This handbook was created to be used in conjunction with the UNA Student Handbook, in addition to the respective Councils’ Constitution and Bylaws. This Policy Manual details certain policies unique to the fraternities and sororities at the University of North Alabama.

Policies:

Event Policies:

While the University’s role is to assist students to develop satisfying lifestyles to equip them for a better quality of life, it cannot and should not stand in the place of a parent. University students, as citizens of the community, of the state and of the nation are, like any other adults, expected to be aware of and to abide by pertinent laws and University regulations.

The University expects students to conduct themselves at all times as responsible adults, and to realize that they may be subject to civil or criminal liability resulting from violation of alcohol and controlled substance laws. Such liability may exist independently of any disciplinary action taken by the University for violation of its regulations.

The following regulations regarding planned chapter events held off campus and on the University of North Alabama campus or on property controlled, owned, or operated by the University shall apply to all UNA social fraternities and sororities, whether or not housed on university property.

Definition of Events & Registration Policy

To better ensure that social fraternities and sororities implement appropriate risk-management measures, all events must be registered via the Event Registration Form (available on the Fraternity and Sorority Life website) one week prior to the event (all events requiring police, as indicated below, must be registered two weeks prior to the event). No event is permitted without the knowledge and approval of the chapter president, chapter advisor, and a Student Engagement staff member.

Chapter Events

A chapter event is:

1. Any activity announced by the chapter; or
2. When a member or members of the chapter plan, solicit funds for, or promote the activity; or
3. Any activity perceived as being an organizational event

All chapter events will require an Event Registration Form available at https://www.una.edu/students/FSL/event-registration-form.html.
Social Events
All social events will require an Event Registration Form (link listed above) and may require the presence of a police officer.

Social events include, but are not limited to, themed parties, mixers, formals, and any activity that includes/meets 2 or more of the risk factors below:
- Live Music (including DJ)
- More than 5 Guests (anyone other than currently active or new collegiate members)
- Third Party Vendor
- Past 10pm
- Alcohol Permitted

Location and Time
Outdoor activities, held on or off campus, must be concluded no later than 10 pm, except on Friday and Saturday when events may go on until 12 midnight, unless a noise permit is obtained by the city of Florence.

All events must have the approval of the person(s) in charge of the facility where the function is to be held.

No social events further than 200 miles from the UNA campus will be permitted. No overnight social events will be permitted.

Event Limitations
No events will be permitted when the university is closed (e.g., severe weather, holidays, etc.).

Per the recommendation of the North-American Interfraternity Conference health and safety standards, chapters are permitted to hold no more than 8 events with alcohol each semester (the semester is defined as the first day of classes through the last day of classes).

A maximum of three social events may occur simultaneously (i.e., only three chapters may hold social events on the same day at the same time). If more than three chapters register social events for the same day/time, approval will be granted based on which 3 chapters registered their events first.

Certificate of Liability Insurance
All chapters must have a current certificate of liability insurance on file with the Student Engagement Office in order for the chapter to host any event. An updated copy of the chapter certificate of liability insurance is due within 2 weeks of your previous certificate expiring.

Clergy Crime Disclosure
The Clergy Act requires that all crime statistics for events on campus and events hosted by campus organizations be disclosed. If someone tells you about a crime or an incident that may be a crime, or you witness a crime, you must report the information to the University of North Alabama Police Department. You may report the information by calling UNA PD at 256-765-4357 or by stopping by the UNA PD in person.
Because the University faces substantial monetary penalties for failing to include a reported crime in its annual crime statistics, it is critical that you report anything that could be considered a crime. All members and guests in attendance should report all facts regarding crimes/possible crimes to the Risk Management chair who is responsible for reporting the information to the UNA PD in a timely manner.

**What must be reported?**
Any facts regarding crimes and possible crimes should be reported. UNA PD will decide if the crime must be included in UNA’s annual crime statistics per the Clery Act. The following numbers are reported annually per the Clery Act and must be reported: criminal homicide, sexual offenses (rape, sexual assault, fondling), domestic violence, dating violence, stalking, robbery, aggravated assault, burglary, theft, arson, and hate crimes.

