THE STUDENT DISCIPLINE PROCESS

The University of North Alabama is concerned with maintaining an environment in which the rights of all members of the campus community are protected while they pursue their educational objectives. It is important that each student become aware of and abide by the Code of Conduct and other university regulations. Students are obligated at all times to assume responsibility for their actions, to respect constituted authority, to be truthful, to respect the rights of others, and to respect private and public property. It is also important that members of the university community be willing to confront violations and the infringement of another’s rights—personally or by filing complaints with the Department of Public Safety, Residence Life, or the Office of Student Life as provided by the vice president for Student Affairs. The Director of Student Life and/or designee(s) determines the policy violations as they relate to overall campus violations and on-campus residence hall violations.

DEFINITIONS

For purposes of the student discipline process, the following definitions apply:

Advisor—An individual who assists a student or student organization with student discipline conference preparation. An advisor must be a full-time student, faculty, or staff member, administrator, or Recognized Student Organization (RSO) advisor. Attorneys cannot serve as advisors. An attorney may be present only if the student has been charged with a felony offense.

Department of Public Safety—The Department of Public Safety (DPS) functions to ensure the safety and security of the University of North Alabama campus, its faculty, staff, students, guests, and visitors. DPS’s officers are on duty at all times and have the authority to enforce federal, state, and municipal laws, as well as university rules and regulations. Some of their duties include enforcement of applicable university parking regulations, traffic management, overall safety of persons, and security of property. **HARASSMENT POLICIES**

The University is committed to offering employment opportunities based on ability and performance, in a productive climate free of discrimination. Accordingly, harassment of any kind, by supervisors, co-workers, or non-employees, in the workplace will not be tolerated.

B. **Sexual:** Sexual harassment, like other forms of harassment and discrimination, is illegal and will not be tolerated by the University or at any event or function associated with the University. It is the responsibility of all university students, faculty, staff, and administrators to assure that the university community is free from sexual harassment.

Accordingly, all members of the university community must avoid any conduct that is or has the appearance of being sexual harassment. Included are sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when

1. submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or of an individual’s status as a student; or

affecting such individual or for decisions adversely affecting the academic or other status of such individual as a student; or

3. such conduct has the purpose or effect of unreasonably interfering with an individual’s work performance or with an individual’s performance or achievement as a student, or has the purpose or effect of creating an intimidating, hostile, or offensive work or learning environment.

Complaints of alleged sexual harassment may be reported in several ways. Such behavior should be reported to the department chair, dean, director, or their direct supervisor; however, if not appropriate, then to the Director of Human Resources and Affirmative Action, the University Ombudsman, or the President. Complaints will be promptly and thoroughly investigated, and the results will be communicated to the complaining employee or student. Every effort will be made to keep all complaints (and their details) as confidential as possible, but with any investigation, often some disclosure is inevitable. Any supervisor having knowledge or information of sexual harassment gained through direct, indirect, or informal means should report such harassment to the next appropriate supervisory or administrative level.

Prompt disciplinary action will be taken, if necessary. Any student, faculty member, staff member, or administrator who violates this policy is subject to disciplinary action, including possible termination of employment or suspension from the University.

All students, faculty, staff, and administrators have an obligation to report harassment, whether as a victim or as an observer. Any retaliatory action against an employee or student complaining of harassment is illegal and will not be tolerated.

Meal plans are non-transferable and are for the exclusive use of the purchaser. The user of another student’s meal plan will be in violation of the Student Code of Conduct, and will be referred to the Office of Student Life for disciplinary action. If it is determined that the owner of the meal plan has permitted use of the plan knowingly and voluntarily, the owner is also in violation of the Student Code of Conduct, and will be referred to the Office of Student Life for disciplinary action. Lost IDs should be reported immediately to the Mane card office, so that the original owner will not be held responsible for misuse of the meal plan or the ID.

**THE MANE CARD**

The Mane card serves as the UNA identification card (mandatory), campus debit card, meal card, and library card, and is used for access to campus residence halls. The Mane card is valid only for the person to whom it is issued. The Mane card must be carried at all times when the student is on campus; it is strongly recommended that it be carried whenever the student is off campus as well. It must be presented to any university official or duly constituted authority upon request. Refusal to identify oneself to a university authority upon request or any other misuse of the Mane card (including its use by anyone other than the person to whom it is issued) constitutes grounds for serious disciplinary action against all parties involved.

The Mane card is the property of the University and must be
returned to the Mane card office if a student withdraws from the University during a semester or summer term. Loss or theft of a Mane card should be reported immediately to the Mane card office in the Guillot University Center or by e-mail at manecard@una.edu. Replacement cost for a lost, damaged, or stolen card is $10.

Failure to report a loss, which results in subsequent misuse of the Mane card, will subject the person to whom the card was issued to disciplinary action.

Mane cards are activated at the start of the initial semester of enrollment. There is a $1 minimum deposit, but there is no minimum balance to maintain. Funds deposited to the Mane card do not have to be used by the end of the semester. The balance will carry forward from one semester to the next. Cash may not be withdrawn from the Mane card. When a student graduates or withdraws from the University, s/he must notify the card office for a full refund of the balance.

For more information contact the coordinator of the Mane card, University of North Alabama, Guillot University Center, Room 102A, UNA Box 5132, Florence, AL 35632-0001. Telephone: (256) 765-4924, e-mail manecard@una.edu.

**RESPONDING TO ADMINISTRATIVE NOTICES**

Notices or requests for students to report to an administrative office must be responded to immediately. Such notices are sent only when matters of urgent business or necessary information are involved. Serious consequences may result if there is delay in contacting the office concerned.
STUDENT’S ROLE AND PARTICIPATION IN INSTITUTIONAL DECISION-MAKING

Students are free, individually and collectively, to express their views on issues of institutional policy and on matters of interest to the student body. The University seeks to ensure that students have appropriate input into the making of major policy, program, procedure, and budget decisions.

The Student Government Association (SGA) serves as the collective voice of the student body. The role and responsibilities of the association are described in detail in the SGA Constitution and Code of Laws. The President of the University, the Vice President for Student Affairs, and the Director of Student Life maintain a close working relationship with the Student Government Association officers. In addition to the SGA, many other student organizations and groups provide valuable advice to the university administration on matters of particular interest to their membership or to students in general.

Students participate in the deliberations of official decision-making bodies at the University. Most important, university committees that make or recommend institutional decisions include student members. The president of the SGA meets regularly with the Board of Trustees to give student viewpoints on issues before the Board.

The university administration uses both formal and informal means in order to maintain an awareness of the needs and views of students. The opinions of students are sought, heard, and considered in major decisions affecting virtually every facet of the University.

**MAIL ROOM REGULATIONS**

The University Mail Room, located on the first floor of the Robert M. Guillot University Center, provides mailboxes for faculty and students. Undergraduate students are entitled to a mailbox, provided one is available. Preference will be given to students enrolled in seven or more hours. The University Mail Room is not part of the U.S. Postal Service. The purpose of the University Mail Room is solely to serve the communication needs of the campus community; it is not intended as a full-service post office. Although stamps may be purchased at the mail room, specialized postal services such as money orders, packages, or certified mail can only be obtained at the U.S. Post Offices in Florence.

All university mail will be sent directly to assigned boxes in the University Mail Room and will not be sent to residence halls, apartments, home addresses, or any other place of domicile. Students and university employees will be responsible for checking their boxes regularly for mail, particularly for official university mail. Students will receive their mailbox combination when the assignment is made. The box assignment will remain the same for as long as the student is continuously enrolled.

To ensure the proper flow of communications, the following regulations will govern the usage of mailboxes and university mail services:
1. Only students who are campus housing residents may use the university mail service to receive personal mail and packages; if not living on campus, all personal mail should be addressed to the student’s home or apartment. University employees may not use the university mail service on a regular basis for non-university-related personal mail.

2. Campus mail shall be addressed to an office or individual with the first and last name and box number. Mail without a box number will not be delivered. Mail with a box number will be placed in the box number indicated. The University assumes no responsibility for improperly or incorrectly addressed mail. All campus mail should have a return box number listed.

3. All campus mail must be at least 3 1/2 inches by 5 inches. Mail deposited in the campus mail that does not meet these minimum requirements will be destroyed.

4. Correspondence containing candy, gum, etc., must be enclosed inside an envelope no smaller than 3 1/2”x 5”.

5. Bulk mail or large mailings should be placed in numerical order by box number. If a large mailing is expected, expedited handling can occur if the mailroom is notified two days in advance.

6. Official university memoranda addressed to all faculty, administration, and staff do not require names and box numbers but must indicate the source of the memorandum.

7. Listings of mail box assignments will be available at the mail room.

8. Campus mail that cannot be delivered will be returned to the sender provided the sender’s complete name and box number are shown. Mail that cannot be returned will be destroyed.

