dangerous structural conditions around you.

Lion Alert

You may log into Lion Alert using your UNA Portal user name and password by clicking on the words Lion Alert at the bottom of the University’s main webpage. For general information and technical assistance with logging in, you may contact the Office of the Vice President for Student Affairs at 256.765.4698. Lion Alert FAQ provides answers to frequently asked questions about your information, how notifications will be sent, and supported features.

What is Lion Alert?

Lion Alert is a mass notification system comprised of email, voice, and text messaging, and is designed to send emergency messages to thousands of individuals in minutes. It supplements existing means of emergency communication, including outdoor warning sirens and severe weather alert radios.

Everyone who has a University of North Alabama email address will receive emergency alerts to their campus email address. In order to also receive text and voice message alerts, members of the campus community are asked to provide phone contact information. While participation in the text and voice messaging notification is optional, enrollment is strongly encouraged. The information you supply is considered confidential and will not be shared or used for other purposes. You will only be contacted through the system in the event of an emergency.

Why should I sign up for Lion Alert voice and text messages?

Because students, faculty and staff are constantly on the move, this system provides the flexibility for you to receive emergency messages on multiple devices. Lion Alert is used to distribute important information regarding emergencies that dictate immediate action. It is used along with other tools including outdoor warning sirens, severe weather alert radios, email, the University website, campus media and other methods.

Who can sign up for Lion Alert voice and text messages?

All UNA students, faculty, and staff who have a valid ID are able to sign up to receive text and voice message alerts. You will need to log into Lion Alert by clicking on “Lion Alert” on the bottom of the front page of the UNA website, using your UNA Portal user name and password.

Will I receive Lion Alert Messages if I don't sign up?

If you do not sign up with Lion Alert, you will still receive emergency messages via your official campus email address. However, you will not receive text or voice messages. UNA strongly recommends that you provide at least one phone number (cell phone is recommended) for Lion Alert to ensure that you receive important messages in a timely manner. Any contact information you provide will only be used for emergency notifications.

Who implements Lion Alert?

Lion Alert is managed jointly through the Offices of the Vice President for Student Affairs and the Chief of University Police.

What kind of alerts will be sent?

The system is only used to distribute information regarding emergencies that dictate immediate action.

Examples of alerts include severe weather, building evacuations, dangers requiring lock-down or shelter-in-place, or other emergencies requiring immediate action. The message will direct you where to go for further information or what action to take. Following a warning, the alert system may be used to provide additional messages or an "all-clear" announcement.

The Lion Alert notification system is tested on a routine basis to ensure that we are able to reach all Lion Alert participants in the event of an emergency.

Less urgent messages will be sent using the campus advisory email system.

How does Lion Alert work?

Lion Alert is a hosted and managed system. You do not need special hardware or software to receive messages. It is a multi-modal service that can disseminate emergency messages through:

Email: An alert message will be sent to your official campus email address.

You can also specify a secondary email address for receiving these alerts.

SMS text messages: Faculty, staff and students may choose to register a cell phone number for receiving SMS text messages through Lion Alert.

Voice messages: Faculty, staff and students may choose to register up to three additional phone numbers with Lion Alert. Voice messages will be sent to these phone numbers.

NOTE: You will receive emergency alerts to all phone numbers and email addresses registered with Lion Alert.

Can I opt out of the system after I sign up and can I update my contact information after I have registered?

You can opt not to receive text or voice mail alerts; however, you cannot opt out from receiving an alert on your official campus email address.

You can log into Lion Alert at any time to update or delete your contact information. Whenever your phone number or alternate email address changes, it is very important that you update this information with Lion Alert to ensure you continue to receive alerts through the system.

Are there any costs involved if I sign up for the Lion Alert system?

If you do not have a text messaging contract as part of your cellular service, there may be a small charge for any text messages that you receive.

You should check with your cell phone carrier to determine what these costs may be. There is no fee assessed to students, faculty or staff for gaining access to the system.