**Risk Management Team**
A group of six (6) or more members of the organization will be responsible for monitoring any social event (if a chapter’s total membership is less than 12, chapter leadership will work with Student Engagement to determine a suitable size for the risk management team considering the estimated attendance). At least two members of the risk management team must be executive officers. At least two members of the risk management team must be 21 years of age. For co-sponsored events, the risk management team responsibilities may be split. The event registration form must have these members identified to be approved. These individuals monitoring the event will not be allowed to consume any alcohol prior or during the event. Those serving on the risk management team must serve the entire event (swapping out risk management team members during the event is not permitted).

Risk management team duties will include:
1. Introduce themselves to the police officers
2. Wear distinct orange Risk Management Team button (template provided by the Office of Student Engagement)
3. Respond to all emergency situations

Additional duties during events where alcohol may be consumed include:
1. Assist police with checking identification
2. Distributing wristbands to the individuals of drinking age
3. Coordinating the transportation of members and guests leaving the event intoxicated

It is recommended that the risk management team be distributed among the following roles throughout the event:
1. 1 individual at each entry (unless the entry is a door which is locked)
2. 1 individual at each stairwell
3. 1-2 individual(s) roaming the event as monitors

**Guests**
A guest is defined as any individual other than currently active or new collegiate members (only members listed on the chapter roster on file with the FSL office are included as members). For alumni specific events, alumni do not count as guests.
All chapter events where alcoholic beverages shall be served or permitted to be consumed shall be by individual attendee invitation only. A typed guest list must be compiled prior to the event and be provided to the police officer prior to the start of the event. The officer should assist in checking the guest list and IDs.

The guest list should be formatted using the attached document (see Appendix A). As attendees arrive, their name should be highlighted. The completed guest list should be submitted to greeklife@una.edu within 48 hours of the event.

For all chapter events where alcoholic beverages shall be served or permitted to be consumed, guest lists should not exceed a three (3) to one (1) ratio of guests to currently active or new collegiate members that are in attendance at the event. Fire codes may mandate smaller ratios based on the organization’s facility. Any alumni in attendance should be included in the guest list, unless it is an alumni specific event.

Each organization assumes full responsibility for the activities and behavior of all persons in attendance at its events. If situations should arise that prove damaging or embarrassing to person(s) in attendance, to the organization itself, or to the University, disciplinary procedures against the organization will be instituted by the appropriate administrators of the University.

**Police at Social Events**

A police officer shall be present at any chapter event, on-campus or off-campus, where alcohol shall be served or permitted to be consumed. Additionally, a police officer shall be present at all social events without alcohol if there are more than 199 attendees. All police officers must be certified by the State of Alabama. When registering the event, the chapter will indicate whether they wish to hire UNA police or will hire certified police outside of the university.

If an event will be using officers not employed by UNA, it is the responsibility of the sponsoring organization to organize services. A copy of officers’ licenses must be submitted to the Student Engagement Office one week prior to the event. Police officers assigned to regulate and/or patrol fraternity and sorority events should be briefed by the Risk Management Team as to their specific roles and responsibilities during such functions. Police will assist with checking identification. Police officers have final authority on terminating an organization’s event on site.

The number of police officers required shall be in accordance with the numbers listed below.

If events with alcohol are held within the organization’s meeting facility, such as a fraternity chapter house, the police officer has the authority to monitor the bedrooms, upstairs, and non-party designated areas, if there is probable cause for suspicion. Only organization facility tenants should be entering and exiting bedrooms, upstairs rooms, and other meeting spaces other than the designated social area. If the organization is in violation of this policy, the police officer has the authority to terminate the event immediately.

*UNA Police*

*Updated October 31, 2018*
If a chapter indicates their intention to hire off-duty UNA police when registering their event, the Office of Student Engagement will contact the UNA Police Department to obtain the names of officers for the chapter. The contact information of scheduled officers will be sent directly to the individual who registered the event.

Payment must be made directly to the officers working the event in the form of a check written directly to the officers at the time of their arrival. Should payment not be made, the event will be cancelled. Payment rate for University police is $25 per hour, with a minimum four hour rate, for each officer scheduled.