9. The University will not assume responsibility for money or other valuables distributed through the University Mail Room, nor does the University guarantee delivery.

10. Certificates and other delicate or fragile materials are not to be processed through the mail room. Suggestion: Instead, send the student(s) a 3 1/2 x 5 postcard, indicating where the items may be picked up.

11. Upon application and approval, a fee of $500 will be
charged for distribution (one per box) of noncampus-wide events notices. It should be anticipated that general solicitation will not be permitted through university mail service facilities.

12. In order to have first class mail forwarded, a student or employee who leaves the University must complete a “Change of Address” card at the University Mail Room. Mail will be forwarded for one semester for graduates to the address filed with the registrar’s office.

13. All students living in residence halls who will not be enrolled for the summer term must fill out a “Change of Address” card. Failure to do this will result in mail being handled as “undeliverable.” It will be handled according to the postal regulations outlined in the Domestic Mail Manual.

14. Boxes that are assigned to employees and students currently enrolled must be checked regularly to prevent buildup of mail.

15. An individual who misplaces or cannot remember the box combination after receiving it twice in one semester incurs a $5 charge for each subsequent issuance.

The University of North Alabama Mail Room, maintained solely for the convenience of students, faculty, and staff, is not a United States Post Office. The mail room lacks sufficient staff to process commercial mass mailing by advertisers or others. Therefore, the University of North Alabama reserves the right to refuse to deliver, and to destroy, commercial mass mailing that utilizes the addresses of students, faculty, or staff contained herein.

**STUDENT HEALTH INSURANCE**

Although the University makes limited health services available for students, faculty, and staff through the Health Center, the Student Government Association does endorse a low-cost student insurance program. Applications are available in the SGA Office, Guillot University Center 225, or the Office of Student Life. Students who are dependents of their parents may be covered by insurance policies maintained by the parents or the employer of the parents. Students are encouraged to maintain health insurance.

**NOTICES, POSTERS, AND BANNERS**

1. All items to be posted must conform to University interest and be noncommercial in nature.
2. Each item posted must be dated with the date on which it is posted. The date should appear in a conspicuous place, i.e., lower right-hand corner.

3. Posters should not be posted for more than three weeks.

4. No more than one poster for a particular event or activity should be posted on a bulletin board.

5. The size of the items posted should be no more than 8½” x 11”.

6. No bulletin shall be posted on bulletin boards designated for limited use. Items on limited boards should be posted only by representatives of offices to whom the limited boards are assigned.

No publicity, on- or off-campus, concerning parties or social functions sponsored by individuals or by university-recognized organizations shall include any reference, by word or pictures, to alcoholic beverages. Violation of this policy will result in an automatic fine of $150.

No notices of any kind may be displayed on glass doors of Bibb Graves Hall or the Guillot University Center, or on walls of campus buildings. Prior permission from the office concerned must be obtained before notices may be placed on the bulletin boards of the administrative offices or academic departments.

Anyone wishing to use chalk to advertise on campus sidewalks must obtain approval from the Office of Student Life at least five days prior to the event. Publicity materials with adhesive or gummed surfaces are prohibited in all locations.

Anyone wishing to hang a banner anywhere on campus besides the Guillot University Center must secure approval from the Director of Student Life, 202 GUC. Approval for banners in the Guillot University Center itself must be secured through the University Events Office, within the Office of Student Life, GUC 202.

**Off-Campus Residence**

All students living off campus must keep the University informed at all times of their current local (or commuting) addresses and telephone numbers. The need to reach students in the event of emergencies or urgent administrative matters makes it essential that any change of address from that given at registration be promptly reported to the registrar’s office.

**Public Address System and Amplifiers**

Permission to use public address systems in any outdoor area of the campus must be secured well in advance from the Office of the
President or the Office of Student Life. No sound truck is to be operated anywhere on campus at any time without permission. Amplified music in the Amphitheater or any other outside area must be approved in advance by the Office of Student Life.

**OMBUDSMAN**

The Ombudsman provides an internal avenue for grievances and complaints. The responsibilities of the Ombudsman include resolving faculty, staff, and student complaints through involvement of all concerned parties; informing all parties of their rights established by law; seeking to resolve problems internally; keeping all information confidential; establishing a relationship of trust with and among all constituencies; providing mediation as an alternative to litigation whenever possible and as necessary and proper; serving as an advocate for resolving the grievances of individuals who have been treated unfairly or improperly. The Ombudsman’s office is Room 314, Keller-Raburn Wing.

**GRIEVANCE PROCEDURES**

**Grievance Defined**—A “grievance” is a complaint directed against another member or organization of the university community or against the university, including the departments, divisions, and schools thereof, alleging improper, arbitrary, or discriminatory application of university rules, regulations, standards, practices and/or procedures relating to conditions of employment or enrollment, or other circumstances giving proper grounds for complaint.

A grievant first must seek resolution or redress of the grievance informally through the established administrative channels. If, after exhausting recourse through established administrative channels, the grievant still believes satisfactory remedy or relief has not been provided, the grievant may request a formal hearing.

**INFORMAL PROCEDURES**

A grievant first must seek resolution or redress of the grievance informally through the established administrative channels. The direction of the informal process is determined by the grievant’s classification (student, faculty or staff) and the nature of the grievance. The process begins with the official at the first or immediate level of authority, and, if required, continues in the chain of authority to the next higher level. For students, a complaint involving services or activities normally will be directed to the appropriate director/coordinator of the service or activity with continuation in line to the Vice President for Student Affairs; on a complaint
involving academic or instructional matters, to the academic department head and with continuation in line to the Vice President for Academic Affairs and Provost. Complaint by an applicant who has been denied admission to the University will be directed to the Dean of Enrollment Management with continuation in line to the Vice President for Academic Affairs and Provost.

FORMAL HEARING

If, after exhausting recourse through established administrative channels, the grievant still feels that a satisfactory remedy or relief has not been provided, the grievant may request a formal hearing. The request shall be directed to the President of the University in writing and shall bear the grievant’s name, current address and telephone number; a clear statement of the nature of the grievance and facts supporting it; the remedy or relief sought; the date; and the grievant’s signature.

GRIEVANCE COMMITTEES

On proper request for a hearing, the President of the University shall establish a grievance hearing with an ad hoc committee of three persons. The committees shall be composed of university personnel appointed by the President, according to the classification of the person initiating the request. If a student initiates the request, the committee will be chosen from among members of the university faculty, non-faculty staff and students.

Toward assuring a full and impartial hearing strictly on the merits of the cases, due regard shall be given to appoint committees of persons with appropriate expertise and without bias or direct interest in the outcome, to provision for peer representation where relevant and to adherence to hearing procedures. In making committee appointments, the President may seek nominations from representative organizations such as, respectively, the Faculty Senate, and the Student Government Association. In cases involving a member of the university faculty as grievant or accused, the President shall, if so petitioned by the faculty members in the formal request for a hearing, make the committee appointments from the appropriate list of nominees established for such purposes by the Faculty Senate at the beginning of each academic year, one list to consist of nine nominees for grievance committees. Persons appointed to grievance committees who deem themselves disqualified by reasons of bias or interest may be excused. The grievant or accused shall have the right of challenge of committee appointments for cause and if in the judgment of the President a challenge is sup-
ported by adequate grounds, the member so challenged shall be excused. The President shall designate one member of the committee to act as chair or may appoint an additional ex officio non-voting member to act as chair. The committees may adopt, for governance and operation, supplemental rules and regulations not in conflict with this resolution.

**Grievance Hearing Procedures**

A grievance hearing is not an administrative due process hearing and therefore does not include all the procedures provided for in due process hearings; neither do formal rules of evidence apply. The hearing shall be confidential and only those persons concerned should be included in the hearing.

**Functions of the Grievance Committee**

The Committee or Committee Chair may confer with the grievant prior to the hearing to schedule witnesses, provide for the exchange of documents and achieve other appropriate objectives to make the procedures fair, effective, and expeditious. In the hearing, the Committee may question the grievant and the witnesses presented by the grievant, may call such witnesses and examine such documents as it considers necessary, and shall keep a record of the hearing.

The Committee’s role is to investigate the complaint as presented to the Committee by the grievant, to obtain all the facts in the dispute, and to come to a conclusion as to whether or not the grievant has just cause for complaint. In grievances that are contractual in nature, the committee’s role is to determine whether or not the grievant has had all the benefits of the procedures afforded by the rules and regulations of the University, and whether or not the decision that forms the basis for the complaint was the result of adequate consideration in terms of the relevant standards of the University, school, and department. The Committee shall be guided in its decisions only by the evidence presented at the hearing.