How soon will I have the capability to receive text or voicemail emergency messages after I sign up?

You will be able to receive emergency messages within 24 hours of sign-up. The system is updated on a daily basis.

Will my contact information remain secure, and will it be used for any other purposes?

The information collected for Lion Alert is securely maintained and will not be shared. It is only used for notification of emergencies requiring immediate action. **How can I recognize messages from Lion Alert?**

Email: sent from Lion Alert will come from lionalert@una.edu.

Protecting a diverse campus requires strong partnerships between campus law enforcement and each member of the community. Safety is everyone's responsibility. "See It, Hear It, Report It".

Types, Frequency, and Descriptions of Crime Prevention Programs

The University uses various mechanisms to inform students and employees about the prevention of crime. For example, the UPD annually publishes the Campus Safety Guide, which provides information on how to report criminal activity as well as practical steps students and employees can take to prevent theft of property and more serious crimes of violence, including physical and sexual assaults. This yearly publication emphasizes that crime and accident prevention starts with the individual, and that becoming informed about the University's safety procedures and services outlined in the guide is a good first step toward preventing crime.

Specifically, this guide:

- highlights Operation ID, a UPD service that offers engraving tools for use by University community members to mark personal property for identification purposes in case of burglary, theft or robbery;
- explains how to operate the blue, emergency phones, which are directly linked to the UNA Police Department and located throughout campus (see campus map);
- sets forth practical and easy-to-implement safety tips for on-the-road traveling, visits to public places, and residential living;
- lists several safety precautions to prevent acquaintance rape and drug-induced sexual assaults, and the more frequent theft-related crimes;
- discusses the Victim Assistance Program, which was developed to assist victims of crimes that occur on campus in the areas of criminal prosecution, victim's rights, and victim assistance;
- provides tips on how to recognize safe, off-campus apartments.
- gives advice on how to comply with local and state laws by abiding by traffic, parking, and public nuisance laws and/or city ordinances; and
- provides information on how to handle medical and safety emergencies; and how to implement Emergency Preparedness guidelines in your lifestyle.

The Campus Security Guide is widely distributed to the campus community and can be accessed online at una.edu/police.

The UPD also offers a variety of crime prevention/education programs to UNA students and employees. These programs include, but are not limited to, the following:

UNA Transportation Services Parking Regulations and Procedures

The following Traffic and Parking Regulations are effective December 1, 2015 and are subject to change. Any person, who owns, operates, and/or parks a motor vehicle on University of North Alabama (UNA) property submits fully to all rules and regulations outlined in this document. Faculty, staff and students are responsible for knowing the regulations governing the operation of motor vehicles at UNA as outlined in this publication.

Anyone operating a vehicle in violation of the University parking policy will be held responsible for any such violation. Failure to comply may result in university disciplinary action, fines, vehicle immobilization or impounding of vehicle.

All vehicles operated on the UNA campus must be properly registered and display a current UNA parking permit--twenty-four (24) hours a day and seven (7) days a week.

Registration in itself is no guarantee of a parking space near the place where one works or attends class. The responsibility of finding a legal parking space rests with the vehicle operator. A lack of space where one would like to park is not a valid excuse for violating any parking regulation.

Policy Statement

These regulations are prepared and distributed to assist individuals operating and/or parking motor vehicles on University of North Alabama property. The University is committed to providing the highest level of service and ensuring the safest and most efficient use of university parking resources.

Authority

These regulations are established by virtue of the authority vested in the Board of Trustees in accordance with state statutes. By virtue of the powers granted to the Board of Trustees by the Constitution, the Board of Trustees has the authority to adopt and promulgate reasonable rules and regulations for the management and governance of the institution. These powers may be delegated to various University officials for the governance of students and the administration of University Affairs, Ref: Alabama Code SS16-47-2, 34(1975).