In the event that a chapter requests UNA Police and there are no officers available, pre-approved staff or public service officers may be assigned. The staff and PSOs working the event will be trained on the policy and will have the same authority as officers to enforce the social policy and close the event if necessary. Additionally, the trained staff and officers will be paid at the same rate as University policy (as indicated above).

If a chapter cancels an event, notification must be sent to the Assistant Director of Student Engagement and the scheduled officers 96 hours prior to the event or the chapter will be responsible for paying the officers.

**Number of Officers Required**
The following ratios are to be used as a guideline for the minimum number of police officers that will be present at the approved event.

**Social Events without Alcohol***
1-199 attendees: 0 police officers
200-499 attendees: 2 police officers
500-999 attendees: 3 police officers
Add one officer per additional 500 attendees

**Events with Alcohol**
1-149 attendees: 2 police officers
150-249 attendees: 3 police officers
250-349 attendees: 4 police officers
Add one officer per additional 100 attendee

**Beverages and Food**
The sale, by the organization and its’ members, of alcoholic beverages is prohibited. This restriction applies to all of the various methods of charging for drinks, including charging admission to parties, selling drink tickets, asking for donations, charging for food or other items while providing drinks free, or otherwise obtaining payment or reimbursement of any kind for alcoholic beverages.

Alternative (non-alcoholic) beverages must be provided at the expense of the host organization, with no cost to guests. These items must be readily available at all times during the event at which alcoholic beverages are permitted to be consumed.

*Updated October 31, 2018*
Ample quantities of food must be provided to all attendees. These items must be readily available at all times during a party at which alcoholic beverages may be consumed. There shall be no costs to guests. The food and drinks should be reviewed with all members of the risk management team.

Glass containers are prohibited at all social events with or without alcohol (unless provided by a third-party vendor at an off-campus facility). No common sources of alcohol should be provided, such as, but not limited to, punches in coolers or trashcans, kegs, etc. Hard liquor is prohibited from all “Bring Your Own Beverage” events.

In the event that alcoholic beverages become present at a function that originated as a non-alcoholic function, it is the responsibility of the organization’s executive officers and risk management team to enforce the governing rules of a non-alcoholic event. Also the police officer should assist in the removal of alcoholic beverages. If the host organization does not comply, the police officer has authority to terminate the event immediately.

**Wristbands**
Wristbands are the ONLY approved method of identifying those of legal drinking age. The Office of Student Engagement will provide all wristbands for events with alcohol. The organization will be given enough wristbands for the estimated attendance, per the Event Registration Form. Wristbands may be picked up no earlier than 3 days prior to an event from the Student Engagement Office. All unused wristbands must be returned to the Student Engagement Office within a week of the event (note, each event will have different color wristbands, so you cannot keep unused wristbands for future events).

Wristbands are only to be given to those whom provide state identification verifying they are of legal drinking age (Mane cards will not be accepted as a method of identification).

Identification must be checked prior to entering the venue. Wristbands are not to be distributed prior to entrance to the venue.

**Sponsorship**
Organizations shall not sponsor or co-sponsor any function with any beverage distributor or brewing company or lend the organization’s name to any such activity at which alcohol is available, with or without charge or donation. This restriction applies to all activities, including, but not limited to, functions conducted for the benefit of charities and like causes.

**Recruitment/Intake**
All forms of recruitment, intake, and new membership activities shall be non-alcoholic. A recruitment activity may range from one (1) person to many organization members. No recruitment, rush, intake, or new member activities should be held in conjunction with a tavern or alcohol distributor as defined in this policy.

**Co-Sponsored Events**
Any and all alcoholic events registered and co-sponsored with three or more organizations are strictly prohibited. Two organizations are allowed to host an alcoholic event in collaboration, if proper registration is completed. All co-sponsored events require the approval of both organizations’ chapter president and faculty/staff/chapter advisor, along with a Student Engagement staff member.
BYOB Procedures
For BYOB approved events, all attendees are required to bring their own alcohol. This includes members and guests. It is recommended that individuals should not leave with any leftover alcohol. A maximum of six (6), twelve (12) ounce cans/plastic bottles of beer, wine, and malt beverages is permitted per individual. No cases, twelve-packs, or other alcohol containers larger than six 12 oz. beers or wine coolers are permitted. At the end of the function, it is recommended that the host organization immediately dispose of the alcohol left by guests. Hard liquor and glass bottles are prohibited at BYOB events.