**Rights and Responsibilities of the Grievant**

It is the responsibility of the grievant to present all the facts and to prove the merits of the grievance. To this end the grievant shall state the grievance with specificity, shall be allowed to present witnesses and documents on the grievant’s behalf and to examine any other witnesses and documents presented. The grievant shall not be represented by counsel but may have the assistance of adviser of his/her choice from among personnel of the university community.
THE COMMITTEE’S REPORT AND FINAL ACTION
Upon conclusion of the hearing, the Grievance Committee shall prepare a report summarizing the evidence and rendering its conclusions. Copies of the report shall be sent to the President and to the grievant. Within 14 days of the receipt of the report, the President, giving due weight to the report of the Committee, shall render a decision and so notify the grievant. Should the President’s decision be inconsistent with the report of the Committee, the President shall state his reasons to the grievant and to the Committee. The President’s action shall be final, except that a grievant may appeal a reversed or modified decision to a subcommittee of the Board of Trustees.

UNA’s student press produces award-winning publications—a weekly newspaper, a yearbook, and an annual literary/art magazine—for the campus community. Students from all majors are encouraged to participate in the production of each publication; those with talent in the areas of journalism, English, business, art, and photography are especially sought. The student press supplies a learning atmosphere and practical experience for student editors, reporters, artists, managers, and photographers.

The Student Publications Board names paid student editors and circulation and advertising staff in the spring, after applications have been submitted to the student publications adviser. Other staff positions are on a volunteer basis.

**Diorama**—The campus yearbook, produced throughout the academic year, is distributed free of charge to full-time students enrolled for both fall and spring semesters. Anyone enrolled full-time for only one semester during the academic year pays half of the production cost of the book (usually $15).

In order to make a mid-April delivery, the *Diorama* covers cam-
pus life from February to February.

THE FLOR-ALA—Established in 1931, the campus newspaper continues to provide campus, local, and regional news to the university community. Circulation 4,500, The Flor-Ala is published every Thursday in the fall and spring semesters except during exam times. Single copies and classified ads are free to the university community. For copy and ad deadlines, consult the Publications adviser.

A special-edition summer tabloid publication of The Flor-Ala is produced for the SOAR students, to introduce them to campus life.

LIGHTS AND SHADOWS—The campus art/literary magazine, is published annually to highlight student poetry, short stories, essays, artwork, photography, and other creative works.

Manuscripts and art for Lights and Shadows magazine are submitted to the English Club (Department of English) and art classes (Department of Art). Those departments sponsor creative writing and art competitions annually. The contest winners are identified throughout the publication. Winning manuscripts may be included from the High School Writing Competition sponsored by the UNA Department of English.

Design and computer layout of the magazine is completed during the summer term by an independent study graphic arts student. It is distributed during the fall semester through the art and English department offices.

**STUDENT ORGANIZATIONS**

Recognized Student Organizations (RSOs) play an important role in the University. RSOs provide unique learning experiences outside the classroom and create opportunities for students’ personal and professional development. UNA recognizes the positive impact student organizations can have on recruitment and retention of students.

To function on campus and have access to campus resources, including room reservations and posting privileges, a mailbox, and storage space, all student organizations must register with the Office of Student Life. Information provided through the registration process enables the University to maintain communication with student leaders and to provide several special services for student organizations.

Any UNA student group recognized by the University is subject to the policies and procedures as outlined in the student handbook and in the RSO handbook.

The Office of Student Life is committed to helping student organizations thrive at the University of North Alabama. Services include leadership training, office resources, organizational consulting, and advice on activities planning and funding. Please feel free to consult the office at 765-4248 or visit GUC 202 for assistance with your organization’s needs.

**Recognition Policy.** Recognized Student Organization (RSO) standing is defined as the certification that grants the student organization official status as part of UNA’s educational and/or extracurricular program. All recognized student organizations

56
must register with the UNA Office of Student Life to function on campus. For an organization to maintain university recognition, the following criteria must be met:

1. Submit the RSO Update form at the beginning of each semester by the deadline set by the Office of Student Life. Any changes in officers or advisors between these reports must immediately be made in writing to the Office of Student Life.
2. Send a representative to the mandatory RSO presidents meeting each fall and spring semester on the date set by the Office of Student Life.
3. Submit an updated organization constitution by November 1 of each year.
4. Adhere to all university and RSO policies as listed in the RSO handbook and student handbook.

Organizations that do not maintain up-to-date information may risk the loss of RSO status. Recognition of a student organization may be suspended or terminated pending review of the organization by the Committee on Student Organizations.

All organizations planning to host activities where alcoholic beverages may be consumed must each year attend a Risk Management Education Program facilitated by the Office of Student Life. The president, advisor, and risk management officer (if applicable) are required to attend.

**Registering a New Organization.** Students interested in forming a new organization at UNA should first contact the Office of Student Life to obtain an RSO handbook and Student Organization Registration form. The students should set a meeting to determine whether there is sufficient interest to form a new organization. Once that has been determined, plans should be made to hold an organizational meeting, at which officers should be elected and future activities planned.

The organization must support and enhance the mission and purpose of the institution in one or more of the following ways:

- Develop the personal empowerment of those participating.
- Develop academic/career competency of those involved.
- Develop social/civic responsibility of those involved.
- Continue to improve the effectiveness of the university community.
To register a new organization, these steps should be taken:

1. Submit a list of at least ten (10) full-time enrolled students who wish to be members of the proposed organization. The list should include name, phone number, box number, and student number. The students must have a minimum 2.0 cumulative GPA.

2. Obtain agreement of a full-time faculty or staff member to serve as the organization’s advisor.

3. Submit a copy of the constitution under which the organization will operate. This constitution should be approved by a majority of the chartering students.

4. Prepare and submit a list of proposed activities the organization wants to participate in or sponsor.

5. Submit the completed Student Organization Registration form.

This information should be presented to the Office of Student Life to begin the registration process. The information will be sent to the Committee on Student Organizations for review at the scheduled meetings. The committee will review the constitution as well as evaluate the need for the organization at UNA. Once the committee has approved the new organization, the new organization is entitled to all the rights and privileges of a RSO.

**STUDY DAY**

The intent of Study Day is to provide students time to study before final exams. Consequently, classes that begin before 5 p.m. during the term do not meet on Study Day, and faculty are requested not to schedule the day as a deadline for papers, projects, or tests. **Student organizations likewise** are requested not to schedule mandatory events or activities for the day. Final exams may be given on Study Day in classes that begin at or after 5 p.m. on that day, or the final exam may be scheduled for the last class meeting before Study Day. Academic department requests for exceptions to this policy should be submitted to the appropriate college dean.
THE UNIVERSITY’S STATEMENT AND REGULATIONS REGARDING ALCOHOLIC BEVERAGES AT STUDENT ORGANIZATION SOCIAL FUNCTIONS

While the university’s role is to assist students in developing satisfying lifestyles to equip them for a better quality of life, it cannot and should not stand in the place of a parent. University students, as citizens of the community, of the state, and of the nation, are, like any other adults, expected to be aware of and to abide by pertinent laws and university regulations. The University expects students to conduct themselves at all times as responsible adults and to realize that they may be subject to civil or criminal liability resulting from violation of alcohol and controlled substance laws. Such liability may exist independently of any disciplinary action taken by the University for violation of its regulations.

The following regulations regarding planned social functions held off campus or on the University of North Alabama campus, or on property controlled, owned, or operated by the University shall apply to all student organizations, whether social, academic, honorary, or otherwise, recognized by the University and all UNA Greek-letter social organizations, whether or not housed on university property:

Guest Lists
All social functions where alcoholic beverages shall be served or permitted to be consumed shall be by individual invitation only. Parties or other social functions where alcoholic beverages are served or permitted to be consumed cannot be open to non-members without a specific individual invitation. A typed guest list must be compiled prior to the event and be made available upon request by a university official. The guest list must be turned in to the Office of Student Life by noon on the next business day following the function. Open parties are prohibited.

Drinks and Beverages
1. The sale of alcoholic beverages is prohibited. This restriction applies to all of the various methods of charging for drinks, including charging admission to parties, selling drink tickets, asking for donations, charging for food or other items while providing drinks free, or otherwise obtaining payment or reimbursement of any kind for alcoholic beverages.
2. Alternative beverages such as soft drinks, nonalcoholic punches, and the like must be readily available at all times during parties or social functions at which alcoholic beverages
are being consumed.

3. Ample quantities of snack foods, such as meats, brownies, cookies, cheeses, fruits, sandwiches, and raw vegetables or hors d’oeuvres must be readily available in several locations at all times during a party at which alcoholic beverages may be consumed.

4. Glass containers will be prohibited at all social events with alcohol.

5. No common source of alcohol should be provided, such as, but not limited to, hunch punch, keg, etc.

6. Hard liquor should be prohibited from all “Bring Your Own Beverage” social events.

7. In the event that alcoholic beverages become present at a function that originated as a non-alcoholic function, it is the responsibility of the organization’s executive officers to see that all rules governing functions where alcoholic beverages are involved be enforced.