The responsibility of obtaining knowledge of all laws and regulations in force rests with the motor vehicle operator. Students, faculty, and staff are expected to be familiar with and abide by these regulations. The fact that a violation notice is not issued when a vehicle is illegally parked does not mean or imply that the regulations or laws are no longer in effect.

All ordinances of the City of Florence, Alabama related to traffic which are not in conflict with or inconsistent with these regulations, are made a part thereof and are enforceable as provided herein.

Statement of Accuracy

As a result of the dynamic environment, every effort is made to ensure accuracy of information provided on written material such as maps or University signage.

Many parking transactions and inquiries, including permits, citation payments and appeals, etc. may be found online at <https://www.una.edu/transportation/>. One should consult the website for any recent updates pertaining to rules, regulations and announcements. This website will supersede any written material as a determining factor.

Reservation of Space

The University of North Alabama reserves the right to set aside areas for special events, i.e., concerts, athletic events, parades, funerals, etc., in all parking areas of the University campus. The University further reserves the right to temporarily block certain areas of streets and/or parking lots in order to facilitate repairs, with or without notice to the general public. Reasonable efforts will be made to provide the UNA community with notification of reserved parking which may impact the campus.

The policy for reserving space is as follows:

****All reserved parking requests must be made online at www.una.edu/police two weeks prior to the event.** Any requests made after such time will be reviewed on a case by case basis. The two week period is necessary to ensure adequate space, personnel, and/or equipment is available to fulfill the request. If the reserved parking request required police personnel, the requesting department will be charged for personnel costs. Reserved parking requests will not be accepted via email, telephone, or person to person.

General Parking Regulations

Anyone who operates a motor vehicle on the University of North Alabama campus is required to register his/her vehicle with UNA Transportation Services and obtain a valid parking permit. This includes all employees, faculty, staff, designated guests, administrative officials, and all students. Persons to whom the parking permit is registered will be held responsible for all citations received by the vehicle for violation of parking regulations. The University of North Alabama assumes no liability for damages to or loss of any vehicle or vehicle contents while parked on or in operation on University property.

All City and State rules and regulations, as well as all directive signs governing the use of motor vehicles, shall be observed at all times. UNA Transportation Services has the authority to require individuals to present a student ID, driver's license, or vehicle registration at any time to address any issues pertaining to permits, citations, towed vehicles or immobilized vehicles.

If an employee has children or relatives in school at UNA who drive a vehicle displaying an employee permit, the student must purchase and display a student permit and park in their designated parking. Students who park vehicles in GREEN zones will be cited.

The University Police Department may cancel the registration of any vehicle judged to be unsafe or which makes excessive noise.

In the event of mechanical failure, the owner or driver will be responsible for removal of the vehicle as soon as possible. The University Police Department should be notified of its location.

All vehicles must be registered with UNA Transportation Services and must display a permit or temporary

parking permit while on campus.

Parking regulations are in effect 24 hours a day.

Bicycles—designated bicycle racks only.

Campers/trailers and boat trailers are prohibited on campus. Space is available on Stewart Avenue (behind the baseball stadium) to accommodate campers/trailers.

Vehicles are to be parked in a designated parking space only (within lined spaces). Vehicles are not to travel on or be parked on sidewalks, paths, lawns, grassed/ landscaped areas, curbs or any other area not designated for vehicular traffic or parking.

Pedestrians shall use crosswalks. No pedestrian shall suddenly leave the curb or other place of safety and walk or run into the path of a vehicle which is so close as to constitute an immediate hazard. When traffic control signals are not in place or not in operation, motorists shall yield the right of way to pedestrians within a crosswalk. Where traffic control signals are in place, pedestrians shall cross with the pedestrian crossing sign or traffic signal in absence of a crossing sign.

Parking Designations

The University does not guarantee a parking space near the place where one works or attends class.

Responsibility for finding an authorized parking space in the proper zone rests with the operator of each vehicle. LACK OF SPACE, RAIN, OR INCLEMENT WEATHER IS NOT A VALID EXCUSE FOR VIOLATION OF THESE REGULATIONS.