Drinking Games
Games and contests that reward the capacity to consume large amounts of alcohol or consume alcohol quickly are strictly prohibited at any approved event whether on or off campus. Alcoholic beverages, including cases and kegs of beer, shall not be provided as prizes or awards to students or organizations.

Alcohol Paraphernalia at Events without Alcohol
Alcohol paraphernalia is prohibited at events without alcohol. This includes empty containers, packaging, shot glasses, etc. The host organization is responsible for checking the facility and clearing the area of all paraphernalia (including those left in the trash) prior to the start of the event. It will be presumed that any empty containers found at events without alcohol were consumed at the event.

Themes
Themes for all social events must be appropriate and should not be derogatory in any way. This includes sexually charged themes or events that negatively exhibit males or females in any way. Themes containing reference to alcohol are not permitted. Those chapters who submit inappropriate themes will be asked to change the theme or risk not hosting the event. This also applies to themes for t-shirts. Any unapproved theme changes will be seen as a violation of this policy.

Fire Inspection
Any organization that is not up to date with Chapter Fire Inspections will be prohibited from hosting any event whether it is an on campus, off campus, or hosted at the chapter facility.

Violation
If an organization violates the FSL Event Policies, the Office of Student Conduct, in conjunction with the Office of Student Engagement, may conduct a hearing. The Assistant Director of Student Engagement for Fraternity and Sorority Life and the Office of Student Conduct may choose to defer the conduct hearing to the governing council.

If these policies are violated during a co-sponsored event and the Office of Student Engagement is not notified immediately, it will be presumed that both hosts are responsible for the violation.

Expansion Policy:
The Policy on Expansion for Social Fraternities and Sororities outlines the guidelines and procedures for all new and returning social fraternities and sororities at the University of North Alabama.

A new social fraternity or sorority may register as a Recognized Student Organization with the University’s Office of Student Engagement only after all steps within this policy and the respective council’s constitution/bylaws have been completed and a formal invitation has been granted by the Assistant Director of Student Engagement for Fraternity and Sorority Life. In order to receive a formal invitation and recognition, the new/returning organization must submit all the documentation and certification requirements as set forth by this policy.

The governance structure for social sororities and fraternities at the University of North Alabama includes student governing councils (College Panhellenic Council-CPH, Interfraternity Council-IFC, Independent Greek Council-IGC, and National Pan-Hellenic Council-NPHC) that are delegated authority by the University to participate in a shared governance model. All interested in expanding at the University of North Alabama must be aware of the policies and procedures of their respective council, as the organization must affiliate with one of the four councils.

This document is divided into four sections: Section I outlines the University of North Alabama’s definition and general guidelines for social fraternities and sororities pursuant to the relevant Rules of the University of North Alabama; Section II outlines the procedure that a petitioning social fraternity/sorority must follow to request and obtain recognition; Section III outlines the benefits and expectations of a recognized social fraternity or sorority at the University of North Alabama; and Section IV outlines repercussions for operating a social fraternity or sorority fraternity of the protocol outlined in this document.

SECTION I

A. Social Fraternity/Sorority Defined
The University of North Alabama defines a social fraternity/sorority as a single-gender organization that exists to promote fraternal relationships and personal development; requirement for membership is subjective and is not limited to a specific field of study, class year, etc.; and members are not permitted to hold membership in other identified social fraternities/sororities at the University.

Additionally, all recognized social fraternities and sororities at the University of North Alabama must be affiliated with an inter/national organization and/or must have tax-exempt status under Section 501(c)(7) of the Internal Revenue Code; must limit membership to currently enrolled students at the University of North Alabama.