Public Safety

A University Public Safety officer shall be present at any campus functions where alcohol is to be consumed. The Department of Public Safety will specify the hourly fee for the officer. Should a social function exceed 100 guests, a second officer may be required, at the discretion of the Director of Public Safety. It is the responsibility of the respective sponsoring organization to notify the Department of Public Safety of the planned function five business days prior to the actual function. Furthermore, Public Safety officers assigned to regulate and/or patrol campus functions will be briefed by Public Safety as to their specific roles and responsibilities during such functions.

Publicity

No publicity on or off campus concerning parties or social functions sponsored by a university-recognized organization shall include any reference, by words or pictures, to alcoholic beverages. Violation of this policy will result in an automatic fine of $150.

Risk Management Team

A group of not less than six (6) members of the organization will be responsible for monitoring the event. At least two members of the risk management team must be executive officers. At least two members of the risk management team must be 21 years of age. The individuals monitoring the event will not be allowed to consume any alcohol prior or during the event. Their duties will include the following:
1. Checking identification of members and guests.
2. Distributing wristbands to the individuals of drinking age.
3. Coordinating the transportation of members and guests leaving the event intoxicated.
4. Wearing distinctive clothing, such as brightly colored shirts or hats, to identify themselves at all times.
5. Introducing themselves to the Public Safety officer(s), if the event is held on campus and requires Public Safety.

Registering the Event

To better ensure that organizations implement appropriate risk-management measures, any function sponsored by a student organization at which alcohol is served or permitted to be consumed must be registered on the Student Organization Activity Registration form with the Office of Student Life no later than 12 noon five (5) business days prior to the function.

Activities held on or off campus sponsored by a recognized university student organization must be concluded no later than 12 midnight, except on Friday and Saturday when events may go on until 3 a.m., and must have the approval of the person(s) in charge of the facility where the function is to be held. On-campus activities will be limited to six hours. No event is permitted without the knowledge and approval of the faculty/staff advisor of the sponsoring organization.

Each organization assumes full responsibility for the activities and behavior of all persons in attendance at its events. If situations should arise that prove damaging or embarrassing to person(s) in attendance, to the organization itself, or to the University, disciplinary procedures against the organization will be instituted by the appropriate judicial board or by the appropriate administrative officers of the University.

Sponsorship

Organizations shall not sponsor or co-sponsor any function with any beverage distributor or brewing company or lend the organization’s name to any such activity at which alcoholic beverages are available, with or without charge or donation. This restriction applies to all activities, including, but not limited to, functions conducted for the benefit of charities and like causes.
The Office of Student Life provides a wide variety of programs and services designed to encourage and support growth and development among the University’s diverse student population. A comprehensive cocurricular schedule, planned and coordinated by a team of professionals, is implemented throughout the year in an effort to encourage student growth and development outside the classroom. Programs and services include leadership development, recognized student organizations, Student Government Association, Greek life, orientation, community service projects, student discipline, and campus-wide educational and social programming.

**Leadership Development**

Students are encouraged to get involved in a wide variety of student organizations and campus activities and to explore themselves while learning life skills that prove important throughout their college experience and after graduation. Programs and services that are designed to support outstanding achievement by students in this area include:

**Leadership UNA:** Leadership UNA is a comprehensive leadership development program. Leadership UNA provides participants the skills necessary to be effective leaders, and experience practicing leadership skills through coordinating various events.

Students in the program coordinate community service events, social gatherings, and leadership workshops for other students. Interested students should apply at the beginning of the fall semester. Students selected for the program should expect to make a commitment to participate in Leadership UNA while they attend the University.

**Custom-Designed Leadership Seminars:** The Office of Student Life will work with any recognized student organization to develop a custom-designed leadership program. Simply notify the office of your individual needs. The professional staff can assist you with all aspects of the planning process. Charges are assessed only to cover direct expenses, such as printing costs and refreshments.

**Leadership Conferences:** Students have the opportunity to attend state, regional, and national conferences, including
LeaderShape and Leading Edge Institute.

New Student Orientation

The Office of Student Life is responsible for assisting new students in making the transition into the UNA community. There are orientation programs scheduled for the beginning of each new semester. The largest group of incoming students each year are students planning to enter in the fall. Because of the large numbers involved, the University has a special orientation program called Student Orientation Advisement and Registration (SOAR). The SOAR program, which follows a two-day format for new freshmen and a one-day format for transfers, is offered during June and July. The summer session is Phase I of SOAR. Phase II is Welcome Week, which begins the fall semester with the opening of the residence halls. Activities including informational workshops and socials are held for the students.

To assist incoming students, a special group of upperclass students is selected to serve as SOAR Counselors. The SOAR Counselors are selected each fall and undergo a full semester of intensive training each spring. The SOAR Counselors assist with everything from information about UNA to class scheduling.

Each residence hall offers designated study areas for students who desire a quiet, study-oriented environment. Smoking is not permitted anywhere within the residence hall community.

**Rice and Rivers Halls** are on Pine Street. Rice houses 322 female students and Rivers houses 431 male students. The campus parking deck and parking lots are convenient to the buildings. The Towers Cafeteria connects Rice and Rivers to the Towers Complex. Both buildings are secured by a 24-hour desk operation. Convenient card access is available 24 hours a day. Each floor offers high-speed Internet and UNA network access for educational purposes.

**LaGrange Hall**, on Circular Road, houses 227 co-ed students. Parking is available directly behind the building and in the adjacent parking deck. The Towers Cafeteria and the Guillot University Center Food Court are easily accessible. Convenient card access is available 24 hours a day.

**Lafayette Hall**, next to the Guillot University Center, is a coeducational facility that houses 60 student leaders who are active in various campus organizations. A special Lafayette application, in addition to the on-campus housing application and contract, must
be completed for residency. A screening committee, consisting of Residence Life staff, faculty, and students, selects Lafayette residents.

**Hawthorne and Covington Halls** are two of UNA’s new coeducational residence halls, dedicated primarily to upperclass students. Each can accommodate 92 men and women, on three floors and a basement. Hawthorne Hall is at the corner of Pine and Hawthorne streets, to the north end of Rice Hall. Covington is directly behind Rice and Rivers Halls, between Covington and Hawthorne streets. Four residents compose a mini-cluster and share a full bathroom, designed for student privacy. The typical mini-cluster has two single-occupancy bedrooms and one double-occupancy bedroom. Three mini-clusters form a cluster of 12 residents, who share a lounge and a kitchen.

**Appleby East and West Halls** are UNA’s new coeducational residence halls, dedicated primarily to upperclass students. Each hall can accommodate 74 men and women on three floors. Appleby East and West are at the corner of Hermitage Drive and Nellie Avenue, next to the UNA tennis courts. Four residents compose a mini-cluster and share a full bathroom, designed for student privacy. The typical mini-cluster has two single-occupancy bedrooms and one double-occupancy bedroom. Three mini-clusters form a cluster of 12 residents, who share a lounge and a kitchen.

**Extended Housing:** For residents who need to live on campus during the times the University is closed (Thanksgiving and spring break), extended housing is available in the nine-month traditional halls at a higher rate. These housing facilities retain regular housing staff during these academic breaks. Athletes are encouraged to discuss the need for the extended housing option with their coaches.

**Summer Housing:** A separate application and contract are required to reserve a space in summer residence halls for housing during June and/or July summer sessions.

**Housing Office Operation**

**Housing Office**

The Department of Housing is composed of the Director, Assignment Coordinator, Senior Administrative Assistant, and Housing Coordinator. The Director’s office, in Room 112, Guillot University Center, coordinates all aspects of Housing, including applications, assignments, facilities, budget, renovations and
repairs, refunds, cancellations, programming, leadership development, discipline, and security. The Housing office maintains an open-door policy, so please drop by and meet the central office staff!

**Summer of Service**

Housing offers summer employment to students who live in the residence halls as part of a work crew designed to perform maintenance and cleaning of the buildings, minor repairs, moving inventory, etc. These students are supervised by the Director of Housing and the Residence Hall Custodial Supervisor.

**Residence Hall Safety**

The Housing staff wants your college experience to be educational, fun, and SAFE. We view ourselves as a safety-conscious campus, and keeping all community members safe has long been a high priority. Crime still does occur, but most of it is “crime of opportunity.” YOUR first line of defense is a combination of awareness and prevention. This means that YOU can take specific action to prevent, or greatly reduce, the likelihood that YOU will be the victim of a crime.

Relying on your own instincts is an important rule for personal safety. Occasionally, ask yourself what you might do differently in the future. Remember, your personal safety is our primary concern, but we need your help, too. Housing works closely with the Department of Public Safety to provide for your safety. However, residents must take on responsibility for developing a safe environment in the residence halls.

