Mane Month

una.edu/manemonth
At the University of North Alabama, there are 13 months in our calendar. Between the months of August and September, there is an exciting time on campus called Mane Month. Across campus, multiple events and activities happen almost every day to welcome new faces and make new friends. You will find a schedule of these opportunities on the next few pages. Find the digital calendar at una.edu/manemonth.

Mane Month is coordinated by the Student Engagement Center. Calendar details are subject to change. Please refer to the website for updates. For information or assistance, call 256-765-4248 or email studentengagement@una.edu.

OUR MISSION

The Student Engagement Center is dedicated to developing influential citizens and just leaders through opportunities that engage students in our campus, local, and global community.

All items contained herein are as they currently exist but are subject to change without prior notice. For updates, visit una.edu/students, follow us on social media, and check the student engagement app.
GET INVOLVED!

Check out upcoming events and activities by downloading the UNA Student Engagement App on your mobile device. It is a simple app that displays upcoming events. You can sort by sponsoring organization or event tags like “Free Food,” “Movie,” or “Weekend.”

If you have questions about an event and are in the GUC, stop by the office and ask one of our Student Leadership Consultants for assistance.

DOWNLOAD THE APP
for student events throughout the year. Scan with your phone’s camera, and follow the link that appears.
LUCKY DIP FESTIVAL

On the first day of the fall semester, students dip their pencil in the fountain for good luck and good grades. Last December, portions of the fountain collapsed. In August, it may be under construction. While there will not be a festival around the plaza, the Lucky Dip will continue. A portion of water from the original fountain was preserved to be poured in each of the smaller fountains surrounding the Harrison Plaza on the first day of class to assure the good luck and good grades can continue to flow to those who dip their pencils in these waters.

COLLEGE PANHELLENIC BID DAY REVEAL

One of the oldest campus traditions pre-dates Mane Month itself. Many women participate in College Panhellenic recruitment, and it culminates to the exiting moment when they “run home” from the Amphitheater Stage to their new sorority. (This event is canceled for this year.)

THE BIG DEAL

On the first Thursday of fall classes, businesses host tables around the heart of campus, and many students walk away with prizes including the grand prize from Listerhill.

NPHC CONVOCATION

Each year, the National Pan-Hellenic Council has a general interest session known as Convocation. There, interested students are provided with information about NPHC fraternities and sororities.

LIONS LEND A HAND

Lions Lend a Hand is a service showcase featuring campus and community organizations that are making a difference. This is an opportunity to learn more about how you can get involved locally.

GAME DAY

Each year, Mane Month concludes with the Celebration of Football Game Day! Tailgate activities begin several hours before kick-off. The University Program Council and Student Government host activities and distribute spirit items to cheer on the Lions during the Lion Walk and the Game.
The student organizations and campus entities represented in this publication have committed to promoting precautionary behavior to help mitigate the spread of the novel Coronavirus at student activities. All students should carry a face cloth covering at all times as there will be certain activities and zones that require face cloth coverings for admission into the event or activity space.

A complete list of the guidelines used to plan the activities can be found at una.edu/manemonth.

**NOTE THE ICONS!**

In this publication, you will also notice certain icons beside each event that identify the safety precautions that will need to be followed to participate in the event. They are designed to help you make better decisions about which events or activities you feel comfortable attending.

- **Face Covering**: Face covering is required for admission to this event.
- **6 Feet**: Occupancy levels will allow for maintenance of a six-foot distance. If this is the only icon, attendees will not be required to wear face coverings so long as they maintain six-foot distancing.
- **Thermometer**: Guests will be required to have a temperature check for admission to this event. Any individual with temperature readings over 100.4°F will not be granted admission.
- **RSVP**: Guests must RSVP for admission to this event to keep numbers low.
- **Virtual**: This event will happen in a virtual environment.

**UNA is committed to keeping our campus community safe and informed. For updates involving COVID-19, visit**