B. Governance Structure
The governance structure established by the University of North Alabama includes student input and participation. Student input and participation is accomplished through authority delegated by Fraternity and Sorority Life Office to designated student governing councils. Social fraternities and sororities must abide by applicable university policies, regulations, and procedures governing student organizations, as well as policies, guidelines, and procedures established by Fraternity and Sorority Life Office and the designated governing councils.

C. Residential Units/Housing
A social fraternity/sorority that operates a residential unit and provides opportunities for housing to university students, must abide by facility management policies and standards as established by the University, including but not limited to the following: (1) Organizations must be in compliance with fire safety standards and must pass Fire Safety Inspections; (2) Organizations must comply with building inspection and related policies and must take corrective measures as needed or required.

Updated October 31, 2018
D. Withholding, Revoking, Suspending Recognition & Reinstatement

The University reserves the right to withhold, revoke, or suspend the recognition of any social fraternity/sorority when University rules, policies, and/or guidelines are not adhered to. Any social fraternity/sorority that remains inactive for over one year must follow the expansion policy to be reinstated.

SECTION II

A. Procedure for Expansion

Social fraternity/sorority expansion at the University of North Alabama can occur in three ways:
1. Through a formal University expansion plan approved by CPH, IFC, IGC, NPHC, the Assistant Director of Student Engagement for Fraternity and Sorority Life, or council advisor;
2. Through a formal petition for recognition by an interest group (either a student-led or IHQ-lead interest group);
3. Through a formal petition for recognition for an organization coming off a disciplinary loss of University recognition

Note, each governing council (CPH, IFC, IGC, or NPHC) will recognize no more than one group as a colony within each respective council at any one time. Therefore, no council will be allowed to expand further until the colony has become a chartered chapter or has disbanded.

1. Procedures for formal expansion plan by the CPH, IFC, IGC, or NPHC Executive Board
   a. Determine need for expansion
   b. Council executive board must first gain approval from the general body of the respective council and the Assistant Director of Student Engagement for Fraternity and Sorority Life and/or council advisor to begin expansion process
   c. Follow the additional procedures outlined in the governing council documents
   d. Selected organization must submit all necessary documentation, as indicated in Section II, Sub-section B of this expansion policy to the Fraternity and Sorority Life Office
   e. CPH, IFC, IGC, or NPHC will provide a checklist of expectations to the chosen organization’

2. Procedures for Petitioning Interest Groups

For Student Interest Groups:
   a. Contact Assistant Director of Student Engagement for Fraternity and Sorority Life about interest in expanding the Fraternity/Sorority Community at the University of North Alabama
   b. Submit a letter of interest/intent to the respective governing council and the Assistant Director of Student Engagement for Fraternity and Sorority Life
   c. Follow the steps as outlined in the governing council documents. If an inter/national organization is supporting an interest group, additional steps should be taken as indicated below
   d. CPH, IFC, IGC, or NPHC will provide a checklist of expectations to approved organizations

For Inter/national Headquarter Interest Groups:
   a. Submit letter of interest (or a letter of endorsement, if already working with a student interest group) to the respective governing council and the Assistant Director of Student Engagement for Fraternity and Sorority Life
   b. Submit all necessary documentation, as indicated in Section II, Sub-section B of this expansion policy to the Fraternity and Sorority Life Office
   c. Follow the additional procedures outlined in the governing council documents
   d. CPH, IFC, IGC, or NPHC will provide a checklist of expectations to approved organizations

Note, in the letter of interest/intent, the organization must articulate which governing council it wishes to affiliate with. For extension of National Panhellenic Conference sororities, the university will work in concert with the
process as outlined in the NPC Manual of Information in addition to the CPH governing documents; however, all University of North Alabama requirements must be met in addition to NPC and CPH procedures.

3. Procedures for an Organization coming off disciplinary loss of University recognition
   a. Meet with the Assistant Director of Student Engagement for Fraternity and Sorority Life to discuss possible re-instatement
   b. After duration of University loss of recognition, meet with the CPH, IFC, IGC, or NPHC executive board to discuss the possible re-instatement and receive a list of criteria to be met to return to UNA as an active chapter. The criteria may include, but is not limited to, new advisor(s), no involvement from the members who were involved in the incident, and restitution for any money owed to UNA or council
   c. Submit letter of intent to the respective governing council and the Assistant Director of Student Engagement for Fraternity and Sorority Life

If an organization has not become a fully charted chapter within two years, the organization must petition the Fraternity and Sorority Life Office in writing to explain any mitigating circumstances and to request an extension. If recognition as a social fraternity/sorority is revoked, the ability to become recognized again may require completing the expansion process as outlined in this document.