1. **Do not prop exterior doors open.**
   For security reasons, doors in the residence halls are kept locked. A door propped open invites into the building non-residents, some of whom commit crimes against residents. If you come across a propped door, please close it.

2. **Lock your room door when you are sleeping and when you are out of the room.**
   Locking your door when you are asleep or gone will probably be the most important thing you can do to ensure residence hall safety. In the time it takes you to shower, a thief can take your wallet and be on the freeway!

3. **If you see an unknown person who is unescorted in the residence halls, confront him or her.**
   If you are uncomfortable doing that, please contact a member of the residence hall staff for assistance. Do not let the
person continue unescorted. The name of the RA on duty is posted in the lobby of each building.

4. **Escort your guests at all times.**
   Even if you trust your guests, be aware that unescorted strangers can frighten others.

5. **Notify a residence hall staff member or the Department of Public Safety immediately if you receive an obscene or harassing telephone call.**

**APPLICATION PROCESS**

**Application, Assignment, Application Fee, and Contract**

A $100 (nonrefundable) application fee must accompany the housing application and contract. The application fee remains on file with the University throughout the resident’s period of occupancy. The application fee is carried over to the following academic year upon meeting the terms and conditions of the contract for the current academic year. The housing contract is a very important agreement between the resident and the University. The terms and conditions of the contract are stated in the document. Some of the items listed in the contract are outlined in this section; however, please refer to the contract for detailed information concerning the terms and conditions of occupancy.

**Eligibility**

To be eligible for on-campus housing, a student must be enrolled at the University of North Alabama and maintain full-time status. Any student whose class load drops below nine credit hours must request, in writing to the Director of Housing, permission to remain in the residence halls for the remainder of the semester.

**Application Process for Returning Students**

Current residents must apply for housing for the upcoming academic year. During the spring semester, each residence hall will post information concerning fall semester application, room preference selection, and contract cancellation procedures. Look for details about Spring Reclaim Week (a.k.a., MANE Event) before spring break.

**Assignment of Building**

Building/floor assignments are made according to date of contract, application, and application fee received, with preference given to residents who sign up during Spring Reclaim Week. Building assignments for Lafayette Leadership Hall are based on
university involvement and selection committee approval. Should a student receive an assignment to a building that is not his/her preference, Housing staff will work with the student in placing him/her in the preferred residence hall once space becomes available.

**Single-Occupancy Housing**

Residents may apply for single occupancy at any time. However, requests will be honored each semester only after all applicants have been assigned on a double-occupancy basis. There is an increase in room rent for single-occupancy housing. Payment is due at the time designated on the preregistration bill or when a student registers for classes. Students requesting single occupancy after registration must report to the Housing office and pick up a request change form. If the request is granted, the student must go to the business office to pay the additional rent. The receipt should be returned to Housing. Upon receipt of payment, the resident will be assigned to single occupancy.

**Assignment of Roommates**

Space is provided on the application for students to list roommate preference. The request must be mutual. For students requesting roommates, it is advisable that the applications be made at approximately the same time. Every effort is made to honor roommate requests and to assign students to their preference. Students who do not state any preferences will be randomly assigned to a roommate.

**Changing Rooms or Halls**

Once a room or building assignment has been made, any request for change must be submitted in writing to Housing. All room and building changes must be coordinated and approved by Housing. All approved moves must be made on the posted, designated Move Day. No further moves will be allowed after that day except in extenuating circumstances and upon approval of Housing. Any student who makes an unauthorized move must pay a $50 penalty and return to the original assignment.

**Extended Housing (nine-month halls)**

Extended housing simply applies to any student who has a need to live in a residence hall during the times the University is closed (Thanksgiving and spring break). All other times that the University is closed, there is no extended housing. This option is available in Rice, Rivers, and LaGrange halls. For further information on those times, please contact 112 GUC.
Contract /Agreement

All students requesting housing in a residence hall are required to sign a residence hall contract. The term of the contract is for one academic year, consisting of two semesters, from the first day of the fall semester to the last day of the spring semester. Residents of Lafayette Leadership Hall are also bound by the Lafayette Honor Code.

Contract Cancellation

With appropriate documentation, a resident may cancel without penalty for the following reasons:

1. Graduation or marriage, with appropriate documentation.
2. Academic requirement to move from the area to fulfill such requirements as internships, field work, or student teaching. Appropriate documentation must be submitted from a supervising faculty member.
3. Ineligibility to continue enrollment due to failure to meet academic requirements.

Any resident who cancels the contract at any time during the middle of the fall or spring semester without going through the proper procedures and meeting the appropriate deadlines listed above will not receive a rent refund. These conditions are in conjunction with university refund policies stated in the university catalog.

Any student who desires to cancel a contract for reasons other than those stated in Section III of the housing contract must submit a written appeal to the Director of Housing.

Consolidation

A resident occupying a double room without a roommate will be consolidated. The room consolidation procedure is as follows:

1. Housing compiles a list of all residents without roommates within the hall.
2. Housing provides each resident on the list with an explanation of the consolidation policy and the names of residents in the same situation. When necessary, Housing staff will assist the resident in selection of a roommate.
3. All residents have five (5) calendar days from date of official written notification to voluntarily choose a roommate and consolidate. The resident must inform the Assignments Coordinator of the mutual decision to room together. This gives the resident an oppo-
tunity to find a roommate of his/her choice. If there is some difficulty locating a new roommate, the resident should contact the Housing staff for assistance within the five-day period.

4. By the end of the sixth day, residents who have not voluntarily moved together will be fined and a new roommate placed with them or they will be asked to relocate to a new room.

**Nondiscrimination Policy**

The University of North Alabama is committed to a policy of nondiscrimination. When the names of roommates are not reciprocally expressed, individuals will be assigned without regard to race, religion, creed, or national origin.

**Expectations**

**Damages, Vandalism, and Community Property**

Each resident is responsible for the condition of his/her room. Residents are responsible for the accommodations of the room and shall reimburse the University for any damages or loss of items. Residents of an individual floor or residence hall will be required to share the expense of repairing or replacing property in common areas. Charges for damages will be determined by the University at its sole discretion and must be paid before the end of the semester in which the damages occur. Failure to pay will result in placing the student on financial hold with the University.

**Cleanliness/Inspection**

Each resident is responsible for the care and cleaning of his/her room. It is also the responsibility of residents to dispose of trash in the dumpsters outside and to keep hallways, baths, and all public areas neat and attractive. The Housing and Residence Life staffs reserve the right to inspect rooms for cleanliness and safety at any time. Residents are also expected to dispose of food in proper trash receptacles, not in the sinks, toilets, showers, or water fountains.

**Entry/Confiscation**

The University reserves the right of entry to any room at any reasonable time for the purpose of inspection, repairs, pest control, in case of emergencies, or for any other reasonable cause.

The University also reserves the right to confiscate, discard, and hold or surrender to appropriate authorities any item in any room that violates residence hall or university regulations as stated in this handbook, the university catalog, or any other official university publication.
Inventory
A room inventory card is prepared for each room/apartment by the Residence Life staff prior to occupancy. Each resident must sign an inventory card at the time of check-in, thereby acknowledging the condition of the room/apartment and the presence of specific furnishings. When damages occur within a resident’s room or in areas adjacent to it (e.g., windows, doors, lobby/study areas), it is ultimately the responsibility of the occupant to pay the costs to replace or repair the damaged property. The purpose of the room inventory card, which residents complete with their RAs at check-in, is to establish the condition of the room at occupancy so that residents can be assessed fairly if damages occur. It is the responsibility of the student to complete the inventory card accurately. If you do not receive an inventory card at the time of check-in, it is your responsibility to obtain one from your RA. Another inventory is completed at the time of checkout. A resident will be charged, at current repair and/or replacement prices, for any damages and/or missing furniture.

Keys
Each resident is required to have a key to his/her room. If a key is lost the student will be charged. A fee of $5.00 is charged each time a staff person must unlock the resident’s room. Unlocking the room doors by staff members should not be viewed as an obligation of the staff member. The lockout service is provided purely out of necessity and is greatly discouraged.

Occupancy
Only those students assigned to a room may occupy that room. If an individual other than those assigned occupies the room, the assigned student may be subject to immediate termination of the housing contract and may forfeit his/her right to remain in university housing. Residence hall rooms may not be sublet to another person.

Entering the Residence Halls
The residence hall is considered a private residence. As such, entrance to the facility is restricted to residents and their invited guests.

Proof of residence in any residence hall is provided by a valid Mane card programmed for entry to that building. A room key alone is not considered proof of residence.

Students who fail to provide appropriate identification upon
entering the residence halls will be subject to disciplinary action.

**Card Access to Buildings**

Each residence hall is equipped with card-access doors. These specialized doors provide security and should never be propped open. Access to the building is granted only to the residents of the hall who have their UNA identification number encoded into the card access system by a Housing staff member. Any resident who finds his/her access card not working properly or loses an encoded ID card must notify the Housing Office as soon as possible.

**Residence Hall Hours and Security**

Each residence hall has an established security system for the protection of the residents. At no time are residence hall doors to be propped open. Any tampering with the doors, locks, or any building security measures will subject the individual to disciplinary action.

**Bunk Beds**

Any bed may be bunked using the appropriate equipment available through the residence hall staff in your building.

**Cable Television and Internet Access**

All residence hall rooms are wired for cable television hookup and data access. The cost for basic television cable is included in the room rent fee. To receive HBO or any other premium channel, students will contract directly with Comcast Cable Services. For cable and internet problems, notify the Department of Housing at extension 4124.

**Computers and Computer Labs**

Hawthorne, Covington, and Appleby East and West have study labs equipped with computers and printers. Computer labs in Rice and LaGrange Halls are equipped with Gateway and MacIntosh computers as well as network printers. The computers in these labs are equipped with word processing, database, and spreadsheet programs. Internet access is available in all residence hall computer labs. Use of residence hall computer labs requires a valid UNA student ID card. Time limits on Internet computers may be enforced during high-demand periods. Hours of availability are posted on the door of the lab.

**Noise Violations/Quiet Hours**

Noise should be kept to a minimum at all times. Noise heard in the lounges and hallways or from adjoining rooms is considered
violation of quiet hours. Consideration Hours consist of a reason-
able quiet that does not disturb those around you. It is your right as well as your responsibility to let offenders know if their activi-
ties are in violation of consideration/quiet hours. Stereos, radios, TVs, and all conversation must be kept at levels that will not inter-
fere with the study or sleep of other students. Violations will subject individuals to disciplinary action. 24-hour quiet is in effect during exam periods. Please see your RA for posted quiet hours.

**Bulletin Boards and Printed Notices**

Bulletin boards are located in lobby areas and throughout the buildings. Certain bulletin boards may be reserved for use by Housing or Residence Life staff only. Printed notices not pertaining to the Residence Halls must be approved by the Office of Student Life, GUC 202.

**Lobbies and Lounges**

Main lobbies on the ground floor of each residence hall are open as reception areas to residents’ friends, families, and guests during the hours of operation of the halls. Lounges on the floors and other public areas of residence halls are to be used for Housing and Residence Life-sponsored activities or other programmed activities when the staff or RHA determine that a majority of the residents on each floor desire the activities. Television and study lounges are also available.

**Hall/Floor Meetings**

Periodically throughout the semester, the Residence Life building staff will conduct hall/floor meetings. Your attendance at these meetings offers you the opportunity to provide feedback and suggestions for Residence Life programs, policies, and procedures. Meetings are called whenever an issue or concern needs to be addressed with the resident population as a whole. Failure to attend mandatory hall/floor meetings without a 48-hour prior approval may result in a $20-$50 fine established by the Residence Life staff. Watch for posted notice of meeting dates, times, and locations!

**Custodial Services**

The custodial staff cleans public areas daily. It is the responsibility of residents to dispose of trash and food in the outside dumpsters and to keep hallways, bathrooms, and all public areas neat and attractive. Please help us keep our facilities clean and well maintained. Custodial problems should be reported in writing to
Residents of Hawthorne, Covington, and Appleby East and West halls shall maintain their private rooms and baths in a neat, clean, safe, and sanitary condition. Residents agree to be responsible for actual cleaning of these areas. The University shall provide custodial services for cleaning of common areas such as lounge, kitchen, elevator lobby area, laundry room, and public restroom. Residents will, however, be responsible for disposing of food and trash in the outside dumpsters, and general cleaning of kitchen areas after events and personal cooking. For cost of cleaning required beyond normal wear and tear, which includes, but is not limited to, trash not properly disposed of, leaving dirty/used dishes in the sink, food not properly stored, and spills on the floor, residents will be assessed a fine.

Trash

All residents are responsible for disposing of their trash in the in the outside dumpsters. Custodians will not be handling the removal or collection of trash in these buildings except for such common areas as the reception desk, offices, multi-purpose room, etc. All resident trash must be disposed of by the residents on a regular basis.

Laundry Facilities

Coin- and Mane card-operated washers and dryers in the residence halls are for residents’ use only. To receive a refund of money lost in laundry machines, please report to the Associate Director of Housing in the Guillot University Center.

Maintenance and Repairs

If a maintenance problem occurs in your room or in a public area, report the problem to the Housing staff. Report emergency maintenance and repair needs immediately to your RA or any other Residence Life staff member in your building. You may also e-mail your request to the maintenance staff at housing-main-tenance@una.edu.

Parking

Hall residents should purchase residential parking decals. Any questions regarding proper decal usage should be referred to UNA Public Safety.

Pest Control

The potential for pests exists everywhere. Campus housing is no exception. To eliminate pests, all residence halls are treated regular-
ly. If you see evidence of pests, complete a maintenance request as soon as possible. Keep in mind that the pesticides used are only effective when combined with good housekeeping practices. Follow these guidelines: (1) Store all food in sealed containers. (2) Do not leave food or dirty dishes lying around. (3) Empty liquid contents of cans and bottles in the sink before throwing them in the trash. (4) Empty the trash before leaving for the weekend or holiday.

**Pets**

Residents are permitted to have fish contained within desktop aquariums that do not exceed a 5-gallon/35-liter tank capacity. For health reasons, no other pets are permitted in the halls. Violation of the pet policy may subject residents to disciplinary action.

**Programming**

The Residence Life staff, along with RHA, encourages social, intellectual, cultural, and recreational growth of residents by planning and promoting programs and activities throughout the year. We encourage you to get involved by either helping to plan or by attending the events. If you have a great idea for a program, want to help, or just want to know when the next program is, become an active member of the RHA.

**Refrigerators**

Individually owned refrigerators may be used in rooms if they are no larger than 4.0 cubic feet. Larger units are prohibited. Refrigerators brought into the residence halls that exceed the set limit will be removed.

**MicroFridge ® Option**

MicroFridge® units are available for use in student rooms. Three units in one, the MicroFridge® has a separate door freezer, auto defrost refrigerator, and a 600-watt microwave oven. A MicroFridge® may be requested before August 1 of each academic year through the Department of Housing. MicroFridges® are rented on a first-come, first-served basis, determined by the application date.

**Checking Out**

Proper checkout is required. Proper checkout includes:

1. Making an appointment with an RA at least 24 hours in advance of your checkout time.
2. Removing all personal belongings and cleaning the room so that it is ready for the next occupant. Cleanup includes
removing all trash to the appropriate garbage dumpster outside your building, not to the hall trash bins.

3. Returning the inventory sheet with a staff member and signing it.

4. Returning all keys issued.

Failure to check out may result in an improper checkout fee of $50.

All residents must vacate the residence halls within 12 hours of their last examination or by 12 noon of the last day of exams, whichever comes first. See a member of the Housing and Residence Life staff for additional checkout information.

Abandoned Items

There is no provision for storage of personal property in the residence halls. Items left in residence hall rooms or in storage after the owner has moved out of the residence hall, or to another room, and items not marked as to ownership will be declared abandoned. When possible, a written notification will be sent to a resident whose items have been left behind. If no action is taken by the resident to remove the items from the residence hall within the timeline indicated in the letter, the items will be disposed of by Housing or Residence Life staff.

Responsibility for Rules and Regulations

In addition to the standards and guidelines set out in this Student Handbook, all other rules and regulations of the University of North Alabama and the laws of the state of Alabama and of the United States of America shall be in effect upon students residing in or visiting the university residence halls. Student behavior is governed by the Student Code of Conduct as published in this handbook.

Paint Policy / Decoration

The Department of Housing wants you to feel at home in your
room and encourages you to decorate it. In order to help maintain the condition of the rooms, certain rules must be observed when decorating. In certain assigned areas, residents may paint their rooms in accordance with the guidelines established in the Housing Paint Policy Agreement. Copies of the guidelines may be obtained from a member of the Housing staff in each building. The agreement must be signed by all residents of the room and approved by the Director of Housing before a room may be painted. All painting will be inspected by the Housing staff.

**Disposal of Hazardous Materials**

Students who use syringes for legitimate medical purposes, such as insulin injections, are required to notify Residence Life staff immediately. It is university policy that all sharps used for legitimate medical purposes be disposed of in the proper manner. The University Health Center will provide you with a “sharps container” to use for disposal of used syringes. There will be no charge for this service. Syringes and other “sharps” are not to be put in common area trash receptacles in the residence halls unless they are in a sharps container. Any questions should be directed to the Area Coordinator.