Roster Updates:
Chapter presidents are responsible for maintaining a current roster with Fraternity and Sorority Life. Roster Updates can be made online at https://www.una.edu/students/FSL/fsl-roster-update.html. Roster updates should be submitted within 48 hours of a member’s status change. Rosters will be used for council dues, attendance requirements, and for semester grades.

New Member Policies
In an effort to encourage development of our fraternity and sorority community, these policies are to ensure the safety and wellbeing of our students, fraternities and sororities, local community, and the University. Chapters are responsible for communicating Fraternity and Sorority Life policies and the University of North Alabama policies to all members, new members, alumni, advisors, and members of graduate chapters assisting in the recruitment/intake and education/initiation process. When used in this policy the following definitions apply:

- “Recruitment” means a time of mutual selection between chapters and potential new members generally characterized by a series of planned activities in which potential new members are introduced to chapters. Recruitment activities include two types: formal and informal. Formal recruitment is a process organized by a governing council which typically involves a series of rounds for potential new members to meet chapters. Formal recruitment concludes with Bid Day in which potential new members receive a bid, or an official invitation to join an organization. Informal recruitment is a process organized independently by a chapter, including continuous open bidding, which introduces potential new members to a specific chapter, typically in an informal manner.
- “Intake” means a process organized independently by a chapter, generally characterized by holding an informational or interest meeting, followed by an application process which may include interview or series of interviews of interested candidates and whereby selected candidates participate in a new member education process.

Substance Free Recruitment/Intake
Alcohol and drugs are prohibited at all recruitment/intake events and during any new member education/initiation process.

Academic Verification Process
Each chapter and some governing councils (see council governing documents) have a set minimum grade point average for membership. Chapters should obtain the academic verification of potential/prospective members prior to inviting the student to join the organization (i.e., prior to distributing a bid). Academic verifications are obtained through several methods:

- Women participating in CPH formal recruitment will have their academics verified during the registration process. Additional academic verifications are not necessary (for bids distributed during the semester in which the formal recruitment process took place).
- Students completing applications for membership into NPHC organizations may have their academics verified through paperwork provided by the inter/national organization.
- The UNA FSL Academic Verification Form is available online at https://www.una.edu/students/FSL/fsl-academic-form.html. This form must be completed by the...
prospective/potential new member. Academic information will be sent to the chapter president, recruitment/intake chair, and advisor (if on file with the FSL office).

New Member Agreement Cards
The New Member Agreement Card is a three-part form. The top white copy and second yellow copy should both be turned into the Student Engagement Office within 24 business hours of membership acceptance. The bottom pink copy is to be kept by the new member for their records. The New Member Agreement Card will add new members to your chapter roster and serves as the new member’s FERPA release.
Membership Intake Guidelines
This document is available under Chapter Resources on the FSL website (www.una.edu/fsl). These guidelines provide the University of North Alabama fraternities/sororities, their advisors, and prospective members with information regarding the membership intake process for NPHC organizations. This process is adopted directly from the Association of Fraternity Advisors’ document titled: NPHC Membership Intake Guide. Chapter members, chapter advisors, and the Office of Student Engagement staff will work together to ensure a successful and positive experience for all involved. These documents will remain confidential to only the chapter involved and Fraternity and Sorority Life staff.

In order for Fraternity and Sorority Life staff chapters through the membership intake process and avoid potential problems, chapters must adhere to the following guidelines when conducting intake at the University of North Alabama.

All documents supplied to Fraternity and Sorority Life staff are kept confidential from students, student workers and student leaders, including the respective Council Officers. They may be shared with university officials and national organization staff as needed. In the event that any dates and times need to be changed on the intake calendar of events, the President and/or Advisor must notify Fraternity and Sorority Life staff in writing no less than five (5) business days prior to the new event time.