**Personal Property Liability/Loss**

The University of North Alabama and the Departments of Housing and Residence Life assume no responsibility for theft or casualty losses. To protect your possessions, check your parents’ insurance policy or your personal insurance policy to determine coverage. If your possessions are not covered, you should obtain private insurance (brochure of private agency is available from the Housing office).

**Smoking**

Smoking is prohibited inside all residence hall facilities. Cigarette bins are located outside each building. Discarding cigarette butts on the ground is considered littering and the privilege of smoking outside the building can be taken away.

**Harassing Phone Calls**

If you receive obscene, harassing, or threatening phone calls, immediately notify the Residence Life staff and UNA Public Safety. To assist in the detection of the caller, you should note time, date, length of call, and what the caller said. Do not give personal information to strangers on the phone.
Revision of Visitation for Opposite-Sex Guests

1. Any proposal for visitation recommendations must be submitted to the Director of Residence Life by the Residence Hall Association.

2. The proposal must have a positive survey of 66.66 percent of all students residing in an individual residence hall in order to affirm a visitation option for recommendation.

3. The Residence Hall Association will supervise and administer the survey process.

4. Each resident wishing to complete a survey will present his/her university student identification card and will be marked off on an official residence hall roster.

5. Survey results are recommendations only and must have administrative approval.

Public Areas/Restrooms

Areas of residence halls where guests are allowed, other than the host’s room, are posted in each individual hall. Restroom facilities for guests are available in the lobby of each building. Restrooms on the floors are off-limits to opposite-sex guests.

Fire Safety and Procedures

Emergency procedures are posted on the back of every resident’s door. Fire alarm systems are installed in all residence halls. The system includes automatic smoke detectors, alarm signals, and annunciators. There are two methods of notification: manual and automatic. Following a manual alarm, the Residence Life staff member on duty will notify the Florence Fire Department and UNA Public Safety. UNA Public Safety will investigate and will notify the Florence Fire Department if there is cause. Upon detection, an alarm notifies residents in the area. The alarm is a continuous buzzing noise. As soon as that alarm is heard, residents must vacate the area according to the evacuation procedures posted on the backs of residents’ doors in each building. Fire drills will be conducted during the semester. A resident will be subject to disciplinary action for failure to evacuate the building during a drill or for tampering with fire-control equipment. Rendering a false alarm is considered a criminal offense.

It is each resident’s responsibility to be familiar with evacuation procedures. In the case of a fire, residents should do the following:

A. Leave in as quick and orderly a manner as possible, by the stairwell to the parking lot.
B. Carry a towel for breathing and wear shoes for protection.
C. Close, but not lock, their room doors.
D. Feel any closed door for heat before opening.
E. Have a “buddy system” for physically challenged residents and heavy sleepers set up by the Resident Assistant.
F. Stay out of the building until given official permission to re-enter. In case an exit is not possible, residents should know that the safest thing to do is stay in their rooms with the doors closed. They should put wet towels or clothing around the door to keep out the smoke, then open the window slightly, put a white cloth in the window, and remain in the room until help arrives. Once evacuated, residents should stay out of the building until the all clear has been sounded.

Tornado Safety and Procedures
“Tornado Watch” means weather conditions are suitable for a tornado. “Tornado Warning” means a tornado has been indicated on radar or sighted. During a tornado drill or an actual emergency, residents will be notified to relocate to designated areas by the sounding of the bell alarm. The alarm will consist of three short rings every five seconds. Tornado safety procedures are posted on the backs of residents’ doors in each room. Tornado drills will be conducted periodically during the semester. A resident will be subject to disciplinary action for failure to follow procedure during a drill.

Telephone Service
Students must provide their own phones. Local phone service is included in the room rent. Students obtain their room telephone number upon check-in to the residence hall. Answering machines are compatible with the university telephone network.

Additional telephone service, such as voice mail, call waiting, and caller ID, are available at extra charge on a semester basis. Residents can request and must prepay for these services by going to the Business Affairs cashier’s window in Bibb Graves Hall. Residents must provide their own caller ID box. An additional phone jack is also available on a prepay basis per semester (not available on Rice Hall 4th, 5th, and 6th floors).

Residents can use their personal long distance calling cards from their rooms and can receive long distance outside calls, or residents can use collect calling. Area calling (such as BellSouth’s local toll calling zone) is not available in the residence halls. Dialing instruc-
tions are provided upon check-in.

**MOST FREQUENTLY ASKED QUESTIONS**

**Is a meal plan required to live in the residence halls?**

The university’s Fiscal and Administrative Affairs office requires all first-time residents to purchase a meal plan. For meal-plan choices, consult the Business Office.

**When are my tuition, meal plan, and residence hall charges due?**

Students who preregister through SOAR or preregistration will receive a bill from the Fiscal and Administrative Affairs office, typically in mid- to late July. All charges are due and payable by the date indicated on the bill. Students who register during regular registration must pay all charges at the time they register for classes.

**How are building and room assignments made?**

A residence hall building assignment is made according to the date the housing application, the fee, and the contract are received in the Department of Housing main office.

Roommate requests are mutual if (1) both applicants request each other on their applications and (2) both applications, contracts, and fees are received in the Department of Housing at approximately the same time.

Single-occupancy housing is available upon request and approval by Housing, according to availability. Applicants who desire single-occupancy housing must indicate the request on the application. They will then be assigned, according to application date, to single occupancy as long as space is available. There is an increase in room rent for single-occupancy housing.

Every effort is made to honor building and roommate requests. However, roommate requests and building preferences cannot be guaranteed.

A student who does not state a preference will be randomly assigned a roommate.

**May I change my room assignment?**

Students may request a room change. Requests must be submitted to the Housing Office. All room and building changes must be approved and made by the posted Move Day.

**Who will help if there is a problem in my hall?**

All halls have Residence Life staff to assist you with any prob-
lems or concerns that may arise. A Resident Assistant (RA) is on each floor to help supervise and provide assistance. Each hall also has an Area Coordinator who resides in a hall and is centrally located to oversee the daily operations of the building and supervise the RA staff.

May I have guests?
Yes. All guests must register at the lobby sign-in sheet. Guests must be registered by the host and escorted at all times. A guest under the age of 18 must have prior permission 24 hours in advance from the Area Coordinator.

What do I do if my card access is not working properly?
Should you experience difficulty with your card access, you need to report it immediately to the housing Office.

Is it mandatory to have a Mane card?
Yes. The Mane card serves as the UNA identification card, campus debit card, meal card, and library card and for access to your campus residence hall. The Mane card must be carried at all times when the student is on campus. Replacement cost for a lost or stolen card is $10 at the Mane card office in the GUC.

What should I do if my class load drops below full-time?
While living in the residence halls, you must maintain a course load of 9 hours as an undergraduate or 6 hours as a graduate student. Should your status change and you drop below those limits, you must meet with the Director of Housing immediately and provide a written statement describing the circumstances that led to the change. Official documentation may be required.

Are there on-campus accommodations for overnight guests?
Yes. The Department of Housing has overnight accommodations for students’ parents and guests on official university business. The apartment, on the Rice Hall mezzanine, is furnished with a double bed, private bath, and a one-time supply of linens. You must make reservations through the Director of Housing at least 24 hours in advance. The cost per night is between $15-$35, depending on which apartment, and is paid to the Housing or Residence Life staff upon checkout.

Where do I pay my housing fines?
Go to the cashier’s window in Bibb Graves to pay your fine. You will then need to go by either the Department of Housing or Residence Life to show proof of payment and allow the staff to
make a copy of your receipt to place in your file. Should you fail to do so, Housing and Residence Life reserves the right to place your account, registration, and/or transcript on hold until such time as the account has been cleared.

**University Apartments**

The University of North Alabama apartments are available to university students and to university employees. RESIDENCE LIFE

Location: Rice Hall main floor (entrance near Towers Cafeteria)
Hours: Monday-Friday, 8 a.m.-4:30 p.m.
Phone: 765-5558; Fax: 765-5840

The primary role of the Residence Life staff member is to support the educational goals of the Division of Student Affairs and the University. The staff consists of both full-time (Director, Area Coordinators and Administrative Assistant) and paraprofessional (Resident Assistant and Senior Resident Assistant) student staff. It is their job to provide crisis intervention and act as an emergency resource, help insure a safe and secure living environment, provide routine hall activities, resolve behavioral problems and provide policy enforcement, and assist in the administration of their respective facilities.

Area Coordinator is the live-in professional staff member of a particular residence hall area. Area coordinators, who report directly to the Director of Residence Life, are responsible for the day-to-day management of their areas as well as the supervision of the undergraduate staff living in their facilities.

Senior Resident Assistants assist the Area Coordinators in the everyday operations of the areas to which they are assigned.

Resident Assistants are the undergraduate student staff living in a particular residence hall, who are responsible for the day-to-day management of the floor. The Resident Assistant staff undergo in excess of eighty hours of training before their first day on the job, and complete the ED 295 Resident Assistant course their first semester in the position. They can assist students with 95 percent of their concerns.