If you have any questions regarding the paperwork that you need to submit please contact the Assistant Director of Student Engagement for Fraternity and Sorority Life at 256-765-4248. We want you to know that your cooperation with these reporting procedures is greatly appreciated and will continue to help create a more complete fraternity and sorority experience.

Hazing:

Anti-Hazing Policy
The University of North Alabama defines hazing as an act that endangers the mental or physical health or safety of a student, or that destroys or removes public or private property, for the purpose of initiation, admission into, affiliation with, or as a condition for continued membership in a group or organization. Participation or cooperation by the person(s) being hazed does not excuse the violation. Failing to intervene to prevent and/or failing to discourage and/or failing to report those acts may also violate the anti-hazing policy.

Reporting Hazing
Hazing is not only against the UNA student code of conduct, but is also against the law. To submit a concern of hazing, complete the online form at https://www.una.edu/students/FSL/hazing-report-form.html.

Preliminary Investigation Procedures
This is the outlined procedures for the preliminary investigative process in response to fraternity and sorority hazing allegations reported at the University of North Alabama. It includes an outline of student rights and responsibilities with regards to hazing and a process for the preliminary investigation. While the University recognizes that hazing can exist in organizations beyond just social fraternities and sororities, this document and process was developed by the Student Engagement Office specifically for Fraternity and Sorority Life.

Guidelines for Preliminary Investigation of a Greek Hazing Allegation
Please note: Each hazing allegation is unique and situational. The process outlined here is designed to provide a framework for a preliminary investigation, but some steps may be altered depending on the situation. However, regardless of the situation, students will always be informed of their obligations and rights in the process.

1. A Student Engagement staff member is notified of hazing allegation.

2. The Assistant Director of Student Engagement for Fraternity and Sorority Life will communicate the reported information with the Director of Student Engagement and Assistant Vice President for Student Affairs. The University Police Department, local law enforcement, Student Conduct Office, (inter)national office headquarters staff will be notified, as necessary. Immediate action will be taken if there are imminent threats to the health and safety of others. (If an investigation is immediately referred to Student Conduct, the preliminary procedures will not apply.)

3. A timeline will be created to begin collecting information to determine the validity of the allegation through a preliminary investigation. All attempts will be made to protect the identity of the person(s) reporting an alleged hazing incident.

   a. All possible documents, including university and local/state policies, will be gathered to establish a preliminary investigation file.

Updated October 31, 2018
b. The individuals to be contacted/interviewed will be determined and open-ended questions for the preliminary investigation will be determined.

   i. If interviews will be conducted with chapter members, chapter leadership and advisors will be notified that an allegation has been made and interviews will be taking place.

   ii. If a student is being interviewed, they will be informed, both verbally and in writing, of the following obligations and rights before questioning; students will be asked to sign an acknowledgement that they have received this information:

       1. Students have the right to know why they are being interviewed.
       2. All attempts will be made to protect the identity of those being interviewed.
       3. When possible, students will be notified of those with whom the interview information may be shared.
       4. Students may choose to provide a written statement at any point in the investigation.
       5. All students are obligated to respond truthfully and completely to questions being asked.
       6. All students are obligated to refrain from any harassment or retaliation toward anyone involved in the process.
       7. Any participating organization member will be expected to uphold the values, policies, and guiding principles of their chapter and respective council.
       8. All students are expected to comply with University policies and local, state, and national laws.

   iii. When interviews with students occur, students can expect that the University may choose to:

       1. Request limited communication between involved parties during the investigative process.
       2. Interview the same individual more than once.
       3. Notify/work with applicable inter/national headquarters staff and/or campus/local law enforcement.
       4. Request a limit on organizational activities during the investigative process- including but not limited to new member program activities, social functions, and chapter meetings.

4. At the conclusion of the preliminary investigation process, a written summary of the alleged violations will be prepared.

   a. If after the preliminary investigation it is believed a full hazing investigation is necessary, the process will be turned over to the Office of Student Conduct for further investigation.
b. Chapter leadership and advisors will be notified of the outcome of the preliminary investigation and their rights and responsibilities moving forward.