One of the greatest advantages of living in a residence hall is that there always seems to be something happening. The student will find all sorts of social, recreational, community service, and educational programs designed to supplement educational goals and activities. Intramurals, outings, special entertainment, and events are offered throughout the year. Volunteers are always needed to help with activities, and getting involved in the Residence Hall Association is the perfect way to make an impact in your hall.

The Department of Residence Life believes in an “open-door” policy and welcomes your ideas, concerns and recommendations. Please feel free to stop by our office in Rice Hall; we will look forward to taking care of your residential needs.

INFORMATION TECHNOLOGIES

Effective as of the 1995-96 academic year, the University established a technology fee for “technology renewal and replacement.” A major portion of the money is expended each year for the upgrading and/or replacement of personal computers, networking, infrastructure, and computer laboratory equipment. The remainder is held in reserve for replacement of major equipment—mainframe, servers, telecommunications switches, etc.

The University maintains approximately thirty student computer laboratories, ranging from the larger installations found in Collier Library and the Guillot University Center to smaller discipline-specific labs in many academic departments across campus. The equipment in these labs is replaced on a rotational basis under the direction of the Technologies Advisory Committee. Other student services that the technology fee helps maintain include on-campus and dial-in Internet access, CATV, closed-circuit television, online library access, and Web browsing. The fee finances equipment and software for Web registration procedures and to allow dial-in registration from remote sites. In addition, the fee supports student organizations’ Web pages and program libraries for computer classes. The telephone system, which offers such features as voice mail, caller ID, and call forwarding in the student offices and residence halls, was paid for, in part, by the technology fee.
UNIVERSITY CENTER

The Guillot University Center (GUC) is the hearthstone of the University community. It is intended to provide a place where students can meet and relax. In addition to the GUC Food Court, the University Bookstore, and the University Mail Room, the GUC also offers a variety of meeting places, both formal and informal, and houses the Office of the Vice President for Student Affairs, Office of Student Life, Housing, University Events, services for students with disabilities, the Academic Resource Center, and the Office of Career Services. Any questions regarding use of the GUC should be forwarded to University Events, within the Office of Student Life, UNA Box 5068, phone 765-4658.

Information Center and UC Banners

If you have an event you wish to advertise on campus, you’ll want to let University Events help you spread the word. The University has a limited number of high-visibility spaces to hang banners, which we will be happy to hang for you in high-traffic areas of the GUC. These services are normally restricted to recognized or registered student organizations wishing to advertise events open to the entire campus. Other messages are approved on a case-by-case basis. To have a message advertised, stop by the GUC office, suite 202.

UNIVERSITY FOOD SERVICE

Sodexho Campus Services provides food services for the University, from resident dining plans to birthday cakes and catered events. Because everyone’s schedule and everyone’s needs are a little different, Sodexho offers a variety of dining options including meal plans, which are stored on the participant’s *Mane card*. Value meals are *meals per week*, reset every Monday. Dining Dollars are *per semester, food only, balances* that decline as food purchases are made.

All-you-can-eat **Value Meals** are served at Towers Dining Hall during specified meal periods. One meal per meal period can be used. Value meals are non-transferable and may be used only by the meal-plan participant.

**Dining Dollars**, also known as Flex Dollars, are used to purchase food and beverage selections at the GUC Food Court, Jazzman’s Coffee Bar, and meals at Towers Dining Hall.

Locations:
Towers Dining Hall—This all-you-can-eat facility, situated
between Rice and Rivers residence halls, features a full soup and salad bar, hot and cold breakfast items, homestyle meals, a deli bar, an innovations station, a grill area, pizza, and a variety of desserts and beverages. Theme meals and taste changers are also featured throughout the year. Towers is convenient for breakfast, lunch, and dinner for resident students. Students, faculty, staff, guests, and visitors are welcome at Towers. Student meal plans, cash, Dining Dollars, Lion Loot, and Faculty/Staff meal plans are accepted at Towers. Towers is open for breakfast, lunch, and dinner Monday through Friday and brunch and dinner on Saturday and Sunday.

Food Court—The GUC Food Court in the Guillot University Center is in the heart of the academic portion of campus. The GUC Food Court is convenient for breakfast, lunch, and mid-morning or afternoon snacks. The GUC Food Court features an A&W All American Food Express, a Pizza Hut Personal Pan Pizza and Buffalo Wings shop, a sandwich shop, the Marketplace (traditional homestyle meals), Smart Market (grab-and-go items), a full soup and salad bar, and a wide variety of desserts, snacks, and beverages. Students, faculty, staff, guests, and visitors may use cash, credit/debit cards, Dining Dollars, and Lion Loot at the GUC Food Court. The GUC Food Court is open Monday through Friday.

Jazzman’s—Jazzman’s is a full-service gourmet coffee bar located in the Guillot University Center atrium (adjacent to the GUC Food Court). First-year resident students are required to purchase a meal plan

**MEAL PLANS**

**First Year Resident Student Plans**

- 15 meals per week + $25 flex
- 12 meals per week + $100 flex

Either plan listed above fulfills the requirements for freshman resident students. The above-listed plans, which represent the greatest meal plan value, are available to all students.

**Other Resident Student Plans**

*(Second-plus Year Resident Students)*

- 9 meals per week + $150 flex
- 7 meals per week + $225 flex
- 5 meals per week + $325 flex

*These plans do not fulfill the requirements for freshman resident students but are popular for upperclassmen and commuters.

**Commuter Plans**

- 50 meals per semester + $25 flex
- 25 meals per week + $50 flex

**These plans are designed primarily for commuter students.

**SUMMER MEAL PLANS**

- 140 meals per semester
- 110 meals per semester
- 80 meals per semester

Meal plans offer a variety of important features:

**Security**—Meal plans offer a predetermined number of meals either weekly or by semester. A meals-per-week plan means that you will have the same number of meals every week, so you will not run out of weekly meals near the end of the semester. A meals-per-semester plan allows you to use your meals any time during the semester. Meal plans with flex dollars allow you to spend your flex dollars how you see fit throughout the semester. If you have a meal plan, you do not have to carry cash for meals on campus.

**Convenience**—Meal plans offer you the freedom not to worry about grocery shopping, cooking, and cleaning. Meal plan participants do not have to waste valuable time leaving campus and trying to get back before their next class or meeting and losing their parking spots.

**Value**—You can use a value meal from your weekly or semester plan for full meals at Towers Dining Hall and your flex dollars at the GUC
Food Court or Jazzman’s when you just want a snack or light meal.

**Nutrition**—You can choose from a wide variety of food options at Towers Dining Hall, the GUC Food Court and Jazzman’s. We offer nutritious meals that will help you keep pace with today’s active lifestyles.

**Flexibility**—Everyone has different eating habits. No matter how you like to eat or what your schedule looks like, a meal plan can be found to suit your situation.

**How to choose…**

Here are some questions to consider when selecting a meal plan:

- Will you normally remain on campus during the weekends?
- Do you normally skip breakfast or eat only a light breakfast?
- Are you an athlete or a member of the band?
- How many full meals do you eat each day?
- Do you tend to eat small meals or snacks rather than full meals?

Up-to-date pricing information may be found in the most current addendum to the university catalog. Hours of operation for each dining location are posted at each location. Questions on these or other dining service subjects can be answered by visiting the Dining Services office on the second floor of the Guillot University Center, by calling the office at (256) 765-5667, or by visiting the website at www2.una.edu/diningservices.

**Employment**—Sodexho frequently has employment opportunities available for students. Convenient locations, flexible hours, and free meals make Sodexho a great place for students to work. Stop by or call the Dining Services office for more information.

**Advisory Committee**—Help Sodexho provide the services and selections you want. Join the UNA Dining Advisory Committee! Watch for meeting times and locations in Towers Dining Hall.

**Special Events**—The Sodexho staff coordinates several special events, theme meals, and taste changers throughout the fall and spring semesters. Watch for information and flyers in the residence halls, Towers Dining Hall, the GUC Food Court, and Pipeline announcements for specific dates and times.

**Bring a Friend**—Guests are always welcome to eat in Towers Dining Hall or the GUC Food Court. Towers Dining Hall prices for guests are breakfast-$7.00, lunch/brunch and dinner-$8.00. GUC Food Court prices are a la carte.
**Tickets to Athletic Events**

A regularly enrolled full-time student is admitted without charge to all home athletic contests upon presentation of a valid ID card at Gate 2 or Gate 6 at Braly Stadium for football, or the Pine Street south door at Flowers Hall for basketball. Such students may also purchase up to 5 (five) student guest tickets for $5.00 each, prior to game day, upon presentation of a valid ID card. Student guest tickets can be purchased at the Athletic Ticket Office in Flowers Hall.