Please Note: The conclusion and outcome of the University's process does not preclude action taken by law enforcement or an organization’s inter/national headquarters. Additionally, be reminded that based on the initial information received, the Student Engagement Office can defer the investigation to student conduct prior to completing the preliminary investigation.

**Officer Responsibilities:**

**Council Officers:**
Those elected/selected to serve their governing council are responsible for completing their duties as outlined in their council’s governing documents. Each council officer is responsible for attending all meetings of their council. Officers are expected to always come to meetings prepared with a report. Council Officers should check their UNA email daily and should respond to all communication in a timely manner. At the discretion of the council president or advisor, one on one meetings may be required.

**Presidents Round Tables**
Chapter and council presidents are responsible for attending all president round tables. Round tables are held once a month. The schedule of meetings is released annually. In the event of an absence, the president is responsible for sending an officer from their executive leadership board/council/cabinet, who will be responsible for relaying all information with the president. The information shared at the presidents round tables should be shared with officers, advisors, and members, as necessary. Failure to have representation at a Presidents Round Table will result in a $25 fine.

**President 1:1s**
Each chapter president is responsible for attending one on one meetings with FSL staff. Meetings will be scheduled during round tables or via email. One on Ones typically occur in September, November, February, and April. During these meetings, the president and FSL staff will discuss chapter programs, challenges, successes, and goals, along with any other pertinent information.

**End of Semester Report**
Each semester, the chapter president is responsible for completing the end of semester report. Chapters will report philanthropy dollars, community service hours, programs held, membership information, and more. The report will open at least one week prior to study day and will be due by the last day of finals.

Housing Fire Inspections
Fire inspections will be conducted once a semester. For sororities residing in the Appleby residence halls, fire inspections are coordinated by Housing and Residence Life. For fraternities residing in housing (whether university or chapter owned), Fraternity and Sorority Life will notify the chapter president when the fire inspectors contacts the university. The chapter president is responsible for coordinating the fire inspection with the fire inspector. The chapter president or house manager must be present during the fire inspection.

If a chapter fails a fire inspection, upon notice of failure, the chapter will not be permitted to hold any event in the chapter facility until the violations have been remedied and the fire inspector has issued a notice that the chapter has passed the inspection.

Common Fire Inspection Issues

1. Fire Extinguishers: It is required that there is one fire extinguisher per level. The fire extinguisher must be a minimum of 5 pounds and be mounted to the wall. Locations for fire extinguishers are predetermined. The extinguishers must be checked annually. To replace fire extinguishers, there are several local options (this is not an all-inclusive list):
   - a. Young Welding Supply: 101 E. 1st Street, Sheffield, AL 35660 | (256) 383-5429
   - b. Global Fire Sprinklers LLC: 4242 Bryson Boulevard, Florence AL 35630 | 256-740-5633

2. Smoke Detectors: It is required that there is one smoke detector in each sleeping room, one in the hall outside each sleeping area, and one on each level of the facility. Batteries on smoke detectors should be changed every 6 months.

Housing Rosters
Housing rosters on the first day of the semester. The president is responsible for notifying Fraternity and Sorority Life of any changes during the semester. Housing rosters are only used in the event of an emergency. Housing roster should include the following information for each individual residing in the house: name, university L#, cell phone number, emergency contact name, emergency contact phone number.

For sororities residing in the Appleby residence halls, Housing and Residence Life manages the housing roster, so there is no need to submit additional documentation to Fraternity and Sorority Life.

IFC Fraternity Housing Leases
IFC fraternity housing leases vary by chapter. Some chapters own their houses, but not lease their land from the institution. Some chapters lease their house and land from the institution. One chapter owns their house and land. To request a copy of your chapter lease, please email greeklife@una.edu.

NPC Housing Contract
The NPC Housing agreement is renewed every three years (most recently in 2018). The current NPC Housing Agreement can be found online at https://www.una.edu/students/docs/Appleby%20East%20West%20Agreement%202018-2021.pdf.

The plaques are funded by the chapter and the NPHC Garden Foundation Account.
